Suddenly, all the heartless betrayal from his so-called friends, the constant physical attacks from Drake, the tragic losses of his true friends, all the constant running from two drunk bloodthirsty vampires, and closing out his own heart caused Caleb to snap and he let out a loud bloodcurdling scream that reached up to Heaven, down to the bowels of Hell, and throughout every last street in New York.

Past Drake Maxwell: What the?!

Past Caleb Maxwell: (Deathly Calm Voice) I've had it...! With you...!

Caleb's head was facing down, and his dark brown hair was hanging over his eyes, that was the sign of him being absolutely pissed off.

Past Drake Maxwell: What?! What the fuck did you say?

Past Caleb Maxwell: (SCREAMING AT THE TOP OF HIS LUNGS) I SAID I'VE FUCKING HAD IT WITH YOU TO LAST AN ETERNITY, YOU FUCKING PIECE OF SHIT!

Caleb Maxwell raised his head, but his face, what Drake saw was the face of a truly angry demon from Hell: the sclera of

Caleb's eyes were blood red and he had blood tears falling from his eyes and he had an angry glare in his eyes full of bloodlust and hatred.

Nico: Oh shit! He's lost it.

Me: Big time!

Past Cage Blunt: Whoa. (Laughing Evilly) Well, this is an unusual development? Has the usually quiet Caleb Maxwell has finally lost it?

Suddenly, Caleb Maxwell turned to Drake Maxwell, and he was seriously out for blood, and when the guns Christiano Maxwell's friend made for him appeared in hand, it was gonna mean absolute Hell!

Past Caleb Maxwell: After everything you did to me, you think that I'll just spare your life, Drake, that I'll let you walk away without a fucking scratch?! No, you don't get that luxury ever again, not in your miserable life! I warned you that if you ever did this again, then you'd be shown no mercy, and now, I am going to end you!

Past Drake Maxwell: What? You've got to be kidding! You...! Hah! Boys, GET HIM!

Drake's thugs went after Caleb Maxwell with knives in hand, but...!

BANG! BANG! BANG!

Caleb shot three of them in the chest and they fell down dead on the spot!

Past Thug: Hey, he shot three of the boys dead! KILL HIM!

The other thugs went after Caleb, but Caleb also fired at them and shot them right in the chest and they too fell down dead on the spot leaving Drake all alone with Cage and Travis seeing it.

Past Travis Tackett: This is getting good, not only are we witnessing a bloodbath, but Caleb's finally lost it! (LAUGHING)

Past Cage Blunt: (Smirks) His future's history, I just know it. If someone finds out about this, he's finished.

Cage Blunt: I thought Caleb's future was history and his life was finished, I had no idea that I was about to be proven right.

Drake seeing that Caleb, his favorite target, finally lost it and killed his men let out a primal scream of rage and he got out a knife and rushed at Caleb and he tried to stab him, but Caleb kept dodging his strikes all the while cackling at his insane ex-younger brother and trying to shoot him. Finally, Drake went charging at him with his knife pointing at him.

Past Drake Maxwell: DIE, YOU PIECE OF SHIT!

Past Caleb Maxwell: YOU FIRST, SHITHEAD!

Caleb Maxwell also charged at him, and then...!

POW! SQUELCH!

CALEB MAXWELL RAMMED HIS RIGHT GUN INTO DRAKE MAXWELL'S STOMACH, AND DRAKE BELCHED OUT MASSIVE AMOUNTS OF BLOOD!

Past Drake Maxwell: Y-you...bastard...! How could you do this...to your younger brother?

Past Caleb Maxwell: After everything you did to me in the past few years, you've betrayed, assaulted, and beaten me to a bloody pulp, you betrayed Mom and Allie, you betrayed your family, and you also murdered a ton of innocent people as well! You are no position to say what I've done wrong! Now, you know how it feels to almost die at someone else's hand, and now...!

Caleb Maxwell had his finger on the trigger!

Past Caleb Maxwell: This is where you die! Rot in Hell, you piece of shit!

BANG!

CALEB MAXWELL SHOT DRAKE MAXWELL IN THE STOMACH AND HE FELL TO THE GROUND!

Suddenly, four more cars showed up, and four men came out, they were none other than Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, the four senior members of The Syndicate.

Past Harold Devins: Our boss' son is dying, let's get him to our surgeon, he'll fix him up.

Past Nathan Daniels: Right. (To Caleb Maxwell) You just dug your own grave, Caleb. Even if you're Marcus Maxwell's eldest son, you've always been nothing more than a thorn at our side!

Past Caleb Maxwell: SHUT UP! SHUT THE HELL UP, YOU PIECES OF CRAP!

They loaded Drake Maxwell into Aaron Lowell's car, but before they drove off, they gave Caleb the middle finger as he shot at them too, but they dodged the bullet and drove off! Caleb let out another fit of mad cackling, but then, his deranged fury died down as it left his body and he fell to his knees, and realizing what he just did, he was about to break down.

Past Caleb Maxwell: W-what have I done? I've let my hatred on Drake out big time, and because of it, some of Drake's thugs got killed, and I just put Drake in a life-threatening situation when I shot him in the stomach, but I heard Harold Devins say they're getting him to their surgeon who happens to be a genius in the field and provided them excellent medical care. Damn it, once Drake recovers, he's going to come after me with vengeance. My God..., I've just damned my entire family, and my future in law enforcement, there's no doubt if word gets out, I'll be kicked out of the police academy, it's all over. Damn it! DAMN IT ALL TO HELL!

Finally, Caleb Maxwell broke down and cried as tears of blood flowed from his eyes even more and it fell to the ground and formed into a pool of bloody tears: he'd sealed his own fate. Caleb got up off the ground as his bloody tears still fell. Then, he turned to Cage Blunt and Travis Tackett.

Past Caleb Maxwell: (To Cage Blunt and Travis Tackett) If you two are going to kill me..., then do it. I no longer care anymore.

Caleb Maxwell closed his eyes hoping the two vampires would kill him, but as he opened his eyes a few seconds later, they were gone. He'd been denied the chance to be killed, and that alone drove him to tears once again. But, then...

Female Voice: Caleb?

A female voice called out to Caleb, and he turned around and was greeted by Mabel Jensen, the bartender of The Hallowshade Bar. She saw from the dead bodies of Drake's thugs and Caleb's face with blood tears streaming from his eyes that he'd snapped and went crazy. But, instead of running from him, she went up to him and hugged him, and perhaps overcome by his depression and despair, he hugged her back out of instinct as he cried his heart out as the video ends.

Me: Oh man...!

Nico: Damn. Your brother really crossed it that time, and because of it...!

Allie Maxwell: Because of him, Caleb went crazy. Finally, he was hoping Cage and Travis would kill him and leave him to die drained of blood, but they left. Caleb was denied the chance to die, and he fell into despair and depression, but when Mabel showed up, she didn't run but she hugged him, and overcome by depression and despair, he hugged her back and he really cried his heart out.

Eli: Oh dear...!

Cage Blunt: He was brought back home, but what happened scarred him for good.

Travis Tackett: As for Drake, they got him to that surgeon who was a genius and he was patched up, but it took him six days to recover, and it was more than enough time to plan his revenge on Caleb.

Maria: The six days that would eventually seal his own fate.

Lincoln: So, what happened the next day?

Roxy Drake: The next day, Buffy and the Day Shift got called to the scene, but they didn't find any bullets. Yet, we thought Drake was at it again, and this time, he murdered his own thugs while trying to kill Caleb, but the truth was the complete opposite.

Jack Howard: And about what Cage said, he was proven right, but the deed wouldn't be done by some bystander, it was by Caleb's own hand. He submitted his right of termination, and Captain Whitten asked why in a state of shock. Then, Caleb explained everything that happened that night, and he soon told him of the incident at the abandoned warehouse and of his encounter with The Big Claw Gang, along with Drake returning after two years of hiding.

Captain Whitten: Despite that it hurt his future, Caleb did the right thing, he removed himself from the police academy.

Me: That had to be tough though, Caleb, you were wanting to become a police officer.

Caleb Maxwell: That was true, but how could I go on with that goal? My hard-earned work would amount to nothing once I die, and with what you guys saw, if I were out on the field, my anger and desire for revenge would take over, and consumed by a vampire-like bloodlust, I'd do the same thing all over again.

Luna: You really think that would've stopped you from doing the right thing though?

James Blunt: Think about what Caleb had been through: he'd been heartlessly betrayed by so-called friends, beaten and assaulted by Drake for years after Drake betrayed his family, all of Caleb's true friends were murdered, he's had to run from Cage and Travis drunk on Demon Blood along with Drake's thugs, and he also closed out his own heart letting only darkness and hatred in. Even I knew he did the right thing even if it cost him his future, but Caleb knew..., he knew his future was gone, and that right there..., that was the culmination of all the tragedies Caleb went through the night he opened his heart yet again.

Nico: Closing his heart was a bad idea from the beginning, but you sensed it when he came back in 1993, Mr. Blunt.

James Blunt: I did, Caleb was crying out for help. When he told me of his life and the tragedies he went through, that matched what my connections told me. He was a lost soul crying out for help, that was all he wanted: he wanted someone to help him.

Lincoln: And that was done because of you and Cage.

Travis Tackett: And myself as well the night he came to Kentucky, and I also knew the façade he had forever shattered, but when he'd opened his heart once again, let's just say the waterworks flew like crazy.

We got a shower, and then, Lincoln and Elm Ederne are heading to Lake Lamode.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry

and accessories, and he had his weapons holstered in case of trouble.

And Elm Ederne was dressed in a white two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her, white sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Elm Ederne had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Elm Ederne: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Elm, and it's perfect for our first date. Shall we?

Lincoln and Elm Ederne dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Elm Ederne also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Elm Ederne a deep tissue massage, and when he was done with that, Elm Ederne was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Elm Ederne got an extremely massive and deep atomic red blush on their faces when she saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Elm Ederne: (Swooning) Ruby and the others were right about him: what a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Elm Ederne and he hugged her in his abnormally massive and powerful muscular arms, and she placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elm Ederne with white gems on the gold lightning bolt links and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Elm Ederne in your harem, Linky.

Elm Ederne showed the marks Lincoln made on the right side of her trapezius.

Ruby Rose: I knew those two would get together.

Jenna: You had no trouble at all.

Elm Ederne: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he certainly had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were

really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the

extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Number 1 of the Skylanders Adventures and we're going to do Trap Team First.

Nico: First up is Gulper. Any volunteers?

Maria: Me, Volcana, Donald Duck, Jared, Snap Trap, Lob Star, Punk Shock, Gill Grunt, Splash Woman and Wave Man.

Nico: Cool!

Qin: This is gonna be fun.

Lola: You said it!

Gulper: Gulper going to love this.

Nico: Yep.

They went in and the simulator activated and they were in Soda Springs and they saw THE GULPER! And he was HUGE!

HIS GULP IS WORSE THAN HIS BITE!

From the moment he oozed from the ceiling of the Gelatinous Caverns, The Gulper had possessed an enormous appetite and insatiable thirst for anything and everything he could stuff in his mouth. At a young age, he won first place in the annual Deep-Fried Triple-Cheeseburger eating contest – and has proudly worn the Crown of Gluttony ever since. But it was his particular affinity for soda, which causes him to grow to colossal proportions and go on rampages, that first caught the eye of the Golden Queen. She was looking for special types of people – or creatures – to join her Doom Raider gang that was bent on unleashing total mayhem. It was also her desire to recruit someone who was incredibly dim-witted, so that if they were ever captured, the Skylanders would not be able to extract any useful information. The Gulper fit these requirements to a tee!

After escaping from Cloudcracker Prison, The Gulper landed in Soda Springs where he began consuming the soda that were made by the Mabu for the soda festival. The more soda The Gulper drank, the bigger he became, allowing him to rampage through the village. Eventually the Skylanders and the Trap Masters arrived and stopped The Gulper by tricking him into drinking a vat full of bottom-feeding, suction-eel flavored soda. This caused him to shrink back down to his normal size, allowing the Skylanders to capture The Gulper with ease.

After his capture, the Skylanders took The Gulper with them as they departed from Skylanders Academy for Know-It-All Island for his Villain Quest with Mags, called "Balloon Redemption". She explained to the heroes that she had an idea for Gulper to make up for his previous behavior at Soda Springs; give all the Mabu children balloons to help them cheer up. After completing this task, he was awarded with Mags' thanks and a new outfit.

The Gulper and the Doom Raiders infiltrated the Skylanders Academy by posing as a music band named "The Evil

Imposters" for the school graduation. When their equipment was set, they took off their disguises and immediately laid siege over the school, scaring away any attendees. The Gulper took to consuming the soda-flavored water fountain conjured by Pop Fizz during the takeover, but noticed the Minis when they came to help Pet-Vac. Gulping down a large amount of soda-flavored water from the fountain, The Gulper grew to massive size, easily capturing the Minis. The Golden Queen was willing to release the Minis from The Gulper's grasp in exchange for the golden egg Pet-Vac took from her. However Pet-Vac was able to steal the Queen's golden staff during the trade and used it to turn The Gulper to a golden statue, freeing the Minis.

Maria: Oh boy! This is gonna be big!

Volcana: Look at the size of him!

Donald Duck: That big palooka isn't so tough!

Buzz came.

Buzz: BOOMSTICKS You all made it.

Volcana: Like we would miss this.

Buzz: You guys are here to stop The Gulper?

Maria: Yeah we sure are and we are ready for it.

Gulper: When Gulper drinks that much Soda, Gulper gets huge.

Horsea: I hope they'll be ok.

Me: Relax, Horsea. They'll be fine as long as we believe in-

Just then, I saw Crocker nearby grinning evilly at me.

Me: Crocker?!

Poromon: Look, Gulper just spotted them!

Me: That's cool! But Crocker-

I looked to where I saw him only to find him gone.

Me: Gone. (sighs) I must be fucking losing it. First, Burns. Then Wertz. And now, Crocker. Who's next? Evil Sasuke?

Lincoln (laughs): I hope so! Then you can have one more Evil Sasuke rant before Ino's day!

Me: That woud be nice. But this was the real Wertz that appeared Lincoln.

Lincoln: Oh right.

Me: (To myself) (Sighs) Come on J.D. Keep it together. Remember what Ned Flanders said. Keep yourself diddily iddily iddily do together.

Homer: Don't sound like Flanders J.D.

Me: Sorry Homer. Just following Ned's advice.

Homer: Please don't try to annoy me on my big day.

Me: I know how much Flanders annoys the living crap out of you Homer but his advice helped big time.

Homer: You're right.

Me: Yeah.

They were in front of 2 barrels of soda.

Buzz: I just had the most awesome idea. Even for me. See these two vats here?

One was full of an orange soda.

Buzz: This Orange Ambrosia Cooler was named Soda of the Year

Me: That stuff sounds tasty.

Spyro: Oh it is. Some of the best ever.

Next to the orange stuff was a green vat.

Buzz: The other green stuff is bottom-feeding suction eel flavor.

YUCK!

Me: That would taste worse than puke!

Buzz: And it tastes worse than it sounds.

Maria: It can't be that bad.

Maria tasted osme and then...

MASSIVE LOUD VOMITING ATTACKS!

Me: OH SICK!

Nico: GOOD GOD!

Maria: I had to ask!

Nico snapped his fingers so she would only vomit once every hour.

Maria: Oh man that was NASTY!

Buzz: It is!

Volcana: How does the other stuff taste?

Volcana tasted it and it was the best ever.

Volcana: Oh wow! That tastes like Orange soda mixed with cream-sicle and vanilla ice cream.

Me: (SLURPS) Yummy!

Nico: I would love drinking that.

Volcana: I got lucky!

Donald Duck: You sure did.

Snap Trap: (Australian Accent) Sure is good stuff mates.

Lob Star: I'll say.

Buzz: Yep. But if we can switch them up and trick the Gulper into drinking the eel stuff, it might just bring him down to size!

Donald Duck: That's brilliant!

Punk Shock: Lets do it!

Maria got out a sign that says orange soda and put it next to the eel soda.

Me: Ooh clever.

Gulper took the bait and drank it and it was SO TERRIBLE THAT HE SHRUNK!

Now he was the right size!

Maria: Now that's more like it!

Jared: Lets get him guys!

Snap Trap: CROC AND ROLL!

Lob Star: STAR BRIGHT! STAR FIGHT!

Punk Shock: AMP IT UP!

Gill Grunt: FEAR THE FISH!

They went at him!

Maria fired blasts of water and drenched him.

Volcana fired blasts of fire and blasted him all over!

Donald: Have some magic!

He fired Magic Blasts and blasted him.

Jared: You want soda? Taste this!

He fired blasts of fire and blasted him.

Snap Trap fired blasts of crystal arrows.

Lob Star fired stars.

Punk Shock fired lightning arrows.

Gill Grunt fired Scalding hot water.

Splash Woman Fired lasers and Wave Man fired waves of water.

Donald fired Fire Magic and blasted him.

Snap Trap: Time to finish him mates!

Maria: Lets!

Maria and Snap Trap: TSUNAMI ARROW BARRAGE!

They fired waves of intense water and blasted him and he was down!

GULPER DEFEATED!

Maria: Now comes the fun part!

Maria held up a Traptanium Crystal!

BOOM!

A blue vortex appeared.

Gulper: Stay back swirly thing!

It took his trident!

Gulper: HEY! My trident!

He tried to run but the suction was too strong! And it sucked in Gulper!

Gulper: I JUST WANTED TO TRY SOME SODA!

HE WAS LOCKED IN THE SHARD!

THE GULPER TRAPPED!

Gulper: What? Hello? Can anybody hear Gulper? And if so, can you bring Gulper some soda?

Maria: What's wrong, Gulper? Trapped?

Gulper: Why you trap me?

Maria: Mmm it was for your own good. Would you rather be bad or be locked up in Cloudcracker Prison again? Oh wait. Cloudcracker Prison was destroyed. So if you want some more soda you have to be good from now on.

Gulper: Gulper have to be nice now... Kind of strange, but Gulper get used to it.

Maria: Welcome to the redemption squad and the M.O.E.

We cheered for them.

Nico: One down. Who's next?

Me: Well according to the list, Chompy Mage.

Qin: So Life next.

Me: Yep.

After our first Skylands adventure, we were at Lynn's Table to celebrate the completion of the first half of the 2024 Ambassador Missions.

Nico: I propose a toast: to the completion of the first half of The 2024 Ambassador Missions.

Bart: Here's to awesome Ambassador missions!

Me: Here here!

We clinked our glasses!

Me: It was truly an epic start to 2024, and not only did we go after the main villains of the first half of The 2024 Ambassador Missions, but we also went after some of Anti-Monitor's minions.

Qin: No kidding there!

Sunny Starscout: This has been so fun so far!

Xenia: It sure has!

Laney: You said it. For me, Misty Tredwell, and Laura Wynn, we went after and got rid of Tregear, the main villain, along with the secondary villain, Dark Chandler. Now, we're finally rid of that smelly sewage bully for good.

Lincoln: You got that right. That loser didn't stand a chance.

Lynn: Not after what you, Laney, and all of us did to him.

Sunny Starscout: That's for sure. For me, Aqua, and Harry Potter, we took down Sergeant Subatomic and sent him to prison.

Aqua: And we got rid of Lady Tremaine forever and sent her to The Black Abyss.

Me: Yep, good riddance to that black-hearted greedy old witch.

Luna: Yep, and for me, Samurai Jack, and Marina Reagen, we went after and got rid of Dark Lugiel, and we also took down Doug after Lincoln exposed what he did to Michelle.

We had Doug chained to his post and everyone was viciously pulverizing him and more gold, gems, and other currencies were coming out of him.

Luna: That was an awesome punishment you gave him, Lincoln. Now, instead of being locked up, now we are humiliating him big time.

Nico: After what Lincoln found out, we were pissed and we wanted to kill him.

Himiko: He didn't deserve to die.

Homer: He wasn't worth it.

Me: No but we made a fool out of him.

Himiko: And for me, Yona, and Carlota Santiago, we went after and got rid of Suel and we also took down Stain.

Lincoln: And I made sure to suck out his Quirk and abilities and made them my own, and we sent him to prison forever.

Izuku: Now, we won't have to deal with him again.

Me: Yeah no kidding. But he wasn't worth killing.

Bakugo: That's for sure, he can die and rot in Hell for all I care.

Caleb Maxwell: I still should've killed him when he blabbed out about the TALON Agents returning.

Me: You already erased their memories, Caleb, that was a good punishment.

Smolder: Yep. And for me, Eli, and Chloe Bolton, we went after and got rid of Greeza along with Davy Jones.

Me: That was the first half of justice.

Eli: That's for sure. I avenged Queen Athena's death when I killed him and Ursula for good. Now, all that's left is Sephiroth.

Me: We'll get to him when the day comes.

Camie: Yeah.

Sandbar: That's true. And for me, Varie, and Wendy Lebimininsky, we went after and got rid of Alien Empera and that Chaos Sorcerer, Sindri Myr.

Hunter: (German Accent) Ja. I finally got rid of my old enemy and got rid of the evil Chaos Sorcerer who turned The Royal Defenders into instruments of chaos.

RD Lincoln: Good riddance to that monster.

RD Me: Especially for brainwashing my friends that lead to everything being ruined in Universe 26.

Luan: He had it coming. And for me, Camie, and Kairi, we faced and took down Leo Akaba and we also brought his daughter, Ray, back and sent him to prison, and we also got rid of my old enemy, Claire McBadbat after we exposed her for the lying, two-faced, conniving malicious little monster she was and always will be.

Camie: And that was after we showed her parents all the proof Lincoln's Guardian Angels gathered on all her lies and exposed her for forming an alliance with Leo Akaba.

Me: Yeah!

Lynn: She had it coming for years. And for me, Minuette, and Camie Bolton, we faced and got rid of Juggler and we also got rid of Dark Lynn, and man, Lincoln really let her have it big time.

Lincoln: I hadn't forgotten. I really went berserk and tore her apart.

Qin: That was awesome!

Laney: And you also got justice for everything that stupid gorilla put you through.

Anna Anyanova: That is for sure!

Lily: He made sure of that. And for me, Maria, and Lemon Hearts, we went after and got rid of Dark Cameara thus finishing some of Lincoln's unfinished business, and we also took down Kevin the Sea Cucumber.

Maria: That's for sure. I don't know what Anti-Monitor was thinking sending him after us.

Xenia: Yeah that Jellyfish nerd was not worth our time.

Lily: At least he's in The M.O.E., and everyone's keeping an eye on him.

Leni: That's true. For me, Sweetie Drops, and Emily Tamaki, we went after and totes got rid of Celebro and we also got rid of Billie Muldoon and this time for good.

Belle Muldoon: That's right. That insane psycho got what she deserved.

Camie: She sure did.

Izzy Moonbow: You said it, and for me, Namine, and Pepperdance, we went after and got rid of Mother Sphere along with Ophelia Shroud.

Lisa Loud: I was hoping we'd face her on my big day, but she's caused us enough problems, and now, she's gone forever.

Brittney: Yep.

Plankton: That was amazing that Ophelia was a land version of me.

Me: I know.

Lucy Loud: And for me, Brittney, and Dora Santiago, we went after and got rid of the vampire, Serena, along with my old enemy, Deacon Frost.

Lincoln: He had no idea who he was FUCKING WITH!

Blade: Damn straight.

Me: Yeah. Some motherfuckers are always trying to ice skate uphill.

Zipp Storm: You said it, and for me, Lightning Dust, and Lena Mack, we went after and got rid of Giga Berserk.

Tempest Shadow: Along with The Storm King forever.

Lincoln: J.D. saw the prophecy in the sky, and we knew we were going after him, that made the first irredeemable of Equestria's enemies to bite the dust.

Me: Yeah!

Ink Rose: Indeed. And for me, Ocellus, and Lola Ferrington, we got rid of The Choten and redeemed King Sombra and destroyed his dark side.

King Sombra: I was fooled by Opaline.

Me: She duped a lot of Equestria's biggest enemies. But what did you expect? She is pure evil incarnate.

Lana: We'll make sure she pays. And for me, Starfire, and May, we faced and got rid of Dujardin, Zarm, and Hans for good.

Me: That was so epic!

May: That's for sure, but Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade caused chaos by sending armies of demons and monsters to cause havoc.

Nico: And then, he resurrected Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, he and the rest of those snakes caused us so much trouble and chaos, but we finally got rid of them for good along with Malphas.

Silverstream: That's for sure. And for me, Shining Armor, and Bebe Bolton, we went after and got rid of Mantid along with Evil Cozy Glow.

Lincoln: That made her the second of Equestria's irredeemable villains to be destroyed. We still got more of them to go before we go after Opaline herself.

Me: You said it, Lincoln. And now, we get to the big part.

Lincoln: Oh yeah, for me, Octavia Melody, and Stacy Bolton, we took the battle to Scotland as we got rid of Belial, and I exacted 403 years of divine retribution on Morag McLaughlin and sent her to prison along with sending Aggie McLaughlin to The Black Abyss.

Anna Anyanova: And you fulfilled the first part of The Prophecy of The Reincarnation of Amaterasu, now all that's left is to fulfill the second part of the prophecy: the demise of Dark Chase Young, the mastermind responsible for 1,500 years of pain and suffering.

Me: That is a big milestone. Part 1 of the prophecy is fulfiled.

Nico: J.D. already sent his warning to that son of a bitch with the help of the spirit of Tang Young.

Me: But, despite what we've been doing to him by getting rid of his pawns, he still won't quit. And he always tries to find was to piss uss off to no end.

Lincoln: No, he won't quit and yes he does, and he continues to piss us off even more especially with the revelations we keep on finding on him.

Pipp Petals: That's for sure. And for me, Derpy Hooves, and Anita, we went after and got rid of Tregear and we also sent Dr. Nefarious to prison.

Sunset Shimmer: And Lincoln did an awesome job absorbing all his ships and his invasion forces as well, that really grinded his gears big time. Well, now he can spend eternity in prison for what he's done.

Pipp Petals: Oh my glitter that was so amazing!

Misty Brightdawn: Yep, and for me, The Pipsqueaks, and Xion, we went after and got rid of Skullivar and we also got rid of Lavos when Lincoln absorbed him.

Nico: That was an awesome seafaring adventure, and we finally took care of unfinished business with that parasite, Lavos.

Lola: Good riddance, and finally, for me, Kimi Lao, and Flare Firestar, we went after and got rid of Alien Rayblood, and we took down the kid-hating genocidal monster, Father, who was stripped of his powers and is now Benedict Uno. We got rid of the first part of the evil within the Uno family, now on a rescue, we need to get rid of the progenitor of the evil legacy: Grandfather.

Nico: You said a mouthful, but this time, we'll make sure the evil within the Uno family is gone for good.

Lincoln: That's right. Plus, on your rescue for my big day, we got rid of the kid-hating greedy adult, Chester, and sent him to The Black Abyss.

Me: I hadn't forgotten. That was awesome. Now, we got Lisa's big day mission coming up soon.

Nico: And we'll be ready for Lightning, but we'll also find out who we'll be going after for the secondary villain from Lincoln.

Me: Lisa's big day is still coming up.

Blast Off: And we know who's after Lightning

Me: Yep. I think it's Sandbar, then Lori and then Hitch's days to follow.

Fireflight: And after that, the fun really begins!

Me: Yep. Then we REALLY Kick it into high gear and make Anti-Monitor really feel the pain!

Qin: Yeah!

Varie: Yeah!

Nico: That is for sure. (Whispers to Lincoln) Hey, you got the stuff ready?

Lincoln got out a rainbow-colored liquid and gave it to Nico.

Lincoln: (Whispers to Nico) This'll get rid of the Burns fear poison in J.D., and I've got a few more nasty surprises in store for that old vulture when we do go after him, but I got a feeling an old enemy of mine was involved, along with several old enemies from our past.

Nico nodded.

Me: I hope we have some sagas after the final big mission. Because that would be-

Just then, I saw Burns outside grinning evilly.

Me: Burns?! This time, he's not getting away!

Homer: I'll. go with you too! I wanna strangle him!

Homer followed me outside but as luck would have it, he was gone.

Me: Gone. Assuming he was ever here,

Homer: Aww. I wanted to strangle him

Me: My mind is playing tricks on me again.

Homer: Aw man.

Me: Man what the hell is wrong with me?

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Poromon: (to me) Hey, I know what'll cheer you up.

Me: What?

Poromon then donned a banana costume

Poromon: IT'S PEANUT BUTTER JELLY TIME! PEANUT BUTTER JELLY TIME! PEANUT BUTTER JELLY TIME!

I LAUGHED HYSTERICALLY!

Brian: Hey, where the Hell did you get that?!

Poromon:... Do the peanut butter jelly, peanut butter jelly

Peanut butter jelly with a baseball bat

Peanut butter jelly, peanut butter jelly

Peanut butter jelly with a baseball bat

I LAUGHED MORE!

Poliwag: Poromon got his own Banana Costume. It was awesome.

Me: Ah thanks guys. I needed that.

Nico: Yeah!

Then I got a surprise with a bowl of borscht that was served to me.

Me: Ooh borscht. Wait who made it?

Nico: I think that did.

I saw a Walrein!

Me: WHOA! A Walrein!

Nico: Where did that come from?

Me: It must be one of Dark Gale's work.

Chill: (Russian Accent) I think I know who it is.

She used Telepathy and gasped!

Chill: It's my friend Gabriella Noralenshikova!

Me: She's from Russia no doubt.

Chill: She is. Lets help her.

Me: Okay.

Chill: STAY COOL!

Me and Chill went over.

Chill: Gabriella it's me Chill!

All she did was use ice beam and I deflected it and it hit a clone of Horsea and froze it in a block of ice.

Me: Cold!

Chill: Lets dance!

I fired waves of fire and Chill charged up her power.

Chill: NARWHAL!

We blasted her down.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes with blue sclera and had blue angel wings and had Walrein on her forehead and had a snowflake with a narwhal on her arm as a cutie mark. We wrapped her in a blanket and put her on the couch.

Me: That was cold.

Qin: Nice.

I got to eating the borscht.

Me: Mmm. I needed that.

She woke up and saw Horsea smiling.

Gabriella Noralenshikova: (Russian Accent) A Horsea?

Horsea: You hit my clone!

Chill: Glad you are safe comrade Gabriella.

Gabriella Noralenshikova: Chill!

They hugged.

Gabriella Noralenshikova: Good to see you comrade.

Chill: You too.

Me: You were turned into a Walrein by Dark Gale and thanks for the bowl of borscht.

I licked it clean.

Gabriella Noralenshikova: You're welcome and I remember.

She was in a blue suit and injected and turned into a Walrein! She fired an ice beam and busted out.

FLASHBACK ENDS

Gabriella Noralenshikova: It was awful.

Me: I know but we destroyed Dark Gale.

Gabriella Noralenshikova: Thank goodness.

Chill: Me and Gabriella battled the Forces of Kaos and battled them during the time when we battled the Arkeyan Conquertron.

Me: Whoa! That was intense from what I heard.

Gabriella Noralenshikova: It was.

Poromon: You didn't save some for me!

Me: Sorry I was hungry.

Poromon: I can't believe you would not...

Nico: Poromon! Be nice!

Poromon: Okay okay.

Gabriella Noralenshikova: Oh I'm the cryomancer and ice master of the team and use my ice powers to bring down our enemies. Outside the team I use my powers to help Chill and the Skylanders bring down the forces of Kaos.

Me: Wow.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her blue clothes and a blue fur hat as well as a Frostmourne Sword and an Ice Staff.

Gabriella Noralenshikova: Looking good.

Me: Yep.

Bright Man: We probably should fight ALL the Trap Team villains before Kaos.

Nico: I was about to suggest that.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no

Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Abraham Simpson, he's back and he's back in the crater that was once Springfield and he still wants to kill Homer. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Abraham Simpson, he's back and he's back in the crater that was once Springfield and he still wants to kill Homer.

EVERYONE GASPED!

Homer: I should've known that old man would be back for more.

Mona: Let me be the one to deal the first blow to him, he's got years of payback coming to him.

Lincoln: And I got just the prison for him.

Lincoln formed an orb-sized planet.

Lincoln: This is my newly built Deimos Prison for Heartless Old Men, it's a prison I'd built on Mars' moon, Deimos, and the security there is tight with officers, guards, and a warden who'll keep an eye on people like Abraham Simpson, and the security protocols are very strong: infrared security beams, pressure sensors, and hi-tech cameras, and escape is impossible, and the cells are also soundproof meaning no one will have to hear Abraham Simpson's bullshit.

Nico: Ooh, nice.

Lincoln: And I also got a terrible curse to put on him: it's called Horus' Divine Retribution Vengeance Curse, it's an Egyptian Curse that I created among the many other Egyptian Curses I've made, but this one, this curse is meant for someone like Abraham Simpson who was so rotten, stupid, and vile in his youth and adult life, he still remained that way in his elder years.

Me: Whoa!

Anna Anyanova: Here's how this curse works, Lincoln first winds up surrounded by a gold energy aura with Egyptian hieroglyphs and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out as he forms a gold energy ball with hieroglyphs surrounding it, and he fires it at Abraham Simpson, and once he's hit, hieroglyphs appear etched on his body, and these hieroglyphs list and detail all of his crimes he'd committed in the past, but that's not the worst part, he's then forced to deal with the ghosts of all his victims from his past as they howl and scream at him and they viciously attack him wanting vengeance for what he did to them.

Eli: Wait, you also came up with more Egyptian Curses too? Wait, I remembered your Min's Virility Drain Curse and your Anubis' Mummification Afterlife Curse.

Lincoln: Yep, I started coming up with more Egyptian Curses along the line, so now, it's time to take that old codger down and put him in chains.

Nico: Wow!

Me: That is amazing!

Nico: Yep.

The previous group came.

Selene: Can me, Amora, Shendu, Magma, Iceage, Whirlin, Stonedozer, Larxene, Whirlwind, and Batroc go with you guys?

Nico: Yes you all can come with.

Magma: We heard about what was happening J.D. Are you okay?

Me: Something is seriously wrong with me. I keep seeing Crocker and Burns even though they aren't there. I'm losing my marbles.

Leni: But your marbles are in your room.

Laney: Leni it's an expression.

Lisa: Yeah it means he thinks that something is making him go crazy.

Leni: Oh right I see what you're saying.

Razorclaw: Boss, which Gene Slammer do you think you'll meet next?

Nico: Number 48: Shadow Lich and Number 47: Nightmare Shark.

Me: WHOA! Scary.

Wiggum then came.

Wiggum: Hey guys.

Me: Oh Chief Wiggum we were just about to head out and call you.

Wiggum: Yeah I was in the area and heard what was going on.

Me: Cool.

Iceage: You're way ahead of us!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no

Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Tyler Arc's demonic and sadistic father, Damien Arc, along with his two abusive older brothers, and they're coming to destroy us for what we did to them last year. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Tyler Arc's demonic and sadistic father, Damien Arc, along with his two abusive older brothers, and they're coming to destroy us for what we did to them last year.

Tyler Arc: WHAT?!

Samantha Utah Cooper: I can't believe those fucked-up demons are back. This time, we're gonna make sure they die here and now.

Me: After what they did to Tyler, they deserve to die.

Nico: That's for sure. Alright, team, let's get going, Abraham Simpson's time is up.

Lincoln: This is where we end that old coot once and for all, and once we get done with him, you're finished, Damien Arc.

Samantha Utah Cooper: You made a mistake coming back from the dead, Damien Arc, and now, we'll make sure you never rise again along with your equally abusive and demonic sons.

Me: Right. Before we go we should hear what Ino's Diagnosis is. I hope Crocker doesn't show up too. Because let me tell you. I'd be a really happy guy if I never hear the words-

?: Fairy GodParents!

Me: (growls) I knew you were there, Crocker!

I swung my fist at the voice...only to realize it was only Commander Jupiter, who ducked out of the way.

Commander Jupiter: Easy! It's just me!

Me: Sorry Jupiter. (sighs) Look, I'm obviously gonna be slowing you down like this. I'll just have to rest and sit this one out. Eli, take over for me.

Eli: Got it, Bro.

Nico: J.D, wait. Ino finished her diagnosis.

Ino: He's right. Assuming you're willing to sit still and listen

Me: Okay. I'm all ears.

POP POP POP POP POP POP POP POP POP!

Multiple ears popped out all over my face.

Mung: Gross.

Me: Sorry.

Ino: It turns out Burns poisoned him with fear poison that he got from Scarecrow, but he had help in altering it, and that person is an old enemy from Lincoln's past.

Lincoln got out a photo of a male with black hair completely wild, he had a deranged look in his eyes and an even more twisted and psychotic grin on his face.

Nico: Who the Hell is that?!

Lincoln: His name is Tristian Reynolds, he's a completely deranged madman and a notorious lunatic in Gotham Royal York. He was obsessed with trying to destroy us, and not only does he not listen to reason, but he doesn't care if we're powerful, immortal, and invincible. He's caused a lot of trouble for all of Gotham Royal York for many years: creating bombs and throwing them at buildings and even using them to kill people for fun, assaulting people on a regular basis, tried to destroy the local police department with a bomb, and tried to kill everyone in Gotham Royal York with poison gas.

EVERYONE GASPED!

Eli: Jeez, this guy's an absolute sicko!

Me: He was the worst. Lincoln and I took him down a few years ago long before Nico moved here, and we threw him in the prison nuthouse in Lansing, Michigan. But, not long after that, he broke out of prison and went into hiding, and no one has seen him since.

Nico: So, this means...!

Lincoln: Burns found him and he hired him to make alterations to the fear gas poison he got from Scarecrow before Elise Elexton recruited him.

Suddenly, Lincoln had another premonition.

Lincoln: Are you kidding me?! And if that's not the worst, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang are with that psychotic deranged nutcase!

Me: What?! But, I thought you sent them to The Black Abyss.

Lincoln: Unfortunately, it wasn't them, it was clones Morgana made of them. I'll be sure to deal with them very soon on my rescue tomorrow. But, now that we know of how this happened!

Ino: JD, in addition to what I found out, it's clear that this whole thing is psychological on your part. You're seeing Burns and Crocker because you can't get over all their crimes. Including what they did in the 20 Days of Darkness.

Me: Well, can you blame me?! When was the last time Burns cared about anything but himself?! And the only way Crocker will stop his fucked up ways is if he gets a Fairy and rules the world! I thought we saw the last of them last year but that obviously wasn't the case! (sighs) Maybe we won't be able to destroy the Anti Monitor after all.

Maria: Hey, no one's asking you to forgive Burns and Crocker for their crimes. But they way you're approaching it isn't doing any favors.

Me: Really now?

Whirlin: Look how many of Anti Monitor's goons we took down so far. We even got the villains of the Ridonculous Race and Earth Day out of the way. I even helped with the latter.

Nico: We WILL stop Crocker. We WILL stop Burns. And we WILL stop Anti Monitor. Even if it's one step at a time. But that can't happen if we don't trust one another. That means no more shutting us out

Me: Okay okay. I'm sorry guys. All this stress is getting to me big time.

Nico: You're right.

Camie: We're all here for you.

Me: Thanks guys.

Lincoln: NICO, NOW!

Nico: All set!

Nico got out the rainbow-colored potion Lincoln made and he made me drink it, and then, I flared up my power, and it forever cleansed me of the fear poison. My vision was clear, no more visions of Burns.

Me: Now, that's much better!

Eli: WOW! Way to go bro!

Nico: Lincoln had more of that Anti-Fear Gas Potion, and he added more ingredients to make sure the poison is out of you. Now, we got another reason to murder Burns, but before that, tomorrow, Tristian Reynolds, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, your time is up.

Alright, now that we got their mess cleaned up, let's get going, gang. Time to teach that old coot, Abraham Simpson, a really painful lesson.

Lincoln: He's got decades of pain and retribution coming to him, and after that, it's an eternity behind bars.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to the crater that was once Springfield to take down Abraham Simpson and send him to prison, and once we get done with him, Lincoln and Samantha Utah Cooper are going to destroy Damien Arc and Tyler Arc's equally abusive and demonic sons and send them to The Black Abyss.

We were off.

We got to our destination.

Me: The Springfield Radioactive Crater.

Ransack: (to me) Feel better now?

Me: MUCH Better. In fact, I feel better than ever.

Nico: Great!

Me: Homer let me help you get some payback on Burns.

I snapped my fingers and beamed Burns over.

Me: Knock yourself out Homer.

Homer: WHY YOU LITTLE!

HOMER STRANGLED BURNS!

Nico: We're still not banishing him to the Warp just yet. I got the perfect place to send him to.

Larxene: But you should still give J.D. the potion Lincoln made.

Nico: I already did that.

Larxene: Oh must not have been paying attention.

Homer strangled Burns so hard that gold, jewels, treasure and more poured out of Burns's pockets like Niagara Falls!

Nico snapped his fingers and Burns vanished.

Kitten: Where did you send him to?

Nico: A scorpion forest. It's fitting considering what his ancestor did.

Me: A Scorpion Forest? (GULP) That sounds like a dangerously frightening place.

Nico: Oh it is.

Yost Spiderman: Yeah. Wait now I remember where I saw this before J.D. It was Eddie Brock from my world before we got him and me to make up. He did it through a series of disappearing acts and getting lucky.

Me: Your worlds version of Eddie did this to you before?

Yost Spiderman: He sure did.

Hay Lin: That is freaky.

Me: Boy that is cunning.

Qin: No kidding!

Me: But very coincidental. Except this was done by one of Lincoln's and my enemies.

Nico: No kidding.

Laney: Yeah.

Batroc: For Homer's Dad, we'll smash with a tool chest.

Me: That is perfect! Also we got loads more pranks than just that.

Nico: Can't believe we're back at this place already

Me: I know and we were here yesterday.

Qin: I know.

Me: Still I can't believe I got poisoned like that again!

Nico: It's not your fault J.D.

Me: I feel so violated!

Nico: But your newly increased powers should be kicking in to prevent that from happening again.

Then my aura flared up and then purple slime squirted out of my armpits and landed on the ground.

Me: YUCK! What the fuck was that!?

Lola: EW!

Lisa: It's an effect of the antidote. It expels all the poisons you have in you.

Me: Whoa! That is nasty.

Lisa took some of the poison as a sample for analysis.

I fired waves of fire and destroyed the poisons.

Nico: Right on cue.

Me: Yep.

Lola: That was gross.

Me: No kidding.

Zak Storm: Is it true your dad ate someone?

Homer: Yes it is.

Me: He did it up there.

I pointed to The Murderhorn.

Homer: Yep. My dad was a monster.

Camie: That is sick.

Ymir: No kidding!

Zak Storm: That's just gross

Homer: That's not the worst thing he did.

Zak Storm: What did he do?

Homer: Well it was horrible.

He told us what he did. Abraham got rid of the recipes that Homer's mother, Mona Simpson, used to make when Homer was a boy. They were special to Homer because while

Grampa was vicious and abusive to him, Mona helped Homer cope through baking. She also wrote inspirational and loving quotes on the back of each recipe card. He destroyed everything that reminded him of Mona.

WE WERE SHOCKED!

Nico: Why that vile turd!

Poromon: Geez!

Mona Simpson: I hated that S.O.B. For everything he did to me and Homer.

Me: Mona in all honesty, I don't know what you saw in that stupid fucking codger.

Horsea: You deserved better.

Me: Yeah.

Mona Simpson: I realize that now guys.

Me: Good.

Camie: That is for sure.

Qin: Yeah.

Homer got out some Duff beer

Poromon: Ooh Duff Beer.

Homer: My beer.

Me: Awesome.

But then...

XYLOPHONE TUNE DOWN

I was buried in a massive pile of donuts!

Me: What the?

I ate one.

Me: (Eating) Mmm! Chocolate Banana Cream filled!

Nico ate one too.

Nico: Delicious.

May: Where did all these donuts come from?

Lincoln: It's from Homer's 2nd Akuma. His name is Sir Donutsalot. Homer Simpson's second Akuma Form. Sir Donutsalot of the Knights of the Glazed Table. He was made as the destroyer of all breakfast foods except for donuts. His goal is to make sure that ONLY DONUTS are available for everyone! NOTHING ELSE!

WE GASPED!

Qin: WHOA!

He showed us a sketch of him and he was a pink knight of donuts

Me: WHOA! A Knight of Donuts!

Eli: Homer's first Akuma was an octopus, now his second Akuma is a donut knight!

Miranda: These are good donuts though

Me: They sure are.

?: Thank thee for that.

We saw SIR DONUTSALOT!

Me: The Knight of The Donut Kingdom himself.

Sir Donutsalot: Indeed.

Whirlwind: Homer? Is that you?

Sir Donutsalot: It is indeed I.

Me: The British Medieval Accent accentuates it perfectly.

Nico: It sure does.

Me: Make awesome donuts too.

Wiggum: You need to calm down.

Sir Donutsalot: Not until the worlds food is donuts and only donuts.

Homer: Mmm donuts.

Lily: Mmm Donuts.

WE LAUGHED!

Me: I love donuts as much as everyone else.

Nico: But donuts as the only food is not healthy.

Me: Yep. Okay then.

I fired a blast of fire and he blocked the blast With his shield.

Wiggum charged at him and rolled him down with his huge girth.

SpongeBob: Bowlorama!

Sir Donutsalot: My turn.

Me: Have at thee!

He fired donuts and Mary ate them and she fired waves of energy and blasted him down.

He was knocked out.

Gemini Man: Yeah, people eating only donuts isn't healthy.

Timmy: I learned that lesson with junk food.

Me: Yeah.

Mary: Only Junk food wouldn't bother me.

Me: True.

Stonedozer: Still, we can't let good donuts go unfinished

We ate them all.

Me: Ahh.

Nico: Those were great.

Homer and Lily ate the most of them all.

Homer: Ahh. Delicious.

Lily: You said it.

Me: Now we can go after that crazy old codger.

Nico: Lets do it.

We were off.

We then spotted Abraham Simpson.

Allie Maxwell: There's that stupid old man now, I've been waiting since 1989 to see that old fart get his just desserts.

Suddenly, Allie Maxwell got out a massive bazooka!

Allie Maxwell: (YELLS AT THE TOP OF HER LUNGS) NO PRISONERS! NO MERCY! (ROARS)

ALLIE MAXWELL FLEW DOWN AND BEGAN FIRING AT ABRAHAM SIMPSON AND ROARING LIKE A MADWOMAN ON A RAMPAGE!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Lincoln closed our jaws!

Nico: HOLY JUMPING BEANS ON A TRAMPOLINE!

Me: Awesome!

Mad Cat Max: That's my girl! WHOO! GET EM, ALLIE! MAKE HIM EAT DIRT OFF YOUR BOOTS!

Caleb Maxwell: Dang it, Allie! Let's head down there now before she does something she's so gonna regret!

Suddenly, the spirits of The Simpsons appeared and they attacked Abraham Simpson and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, along with a massive All-Out America Angry Mob of angry dads, sons, and mothers!

Nico: You got some nerve showing up here once again, you old coot!

Me: As much as you deserve to die once again, afraid we got better plans for you.

Lincoln: Yep.

Homer: (Angry) Hello "Dad!"

Abraham Simpson: If it isn't my piece of shit disappointment of a son!

Ravager: You're just as bad as my so called father!

Homer: You never loved me one bit! All you cared about was making my life hell!

Abraham Simpson: Because you don't deserve to be happy! You were an accident and a screwup!

WE GASPED!

Me: OH THAT DOES IT!

Abraham Simpson: In fact, you should've died of a heart attack that one time! Who needs you?!

Magma: Did you really have a heart attack?

Homer: Yes I did. Because of Burns! (Season 4 Episode 11)

Me: Tell that to the man you tried to eat on the Murderhorn!

Snaptrap: You know that's cannibalism, right?!

Abraham Simpson: Because he was in my way!

Me: No you only care about no one but yourself! Especially how you drove Mona away! You threw her recipes and her car and stuff out! And you threw her away like garbage!

Mona Simpson: That's right you stupid S.O.B. I always hated you for how you hurt me and Homer!

Me: That's right!

Shendu: Unlike my son Drago, Homer turned out fine!

Homer: I have always been better than you Abraham!

Abraham Simpson: WHY YOU LITTLE!?

He went at him attempting to strangle him. But Homer stepped to the side and he tripped and smashed onto a rock.

Me: HA!

Camie: Take that jerk!

Ymir: You are way passed your prime jerk! I am over 2,000 years old and still am beautiful and awesome.

Me: That is for sure!

Buzzsaw: (to Homer) Show your old man how strangling's done!

Homer: You got it. Like this! WHY YOU LITTLE!?

HOMER STRANGLED HIS SO-CALLED FATHER!

HE CHOKED HARD!

Amora: That's how you do it!

Homer: YEAH!

Bart then rolled a tool chest at him.

Then...

CRASH!

Abraham got smashed with it.

CRUNCH!

He pulled his face back to normal.

Bart laughed!

Squirtle charged at him and blasted him all over with water.

Kendra and Cernumon charged at him And blasted him all over.

Kendra and Cernumon: HOLY DEER BLAST!

They blasted him all over the place.

Me: Take that!

I then got out a table and had Abraham place his hand flat on it.

Then I took out my dagger and licked the blade.

Then I poked the gaps of his fingers fast and then...

BANG!

I blew a huge hole in his hand with my gun and he screamed in agony!

Me: HA! Sucker.

Nico: Russian Roulette. Nice one.

Koji and Steelix charged at him and blasted him with light energy.

Lincoln, Homer Simpson, Nico, and I and the rest of us went after Abraham Simpson and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Abraham Simpson, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Homer Simpson, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Abraham Simpson and we all found ourselves not only in Heaven, but also, in space.

Lincoln, Samantha Utah Cooper, Nico, and I went after Damien Arc, Michael Arc, and James Arc and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Damien Arc, Michael Arc, and James Arc, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Samantha Utah Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Samantha Utah Cooper, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Damien Arc, Michael Arc, and James Arc even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Damien Arc, Michael Arc, and James Arc and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Damien Arc, Michael Arc, and James Arc and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Suddenly, Damien Arc, Michael Arc, and James Arc got out three large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, Damien Arc, Michael Arc, and James Arc fell to their knees as their shirts suddenly exploded off as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Damien Arc, Michael Arc, and James Arc: ME SMASH YOU, LOSERS!

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Damien Arc, Michael Arc, and James Arc, and he began absorbing them and he assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the three shitheads began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of Damien Arc, Michael Arc, and James Arc except for their tattered pants, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Samantha Utah Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Samantha Utah Cooper: It's over for you, Damien Arc, Michael Arc, and James Arc, and to this we say good riddance. Thanks for helping me get rid of those three bastards, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Samantha.

Me and Nico: Our pleasure, Samantha.

Suddenly, Samantha Utah Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Samantha Utah Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Samantha Utah Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Samantha, you transformed and you guys really let those three monsters have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Mayakashi Duel Monsters appear in the sky with a Yuki-Onna.

Lincoln: Oh man, the symbol of The Mayakashi Duel Monsters appear in the sky with a Yuki-Onna.

Akane Minazuki: (Japanese Accent) The Yuki-Onna, there's only three people who matches that all too well: Akira Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Absolute Zero Mayakashi, Akari Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Ice Mayakashi, and Aki Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Icicle Mayakashi, and you three are going to like meeting them, Akira Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Absolute Zero Mayakashi, Akari Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Ice Mayakashi, and Aki Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Icicle Mayakashi, are Lincoln's Guardian Angels from Japan and they're powerful master of Cosmic Cryokinesis, snow, ice, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Yuki-Onna, and Yuki-Onna, the Absolute Zero Mayakashi, Yuki-Onna, the Ice Mayakashi, and Yuki-Onna, the Icicle Mayakashi. They're the three Yuki-Onna Snow Masters of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akira Mizushima, along with her two younger sisters, Akari Mizushima and Aki Mizushima, came to Royal Woods where they met Lincoln, and they swore to protect Lincoln from the wrath of his enemies and they also trained him in mastering the powers of Cosmic Cryokinesis, snow, ice, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Yuki-

Onna, and Yuki-Onna, the Ice Mayakashi, Yuki-Onna, the Icicle Mayakashi, and Yuki-Onna, the Absolute Zero Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, snow, ice, the powers of the Yuki-Onna, and Yuki-Onna, the Ice Mayakashi, Yuki-Onna, the Icicle Mayakashi, and Yuki-Onna, the Absolute Zero Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and they also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, they'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made their love for him grow even stronger, and they helped him really bulk up even more in muscle and they also helped him grow in intelligence, power, and knowledge. Lincoln made them beautiful kimonos, and to show her thanks, they kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry them along with the rest of his harem, and they hate Lisa with an ice-cold vengeance, and they swore to throw her into an absolute zero snow storm and have her freeze to death.

Nico: (GASPS) Lisa, what did you do?

?: It's probably best you don't ask.

Suddenly, we saw a voluptuous girl who was tall at 7'0" in height, she has the voluptuous body of a goddess and a bust of 200 inches, long pink hair, blue eyes, massive pink angel wings, and she was dressed in a blue-pink bikini that showed off her voluptuous figure.

Lincoln: (GASPS) Zoey Kisshōten, Gene-Slammer of Philia Regis.

Leni: Ah, Zoey's here!

Nico: Another voluptuous girl's shown up.

Me: Lincoln, Leni, you know her?

Lincoln: We do, J.D.

Leni: And so do we, this is Zoey Kisshōten, Gene-Slammer of Philia Regis, she's Lincoln's Guardian Angel from Japan and she's also considered one of the most beautiful of them all complete with a bust of 200 inches as well as being a super model from and she's my pen pal. When she met Lincoln, she was modeling at the time, and she immediately fell in love with him all the while both Zoey and Lincoln launched by nosebleeds by seeing each other. She also hates perverts and she will instantly castrate them as soon as one even try to look at her but she knows that Lincoln is a true gentleman. She even invited him and his family to Japan for a week. She made Lincoln an orange diamond ring, and to show thanks, he kissed her on the lips, and even swore that when he comes of age, he will marry Zoey Kisshōten along with the rest of his harem, and she hates perverts with a volcanically raging passion and will castrate them instantly.

Nicole: Awesome. And she made...?

Lincoln showed Nicole the orange diamond ring.

Nicole: Cool. And you guys spent a week in Japan?

Lincoln: We sure did, and it was awesome.

Suddenly, Lincoln pinned Zoey Kisshōten down to the floor with him on top of her, and with his massive muscular arms still wrapped around her waist, he leaned his head down her face and he kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, he leaned his head to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Zoey Kisshōten with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The

Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Zoey Kisshōten: (In Heaven) My Goodness. You've grown from the sweet little boy into a 12'9" tall, imposing, tough, strong, and rugged manly wolfman. (Rubs Lincoln's massive pecs) And you're still quite the charmer as always and you're still the same dominant Alpha Male and wild beast when it comes to our...intimate moments.

Lincoln had an embarrassed blush on his cheeks and muzzle, as we laughed.

Roman Goodwin: That's it for Homer's dad.

Me: He'll have all of eternity to think about his crimes in the Phobos Prison.

Abomination: Now, Homer's Mom can care for Homer.

Blizzard: With love.

Scorcher: You said it.

Mona: I sure can.

Gizmo: (to Homer) You must be very happy.

Homer: I am.

Qin: Awesome. Lets get out of this dump.

Nico: Good idea. Great job today everyone.

Homer: (To the viewers) My father did terrible things to me over the course of 30+ Years. Now we'll never see that old coot ever again.

Me: Good.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Aphrodite Carrington: Today was truly a good day, even though everyone had their sunglasses on.

Anna Westbrook: Well, you know if Nicole catches them looking at us the wrong way, she and Linky will hurt them.

Zoey Kisshōten: He's still the same defender of women as always.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and Aphrodite Carrington, Anna Westbrook, and Zoey Kisshōten were on top of Lincoln as they kissed passionately, and he did the same with his entire harem.

Aphrodite Carrington: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Aphrodite Carrington's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it

also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up scene is for Widelene Vega Cooper, The Undead of Haiti of The International Clan of The Coopers, and she and Lincoln are going to destroy The Fiends of Chaos, four highly powerful demons who serve as the secondary antagonists in the first Final Fantasy video game and revealed to have sealed a pact with the main villain, Garland, and are back for revenge.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to an abandoned lab in the west of Gotham Royal York, and we're going to destroy a dangerous enemy of Lincoln's, his name is Tristian Reynolds, a completely deranged madman and a notorious lunatic in Gotham Royal York. That lunatic was obsessed with trying to destroy us, and not only does not listen to reason, but he doesn't care if we're powerful, immortal, and invincible. He's caused a lot of trouble for all of Gotham Royal York for many years: creating bombs and throwing them at buildings and even using them to kill people for fun, assaulting people on a regular basis, tried to destroy the local police department with a bomb, and tried to kill everyone in Gotham Royal York with poison gas. Lincoln and I took him down a few years ago long before Nico moved here, and we threw him in the prison nuthouse in Lansing, Michigan. But, not long after that, he broke out of prison and went into hiding, and no one has seen him since. But, we soon found out Burns found him and he hired him to make alterations to the fear gas poison he got from Scarecrow before Elise Elexton recruited him, and that lunatic poisoned me into seeing Burns all over until I was cured. And if that's not the worst, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang are with that psychotic deranged nutcase! We thought Lincoln sent them to The Black Abyss, but it wasn't them, those were clones Morgana made of them.

This time, not only are we are going to destroy Tristian Reynolds, but we're also going to destroy Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang once and for all, and this time, we are sending them to The Black Abyss forever, and they are never coming back.

And we're going to meet the next Mayakashi Avatar and Gene-Slammers, their names are Akira Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Absolute Zero Mayakashi, Akari Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Ice Mayakashi, and Aki Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Icicle Mayakashi, they're Lincoln's Guardian Angels from Japan and they're powerful master of Cosmic Cryokinesis, snow, ice, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Yuki-Onna, and Yuki-Onna, the Absolute Zero Mayakashi, Yuki-Onna, the Ice Mayakashi, and Yuki-Onna, the Icicle Mayakashi. Yuki-Onna, the Ice Mayakashi, Yuki-Onna, the Icicle Mayakashi, and Yuki-Onna, the Absolute Zero Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and they also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, they'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made their love for him grow even stronger, and they helped him really bulk up even more in muscle and they also helped him grow in intelligence, power, and knowledge. It's personal for Vinyl Scratch as we help her bring down Satoru and destroy him and unleash the ultimate wrath of Hell on him.

See you next time.

The Rave VS The Demons of Japan

Sequel to Vinyl Scratch's big day chapter

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids. But, then, the alarm sounded, and Lincoln got dressed and he checked the computer and saw who it was that triggered the alarm: it was Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang.

Nico and I got up too.

Lincoln: Guys, we got trouble. Guess who's trying to break in?

Me: Oh Hell no!

Lincoln: There's no doubt that insane lunatic, Tristian Reynolds, sent them after us.

Nico: That deranged lunatic. Let's get those assholes and kick them out.

We headed out, and we rushed in and kicked Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang out of here and flying right back to Tristian Reynolds' lair.

Tyler Corso: (SCREAMING AT THE TOP OF HIS LUNGS) DAMN IT! YOU'RE GONNA PAY FOR THIS, YOU FUCKING ASSHOLES!

Me and Nico: Yeah, fuck you too, shitheads!

Lincoln: You better remember this, when we come after you and your sick twisted partner, you all are finished!

We headed back inside.

Nico: Those jerk-offs better not think they're getting out of this alive.

Lincoln: Of course not. We'll end them for good along with that twisted psycho, Tristian Reynolds.

Nico and I went back to our rooms, and Lincoln went back to his room, and he, his harem, and kids went back to sleep. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something you should know. Last night, we caught Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang trying to break in. But, J.D., Nico, and I kicked them right back to Tristian Reynolds.

Maria: So, that's what it was last night? Those jerk-offs!

Lori: I knew that braindead bully and those other morons were scum, but to do something like that, Tristian Reynolds is so dead.

Luna: We'll get them, sis.

Nebula Lanaia: Lincoln told me about that. I always knew Tyler Corso was a heartless, soulless, remorseless, brainless bully, and Nate Krenshikov and The Black Daffodil Gang were nothing but assholes, but they just don't know when to quit. Tristian Reynolds, that lunatic, he's gonna pay for this.

Lincoln: We'll get him, Lanaia, later on during my rescue, and he's gonna pay for poisoning J.D. with that fear poison Burns gave him.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Giff, he's back from the dead, and he's on Planet Mitosia.

Rhonda Igarashi Revice: Oh, you have got to be fucking kidding! Oh Hell no! It's Giff, he's back from the freaking dead! I'll tear his eyeballs out of his head and shove them right up his fucking ass!

WE GASPED!

Me: WHOA! She really really hates Giff!

Nico: With a vengeance!

Lincoln: Don't worry, Rhonda, we're gonna tear him apart, and I saw what Planet Mitosia is like, but I got to warn you: it's really scary.

Lincoln showed us by forming an orb-sized version of Planet Mitosia in his left hand, and we saw it: it's a scary swamp planet of blood with horrific nightmare trees and waterfalls of blood, the sky is blood red and has 5 moons and the trees are dripping blood waterfalls in massive detail.

Eli: Oh man, it's a scary swamp planet of blood!

May: Yikes!

James Blunt: Hmm, I think Giff is gonna regret showing his face here. This is a planet of blood, right, and when Sherlock Hound causes the rain of blood.

Sherlock Hound: (British Accent) Ah, I see. That'll make us even stronger than ever.

Suddenly, Sherlock Hound's deep blood red eyes turned neon deep blood red and he was surrounded by a black and crimson red, white, golden yellow and blue energy aura with stars, aura energy, white and blue heavenly flames, blood red nebulae, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, blood, demons, devils, devil hounds, demon hounds, vampires, phoenixes, and angels surrounding him and he unholstered his massive Sherlock Hound's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Demonic Darkness Detective Devil Knight Sparda Bloody Darkness Angel Demon Vampire Devil Hound Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Demonic Darkness Detective Devil Knight Sparda Bloody Darkness Angel Demon Vampire Devil Hound Seraphim Phoenix God Archangel Justice.

Suddenly, we saw the skies turn red and blood was raining down like a massive downpour.

Me: OH MAN!

We were amazed by Sherlock Hound's transformation.

Me and Nico: WHOA! You transformed again?!

Sherlock Hound: (Divine Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Demonic Darkness Detective Devil Knight Sparda Bloody Darkness Angel Demon Vampire Devil Hound Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Demonic Darkness Detective Devil Knight Sparda Bloody Darkness Angel Demon Vampire Devil Hound Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (British Accent) It seems that way. Since we're going after Giff, and Vinyl Scratch and Flash Magnus are going to unlock their Rainbow Power, and since Vinyl Scratch's big day is today, there is no doubt the villain we're going after is the very demon responsible for Jun Fudo's life being the utter definition of a living Hell: Satoru.

WE GASPED!

Vinyl Scratch: Satoru's back?! Why am I not surprised.

Lincoln: If he's back, this might be the reason for Sherlock Hound's transformation.

Sherlock Hound holstered his massive greatsword on his back and powered down and his new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold crescent moon ring-shaped frame around it with embedded crimson red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon ring-shaped frames around them with embedded crimson red gems behind the gold rings behind his head, 105 large black and blood red planets orbiting around his legs, 105 smaller black and blood red planets orbiting around his waist, smaller planets orbiting around his fingers, medium black and blood red planets orbiting around his wrists and ankles, and massive red angel wings and 104 sets of large red angel wings underneath his massive red angel wings are permanent.

Sherlock Hound: (British Accent) And just to make sure Tristian Reynolds never poisons anyone else ever again.

ORGAN MUSIC PLAYS

Sherlock Hound's crimson red eyes glowed, and through a one-way viewing mirror, we saw a demon hand from Hell emerge and it destroyed all of Tristian Reynolds' fear poison and sent all of it into The Black Abyss, and then, it turned into blasts of dark energy that hit Tristian Reynolds, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, and they were convulsing in absolute pain and agony, and we saw the sclera of their eyes turn dark red and blood tears were falling from their eyes.

The viewing mirror closed, but we were so horrified by what we saw, our faces turned really pale!

Me: Oh man! That's gonna give me nightmares for a week!

Nico: Same here! I'd expect that from Lincoln, but...!

Lincoln: True, but mess with him, and it's gonna end in a bloodbath. Just like what happens when someone messes with my family and friends.

Luna: No, dude, if someone does that, it ends with you slaughtering them and even worse, you even eat their hearts, muscles, and organs, and you suck in their blood like a sponge.

Cage Blunt: I really don't want to know how someone can piss off your brother and think they can get away with it.

Lincoln: It's best you don't ask. Alright, now let's finish breakfast so we can head to Mitosia and get rid of Giff forever.

Nico: This is the last time Giff returns to cause us trouble.

Me: YEAH! Before we head out, me and Mikoto have something to take care of.

Mikoto: We're going to confront my so-called husband first.

Nico: Okay.

I snapped my fingers and I was in my shinobi outfit.

We were off.

* * *

At the Leaf Maximum security prison we went to Fugaku's cell.

Me: So many people we brought here.

Mikoto: I know. The prison has grown a lot.

Me: Well many criminals are all over the village. You wouldn't believe how many criminals were in the village over the years.

Mikoto: I can see that.

We got to Fugaku's Cell and went in. He was chained to the wall and we pulled up chairs and sat in front of him.

Mikoto: Hello Fugaku!

He recognized that voice but couldn't see because of him being permanently blind.

Fugaku: Mikoto?

Mikoto: Yes it's me.

Fugaku: I can't see you.

Mikoto: I'm right in front of you.

Me: And I'm with her Fugaku. We came to have a little talk.

Fugaku: About what!? You ruined the Uchiha.

Me: Because they deserved it for the atrocities they did over the years. Their beliefs and all that were the wrong kinds of beliefs!

Mikoto: That's right! You only hurt and destroyed people who you thought were inferior.

Fugaku: I was saving our clan by taking back what was rightfully ours!

Me: By launching a revolt and leaving the Leaf Vulnerable to attack that would have caused the 4th Great War!? I don't fucking think so! What you did was nothing but war crimes and crimes against the village and high treason! And look what happened to the Uchiha. They got slaughtered by me. Except for Mikoto and Satsuki. I couldn't bring myself to kill Mikoto and Satsuki because they loved Kushina and Naruto and I wanted them to be there for him.

Fugaku: That boy is not human!

Me: You have no idea how wrong you are Fugaku.

Mikoto: Kushina's son Naruto is my responsibility. Also I see you for who you really are. You are a small small man who thinks he is big in the world and only cares about no one but himself. You brought all this on yourself. I am done being married to you.

She took off her ring and cut the ties of her and Fugaku. Permanently!

Me: Also there's one thing you never counted on. I did some research on the history of the world. Kaguya Otsutsuki gave us the power of Chakra through her and her son was supposed to give us the power of Chakra to spread happiness, express wisdom and knowledge and experience love!

Fugaku: Knowledge, wisdom, Love, Happiness! Am I one to take such trivial nonsense when I all I care about is pursuing my dreams of absolute power!?

Me: Is that all you care about Fugaku? Megalomania?

Fugaku: YES! The people of the village can go to hell! Lord Madara will reign!

Me: Like hell he will! I killed him before and I will kill him begin. The Uchiha had their chance. The Leaf doesn't need the Uchiha and NEVER Will!

We left.

Mikoto: (CRYING)

I hugged her and comforted her.

Me: It's okay Mikoto. It's okay.

We went back home.

Vinyl Scratch woke up to see Mega Meloetta staring at her

Mega Meloetta: Morning Vinyl! Morning Octavia.

Octavia: (British Accent) Oh good morning Mega Meloetta.

Vinyl Scratch: Morning dude.

Mega Meloetta: Time for breakfast.

They went and got dressed and went to the table.

They got to eating and saw Mikoto Crying.

Vinyl Scratch: What's wrong with Mikoto?

Me: Really nasty confrontation.

Sasuke: She faced father and she saw him for what he really was and that is a heartless megalomaniacal monster.

Me: She cut all ties and contact with him and vowed to make sure the Uchiha clan is free of his evil.

Nico: What a monster.

Vinyl Scratch: Oh man.

Me: Yeah. I told Lady Hokage about it and she was not happy.

Lola: Oh boy. I hope she makes sure he dies a horrible death.

Naruto: Aunt Tsunade is not going to go easy on him after that.

Lola: Good.

We finished breakfast and we headed out to Mitosia to help Vinyl Scratch and Flash Magnus unlock their Rainbow Power and kill Giff and send him to The Black Abyss.

Lincoln: Same here Helena.

Nico: Helena, what do you like to do in your free time?

Helena Dianlanhuo: Well me and my fellow members of the Sisterhood of the Fists of Fire all like to do the same thing. We teach how to use our martial arts moves to have them learn how to battle bad guys. We teach them a variety of techniques in our dojo and help them become great forces of good. I teach the Buffalo Style of the Blue Fire.

Nico: Wow! That is cool.

Me: It sure is.

Eli: You should see the styles and forms of martial arts they do. It combines Firebending with Shaolin, Brazilian Jiujitsu, Tae Kwon Do and ancient forms of Samurai Martial Arts that were thought to have been lost centuries ago.

Nico: That is interesting and really cool.

Lola: It sure is.

Nico: That really is a good job to have.

Helena Dianlanhuo: It sure is.

Me: Thank you and the sisterhood can teach us?

Helena Dianlanhuo: We would be honored.

Me: Awesome.

Nico: Cool. J.D. are you feeling much better?

Me: I feel more than better Nico. I feel better than ever before.

Nico: Good.

Lincoln: I can't believe that Tristian and Burns did that!

Me: I know! I was poisoned by fear gas that made me see Crocker and Burns.

Nico: You don't see them now do you?

Me: Not anymore. I'm cured.

Robin: I feel your pain.

Me: I know Robin and so does Numbuh 1.

Nico: Yeah.

Me: But Lincoln's antidote really worked. Thanks Lincoln you're a true friend.

Lincoln: Ah it was nothing.

Me: Also Ino did help a lot as well. Thanks Ino.

Ino: Not a problem.

Nico: Yeah that is for sure.

Lisa Loud: I did some analysis on that poison that came out of you J.D. It was the residual remnants of Xehanort's dark orb poison and the fear gas in you.

Me: YUCK!

Nico: But at least you're rid of it forever.

Me: Thank goodness.

Homer: Yeah!

Zak Storm: (to Ino) I still don't get how you're a psychologist

Ino: Well my clan has been known for mindwalking abilities. And my father works in the hidden Leaf's interrogation unit. So I figured why not become a psychologist to help those in need of mental help.

Me: It's true Zak. Ino and the Yamanaka clan have amazing abilities that can get info out of criminals and help get therapy to those that need it.

Zak Storm: Wow that is amazing and interesting.

Me: Yep. It's why we made Ino our chief psychologist.

Nico: Yep.

Zak Storm: I see.

Me: Yep.

Nico: Yeah. Also man Homer you must be glad that your so-called father is now in the codger pen where he belongs?

Homer: The what?

Nico: It's my way of saying prison.

Lincoln: The Phobos Prison.

Homer: Oh yeah. But yeah I am more than just happy! I am now free of him!

Nico: You sure are

Me: Your so-called father has had it coming since 1989.

Qin: Jerk! Especially for eating that guy on the Murderhorn!

Lola: YUCK!

Me: And for all the abuse he put you through!

Lisa Simpson: And for all the amount of pain he put you through when he threw away everything of grandma!

Me: But it was still funny how Chester and Abraham argued about his Chicken Coop!

Nico: Who cares about his chicken coop?!

Me: YEAH! That was still funny though.

Nico: Yeah.

Me: We still have 2 scumbags left to face. Jebediah Springfield and Burns.

Nico: We'll decide who faces them later. But we'll face Jebediah on a rescue.

Lola: Okay.

Me: But banishing Burns to Scorpion Forest was awesome.

2099 Spidey: It's fitting considering what his ancestor did!

Me: Yep.

Nico: I'll say!

We continued on to Mitosia.

Mikoto was still crying and Kushina was comforting her.

Me: I can't believe Fugaku! He never loved Mikoto at all. All he cared about was power and didn't care how he was going to get it.

Nico: You can kill him anytime you want. I don't plan for him to be fought on a big day

Me: Thanks Nico. But I'll tell you when. I want it to be on a rescue.

Nico: Okay then.

Me: I do have something planned for it though.

Nico: Great.

Kushina: Hey Miko watch this.

She put some whoopee cushions under Lana and they farted.

LOUD FARTS!

Lana: (LAUGHS) That was funny!

Mikoto was crying.

Me: Kushina how about this? (Whispers to her) Sorry about this.

I snapped my fingers and she was in a skimpy purple bikini with pink jewels on it and she gasped!

NARUTO DID TEX AVERY WOLF WILD TAKES!

Mikoto saw this and laughed HYSTERICALLY!

Nicole: That was good dad.

Me: Thanks. Don't kill me though.

Jiraiya's laughter was heard.

Nicole: YOU STUPID SNEAK!

She fired a beam of energy and he fell out of the ceiling!

CRASH!

Nicole then pulverized him in a fight cloud!

Kushina: But I do look hot ya know!

She did a pose!

CATCALL!

Horsea: Feel better?

Mikoto: So much better. And Kushi you look gorgeous in that bikini.

Kushina: (LAUGHS) Thanks Miko.

Me: It was one of Lincoln's bikinis he made in Rarity's shop.

Nico: Wow.

Me: Also Jiraiya appearing like that was COMPLETELY unintentional. But knowing him it was expected.

Nicole beat him up bad.

Nicole: But he had it coming. Now this.

She opened a portal and it was over the hotsprings and Tsunade was there taking a bath.

She threw him in and then...

KRASPLASH!

She saw Jiraiya there!

Tsunade: (ENRAGED SUPER LOUD SCREAM) JIRAIIIIIYAA!

SHE MERCILESSLY THRASHED HIM BRUTALLY!

Nico: GEEZ!

Nicole closed the portal.

Me: Brutal!

Nico: You said it!

Me: But that was funny.

I had Kushina get her clothes back on.

Me: And bro those Tex Avery wild takes were funny.

Nico: Yep.

Naruto: Thanks.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a red planet. We got to landing and we got out and we saw the surface and it was a SCARY BLOOD SWAMP!

Me: So this is Mitosia!

Qin: WHOA! What a scary planet!

Lola: Yeah!

Nico: Geez!

I touched the water and it was really blood!

Me: The water is blood!

Nico: Yuck!

Mia Mitosis: The planet Mitosia is a Nightmarish Blood Swamp planet. The planet is home to scary swamps that even hell would be frightened of. This is a scary planet that even horrible criminals would find fightening.

Nico: Really now?

Mia Mitosis: Oh yes. The swamps are home to scary creatures too. Not just Division but also scary dragons that will eat anything on sight and they live in the blood swamp water and even have parasitic leaches and small creatures that will kill anything on contact. This place is a nightmarish hellhole. But to me it's home

Eli gulped!

Qin: Man this is scary!

Nico: I can see why.

Me: Yeah.

Mia Mitosis: Yeah.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Mitosia to help Vinyl Scratch and Flash Magnus unlock their Rainbow Power and kill Giff and send him to The Black Abyss.

The rest of the team's with us.

Me: I never thought we'd deal with him again, but this time, we're gonna kill him for good, and make sure he never comes back.

Nico: That's for sure. We'll make sure of that.

Lincoln: Yep.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive

and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Giff) AHA! There you are! I just spotted Giff, he's 300 yards away, but he's got an army of demons from Hell helping him!

Me: Let's get him and crack his skull open like an acorn!

Rhonda Igarashi Revice: If anyone's doing that, it's me!

Rhonda Igarashi Revice went after him.

Lincoln: Ooh boy, come on, we're gonna miss the bloodbath.

MJ heard a Pokemon Cry.

MJ: Look guys.

We saw a Tarountula!

Me: Whoa a Tarountula! Never saw that one before.

Nico: Me neither.

Tarountula: This place is scary.

MJ: I know. What a nightmare. Want some food?

She gave her apples.

Tarountula: Thank you.

She ate them.

Mia Mitosis: The food here is also not very good for human. Except for me.

She pulled out a fruit.

Mia Mitosis: The fruit here tastes like blood.

She handed one to me and I tasted it and spit it out!

Me: (SPITS) YUCK! Bloodfruit.

Lucy Loud: I will eat it.

Me: I know you will Lucy.

Lucy ate it and slurped it dry.

Lucy Loud: Ahh.

Nico: Glad YOU like it.

Mia Mitosis: I know about Lucy being a vampire so I'm glad she does.

Tarountula: (Finishes) Ahh. Thanks.

MJ: Want to come with?

Tarountula: I would be honored.

MJ: Awesome!

But then...

SPLAT!

Lola got hit by some ink!

Lola: EW!

Horsea: That wasn't from me!

Maria: Wait that was from that!

We saw an Octillery!

Me: WHOA! An Octillery!

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Wash Buckler: Lets me see lads.

He used Telepathy and gasped!

Wash Buckler: Well I'll be drowned in the Bermuda Triangle! It's Bloodbath Camille Reynolds.

WE GASPED!

Me: Wait you mean the Notorious Dread Pirate of Skylands and The Universe!?

Nico: The one that Destroyed COUNTLESS pirates all over Somalia and the Caribbean!?

Wash Buckler: That is correct lads! She and me and her crew took treasure from pirates all over 700,700,000,000,000 worlds in 50 galaxies!

Nicole: Incredible!

Jim Hawkins: WHOA! That's more than Flint's Trove!

Nico: No kidding!

Me: Lets go help her!

Wash Buckler: EIGHT LEGS AND NO PEGS!

We went to help her.

Wash Buckler: Camille lass it be me Wash Buckler!

She squirted ink at us but Horsea countered with her own ink

SPLAT!

Horsea: HA!

Me: Okay then.

Me and Wash Buckler fired water blasts and blasted her and then I snapped my fingers and she reverted back and was a girl with dark blue hair and blue eyes and had blue angel wings and she had Octillery on her forehead and had a pirate ship, skull and crossbones, and the Bermuda Triangle on her arm as a cutie mark and we wrapped her in a blanket and put her by the ship.

Me: There.

She woke up.

Bloodbath Camille Reynolds: (Groans) What happened? Where am I?

Wash Buckler: Ye be on another world.

Bloodbath Camille Reynolds: Wash Buckler!

They hugged.

Bloodbath Camille Reynolds: I'm glad you're here!

Mia Mitosis: You're on the planet Mitosia. This is my home planet.

Me: Long story but you were turned into an Octillery by Dark Gale.

Bloodbath Camille Reynolds: (GASP) I remember!

She was in a blue suit and injected and she was turned into Octillery and left.

FLASHBACK ENDS

Bloodbath Camille Reynolds: It was awful.

Me: I know but we destroyed Dark Gale forever.

Bloodbath Camille Reynolds: Good.

Wash Buckler: Me and Camille did it all in Skylands. She even helped me defeat Baron Von Shellshock and the forces of Kaos all over.

Me: WHOA!

Qin: Baron Von Shellshock is going to be pissed off when he sees you.

Bloodbath Camille Reynolds: I know he will. For Sonya's team I work as the treasure thief and outside the team I am a full time pirate and Skylander.

Me: Cool! We heard you amassed a big treasure.

Bloodbath Camille Reynolds: I sure did and it's in a planet just like Treasure Planet.

Me: Wow! We'll have to find it.

Bloodbath Camille Reynolds: I know where it is.

Me: Cool.

Nico: Show it to us later.

Bloodbath Camille Reynolds: Will do.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue and dark blue clothes with a pirate sword and blaster.

Bloodbath Camille Reynolds: Wow! I look great.

Me: You sure do.

Nico: Now lets go after Giff.

We then took off into the air to help Vinyl Scratch and Flash Magnus unlock their Rainbow Power and kill Giff and send him to The Black Abyss.

We were flying in the air, and then, we saw our target: Giff.

Lincoln: There he is.

Rhonda Igarashi Revice: Time to die, Giff! DEATH FROM ABOVE!

Rhonda Igarashi Revice flew down and she began slashing the army of demons and cutting them down and she went at Giff, and she was really, AND I MEAN REALLY TEARING HIM APART!

Me: Whoa! What the?!

Sam (Sam & Max): (Harvey Atkin Voice) I'd expect that from Max, but from Rhonda, wow! She's tearing him apart!

Andre Lupescu: If she keeps this up, she'll take all the fun out of it.

Lincoln: I have to agree.

Suddenly, the spirits of the Kamen Rider Revice team and the Angels of Heaven and Demons of Hell appeared and they attacked Gifff, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, Dragon Roar, and Wolf Howl were heard as we appeared.

Nico: You got some fucking nerve showing up here again, Giff.

Me: Hope you're ready for another asskicking, but this time, we're making sure you never come back.

Giff: What the?! How?! Tristian Reynolds said you'd be wracked with paranoia!

Me: Too bad for you, my new powers, transformation, and the potion Lincoln gave me removed that fear poison, and I'm freed from that paranoia. Now, I hope you're ready to die!

Lincoln: This time, we'll make sure you stay dead and gone forever, you psycho.

Giff: WHY YOU!

I fired waves of energy and blasted Giff brutally!

Bloodbath Camille Reynolds: Tristian may share my last name but we are not related by blood!

She fired waves of water and drenched Giff!

Ikki: HENSHIN!

Revice Riders: HENSHIN!

They transformed and were ready!

Me: Remember us dirtfucker!?

Tarountula Charged at him

Tarountula charged at him and blasted him with webbing and tied him up.

Me: Now feel this!

I fired a massive blast of energy and blasted him.

Poromon pecked him.

POINK POINK POINK POINK!

Poliwag slapped him with his tail

WHAP WHAP WHAP WHAP WHAP!

Me: Your demonic minions caused nothing but chaos to our world!

Qin: That's right!

Horsea Squirted ink and blinded him.

Me: YEAH!

Wash Buckler: Lets dance!

Bloodbath Camille Reynolds: YEAH!

Wash Buckler and Bloodbath Camille: SEVEN SEAS GHOST TSUNAMI!

They fired waves of waves of water and lightning and blasted hm all over the place.

Wash Buckler: Time for ye to walk the plank!

Me: We're not sending you back to Hell. We're going to send you to a worse place!

Nico: YEAH!

Eli fired waves of Force Lightning and blasted him all over.

Mevya hopped over to him.

Mevya: You know what smells worse than the undead? ME!

LOUD STINKY LONG HORRIBLE BELCH!

He belched in his face!

Giff really got burned by his belch!

Manaphy hopped over to him and bashed him in his face.

Qin: Take that!

Universe 666 May: You are just as disgusting as my former so-called husbad!

She viciously bashed him in his face and stomach with incredible speed and fury!

NUMEROUS PUNCHES AND KICKS!

GIFF REALLY WAS FEELING HER WRATH!

Manaphy: Go 2nd mama!

Poromon got out a beer bottle and shook it and smashed it on him!

Qin: YEAH!

Qin fired blasts of fire and ignited him and burned him.

Horsea poked a Puma with a stick

But it wasn't a Puma. It was a Mitosian Blood Dragon!

It roared and went at her and Horsea jumped and it ate Giff and mauled him!

Me: GEEZ!

Mia Mitosis: That's the Mitosian Blood Dragon. It's a dragon made of pure blood and they ABSOLUTELY hate being woken up from their sleep.

Horsea: There are no pumas here?!

Mia Mitosis: Nope. We're not on Earth.

Camie: Yikes!

Ymir: Scary though.

Lola: Yeah.

Horsea: Oh right. I keep forgetting.

Nico punched him

POW!

Nico: That's for all the pain you caused to so many people!

Nico fired numerous energy blasts!

He blasted him all over the place with intense fury!

Maria fired water blasts and drenched him. The water burned him like acid!

Giff screamed in agony!

Me: Holy Water burn!

Xenia: Awesome!

May fired ice blasts and froze him.

May punched and smashed and pulverized him.

Lola fired waves of fire and blasted him.

Lincoln fired lightning blasts and blasted him.

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attacked him too with incredible fury.

Nico: Holy shit! Lincoln's really going wild!

Giff went mad and charged at Lincoln to kill him, but he went wild on him as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Me: Holy shit! He's going wild on him!

Luna: That's for sure!

Lucky: Wow.

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Giff, and then, they collided and they exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Then, he also fired blasts of water that hit Giff and exploded.

Laney: Awesome.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT GIFF, AND SEVEREAL PILLARS OF BLUE FIRE

ROSE FROM THE GROUND AND HIT GIFF AND HE GOT BURNED!

Giff: DAMN YOU! I HATE YOU ALL SO MUCH!

Our energy auras flared up with extreme fury!

Caleb Maxwell: Yeah, fuck you too!

Caleb Maxwell fired bullets at Giff!

But they're brighter together, each leaving their mark
So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

Nico: OH CRUD, THIS IS WHERE IT GETS REALLY UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Nico: Uh oh.

Nicole: Incubi from Hell?! Oh boy.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Incubi, and he began absorbing them and he assimilated the Incubi army's Dreamwalking, Soul Consumption, Immortality, Superhuman Strength, Superhuman Speed, Kiss of Death, Superhuman Stamina, Demonic Possession, Lust Empowerment, Shapeshifting, Telepathy, Supernatural Beauty, Sexual Inducement, Seduction, Flight, and Healing Factor and turning their weaknesses into power for him, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Giff hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Giff was on his last legs and he was really really mangled.

Then, Lincoln, Nico, and I fired three beams of heavenly light that hit Giff, and he was incinerated by the power of God, The Archangels, and Angels of Heaven and he was sent to The Black Abyss for good.

We cheered as we holstered our weapons and powered down.

Nico: And that is that!

Lincoln: Giff's gone for good, and since we put all the Deadmen in The M.O.E., Giff was already doomed when he came back.

Nico: That's how it's done.

Me: That's for sure. (Sensed another presence) AHA! Nice try, you fucking psycho.

I fired a rainbow helix blast, and it forced out my and Lincoln's old enemy, Tristian Reynolds, the completely deranged madman and notorious lunatic in Gotham Royal York, and he saw I wasn't paranoid anymore.

Tristian Reynolds: How?! How is this possible?! My fear poison should've made you so paranoid and uncontrollable!

I could only smirk and cross my arms.

Me: Lincoln cured me of that. At first, it was stress and The 20 Days of Darkness that made me that paranoid, but I hadn't known this was your dirty work from the very beginning. Because only you would do something that evil, Tristian, you're a lunatic who's been THAT obsessed with trying to destroy us for years. But, you can't, we're immortal, invincible, and powerful: Gods among men, is what we're called.

Tristian Reynolds: I DON'T FUCKING CARE! I DON'T FUCKING CARE IF YOU'RE IMMORTAL, INVINCIBLE, AND POWERFUL GODS AMONG MEN! YOU ARE ALL RUINING MY GLORIOUS SCHEMES TO PLUNGE THE WORLD INTO ETERNAL NEVERENDING CHAOS AND DESTROY EVERY LIVING SOUL IN IT! I WILL DESTROY YOU ALL AND ALL OF SOCIETY WILL COLLAPSE! AND THEN, YOU KNOW WHAT WILL REMAIN THEN?!

Tristian Reynolds started laughing evilly, but then, his evil laughter degenerated into full-blown deranged cackling!

Tristian Reynolds: NOTHING WILL REMAIN IN THIS WORLD: EVERYTHING YOU, TEAM LOUD PHOENIX STORM, AND EARTH OMEGA REPRESENT, FRIENDSHIP, TRUTH, JUSTICE, LOVE, COMPASSION, HOPE, FORGIVENESS, VALOR, VIRTUE, DETERMINATION, LOYALTY, HONEST, GENEROSITY, KINDNESS, SELFLESSNESS, COURAGE, AND TRUST WILL BE DESTROYED! HELL WILL RISE, AND CHAOS WILL REIGN FOREVER! AND I WILL BE THE RULER OVER A WORLD GONE TO ETERNAL HELL! (DERANGED CACKLING)

Nico: YOU ABSOLUTE INFINITE-TIMES FUCKED-UP PSYCHOTIC MADMAN!

Nico was about to unholster his greatsword and slice his head off, but then, I formed a red hot fire blade in my left hand and I burned his eyes and blinded him permanently with me being the last thing he sees before we kill him on Lincoln's rescue.

Tristian Reynolds: MY EYES! I CAN'T SEE!

Then, Lincoln and I grabbed Tristian Reynolds by the collar of his shirt.

Me: That's where you'll always be wrong, Tristian. We will always be here forever to stop guys like you from running loose, and you will never break us ever.

Lincoln: That's right, our bonds have only grown stronger over the years and they've only strengthened even further by going through the chaos that guys like you would try to pull to try and break us, and by the way, we already sent Burns to a scorpion forest, so he's going through Hell. But, you, we're gonna make sure you die a slow painful death along with Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang whom you've recruited. (To me) Let's send him flying back to Earth.

Me: Got it.

Lincoln and I reeled our fists back and clenched them real tight, and then...!

POW! POW!

WE PUNCHED TRISTIAN REYNOLDS HARD IN HIS UGLY FACE AND SENT HIM FLYING BACK TO EARTH OMEGA!

Tristian Reynolds: (SCREAMING) THIS ISN'T OVER, TEAM LOUD PHOENIX STORM! I'LL DESTROY YOU AND EVERYONE YOU FUCKING LOVE! CHAOS WILL REIGN SUPREME! (CACKLING DERANGEDLY)

HE WAS SENT FLYING BACK TO HIS LAIR, BUT HE SCREAMED OUT IN VENGEANCE AGAINST US!

Me and Lincoln: YEAH, FUCK YOU TOO, YOU LUNATIC!

Nico: What a fucking sicko.

Eli: I can't believe he did that to big bro, that was just evil.

Lincoln: He's always been like that.

Me: Yep, completely fucked-up in the head and pure fucking evil to his black heart and soul.

Lori: But, his reign of chaos and terror will end soon.

Lincoln: When we go after him, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang and end them forever.

Me: Yeah!

Qin: Good riddance.

Shannon: Never thought we would have to deal with my former gang again.

Me: And they were the very first villain group we faced before the whole team started.

Camie: Wow.

Ymir: Amazing!

Lola: Yeah.

Lynn: They were hired by Betsy Davis to get revenge on me.

Lola: It's true.

Nico: Man that girl has a lot of issues.

Tarountula: I agree.

Nico: Nice job Tarountula.

Tarountula: Thanks Nico. It was fun.

Me: Lets talk more on the ship and head home and face the Anothers there.

We went onto the ship and headed back.

Me: There.

Nico: Much better

Mia Mitosis: What did you think of my home planet though?

Me: Scary!

Qin: It sure was.

Lola: Yeah.

Mia Mitosis: I know.

Poromon: Want some beer Tarountula?

Tarountula: Oh no thanks. I drink Long Island Iced Tea

Me: Ooh you like it luxurious and fun.

I made a Long Island Iced Tea with Captain Morgan Rum.

Tarountula: Ooh thank you.

She got to drinking it and she loved it.

Tarountula: (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

WE LAUGHED!

She got drunk.

Poliwag: Sing the ABC's!

Tarountula: (BELCHING AND FARTING) ABCJWQMJFJWNNRNWNYUWQSNAHTMY!

WE LAUGHED HYSTERICALLY!

We reverted her back.

Poromon: Can we go for a walk later?

Me: Yes you can.

Qin: Cool.

Poromon: Awesome.

Blizzard Buffalo: It sure was fun.

Nico: Oh, Blizzard Buffalo, what do you like to do in your free time?

Blizzard Buffalo: Oh I work on the local Indian Reservation outside of the city.

Qin: Cool.

Blizzard Buffalo: Yep. I work as a guide there.

Lola: Neat.

Nico: Now for the Anothers.

Me: Yep.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Vinyl Scratch.

Vinyl Scratch: Awesome.

Nico: So we got Another Crushing Buffalo Raider, Krakalaken (Metal Hero Series), Dash Bowman, Granmorg the Rock Monarch, Scatam and Universe 666 John Kramer.

Qin: Yep. That means Blizzard Buffalo, Helena Dianlanhuo, Brenda Buffalo, Nadia Bravehunter, Brenda Buffalor and Belle Veranos are up.

Xenia: Yep.

Suddenly, I wound up getting a major nosebleed and was almost sent flying!

Lincoln: WHOA! J.D., you okay? Uh oh, that usually happens to me when a Hot Bikini Akuma is involved.

Me: I'm alright, and I also sensed a Footsoldier Another, and she's...a nudist!

WE GASPED!

Nicole: WHAT?!

Cage Blunt: Uh, J.D., do you have more blind man sunglasses?

I got them out and we all put them on. Then, the Footsoldier Another appeared.

Nicole: She's here, and you are...?

Suddenly, the Footsoldier Another changed into a beautiful girl who was tall at 7'0" in height, she has the voluptuous body of a goddess and large breasts, long blue hair, blue eyes, massive blue angel wings, and she only had on a blue bikini bottom and no top, and she was ONE SEXY VOLUPTUOUS NUDE BOMBSHELL!

I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose was gushing out blood like a fountain!

Me: WHOA! HUBBA HUBBA!

Nudist Angel: (Seductive Voice) Like what you see?

I was trying to keep my cool, but I was clearly failing. Then, she walked up to me and she pressed her large breasts and chest against my massive pecs and her stomach against my twelve-pack abs, and that alone caused a Mark of The Incubi to appear on my left thigh and it glowed with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Lincoln: I'm not looking, but I sensed it: J.D., you've gained a Mark of The Incubi, and you've gained the same extreme increase in your abnormally high sex drive and hyperpuberty and the supernaturally potent and powerful aphrodisiac pheromones that enhanced your own infinite-times high levels of libido and other sexual aspects are now out in full force.

Sarah Succubi: And your eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of you.

Aphrodite Carrington: And I know her, this is Ai Sapphire, she's a nudist angel, and she's going to join J.D.'s harem, and from the looks of it, J.D. has clearly fallen for her.

Suddenly, I pinned Ai Sapphire down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Ai Sapphire with blue gems on the gold flame-shaped links and blue crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Ai Sapphire: (In Heaven) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Me: Now for the main Anothers before Nicole kills me.

Nico: There they are!

We saw Another Krakalaken (Metal Hero Series), Dash Bowman, Granmorg the Rock Monarch, Scatam and Universe 666 John Kramer!

Me: WHOA!

Qin: This is gonna be good.

Another Krakalaken: (In a girls voice) It sure will be.

She reverted back and was the gene-slammer of Vortex!

Nico: Talia Tornadus!

Shanan: WOW! The gene-slammer of Vortex of the Tatsumakians! That is cool!

Talia Vortex: It sure is. Also I've been wanting to do this to Nico for a while.

She jumped him and then they started Making out!

Me: I knew she was going to do that!

Nico was enjoying it.

May: (LAUGHS) He is in heaven.

Lola: He sure is.

Me: Talia hate to break up a romance fest but we got to cure you and battle the Anothers.

Talia Vortex: Oh sorry.

Me: By the way are the rest of the Anothers friendly or hostile?

Talia Vortex: Friendly and cool.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: Yep. But we don't have to wait long!

We saw Another Crushing Buffalo Raider and Vinyl Scratch!

Me: WHOA! This is gonna be good.

Nico: Yeah!

Another Crushing Buffalo Raider: (In a girls voice) (Russian Accent) It's gonna be fun.

She reverted back and was the gene-slammer of Flamvell Dragnov!

Nico: (GASP) Varya Dragonova!

Varya Dragonova: Good to see you Nico.

Me: You're from Russia?

Varya Dragonova: That's right. I went to Nico's school on a foreign exchange program and we hit it off well in school.

Me: Wow. And you're also the gene-slammer of Flamvell Dragnov. Hot!

Xenia: I'll say!

Varya Dragonova: It sure is. And I'm strong and have all of Crushing Buffalo Raider's powers too.

Crushing Buffalo Raider: Nice!

Nico: And your friend?

Another Vinyl Scratch: Someone that loves her sister.

She reverted back and was a girl with blue hair and magenta eyes and had black clothes and had blue angel wings and a Phoenix with a Music Note in its claws.

Vinyl Scratch: (GASP) Phoenix Aria!

She went and hugged her.

Phoenix Aria: Wait Vinyl you can talk! Oh wow!

Vinyl Scratch: You have Lisa to thank for it.

She pointed to her voice box choker.

Ymir: She couldn't talk before?

Me: She drank a glass full of ghost pepper hot sauce and it destroyed her voice box.

Nico: Yeah that was not very smart.

Ymir: YIKES!

Me: I know.

Phoenix Aria: I'm so glad you can talk again.

Vinyl Scratch: Me too sis. Me too. Me and Octavia are now in Lincoln's harem and it's awesome.

Phoenix Aria: That is awesome!

Kaito: (gets out Saber gear) Did Swartz promise you anything?

Zocks: (Gets out Revice gear) Because we can grant it instead.

They got weapons from said teams.

Varya Dragonova: No he didn't. I flared up my power and burned him and we ran.

Me: Infernal!

Phoenix Aria: Yeah that was cool.

Sougo: (gets out Saber Ridewatch) The Revice mission was before Vinyl's big day

Armor Time! Rekka Battou! Saber!

Geiz: (gets out Live gear) Just saying

Sougo got SaberArmor while Geiz got LiveArmor.

Vinyl Scratch: It's true.

Phoenix Aria: I know. And I know Satoru is coming.

Me: Yep he sure is and he is going to get it. Lets separate you first.

We did so.

Me: Lets dance.

Nico: (Gets out Crushing Buffalo Raider's ridewatch) BUFFALO POWER!

May: (Gets out Dash Bowman's ridewatch) SPEED IS KEEN!

Universe 666 May: (Gets out Granmorg's ridewatch) ROCK AND ROLL!

Maria: (Gets out Scatam's ridewatch) Time for some mayhem!

Helena Dianlanhuo: (Gets out Krakalaken's ridewatch) Time for the Shark to feed!

They used the powers of Crushing Buffalo Raider, Krakalaken (Metal Hero Series), Dash Bowman, Granmorg the Rock Monarch, Scatam and Universe 666 John Kramer and blasted the anothers all over.

Me: YEAH!

Then Memorase, Universe 666 Chaos, Octopunch (RID), Octopus Man (Mega Man), Aligned Bruticus and Octopus King (SpongeBob) Came.

Me: WHOA!

Nico: Nice team Memorase!

Memorase: Thanks Nico.

SpongeBob: HOLY KRABBY PATTIES! Mermaidman and Barnacle Boy's old archnemesis! The Octopus King!

Octopus King: That's right

Lily: Wow! We never met you before.

Deadpool: That's because he is one of the SpongeBob comic book villains.

Jamesdean5842: It's true. He is a comic book exclusive one time villain.

Lily: Oh I see.

Me: Yeah.

Then out of swirls of darkness came Number 48: Shadow Lich and Number 47: Nightmare Shark!

Me: WHOA! Number 48: Shadow Lich and Number 47: Nightmare Shark!

Nico: Wicked!

Number 48: (In a girls voice) It sure is.

Number 47: (In a girls voice) Yep.

Nico: Shayla and Naoko Nightlich!? Oh wow!

They reverted back and were 2 girls both with black hair and red eyes and black clothes and demon wings and had their Number monsters on them. But had 2 different cutie marks. Shayla's was a star of Satan with a flaming skull. And Naoko's was a ghostly shark with a blood moon. Shayla had a demonic scythe and Naoko had a demon sword.

Shayla Nightlich: Good to see you Nico.

Me: Wait Nico you know the legendary Nightlich Twins!? The Duchesses of Terror!?

Nico: Yep.

Naoko Nightlich: That's right. We got this.

Shayla Nightlich: 48 LICH BLADES!

Naoko Nightlich: 47 SHARKS OF HORROR!

They fired waves of energy and darkness and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Shayla Nightlich: Thanks.

Brittney: You two would be perfect for the Goths of Darkness.

Naoko Nightlich: We sure will.

Me: Awesome.

Helena: Do you girls have any good memories of Nico.

Shayla Nightlich: We sure do. Mine is where me and Nico went to the most dangerous prison on Earth and I demonstrated my powers. I used my powers over the darkness of nightmares and the fires of Hell to incinerate an entire prison full of the most evil bad guys the world has known.

Me: WHOA!

Shayla Nightlich: It's how I became known as the Duchess of Death.

Me: Wicked cool.

Naoko Nightlich: Yep. And like my sister mine is where me and Nico went to a maximum security insane asylum for the criminally insane and I showed my powers of fire and darkness and nightmares and killed all the insane nutcases there and sent them off to the Dark Void.

WE GASPED!

Lincoln: THE DARK VOID!? The place between the Black Abyss and the Black Gates!?

Me: (GULP) That is scary!

Nico: What's the Dark Void?

Lincoln: It's like the Phantom Zone. Time and Space are isolated from it and you can't age or die there. But think of it as Hell Limbo. You are permanently tortured by the demons of your mind there for all eternity and it makes you even more insane than ever.

Me: OH MAN! Like the Malevolent Insanity World on steroids!

Nicole: Wicked scary!

Lincoln: Yep. And once you are trapped there you NEVER Return!

Me: Oh man! Maybe we should send the last Evil Sasuke there.

Nico: Good idea.

Nico hugged the girls.

Nico: I've missed you girls.

Shayla: Same here.

We went back home.

After Nico's rescue, Lincoln and his harem, Abaddon Aeternus, Andre Lupescu, Sam & Max, The Geek, Von Lycaon, Billy Kid, Anton Ivanov, Ben Bigger, Red Savarin, Chocolat Gelato, Elh Melizée, Merveille Million, Skippy the Bush Kangaroo, Me and my harem, J.D. 2, Sumner Knudson, Patti Knudson, Sakura Knudson, Stellar, Stardust, Ken Knudson, Nico and his harem and family, Clyde and his harem, Naruto and his harem, Ed Cowart and his harem, Ets and his harem, Henry, June, Hunter Drake Michaelson, Alex the Lion, Marty the Zebra, Melman the Giraffe, Gloria the Hippo, Woody Woodpecker, Knothead, Splinter, Winnie Woodpecker, Gage the Hegehog, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson and her siblings, Lanaia, Lori, Leni, Luna, Luan, Lynn, Lee, Lyra, Liberty, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Lance Loud, Sharon Loud, Shane Loud, Shelby Loud, Shiloh Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, Kuja, Mr. Wolf, Mr. Piranha, Mr. Snake, Mr. Shark, Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Cherry Hunter, Cammy, Milan Flare, Yoko, Wakko, Poison, Pyrrha Alexandra, Alice, Mimi Kitagami, Dot, Haneru Tobitatsu, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, King Mickey, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Tawna Bandicoot, Spyro, Cynder, The Ghostforce, Rayman, Juniper Lee, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Demon Slayer Conglomerate, The Fairy Tail Guild, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, The Kamen Riders, The Ultraman Teams, Izuku and his friends, The Goths of Darkness, Hiroshi Ohira, Brandon Skellington, Mathias Ravenclaw, Adrian Morrigan, Marshall Williams, Caleb Maxwell, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, The Starfire Agency, Gabriel Maxwell, The Hanna-Barbera Toons, Mal, Evie, Jay, Carlos, Ben, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Sylvester, Tom, Jerry, their friends and counterparts, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Timmy Turner, Cosmo, Wanda, Poof, Trixie

His name is Tristian Reynolds, a completely deranged madman and a notorious lunatic in Gotham Royal York. That lunatic was obsessed with trying to destroy us, and not only does not listen to reason, but he doesn't care if we're powerful, immortal, and invincible. He's caused a lot of trouble for all of Gotham Royal York for many years: creating bombs and throwing them at buildings and even using them to kill people for fun, assaulting people on a regular basis, tried to destroy the local police department with a bomb, and tried to kill everyone in Gotham Royal York with poison gas. Lincoln and I took him down a few years ago long before Nico moved here, and we threw him in the prison nuthouse in Lansing, Michigan. But, not long after that, he broke out of prison and went into hiding, and no one has seen him since. But, we soon found out Burns found him and he hired him to make alterations to the fear gas poison he got from Scarecrow before Elise Elexton recruited him, and that lunatic poisoned me into seeing Burns all over until I was cured.

And if that's not the worst, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang are with that psychotic deranged nutcase! We thought Lincoln sent them to The Black Abyss, but it wasn't them, those were clones Morgana made of them. This time, not only are we are going to destroy Tristian Reynolds, but we're also going to destroy Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang once and for all, and this time, we are sending them to The Black Abyss forever, and they are never coming back.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the abandoned factory in the west of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the ninety-two girls here, but we're going to destroy Tristian Reynolds along with Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang once and for all.

Me: So, this is where he and the rest of those shitheads were hiding: the old abandoned factory.

Nico: They better not be planning to skip town.

Lincoln: Not after what Sherlock Hound did to them, Nico, and what J.D. did in blinding Tristian with a red hot fire blade. Now, it's time we put an end to that insane lunatic, Tristian Reynolds, along with Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang.

Blizzard Buffalo: We better hurry though, we can't have them trying to escape town.

We immediately got a move-on to the abandoned factory, and there we saw them: Tristian Reynolds still blind and screaming in pain and Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang still convulsing in pain!

Eli: Wow. What you did to that sicko really hurt him badly.

Me: And what Sherlock Hound did to them still hurts even now.

Nico and I got near the door.

Sam (Sam & Max): (Harvey Atkin Voice) Okay, on my signal. Three...two...(Gets out his trusty gun) OPEN THE DOOR RIGHT NOW!

We busted the door down!

Max (Sam & Max): (Robert Tinkler Voice) (Gets out his gun) CHILL, LOWLIFE!

Sam (Sam & Max): (Harvey Atkin Voice) FREEZE, DIRTBAG!

Then, we got inside!

Me: HELLO, BASTARDS AND BITCHES! I HOPE YOU'RE READY TO DIE! WELCOME TO THE END OF YOUR MISERABLE LIVES!

Tyler Corso: DAMN IT! WE NEED TO RUN NOW!

But, they all felt the pain of Sherlock Hound's attack and couldn't move.

Then, Lincoln and I swung our massive greatswords and sliced Tristian Reynolds into a million pieces and he was sent to The Black Abyss, and then, we fired a green mist from our hands that made Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang's eyes fall out and blood poured out of their nostrils and ears, and they screamed as their heads exploded and they too were sent to The Black Abyss.

We cheered as we holstered our weapons and powered down and we went back home to The World Tree Estate.

Nico: Now, we're rid of Tristian Reynolds for good, but what the heck was that green gas you and Lincoln used on the other shitheads?

Lincoln: That was a poison gas I created called Hemlock Omega, it's a poison gas mist that when administered to the target will cause their eyes to fall out, blood to pour out of their nostrils and ears, and finally, their heads explode.

Laney: Yikes. That's brutal.

Me: If you thought that's brutal, Lincoln and I also have also created a concoction called Nose Burner Omega, it's far worse than the skunk juice I spray out of my armpits. This one puts the Hemlock Omega poison gas to shame.

Nico: Oh God, and Lincoln also has the ability to use that concoction too in the same way you shove bad guys' heads underneath your armpits and they wind up getting sprayed with that skunk juice your pits create?!

Lincoln: Afraid so. But, I always make sure to put on deodorant. Anyways, at least, we are finally rid of Tristian Reynolds, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang forever.

?: (Three female voices)(Japanese Accent) Aw, we missed the fight.

Then, we saw three beautiful girls who were tall at 7'0" in height, they have the body of a goddess and large breasts, long white hair and blue flowers in their hair, blue eyes, massive blue angel wings, they have the Mayakashi symbol on their foreheads, beautiful blue kimonos, white gloves, sandals, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Yuki-Onna, the Absolute Zero Mayakashi, Yuki-Onna, the Ice Mayakashi, and Yuki-Onna, the Icicle Mayakashi, and with them are the ninety-three girls.

Lincoln: (GASPS) Akira Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Absolute Zero Mayakashi, Akari Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Ice Mayakashi, and Aki Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Icicle Mayakashi.

Akira Mizushima: (Japanese Accent) That's right, and we got the girls away from that twisted psycho.

Me: Along with his damned minions.

Lincoln: Tristian Reynolds never showed respect to anyone and just wanted to murder them, the same with those other freaks, glad we gave them what for. (To Akira Mizushima, Akari Mizushima, and Aki Mizushima) And it's so good to see you all again, Akira, Akari, and Aki.

Akari Mizushima: (Japanese Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Akira Mizushima, Akari Mizushima, and Aki Mizushima had their hands on Lincoln's massive hairy pecs, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Akira Mizushima, Akari Mizushima, and Aki Mizushima were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aki Mizushima: (Japanese Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Akira Mizushima, Akari Mizushima, and Aki Mizushima's waists and hugged them, and Akira Mizushima, Akari Mizushima, and Aki Mizushima were very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Akira Mizushima: (Japanese Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new.

Akari Mizushima: (Japanese Accent) (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs.

Aki Mizushima: (Japanese Voice) (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Akane Minazuki: (Japanese Accent) And so do we, meet Akira Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Absolute Zero Mayakashi, Akari Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Ice Mayakashi, and Aki Mizushima, Avatar and Gene-Slammer of Yuki-Onna, the Icicle Mayakashi, they're Lincoln's Guardian Angels from Japan and they're powerful master of Cosmic Cryokinesis, snow, ice, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Yuki-Onna, and Yuki-Onna, the Absolute Zero Mayakashi, Yuki-Onna, the Ice Mayakashi, and Yuki-Onna, the Icicle Mayakashi. They're the three Yuki-Onna Snow Masters of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akira Mizushima, along with her two younger sisters, Akari Mizushima and Aki Mizushima, came to Royal Woods where they met Lincoln, and they swore to protect Lincoln from the wrath of his enemies and they also trained him in mastering the powers of Cosmic Cryokinesis, snow, ice, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Yuki-Onna, and Yuki-Onna, the Ice Mayakashi, Yuki-Onna, the Icicle Mayakashi, and Yuki-Onna, the Absolute Zero Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, snow, ice, the powers of the Yuki-Onna, and Yuki-Onna, the Ice Mayakashi, Yuki-Onna, the Icicle Mayakashi, and Yuki-Onna, the Absolute Zero Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and they also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, they'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made their love for him grow even stronger, and they helped him really bulk up even more in muscle and they also helped him grow in intelligence, power, and knowledge. Lincoln made them beautiful kimonos, and to show her thanks, they kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry them along with the rest of his harem, and they hate Lisa with an ice-cold vengeance, and they swore to throw her into an absolute zero snow storm and have her freeze to death.

Me: Lincoln told us everything, and we already heard of what Lisa tried to do to him long ago yesterday.

Nico: We were disgusted, and we don't blame you.

Lincoln: They don't take kindly to any who hurt me for their own cruelty, and now that you girls are here.

Lincoln with his massive muscular arms still wrapped around Akira Mizushima, Akari Mizushima, and Aki Mizushima's waists leaned his head down to the right side of their trapezius, and one by one, he slowly bit them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spots where he bit them.

Akira Mizushima: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Akira Mizushima, Akari Mizushima, and Aki Mizushima with blue gems on the gold lightning bolts and blue crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks and rainbow Thunderbird weddings ring on their left pinkies.

Akari Mizushima: (Japanese Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Akira Mizushima, Akari Mizushima, and Aki Mizushima.

Akira Mizushima, Akari Mizushima, and Aki Mizushima had a smile on their faces and tears streaming down their cheeks as Lincoln still had his massive muscular arms wrapped around Akira Mizushima, Akari Mizushima, and Aki Mizushima's waists, and he leaned down to each of their faces and kissed them on the lips, and with Akira Mizushima, Akari Mizushima, and Aki Mizushima's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Akira Mizushima, Akari Mizushima, and Aki Mizushima had an atomic red blush on their faces, hearts in their eyes, her noses were really gushing out blood, and their hearts were pounding like a loud drum.

Akira Mizushima: (Japanese Accent)(In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The ninety-three girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ninety-three girls are Aiken, Anina, Audrey, Aurora, Babs, Baphomet, Bastet, Beam, Brown, Camelia, Cayenne, Chiraha, Deena, Dorothy, Eriri, Fenriru, Firentia, Garula, Gryph, Gura, Hemetto, Horus, Ifurito, Iori, Katch, Kiki, Koyama Dosen, Kurain, Kuri, Levia, Luca, Luciferin, Lumin, Mori, Nanook, Nephthys, Nightingale, Niko, Niz, Nile, Anubis, Lindell, Akira, Banshee, Caroline, Kyubey, Hera, Knox, Lyra, Mordred, Note, Nue, Nyla, Ratatoskr, Rie, Toph, Pan Pan, Sharon, Panther, Parvati, Pierrot, Qurina, Raeon, Raven, Regina, Rikin, Sasha, Senko, Set, Shelly, Shiyu, Sil, Snezhana, Sova, Stara, Sui, Taisei, Taweret, Valiant, Vera, Vivi, Wadjet, Xen, Yanling, Yarena, Yulia, and Zawa from Echocalypse and Banri Shiunji, Kotono Shiunji, Minami Shiunji, Ouka Shiunji, and Seiha Shiunji from The Shiunji Family Children.

Nicole: So, those were the girls the Mizushima Sisters saved, and Travis and Red were right telling the others to run to their rooms: they're voluptuous, sexy, and beautiful.

Lincoln: And easy prey to perverts and bastards with a desire to kill them, but they'll regret that. Are you girls okay?

Aiken: Yes, we're okay thanks to you.

Aiken: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aiken: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ninety-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks o Aiken, Anina, Audrey, Aurora, Babs, Baphomet, Bastet, Beam, Brown, Camelia, Cayenne, Chiraha, Deena, Dorothy, Eriri, Fenriru, Firentia, Garula, Gryph, Gura, Hemetto, Horus, Ifurito, Iori, Katch, Kiki, Koyama Dosen, Kurain, Kuri, Levia, Luca, Luciferin, Lumin, Mori, Nanook, Nephthys, Nightingale, Niko, Niz, Nile, Anubis, Lindell, Akira, Banshee, Caroline, Kyubey, Hera, Knox, Lyra, Mordred, Note, Nue, Nyla, Ratatoskr, Rie, Toph, Pan Pan, Sharon, Panther, Parvati, Pierrot, Qurina, Raeon, Raven, Regina, Rikin, Sasha, Senko, Set, Shelly, Shiyu, Sil, Snezhana, Sova, Stara, Sui, Taisei, Taweret, Valiant, Vera, Vivi, Wadjet, Xen, Yanling, Yarena, Yulia, Zawa, Banri Shiunji, Kotono Shiunji, Minami Shiunji, Ouka Shiunji, and Seiha Shiunji with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Now, that's what I call payback!

May: That insane fucking lunatic got what was coming to him.

Lincoln: Tristian Reynolds was nothing more than a deranged insane nutcase, and he finally got what he deserved along with Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang.

Nico: That's for sure. He poisoned J.D. with his fear poison.

Me: That he got from Burns and altered it in order to use it on me and destroy us. His obsession with trying to destroy us pissed us off to no end.

Eli: Either way, he's been put down for good and all his fear poison was destroyed.

Nico: Yep. I'm sure Burns is already suffering a lot from the scorpion stings.

Lincoln: At that rate, he might actually be dead, scorpions are deadly.

Me: You might be right, but Burns has cheated death many times in the past.

Lincoln: You're right, but you know that'll anger Grim even more, and no one cheats The Grim Reaper.

Grim: (Jamaican Accent) You're right about that, mon.

After Lincoln and all of us destroyed Tristian Reynolds, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Akira Mizushima, Akari Mizushima, and Aki Mizushima saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Akira Mizushima: (Japanese Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever.

Akari Mizushima: (Japanese Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Akira, Akari, Aki, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aki Mizushima: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Akira Mizushima: (Japanese Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath ny massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Casey Antonio got out a tape.

Casey Antonio: Now, this tape I have here, this takes place three months after Caleb was freed from Dark Sebastian's evil. We were pursuing Mad Cat Max and Patch when we got a call about a robbery in Lexington Street, little did we know we were about to have a run-in with a former Syndicate member.

Allie Maxwell: The man's name is Ryan Carson, he was also one of Drake's hired guard dogs, and he'd been making a living working for The Big Claw Gang after he joined them ever since The Syndicate fell and he also had another reason: Drake tried to have him killed, so he went over to Claw Dane Drake.

Carla Claw: That saved his ass, but being one of Drake's former bodyguards, he too also had a hand in trying to kill Caleb all those years ago, and Caleb was out to kill him.

Casey Antonio put the tape in as it played on the big screen and it showed New York at night, and it'd been three months since Caleb was freed from Dark Sebastian's evil. Then, we saw police cars heading out of the direction of Lexington Street and pursuing Mad Cat Max and Patch.

Past Carter Kenrick: Should've known those two were at it.

Past Jazz Jackson: Either way, we better get them off the streets.

Past Jack Howard: And I prefer immediately, no telling when Caleb's going to show up.

Past Cuffs Lane: Allie's no doubt going to alert us if her brother shows up.

Past Cage Blunt: (Thinking) Caleb is at least freed from whatever it was that turned him into...that. But, he's not taking kindly to Allie and Mad Cat Max being together, and he's pissed. He better not do anything stupid or he'll be the one dealing with his sister's fury.

They followed the two of them to a nightclub, but then, they saw a male cat with blood red hair, blood red tail, brown fur, and blue eyes, and he was dressed in bouncer clothes.

Past Casey Antonio: Hold on, we got someone out in front.

Past Roxy Drake: I'm calling Allie for help.

Roxy Drake called Allie Maxwell.

Past Allie Maxwell: Hello?

Past Roxy Drake: Allie, it's Roxy. Listen, we followed Mad Cat Max and Patch to a nightclub, and out in front is a male cat with blood red hair, blood red tail, brown fur, and blue eyes, and he was dressed in bouncer clothes.

Past Allie Maxwell: (GASPS) Oh God! Roxy, that guy you mentioned, his name is Ryan Carson, he was one of Drake's hired bodyguards. According to some contacts, he'd been making a living working for The Big Claw Gang after he joined them ever since The Syndicate fell and he also had another reason: Drake tried to have him killed, so he went over to Claw Dane Drake, and his decision saved his own ass. Now, he's working at the nightclub you guys are at, right?

Past Carter Kenrick: Yeah, he is. Wait, you said he was once part of The Syndicate, doesn't that mean?

Past Allie Maxwell: Afraid so, back in the past, Ryan also had a hand in trying to kill Caleb all those years ago.

Past Cage Blunt: Which means if Caleb sees him, he'll be out for blood again.

Past Jack Howard: You're the only person who knows what Caleb's capable of, Cage. So, what do we do?

Past Cage Blunt: Ever since Caleb's no longer that dangerous out of control monster back then, he's gonna come out whenever the person he's after is alone, and as always, the sign of him approaching is the moon turning red. We'll need to do this in separate teams.

Past Carter Kenrick: Separate teams? This is just one person we're going after.

Past Cage Blunt: Trust me, despite that Caleb's no longer that crazed murderous monster, he's still as dangerous as ever now that he's back to hunting down and killing The Syndicate's members.

Past Carter Kenrick: Alright. I'll go with Jazz and block off any attempts at escape.

Past Casey Antonio: I'll go with Cuffs and see if we can get Mad Cat Max and Patch.

Past Jack Howard: Guess that leaves me and Roxy with you, Cage, in apprehending Ryan Carson and we don't have long before Caleb shows up. Let's do this.

They got into their positions. Then, Cage Blunt, Jack Howard, and Roxy Drake approached Ryan Carson.

Ryan Carson: You guys coming in?

Past Jack Howard: Not exactly, Ryan.

They took out their badges.

Ryan Carson: Hey, I hadn't done anything bad.

Past Roxy Drake: You're working as a bouncer for a nightclub, yes, but you're also involved with The Big Claw Gang, so there's no escaping from that.

Past Cage Blunt: Not to mention you once worked for The Syndicate until Drake Maxwell tried to kill you, and back then, you were among Drake's gang of thugs who tried to kill a young man back in the 80s. Does the name Caleb Maxwell ring a bell?

Suddenly, Ryan Carson's eyes went wide.

Ryan Carson: Caleb Maxwell, a name I hoped never to hear again, yeah I know who you're talking about. Back in my days in The Syndicate, Drake told me his older brother needed to die because he was getting in the way of The Syndicate's rule, but in actuality, it was just to slake his thirst for blood. Claw Dane hated Drake for what he did to the poor kid when he told me everything of what he put him through, and Drake wasn't gonna stop until Caleb was dead which he succeeded in 1985, but I'd gotten a bad feeling that he's not only going to cause their fall, but Caleb would one day return and get his revenge. Caleb harbored hatred for his brother and every living soul within the organization in general who tried to kill him even though he was an innocent.

Suddenly, the moon turned red.

Ryan Carson: I know you're here, Caleb Maxwell, come on out.

Then, a dark figure descended from the rooftop of an apartment nearby and walked up: it was Caleb Maxwell. Jack Howard called the others on his walkie talkie.

Past Jack Howard: Guys, you better hurry to the entrance, Caleb's here.

Ryan Carson: You're finally here..., Caleb Maxwell, The Dark Angel of Vengeance, though I already know why, your angry heart and seething blood wants to kill me. But, I'm already prepared to fight to my last breath for The Big Claw Gang.

Ryan Carson cracked his knuckles!

Ryan Carson: Bring it on then, Murderous Demon of Revenge and Hatred!

We were stunned.

Inuyasha: Is he crazy?! He's going to take on a guy who transformed like us and murdered a handful of Syndicate thugs and criminals all by himself?

Me: Got to give it to him, he was loyal.

Caleb Maxwell: Even if his loyalty was going to get him killed by me.

Past Caleb Maxwell: You may have switched your loyalties over to Claw Dane Drake, but to me, in my eyes, you still carry the blood of The Syndicate in your filthy veins, Ryan Carson! And for that, I will make you suffer a slow and painful death!

Past Jack Howard: He's crazy! Ryan's going to take on Caleb by himself.

Past Roxy Drake: He's going to get himself killed like the others.

Past Cage Blunt: The others better get here as soon as...!

Just then, Casey Antonio, Carter Kenrick, Cuffs Lane, and Jazz Jackson arrived.

Past Cuffs Lane: We were about to apprehend Mad Cat Max and Patch, but then, Caleb showed up when the moon turned red, and they fled.

Past Casey Antonio: And we got here just in time. Caleb, stop!

Past Caleb Maxwell: Why? This guy, he may be with The Big Claw Gang, but he still carries the blood of The Syndicate in his filthy veins! He deserves to die for the Hell he put me through back in 1985!

Past Carter Kenrick: And what? You think that'll make everything you harbor go away: all that hatred and that anger?!

Past Caleb Maxwell: Shut up! You don't know anything about the pain in my heart, the anger in my heart, the hate I carried towards scum like The Syndicate! Everything I once held dear and believed in have been destroyed! I lost my entire future along with my life!

Suddenly, Caleb Maxwell was beginning to break down as blood tears began falling from his eyes.

Past Caleb Maxwell: (Voice Breaking) Ever since Drake betrayed our family all those years ago, I've suffered and took the brunt of all of his physical abuse and violence against us, because I didn't want Mom and Allie to suffer as well, but what I hadn't known...was that with every last violent attack, it was causing my life to grow shorter and shorter, and that I'd die at age 21. I'd hoped that with what I did in exposing his and Dad's secret..., I'd saved Mom and Allie's lives from falling into darkness, but it came...at a terrible cost with my own life falling into darkness. I'd been pursued and threatened with death at their hands, and finally, I would pay the price on that Halloween night in 1985.

Past Casey Antonio: You've finally let your emotions spill out.

Caleb Maxwell looked up at Casey Antonio.

Past Casey Antonio: Caleb, you've tried to keep your emotions locked up ever since the hardships you had to go through back in the 80s or even earlier, back in your middle school days when you'd started noticing Drake's sudden changes.

Then, Casey Antonio started walking up to Caleb Maxwell.

Past Roxy Drake: Casey, what are you doing?

Past Casey Antonio: What you went through, indeed it was despicable and sickening that you had to go through Hell. You saved your mom's life along with Allie's from falling into darkness after you'd exposed the secret of The Syndicate, and you were right that it came at the cost of your own life falling into darkness and you shut everyone out of your life.

Past Caleb Maxwell: You...! YOU...!

Finally, Casey Antonio said the words that drove the bloodlust out of Caleb as he went over to Caleb and hugged him.

Past Casey Antonio: It's all over, Caleb. You don't need to hold in the anger you've been carrying any longer.

Suddenly, Caleb Maxwell lost his bloodlust and he dropped his guns as they vanished and appeared again holstered on his hips and he finally broke down and cried as he returned the hug, and they saw the moon turn back to normal.

Past Jack Howard: Whoa.

Past Cage Blunt: He brought Caleb's bloodlust to a halt. But, how?

Past Jack Howard: Casey has seven years of experience working with troubled youth especially kids who tried to commit suicide or were put on the wrong path into crime, and he's been doing this since joining us in 1990.

Past Roxy Drake: He'd also been there helping Allie when some idiots were trying to hurt her, and it was from there she found out more of the details of Caleb's past and the pain he'd suffered from and Casey told her ever single detail of it: how Caleb first suffered from abuse from Drake when he was in Middle School in the late 1970s and how it continued to his high school years and his first and final year in college in the 80s along with the trauma of losing his friends who stayed with him and how certain individuals pretended to be Caleb's friend only to betray him and show their true colors. In other words, her brother's life fell into a living Hell and it ended with his death in 1985.

Past Cage Blunt: And he put on that brave face around his sister and mom, but even that wouldn't be enough to cover the scars and pain.

Casey Antonio brought Caleb Maxwell to his car, and he stepped in the back.

Past Casey Antonio: We may not have cuffed two of The Big Claw Gang's members, but we did calm Caleb Maxwell. I'll get him back home, and Allie's gonna hear about this.

Past Roxy Drake: We'll tell the Captain what happened, go.

Casey Antonio brought Caleb Maxwell back home and explained everything he did to Marlene and Allie as the video ends.

Me: Wow, that was some top-notch diffusing the situation.

Nico: Indeed, that was incredible! Wow!

Captain Whitten: Casey's work with troubled youth came through yet again. But, this was indeed a very tough challenge for him, I knew of Caleb's struggles back then in the late 70s and early 80s until he was killed in 1985, and we'd been trying to find and take down Drake, but when Marcus Maxwell cut him out of the organization along with the four senior members, he did our original task which was to take down The Syndicate, but he became a broken man.

Lincoln: But, it's still heartbreaking. Caleb, you suffered that same pain your Dad suffered from, and it left a gaping wound in your heart you thought would never be healed because of losing your true friends and being made a fool of. But, that was when you'd found out there were others who wanted to help you.

Caleb Maxwell: When my mind finally became clear, that was indeed true. Mr. Blunt helped me to open my heart again, but in turn, I also let the darkness I had inside me out as years of pain, anger, hatred, and despair came back into the surface. But, I had nothing left to fear, I lost everything I'd held dear to me, and when I came back to New York, that was when Hell would break loose.

We got a shower, and then, Pomni and Gummigoo are heading to Sirena Beach, but they need to watch out, Satoru is bound to stir up trouble.

Pomni: Ah, we are here in Sirena Beach.

Gummigoo: Indeed, and Lincoln's right, this place is truly amazing.

Pomni and Gummigoo were swimming in the water, and they saw all kinds of marine life here, and they went back to the sandy beach and they had fun. But, their fun wound up getting rudely interrupted when they saw an army of Weretitans heading for them.

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Weretitans and he began absorbing them and assimilating their Shapeshifting, Transformation Control, Endless Growth, Superhuman Strength, Superhuman Speed, Superhuman Durability, Healing Factor, Immortality, Self-Sustenance, Superhuman Senses, Superhuman Agility, Inner Kaiju, Infectious Bite, Radiation Absorption, Radiation Containment, Radiation Conversion, Radiation Generation, Flight, Explosive Rage, Fertilizing Blood, Environmental Cleansing, and Environmental Unity, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done and the stingers changed back, the Weretitans were absorbed into Lincoln, and his rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he drained all their souls of energy and assimilated them and he let out a loud and massive roar of dominance and power and he pounded his chest like a gorilla.

Gummigoo: Thanks, Lincoln.

Lincoln: You're welcome.

Lincoln headed back home. A few minutes later, Pomni and Gummigoo returned home.

Nico: Are you and Pomni okay, Gummigoo? Lincoln told us of what happened.

Pomni: We're okay, thanks to Lincoln saving us.

Gummigoo: Yep. We are.

Vinyl Scratch: This has Satoru behind it, I know it.

Lincoln: He's gonna pay big time, Vinyl Scratch, he just crossed another line.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Satoru starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Qin: Yeah.

The mascots were off.

Octavia Melody: (British Accent) Have fun, you guys.

Poromon: We will.

They went down to the planet.

Poromon: Such a nice day

It was gorgeous.

Manaphy: It sure is.

Horsea: I'll say.

Poliwag: Hey look!

They saw an armadillo!

Poliwag: It's an Armadillo!

Poromon: Boy that's something you don't see around here every day.

Manaphy: Hey there, little guy.

He looked scared and frightened like he didn't know where he was.

Horsea: Oh the poor thing is scared.

Poromon: Lets take him back home and help him.

They did so.

The mascots came back.

Nico: Hey guys have a nice walk?

Poromon: We did but look what we found.

We saw the Armadillo.

Me: Wow! An Armadillo! Wait here? Boy that's very unusual.

Laney: Yeah you don't see Armadillo's up here because it's too cold for them.

Nico: I know. Not every day you see those around here.

Me: I know. Usually in the deserts and in North Dakoto, Missouri, South Carolina, Arizona and places like that. But never up here.

Poromon: The poor thing is lost. Doesn't know where he is at.

Vinyl Scratch: It's okay. We won't hurt you

Fluttershy: Oh it'll be alright. Let us help you.

The Armadillo was glad to hear about that.

We got it settled into the desert biome part of the park.

Sinnertwin: Want some food?

It nodded.

Me: Armadillos usually eat fruit and bugs like ants.

We gave it some berries.

Streetwise: Feel better?

It nodded.

Me: Good.

But then something spooked it and it curled into a ball.

Me: Wow. Something scared it.

But then we smelled a really horrible stench!

SEAL BARK!

Carly Cardia hurled her guts out and vomited a lot of blood!

Me: OH GOOD GOD! What the fuck is that horrible smell!? ED!?

Ed: Not me!

Lola: I think it's from that ugly guy!

We saw a Muk!

Me: Whoa a Muk!

Nico: How did that get here?!

Lana: I like the stench!

Me: Only you would Lana. But it must be one of Dark Gale's work.

Stinkbomb (Skylanders): Let me see.

He used telepathy and gasped!

Stinkbomb: It's my friend Selene Stinkbomb.

Me: WHOA!

Stinkbomb: And as you saw she has a stink that makes you REALLY throw up.

Me: I can see that. Lets go help her!

Stinkbomb: (NINJA FLUTE) CLEAR THE AIR!

We went to face her.

Stinkbomb: Selene it's me Stinkbomb!

She charged at Horsea. Horsea placed her clone in front of her...only to realize that she was really charging at Ash.

She hugged him.

Ash: (LAUGHS) Just like how my Muk hugged me.

Horsea: Really?

Ash: Yeah my Muk was really friendly.

Lola: Wow.

Horsea: (to Ash) Better you than me then!

Ash: I know.

Me: Okay Selene that's enough.

I snapped my fingers and she reverted back and was a girl with green hair and green eyes and green angel wings and had a green skunk tail and had Muk on her forehead and had Mount Fuji with a 5 point shinobi star and the Shinobi Kanji on her arm as a cutie mark.

We wrapped her in a blanket and sat her on a rock.

Me: There.

She woke up to see Horsea's smiling face

Selene Stinkbomb: (Groans) (SCREAMS)

SQUIRT!

She sprayed her with her tail.

Horsea: HEY! (COUGHS) OH NO!

Me: UH OH! You got skunked!

I smelled.

Me: OH GOOD GOD!

Horsea: YUCK!

We got her clean.

Leni: Welcome to my world.

Selene Stinkbomb: Oh I'm sorry. Like a skunk I always spray things whenever I get scared.

Stinkbomb: No worries.

Selene Stinkbomb: Stinkbomb!

They hugged.

Stinkbomb: Good to see you.

Selene Stinkbomb: Same here.

Me: You were turned into a Muk by dark gale.

Selene Stinkbomb: (GASP) I remember!

She was in a green suit and injected and then she turned into a Muk and went to the toilet and flushed herself.

FLASHBACK ENDS

Selene Stinkbomb: It was awful. But to me as a Muk being in the sewer for me is not a problem.

Me: I see.

Horsea hopped back over to her still smiling

Horsea: You hugged Ash.

Ash: My Muk always hugged me a lot too.

Selene Stinkbomb: I can see that.

Me: Yeah but we destroyed Dark Gale.

Selene Stinkbomb: Good.

Selene Stinkbomb: I'm the Nature Fu master of Sonya's team and outside the team I help Stinkbomb and the Skylanders bring down the forces of Kaos.

Me: Wow!

Qin: That is cool!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and she looked awesome.

Selene Stinkbomb: Wow I look awesome.

RD Leni: Those totes look good on you

Selene Stinkbomb: They sure do.

We went back to the living room

Horsea: I hope the armadillo is doing okay

Me: He'll be okay.

Qin: Yeah.

Varie: That is for sure.

Lana: Yep. We'll take care of it.

Manaphy: Sorry. We're just worried for it. That's all

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Satoru, that moth-winged demon freak of nature is back and he wants revenge on us for what we did to him last year. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Satoru, that moth-winged demon freak of nature is back and he wants revenge on us for what we did to him last year.

EVERYONE GASPED!

Jun Fudo: I knew it.

Vinyl Scratch: I knew that moth-winged freak would be back!

Brittney: The spirits of The Netherworld have decreed that Satoru is to be killed yet again, but we'll need something holy to get rid of him.

Lincoln: Leave that to me and Vinyl Scratch. Plus, Vinyl is going to transform just like last year.

Vinyl Scratch: You're right, unlocking my Rainbow Power was just the beginning.

Nico: That moth-winged demon freak is so going to get it. Alright, team, let's get to Japan and bring an end to Satoru forever.

Lincoln: We've had it up to hear with him making Jun's life a living nightmare, this time, he dies here and now.

The previous group came.

Roquefort: Can me, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher, and Gizmo go with you guys?

Nico: Yes you all can come with.

Abomination: (Sniffs) What the fuck is that smell!?

Me: Sorry I farted earlier.

Abomination: No it's not that. I smell skunk.

Hitoshi: Oh. Ugly story

Rothar: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 46: Dragluon and Number 45: Crumble Logos the Prophet of Demolition

Rothar: Ooh nice!

Me: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was The Fiends of Chaos, the four highly powerful demons from the first Final Fantasy video game, and they are back for revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: The Fiends of Chaos, the four highly powerful demons from the first Final Fantasy video game, and they are back for revenge.

Widelene Vega Cooper: We'll make sure you absorb them just like you did last year.

Lincoln: You bet, Widelene. (Gets a premonition) Whoa, and it's not just The Fiends of Chaos, but also, The Elemental Archfiends are back as well.

Nico: Looks like you're absorbing them as well. Alright, team, let's get to Japan.

Lincoln: Satoru, your time is up, this time, we'll make sure you never hurt Jun again, and once we get done with him, you're next, Fiends of Chaos and Elemental Archfiends.

Widelene Vega Cooper: You made a mistake coming back from the dead, Fiends of Chaos and Elemental Archfiends, now we'll make sure you never rise again.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan to destroy our old enemy, Satoru, and this time, we're sending that moth-winged demon freak to The Black Abyss, and once we get done with him, Widelene Vega Cooper and Lincoln are going to destroy The Fiends of Chaos and Elemental Archfiends and sends them to The Black Abyss after Lincoln absorbs them.

We were off.

We arrived.

Me: Japan.

Demyx: Let's call Metal Sonic.

Me: Good idea.

We did so.

Metal Sonic: Ready for action.

Me: Cool.

Vinyl Scratch: I've had it with Satoru.

Me: Me too.

Brittney: Well the Spirits of the Netherworld put a massive bounty on him.

Nico: Really?

Brittney: Yep. $666,000,000,000,000,000,000,000,000,000,000,000.00. Double if dead.

Nico: CHA-CHING!

Tania: Bet Michael the Angel never dealt with demons like him.

Me: I agree.

Qin: Me too.

Dark Laser: I heard you guys met an Armadillo

Poromon: We sure did.

Me: That is unusual seeing one in our part of Michigan.

Fluttershy: He was adorable.

Lola: Yeah.

Freon:Who gets to keep him?

Poromon: Hmm.

Somnambula: (Egyptian Accent) I think it should be me and the mascots because of our love and hope for all animals.

Poromon: Good idea.

Abomination: He should meet Carmen Dillo.

Fluttershy: He would like that.

Me: Yep.

We then saw SpongeBob and Patrick ahead of us and they were in front of an orb and were acting REALLY STUPID!

Lily: Is that the Orb of Confusion?

Donna Diego: Mermaid Man, I didn't know you brought the Orb of Confusion

Mermaid Man: I didn't.

Lincoln: Wait that's not the Orb of Confusion. That's Vinyl Scratch's Akuma, the Eye of Confoundment! The Hypothetical Akuma of Vinyl Scratch and she has the power to make anyone act stupid and idiotic. She was made this way when her Rave Music Career was flushed down the toilet thanks to the Flim Flam Brothers and she lost all her money. Now she is going to make them brainless idiots and stupid buttfaces to get revenge on them

WE GASPED!

Applejack: Why those varmints!

Eddy: They may be like me but that is crossing the line.

We went over and I turned her off.

Eye of Confoundment: HEY!

Me: Okay Vinyl you snagged the wrong guys.

She saw them.

Eye of Confoundment: Oh SpongeBob and Patrick. Sorry.

She let them go and they had the WORST headache

Scorcher: Vinyl? Is that you?

Eye of Confoundment: Yes it's me.

Me: You know you are like the Orb of Confusion used by Mermaid Man and Barnacle Boy here.

Eye of Confoundment: I sure do look like it don't I.

Me: Yep.

Eddy: HEY! WHY YOU LITTLE!? WAIT TILL I GET MY HANDS ON YOU!?

Eddy then jumped and pulverized Eye of Confoundment's world versions of the Flim Flam Brothers!

HE VICIOUSLY FOUGHT THEM IN A FIGHT CLOUD AND BEAT THEM UP LIKE HE WOULD DO ED!

Metal Sonic: I suggest you calm down

Eye of Confoundment: I'm enjoying seeing Eddy beat up those monsters that hurt my career.

Vinyl Scratch: It's entertaining.

MASSIVE AND FEROCIOUS SOUNDS OF FIGHTING!

Eddy: Hey guys want to join us?

Kevin: Count me in! (CRACKS KNUCKLES)

Rolf: Rolf will partake.

The cul de sac kids joined in and IT WAS MASSIVELY BRUTAL!

IT WAS A MASSIVELY FEROCIOUS BEATDOWN!

SCREAMING NOISES, PIG SQUEALS, SEAL BARKS, HORSE WINNIES, ELEPHANT TRUMPETS, GLASS BREAKS, BUZZES, CAR HORNS, LION ROARS, CRUNCHES AND MORE!

Me: HOLY TOLEDO!

Eye Five: Can EYE join in?

Eddy: Sure!

He did so and they all REALLY MANGLED THEM!

I got out some popcorn.

Me: Popcorn?

Eye of Confoundment: Sure.

She opened up and I gave her some and she ate it.

Nico: Man what a brawl!

Xenia: Man that is worse than anything the Vengeance Express 6 can do!

EXTREMELY MASSIVE EXPLOSION OF PAIN!

When the smoke cleared the Flim Flam Brothers looked so terribly mangled up that they looked like they lost a fight to a bunch of deranged supervillains!

Girl Jordan: WOW! What a fight!

Ymir: Brutal!

Gizmo: Those barfbrains had it coming!

Me: You got that right!

Eddy: Man that felt good.

Me: Feel better guys?

Sarah: We sure do.

Nazz: That was fun.

Me: (LAUGHS) Yeah!

Eye of Confoundment: I needed that guys. Thanks.

Me: Glad you enjoyed it. I'll have the prison medical team take them away.

They did so.

Princess Celestia: Tartarus will be perfect for those two.

Me: Even though they remind Eddy so much of himself they still have to be punished. Besides, 1 pair of Flim Flam brothers is more than enough.

Nico: Agreed. Okay now we can fight.

Eye of Confoundment: Bring it!

I fired waves of energy and blasted her.

Metal Sonic: Scanning for possible weaknesses

He scanned for them and it was the eye in the middle!

Metal Sonic: Weakness Located. The Eye.

Me: On it.

I fired waves of energy and blasted the eye.

Metal Sonic fired lasers and blasted the eye.

Eye of Confoundment: My turn!

She fired a stupidity blast and we dodged it and it hit Burns who is back and he was stupid as a braindead monkey and dumber than Cheese and Billy!

Homer: WHY YOU LITTLE!

He went and strangled him more!

Me: GO HOMER!

Nico: I don't know how he escaped but we'll fix that!

Selene Stinkbomb: After this. Lets get her!

Stinkbomb: You know it!

Selene and Stinkbomb: CLEAR THE AIR! ACORN HADOUKEN BLAST!

They fired a blast of energy and blasted the orb and knocked her out.

We went over and Homer strangled more gold and jewels and more out of him.

Me: Okay Homer we'll handle this.

I threw Burns into the Warp.

Plitheon: I honestly hope we fight him in a future rescue.

Jesse Glenn: Especially since we don't know when his final curtain will be

Nico: Nah that would be a waste of time. Besides it's best to let him suffer in the Warp.

Me: Yeah till then.

Nico: You're right.

Me: Besides Homer had his stress relieved.

Homer: Yeah I feel much better.

Me: How about when we get home we give you a massive pile of donuts?

Homer: Ooh you know it! Now I can build my house I've wanted like I saw in the sauce at Luigi's. (SEASON 20 EPISODE 10)

Me: Cool.

We sealed all the gold and jewels into a scroll for him.

Blizzard: What house?

Homer: I saw a mansion I got in a life where I married Marge and didn't have kids after Burns got me a better job.

Nico: Oh.

Blizzard: I see.

Me: I see. Lets get a move on and destroy Satoru.

We heard the sound of malevolent laughter echoing as we saw Satoru causing havoc in Tokyo, and he has an army of demons with him.

Nico: There's that moth-winged demon freak son of a bitch now!

Me: Look at him, causing havoc with no disregard again!

Lincoln: Let's fix that, shall we?

Suddenly, the spirits of the Angels of Heaven and the Demons of Hell appeared and they attacked Satoru and they really thrashed him all over the place showing him no mercy whatsoever and they destroyed his army of demons and sent them back to Hell, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, Dragon Roar, and Phoenix Cry was heard and we appeared, and that made Satoru super pissed!

Me: You got some fucking nerve showing up here again, Satoru!

Jun Fudo: You made my life a living Hell because of it, and I will never forgive you!

Satoru: I will make you pay for turning against us, you and everyone around you will die a horrible painful death for the humiliation you dealt unto me last year!

Nico: You fucking deserved it, Satoru.

Lincoln: That's for sure.

Me: You brought that upon yourself!

I punched him and blasted him with energy.

I fired waves of fire and blasted him all over.

Satoru: I am going to kill you!

Me: Not if I kill you first!

I slashed him all over with my sword!

Nuova Shenron: You had this coming for a long time

He formed a lens.

Nuova Shenron: NUOVA DEATH RAY!

He fired a powerful focused beam of sunlight and it blasted him and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

I fired a beam of fire energy and it hit him and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

He was burned bad!

Me: You destroyed countless people Satoru! You don't care about anyone! All you care about is making people suffer! You made Jun's life a living hell! All for your own selfish pleasure!

Satoru: And I'm glad too! This whole planet can go to hell!

Me: Not while we're here!

I punched him!

Roman Goodwin: Time to summon my Earthbound Immortal!

He summoned Earthbound Immortal Uru!

Satoru flew into the air and I flew after him!

Satoru: Try this!

He fired a massive blast of darkness and Negative energy!

I fired a powerful Kamehameha Wave!

The blasts collided and exploded with intense and incredible power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

By blast overtook his and the blast hit him and exploded with intense and massive power!

SMASH!

Skywarp: This is getting intense! (teleports next to Satoru)

He punched him all over!

Nico: WHOA! J.D.'s power has increased exponentially!

Eli: It sure has!

Jun: You made my life hell Satoru! And you poisoned Asuka's mind with lies!

Vinyl Scratch: And made Aoi like that!

Satoru laughed!

Me: What the fuck is so funny!?

Duskmon: Ok, am I the only one creeped out about that laugh?

Satoru: I did all that to push Jun's transformation to destroy you all! I figured if I could get her to kill her friends then she could kill you all!

WE WERE SHOCKED!

Me: Well that plan backfired BIG TIME! Now they are with us!

Proto Man: You're going down!

I fired waves of intense fire and blasted him all over.

He sprouted his wings!

SLASH SLASH!

I slashed them off and he screamed in agony!

Me: A butterfly or moth without wingsis only HALF that!

I kicked him in his face!

Asuka Lan appeared and turned into her angel form and blasted him all over with light!

Aoi Kurosaki: You turned me into a monster and I almost killed my best friend Jun!

She fired waves of water and drenched him!

Ssserpent: You will be my evening snack!

He fired acid blasts.

Vinyl Scratch: I've had it with you Satoru!

She flared up her Rainbow Power!

Vinyl Scratch: I am the Guardian of Music and the Rave is my for all to have, When my Cutie Mark comes to life, Music will come to the save!

Rave lasers fired around her.

She went at him and blasted and bashed him intensely!

Mega Meloetta charged at him And blasted him with music energy!

Me: You made Jun's life hell and now we're going to return the favor!

I fired waves of intense energy and blasted him brutally!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into ruin once more. Satoru, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF SATORU TO NO END! NOW, THE BATTLE TO FOREVER END SATORU WAS ON!

Lincoln, Vinyl Scratch, Nico, and I and the rest of us went after Satoru and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Vinyl Scratch, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Satoru even more.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Satoru and we all found ourselves not only in Heaven, but also, in space.

Nico: Marluxia, Black Knight Ghost, Number 7, Gentleman Ghost, Evil Green Ranger, Unicorn, Kite Man, Red X, Katnappe, and Beautiful Gorgeous.

Marluxia: Yep. And just in case he orders us around...

He slashed the ground with his scythe and trapped him in a POISON IVY COCOON!

He was itching all over like crazy!

Sora: Why didn't you do that during all the times I fought you?

Marluxia: I just learned it now.

Black Knight Ghost: It's true

Me: Very awesome.

Number 7: Our powers have been improving.

Me: They are evolving as much as ours.

Layla: He sure did and it was awesome! We made that jerk pay for his crimes big time.

Gamora: We destroyed him forever and sent him to the Black Abyss where he belongs and ended his reign of terror for good.

Nathalie: That is for sure!

Twilight Sparkle: We really let him have it and Vinyl Scratch and Flash Magnus both unlocked their Rainbow Power and it was amazing!

Stellar Sparkle: It sure was!.

Harmony Sparkle: You got that right.

Starshine Sparkle: That was fun.

Catherine Windsor: (British Accent) It was joyous. Also we met an Octillery gene-slammer. Her name was Bloodbath Camille Reynolds. She is a dread pirate that went after lots of pirates in Skylands and the universe and on Earth. She is a very close friend of Wash Buckler and did it all with him.

She even helped him defeat Baron Von Shellshock and the forces of Kaos all over.

Black Knight Ghost: WOW! That is amazing!

Akiza: That's right. I'm sure you heard about what happened to J.D. yesterday right?

Robo-Roxy: Yeah! I heard he was poisoned!

Akiza: That's right. It was by Tristian Reynolds. He took some of Scarecrow's fear gas and altered it to make him paranoid so that J.D. would be kicked off the team and he would be killed by him!

Robo-Roxy: WHY THAT DIRTY!

Akiza: I know! But we killed him in the Abandoned lab and he was banished to the Black Abyss. But J.D. burned his eyes out as a wat to say that his plan didn't work. Lincoln gave J.D. the antidote that he made.

Fairy King Truesdale: What happened to him back then was absolutely crazy.

Clara: Yeah it sure was! But Lincoln knew it was Tristian's dirty work through a premonition and also Ino helped too with her psychology skills.

Applejack: Those two really did great. Nico and J.D. said that they deserve some of the credit.

Apple Star: They sure do. So resourceful.

Wolf Moon Bloom: Lisa analyzed some of that purple slime that came out of J.D. yesterday and it was the last of the residual poison of all the evil of Xehanort as well as he poison of the fear gas.

---

Gentleman Ghost was next.

Gentleman Ghost (to Yugi): The mascots met an Armadillo. That's something not seen in Gotham Royal York every day

Yugi: Yeah that is something we don't see up in Michigan. Usually they are found in Texas and Florida and sometimes in Missouri and South Carolina and even in North Dakota. But never in Michigan so it's really unusual to see one up there in our part of the woods.

Eli: Yeah no kidding. We don't ever see them in Michigan because of winter and cold temperatures. So it's highly unlikely for them to be up there.

Dark Magician: That is true because they usually live in deserts where it is hot.

Papi: It was really adorable. So we gave it a home in our estate park desert section.

Rarity: It sure was cool to see darlings.

Erica Tala: That is for sure.

Sapphire Ocean: I never saw an Armadillo in our part of Michigan before which as really amazing.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of The Elemental Archfiends and Fiends of Chaos, and he began absorbing them and he assimilated the Geokinesis of Scarmiglione, the Hydrokinesis of Cagnazzo,

the Aerokinesis of Barbariccia, the Pyrokinesis of Rubicante, the Geomancy of Lich, the Pyromancy of Marilith, the Hydromancy of Kraken, and the Aeromancy of Tiamat, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head

and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Elemental Archfiends and Fiends of Chaos, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Widelene Vega Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Widelene Vega Cooper: It's over for you, Elemental Archfiends and Fiends of Chaos, and to this we say good riddance. Thanks for helping me get rid of those monsters, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Widelene.

Me and Nico: Our pleasure, Widelene.

Suddenly, Widelene Vega Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Widelene Vega Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Widelene Vega Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Widelene, you transformed and you guys really let those three monsters have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Mayakashi Duel Monsters appear in the sky with a Tsuchigumo.

Lincoln: Oh man, the symbol of The Mayakashi Duel Monsters appear in the sky with a Tsuchigumo.

Akane Minazuki: (Japanese Accent) The Yuki-Onna, there's only three people who matches that all too well: Akemi Kobayashi, Avatar and Gene-Slammer of Tsuchigumo, the Poisonous Mayakashi, and you guys are going to love meeting her, Akemi Kobayashi, Avatar and Gene-Slammer of Tsuchigumo, the Poisonous Mayakashi, is Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi. She's the Poison Spider Earth Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akemi Kobayashi came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, earth, poisons, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion, and she swore to kill her with a deadly and lethal poison she'd created.

WE GASPED!

Me: (GULP) That is scary!

Nico: (GASPS) Luan, what did you do?

Lincoln: It's best you don't ask.

Suddenly, the sun began shining greatly, and we saw wolves with pure white fur come out and they let out the melodious sounds of howls as they echoed in the air, and then, we saw a beautiful girl who as tall at 8'5" in height, she has the body of a goddess and large breasts, long brown hair and white wolf ears on top of her head, she has 20 massive and long wolf tails, and she's dressed in a very beautiful kimono.

Lincoln: (GASPS) Asuka Amaterasu, Avatar of the Duel Monster, Amaterasu and Daughter of Amaterasu.

Asuka Amaterasu: It's good to see you again, Lincoln.

Me: WHOA!

Nico: Incredible.

Akane Minazuki: (Japanese Accent) I knew this was her, and before you ask, Lincoln knows her, and so do we. This is Asuka Amaterasu, Avatar of the Duel Monster, Amaterasu and Daughter of Amaterasu, she's Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Photokinesis, light, The Sun, energy, life nourishment, purification, Cosmic Pyrokinesis, fire, flames, wolf fire, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the wolf, and the powers of Amaterasu, and she's also the daughter of Amaterasu, The Sun Goddess, and she's a girl whom loves Lincoln with all her heart and pledged to eternally protect and love Lincoln with all her heart, and that love is just as strong as the love that all of Lincoln's Guardian Angels and harem have for him, and this hadn't gone unnoticed by her mother as she'd seen for herself the eternal love between them: her daughter and her reincarnation and it was said to have been told in legend: if The Daughter of Amaterasu and The Reincarnation of Amaterasu are united, those affected by Dark Chase Young's poisonous darkness will be purified, and his dark power will be weakened even more. Asuka Amaterasu moved to Royal Woods and it was there she met Lincoln, and she found out that he was the reincarnation of her mother and the one destined to end the evil Dark Chase Young forever, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Photokinesis, light, The Sun, energy, life nourishment, purification, Cosmic Pyrokinesis, fire, flames, wolf fire, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the wolf, and the powers of Amaterasu, and over time, Lincoln gained omnipotent power and his powers over Cosmic Photokinesis, light, The Sun, energy, life nourishment, purification, Cosmic Pyrokinesis, fire, flames, wolf fire, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the wolf, and the powers of Amaterasu had increased infinite fold, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Chase Young with a blazing passion and swore to help her mother's reincarnation end that immortal draconic nightmare forever.

Me: That's unreal!

Nico: That's incredible. But, how do we get rid of the poisonous darkness still affecting Dark Chase Young's victims?

Lincoln: Through this, Nico.

Suddenly, Lincoln pinned Asuka Amaterasu down to the floor with him on top of her, and with his massive muscular arms still wrapped around her waist, he leaned his head down her face and he kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, he leaned his head to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Asuka Amaterasu with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Asuka Amaterasu: (In Heaven) My Goodness. You've grown from the sweet little boy into a 12'9" tall, imposing, tough, strong, and rugged manly wolfman. (Rubs Lincoln's massive pecs) And you're still quite the charmer as always and you're still the same dominant Alpha Male and wild beast as always.

Suddenly, Asuka Amaterasu felt a sharp pain on her back, and then, massive white angel wings sprouted out of her back, and then, they glowed with golden yellow light, and they fired a massive shockwave of golden yellow light that hit the other victims of Dark Chase Young and they were freed from Dark Chase Young's poisonous darkness. We saw it all happen through a one-way viewing window.

Me: HOLY ATOMIC FIRE-BREATHING PEPPERS! That was incredible!

Asuka Amaterasu: All of Dark Chase Young's other victims have been freed and their dark sides were all destroyed, except for those in your crystal prisons, though it's only a matter of time before they too escape.

Lincoln: We'll be ready for them, Asuka.

Unicorn: I always like how Metal Sonic scans something.

Kite Man: Me too.

Me: Eggman always did know what he was doing when it came to machines.

Red X: Either way, Satoru's dead now.

Katnappe: And never coming back.

Me: Good fucking riddance to bad rubbish.

Beautiful Gorgeous: How should we celebrate?

Me: Lets head to Lynn's Table. Jun and friends all have a lot of healing to do.

Nico: I second that. Good job today everyone.

Qin: Yep.

Vinyl Scratch: (To the viewers) My day is now done and Satoru is a forgotten memory.

Me: Yep.

We went back home and ate at Lynn's Table.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Vinyl Scratch: We finally did it, Satoru is gone forever.

Anna Anyanova: After what he did to Jun and her friends and tried to destroy humanity, that demon freak got what was coming to him.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and they were on top of Lincoln as they kissed passionately.

Aphrodite Carrington: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Aphrodite Carrington's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome fanfic done.

Alright, and now, for tomorrow, the match-up scene is for Ling Xi Cooper, The Fireworks Firestorm of Beijing of The International Clan of The Coopers, and she and Lincoln are going to destroy Amatsu-Mikaboshi, one of the main antagonists from the Marvel Comics and the embodiment of the chaotic nothingness

For Lincoln's rescue tomorrow, Lincoln and his group along with all of TLPS and The MOE are heading to Briarwood, and we're going to face the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, the hypothetical Akumas of The Mystic Force Rangers, and Lincoln's going to absorb them, and after that, we're going after our main target: he's an old enemy of Nico, Qin, and their friends from New Jersey, his name is Joshua Matthews, he's a cold, ruthless, heartless, psychotic, sick, twisted, sadistic bastard who terrorized his high school for years by physically assaulting the students and teachers, raping the female students, blackmailing the students and teachers with details of their private lives, extorting money from students and teachers, you name it: THIS GUY'S A REAL NASTY GODFORSAKEN PIECE OF WORK! And his family's no better, despite their role as successful lawyers and politicians, it turns out they've been involved in the underworld of organized crime and have been involved with the mafia many times and they've even paid off other politicians to get those appointed by the mafia into the court system causing a reign of corruption. But, Nico, Qin, and their friends having had enough decided to strike back by gathering the evidence of Joshua's crimes, and to also add in insult to injury, they also gathered evidence and dirt on his parents, and once compiled together, they released it to the media, and over night, Joshua and his family's dark secrets were exposed and their reputations fell straight down into Hell, and suddenly empowered by what they did, the students and teachers fought back too, but before Joshua could escape, Nico, Qin, and their friends took him down and sent him to the principal who after having also gathered his own evidence decided he'd had enough of Joshua's reign of terror, decided to expel Joshua and he was arrested along with his parents, and after they were found guilty for all of the numerous charges against them, they suffered their individual fates: Joshua Matthews was sentenced to Life in Prison, but his parents got the worst sentence ever: Patricia Matthews and Nathan Matthews were sentenced to death by lethal injection, and after his parents were put to death, Joshua swore revenge on Nico, Qin, and their friends.

That was twelve years ago, and twelve years later, we got word that Joshua Matthews has escaped from prison and he's out for revenge on Nico, Qin, and their friends, we got the word he was hiding out in Briarwood, and it's going to be his final resting place when we kill him and send him to The Black Abyss.

And we're going to meet the next Mayakashi Avatar and Gene-Slammer, her name is Akemi Kobayashi, Avatar and Gene-Slammer of Tsuchigumo, the Poisonous Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi. She's the Poison Spider Earth Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akemi Kobayashi came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, earth, poisons, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Next up is Tecna's day to shine and we are going to battle Trip Murphy in an awesome race around Zenith which will be both a race and a battle. And we're going to send him to jail.

See you all next time.

Zenith Race of Mayhem

Sequel to Tecna's Big Day with Herbie

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to Briarwood, but as he was flying around, he saw the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, the hypothetical Akumas of The Mystic Force Rangers, but he also saw a man with messy blonde hair and dressed in an orange prison jumpsuit and he was out for blood against Nico, Qin, and their friends. Lincoln found out about his identity as Joshua Matthews, and he woke up along with his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: We got trouble in Briarwood.

Lincoln explained everything to them, and when he was done, they were shocked.

Lily the Mermaid: Whoa, so the clones of the hypothetical Akumas of the Mystic Force Rangers are at Briarwood, along with an old enemy of Nico, Qin, and their friends.

Anna Anyanova: We already met Mystic Phoenix when we went after Octomus, but we hadn't met the hypothetical Akumas of the other Mystic Force Rangers.

Lincoln: Nope, and I'm going to absorb the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, and then, we're going after this Joshua Matthews, but we need to know more about him from Nico, I'm sure what he tells us about him, it's not going to be good.

Eman Reynolds: I know that to be true.

Lincoln, his harem, and kids went back to sleep. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Leanbow: Amazing.

Madison Rocca: Truly awesome! And they're in Briarwood? Oh man.

Lincoln: Along with the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit. I'm going to absorb the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, and we'll take down Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit.

Vida Rocca: This is gonna be so cool. But, you mentioned someone by the name of Joshua Matthews who's also there, who is he?

Suddenly...!

SPIT TAKES GALORE!

NICO, QIN, AND THEIR FRIENDS DID SPIT TAKES!

Nico: (Spit Take) WHAT?! JOSHUA MATTHEWS IS THERE? (SAVAGE GROWL) THAT PIECE OF SHIT!

May: Nico, you know him?

Nico: I wish I didn't, he's one of my most dangerous and heartless old enemies from the past in New Jersey, he's a cold, ruthless, heartless, psychotic, sick, twisted, sadistic bastard who terrorized our high school for years by physically assaulting the students and teachers, raping the female students, blackmailing the students and teachers with details of their private lives, extorting money from students and teachers, you name it: THIS GUY'S A REAL NASTY GODFORSAKEN PIECE OF WORK!

I looked up his criminal record, and Nico was right!

Me: MY GOD! THIS GUY'S A REAL NASTY PIECE OF SHIT!

Qin: We all hated that piece of shit for a very long time.

Nico: And his family's no better, despite their role as successful lawyers and politicians, it turns out they've been involved in the underworld of organized crime and have been involved with the mafia many times and they've even paid off other politicians to get those appointed by the mafia into the court system causing a reign of corruption.

Me: My God, that's disgusting!

Camille Fitzgerald: You said it. But, Nico, Qin, and all of us had enough of Joshua and we decided to strike back by gathering the evidence of Joshua's crimes, and to also add in insult to injury, they also gathered evidence and dirt on his parents, and once compiled together, we released it to the media, and over night, Joshua and his family's dark secrets were exposed and their reputations fell straight down into Hell, and suddenly empowered by what they did, the students and teachers fought back too.

Eli: Serves him right.

Brenda Schwarzenerra: But before Joshua could escape, Nico, Qin, and all of us took him down and sent him to the principal who after having also gathered his own evidence decided he'd had enough of Joshua's reign of terror, decided to expel Joshua and he was arrested along with his parents, and they were found guilty for all of the numerous charges against them, and they each suffered their individual fates: Joshua Matthews was sentenced to Life in Prison, but his parents got the worst sentence ever: Patricia Matthews and Nathan Matthews were sentenced to death by lethal injection, and after his parents were put to death, Joshua swore revenge on Nico, Qin, and all of us.

Nico: That was twelve years ago, and now twelve years later, we hear Joshua Matthews has escaped from prison and he's out for revenge on me, Qin, and all of us, he's hiding out in Briarwood. That's it, it'll be his final resting place!

Lincoln: That'll be for after I absorb the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit and take down Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit and them to The M.O.E.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of

his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our shock, it was Kagenari Nagumo A.K.A. Kamen Rider Fuma, and he's on Appoplexia, Rath's home planet.

Me: Oh man, Kagenari Nagumo is on Appoplexia. We hadn't gone after him before.

Nico: Nope, but this should be good.

Lincoln: He has honor, so we're sending him to The M.O.E. after we take him down, and since he's on Rath's home planet, we're gonna need to do this wrestler style. We'll drop an iron cage around him and take him down with some wrestler moves.

Me: And I'm going to cure Kagenari Nagumo's daughter, Madoka Hoshi, with something I learned from Kara Bowen Einon.

Lincoln: You mean the implanting of a dragon heart into her chest?!

Me: Yep, it's going to cure and make her stronger, and she will also have some of my powers as well because of it too.

Lincoln: I knew Kara had taught you that, same with me. Alright, now let's finish breakfast and head to Appoplexia.

Nico: This is gonna be awesome.

Tecna woke up to see Cryogonal staring at her

Cryogonal: Good morning Tecna!

Tecna: (British Accent) Morning Cryogonal.

Cryogonal: Time for breakfast.

Tecna: Oh be right down.

She went and got dressed and went to the table.

Me: Morning Tecna.

We gave her pancakes, waffles and eggs.

We finished breakfast, and we headed out to Appoplexia to help Somnambula unlock her Rainbow Power and take down Kagenari Nagumo A.K.A. Kamen Rider Fuma and send him to The M.O.E. and I'm going to cure his daughter, Madoka Hoshi.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 13112.6: The U.S.S. Valorous Phoenix is en route to the home planet of Rath, Appoplexia and we're going there for a fun rescue. Our mission is to battle Kagenari Nagumo A.K.A. Kamen Rider Fuma.

Me: This will be interesting to see your home planet Rath.

Rath: LET ME TELL YA SOMETHING JAMES DEAN KNUDSON! My home planet is a really amazing place and you guys are gonna be in for a fun treat.

Nico: We're looking forward to it.

Lola: Yeah.

Camie: We're excited for it.

Launch Octopus: I'm ready for this too.

Wash Buckler: We're ready for this!

Bloodbath Camille Reynolds: YEAH!

Nico: Wash Buckler, what do you like to do in your free time?

Wash Buckler: Well when I'm not protecting the Skylands, I like working with Camille and bringing in more treasure.

Nico: Cool!

Bloodbath Camille Reynolds: Just earlier when we got back yesterday we raided lots of islands in the Bloodbath Bay Region and took their treasure and killed many pirates.

Me: WHOA! What a haul.

Nico: This is gonna be interesting to see what your Treasure Planet is like.

Wash Buckler: Oh it's gonna be a huge haul.

Nico: Are you happy you reunited with Camille just yesterday?

Wash Buckler: I sure am. It's a great adventure again.

Bloodbath Camille Reynolds: You said it!

Me: Yep

Universe 666 May then placed her hand on mine and I looked at her and blushed and she did too.

Manaphy noticed this and was happy.

Manaphy whispered into Nico's ear something and it was awesome.

Nico: (Winks at her)

May: Man yesterday was epic!

Vinyl Scratch: It sure was. But Jun here hasn't stopped crying since her whole ordeal ended.

Jun: (CRYING HARD)

Gatomon: Jun, look! (Pours salt on Mevya)

Mevya: HEY!

LOUD FARTS!

Mevya farted in Gatomon's face!

Kari: Gatomon don't eat Mevya.

Gatomon: Well, I don't see anyone else coming up with ideas!

Me: Hmm. I know!

I summoned Bluto.

Me: Watch this.

I opened a can of spinach and ate it and swallowed!

BOING! DING!

I punched him and he crashed into a wall and horseshoes fell on him!

Bluto: YOU CAN'T DO THAT TO ME AND GET AWAY WITH IT!

He threw horseshoes at me and I punched them all back at him!

Jun was laughing hysterically!

She was getting better!

I then took the horseshoes and bashed him all over the place!

Me: I learned this one on TV.

I spun him around and molded the horseshoes and locked him in a baby crib and he was crying like a baby and we made him eat spinach!

Poromon then pulled down Nico's pants

POP!

Nico: HEY!

Poromon: HA!

JUN WAS LAUGHING HYSTERICALLY FROM OUR FUN!

Me: That worked!

Poliwag: Feel Better?

Jun: Much better!

Me: That was fun.

Sea the Sea Dragon: It sure was! Boy we haven't done any of Popeye's fights in a while.

Me: No we sure haven't.

Popeye: Boy that was fun! Good times. (LAUGHS)

Me: That is for sure!

Nico: At least that asshole's gone now.

Me: Thank goodness.

Xenia: Yeah.

Jun: I'm glad about that.

Vinyl Scratch: Same here.

Camie: Man that guy was an absolute jerk!

Sakura Knudson: I'll never forget battling him the first time when I joined you all. That was intense!

Nico: It sure was.

Me: Yeah.

Sakura Knudson: He was a monster!

Lola: Literally.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at an orange planet that looked so much like Earth.

Nico: We're here.

Rath: This is my home planet, Appoplexia.

Me: Wow!

We got to landing.

We got out and the surface was cool.

It was a mountainous planet with all kinds of mountains and ruins that looked like those of a jungle.

Me: WOW! So this is Appoplexia!

Nico: Nice!

Rath: It's home.

Ben: I've always wanted to see what Appoplexia is like.

Me: It's cool.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Appoplexia to help Somnambula unlock her Rainbow Power and take down Kagenari Nagumo A.K.A. Kamen Rider Fuma and send him to The M.O.E.

The rest of the team's with us.

Me: Yep, and I'm going to cure his daughter, Madoka Hoshi.

Kara Bowen Einon: It won't be easy though, we need to take down and restrain Kagenari before we proceed to cure Madoka.

Nico: Leave it to us. Plus, this is so awesome that we're on Appoplexia.

Lincoln: Yep.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Kagenari Nagumo) AHA! Gotcha! I just spotted Kagenari Nagumo, he's 20 yards away.

Nico: Perfect.

Lincoln: (Sensed two evil vampiric presences) Oh, you have got to be kidding me! I also spotted Heaven Ascension DIO along with Dio Brando, and they're gonna kill Madoka Hoshi.

Me: Those goddamn vampires! Lincoln, we better hurry!

Levi heard a Pokemon cry

Levi: Look here.

We saw a Kabuto.

Me: A Kabuto? Cool!

Levi: Indeed.

Kabuto: Man am I hungry.

Levi: Here.

He gave it apples and it ate them.

Kabuto: Ahh thanks.

Levi: You're welcome. Want to accommodate us on our ventures?

Kabuto: I would be honored.

Me: Cool.

Nico: Welcome aboard.

Me: Yep.

But then a figure flew in and it was a Kilowattrel!

Me: WHOA! A Kilowattrel!

Nico: That's not all! Look!

We saw a Piloswine too!

Me: WHOA! Piloswine and Kilowattrel!

Xenia: 2 Pokemon!

Nico: A Double Whammy!

Me: Yeah!

Food Fight: Lets see who they are.

Food used telepathy and gasped!

Food Fight: OH MAN! That Kilowattrel is my friend Catherine!

Slam Bam: Lets see here.

He used Telepathy and gasped.

Slam Bam: Oh man! That Piloswine is my friend Catharina Baumgartner.

Me: That's a Switzerland name.

Food Fight: You're going to get a shock on who Catherine is related to.

Me: Lets go help them.

Food Fight: EAT THIS!

Slam Bam: ARMED AND DANGEROUS!

We went to face them.

Food Fight: Catherine it's okay. It's me Food Fight.

Slam Bam: And Catharina it's me Slam Bam.

The Piloswine tried freezing Horsea but she put her clone in front of her

Turning it into a block of ice.

Me: WHOA!

Horsea: HA! You missed!

Nico: Now that's cold.

Me: Yep.

Courage gave the Kilowattrel a NASTY RASPBERRY!

Courage: PPPPBBBLLT!

The Kilowattrel did not like that one bit and was pecking him intensely like a jackhammer!

POINK POINK POINK POINK POINK POINK!

Courage: OW!

Kilowattrel: (LAUGHING TAUNTINGLY AT COURAGE!)

Horsea: Now you know how I felt.

Courage: You wouldn't like it if it was a seagull that did it.

Eustace: (LAUGHING AT COURAGE'S MISERY) Stupid Dog.

BONK!

Francesca hit Eustace on the head with a Rolling Pin.

Eustace: OW! What did I do?

Me: Okay then.

Me, Food Fight and Slam Bam fired blasts of tomatoes, ice and lightning and blasted them! I snapped my fingers and they reverted back. Catherine was a girl with blond hair and fox ears and had yellow eyes and ahd pizza angel wings and had Kilowattrel on her forehead and had a pizza with the Fox Miraculous on her arm and had a fox tail coming out of her butt.

Catharina was a girl with blue hair, blue eyes and blue angel wings and had Piloswine on her forehead and had the Matterhorn with a snowflake and hot cocoa on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: Awesome!

Catharina woke up to see Horsea's smiling face

Catharina: (Swiss Accent) (Groans) Huh? A Horsea ja?

Horsea: Yep and you froze my clone.

Catherine: (Groans) What happened?

Food Fight: Are you okay Catherine?

Slam Bam: What about you Catharina?

Catherine: Food Fight!

Catharina: Slam Bam!

They hugged them.

Catharina: We're glad to see you!

Slam Bam: Same here.

Food Fight: Yeah. Also Nico, guys, Catherine is Lila Rossi's older sister.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: WHOA MAN!

Catherine Rossi: Yeah but I am not like my sister. I should explain.

She told us that she is a kind-hearted and angelic girl and loves people. But SHE HATES HER SO-CALLED sister with an ABSOLUTE VENGEANCE! She wants nothing more than to kill her evil sister and make sure she suffers in the Fires of Hell! She HATES her because of her crimes! But she found out LOTS OF TERRIBLE secrets that the people of Paris and the world don't know yet.

WE GASPED!

Nico put his skeleton back.

Me: Oh man! What did you find out?

Catherine Rossi: My sister is an even worse serial rapist than Glenn Quagmire.

WE WERE SHOCKED!

Sarah Gunnerson and Gwen Tennyson were shocked, Yumi and May were pissed, and Jennifer Walters and Tara threw up.

Me: Ho-ly Fucking shit! I knew your sister was fucked up beyond all repair but your sister is a literal demon!

Catherine Rossi: Yes. Lila has never been a normal girl. She was born pure evil incarnate. It's why me and my family moved from place to place so much.

Lola: Oh man. How many boys did she violate!?

Catherine Rossi: In 120 countries she violated over 7,122 boys.

Adrien: And I was to be her next target!

Me: HOLY CRAP!

Poromon: Wait. Boys can be raped too?

Me: It's very uncommon to see a woman rapist.

Nico: He's right.

Poromon: Oh man.

Catherine Rossi: Yeah. I heard about how you all killed her last year and for that I am grateful.

Sweetie Belle: You have me and the crusaders to thank for that.

Apple Bloom: Yeah we really let her have it.

Me: Yep. But now she is back and we're going to face her on Marinette's big day.

Camie: She is banished to the Warp. But she will be back.

Me: Count on it.

Catherine Rossi: Good. I got some REALLY HARSH words for that demon of a sister of mine.

Emily McKale: I know how you feel Catherine. Like you I too had an evil sister and she loved making my life a living nightmare. That is until we killed her.

Nico:...HOW THE FUCK WAS THIS KEPT UNDER WRAPS?!

Catherine Rossi: I honestly have no idea. No one even knew anything about it. My sister was that good of a liar. But I travelled all over the world and asked if they knew anything and I kept a record of all the things she did. I was building up massive case for when we brought her down.

Me: I see. Boy the things Lila did were so horrible it would be worse than Peter Griffin having sex with Lois's mother!

Stewie shudders.

Brian: Actually Stewie this happened at Lois's family home.

Stewie: Oh sorry.

Lois threw up big time!

Me: Wait it happened there?

Brian: Yeah it did and Peter and Lois were REALLY Traumatized by it.

Me: Oh boy.

Catherine Rossi: Yeah.

Food Fight: I have the file of it right here.

He gave me a huge journal.

It was an orange book with a fox tail on it.

I looked at it and it was more than enough damning evidence to show that Lila Rossi was indeed the worst monster ever!

Me: HOLY FUCKING SHIT! Lila is a monster worse than Jeffery Epstein!

Nico: GEEZ!

Horsea: She's worse then we thought!

Me: Even worse than Attila the Hun!

Xenia: Yeah!

Me: Yeah! But we appreciate this info. We'll be sure that INTERPOL, the FBI and all the Law Enforcement agencies get this.

Catherine: You're welcome.

Me: Oh right You and Catharina were turned into a Kilowattrel and Piloswine.

Catharina: (GASP)!

Catherine: We remember!

Catherine and Catharina were in a yellow and blue suit respectively and they were injected. Catherine was turned into Kilowattrel and Catharina was turned into Piloswine and they busted out and ran.

FLASHBACK ENDS

Catharina: It was awful.

Me: I know. But we destroyed them forever.

Catherine: Good. I am the pizza mage of team and use pizza powers to destroy our enemies. Outside the team I help Food Fight in his adventures in Skylands. I hate the Chompy Mage and his friends with a vengeance.

Me: Well you'll be perfect for the next Skylands adventure we do soon.

Nico: We'll explain shortly.

Catharina: Ja and I am the ice mage and snow master of the team and I freeze our enemies. Outside the team I help Slam Bam in his adventures and we battled the forces of Kaos.

Me: Wow!

William: Chompy Mage is actually part of the Redemption Squad

Me: She was referring to one in the simulator that we are going to do.

Catherine: Yes I heard about that and I know what's going down soon.

Me: Oh cool.

Rarity: Lets get you both some clothes darlings.

The fashion brigade gave them new clothes. Catherine's was orange and she had a pizza staff and Catharina's was blue and had a hot cocoa sword.

Catherine: I look awesome.

Catharina: Ja me too.

Me: You sure do.

William: As for the single Chompy in said Redemption Squad, he's not much of a talker. But he's pretty handy in a fight

Chompy growled.

Lily: He's the only one on the team.

Linka: Look what one did to me.

She showed a nasty bite mark on her leg!

Linka: A Chompy not part of us bit me and took a HUGE Chunk out of my leg.

Me: OUCH! I remember that.

NIco: And there's also Bone Chompy.

Bone Chompy growled.

Catherine: I see.

Me: Long story though. Anyway lets get a move on.

Nico: Right!

We then took off into the air to help Somnambula unlock her Rainbow Power and take down Kagenari Nagumo A.K.A. Kamen Rider Fuma and send him to The M.O.E. and cure his daughter, Madoka Hoshi, before Heaven Ascension DIO and

Dio Brando kill her to satisfy their thirst for blood and their excessive need for cruelty.

We were flying in the air, and then, we saw our target: Kagenari Nagumo A.K.A. Kamen Rider Fuma.

Lincoln: There's Kagenari Nagumo.

Lincoln fired chains of light that surrounded Kagenari Nagumo.

Lincoln: That'll hold him. (To Heaven Ascension DIO and Dio Brando) And you two goddamn vampires better show your faces right now!

Then, two vampires came out: they were none other than Heaven Ascension DIO and Dio Brando back from the dead and wanting vengeance.

Dio Brando: You ruined my plan to destroy the entire family of my archenemy and conquer the world.

Heaven Ascension DIO: Along with my entire plan to conquer every reality, and now, I will make you pay for this!

Lincoln: Why don't you both go to Hell! You two were never going to win, you were doomed from the very start when you'd forsaken your humanity, and now, this is where it ends for you both.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Heaven Ascension DIO and Dio Brando, and he began absorbing them and he assimilated Heaven Ascension DIO's High intellect, Expertise in psychology, Manipulation, Extensive knowledge of law, Charisma, Deception, Leadership, Endless craving for knowledge, Hand-to-hand combat prowess, Expertise in boxing, Knifemanship, Superhuman strength, Superhuman resilience, Superhuman endurance, Superhuman speed, Superhuman dexterity, Superhuman senses, Near-instantaneous regeneration, Ability to stick to any surface, Space Ripper Stingy Eyes, Vaporization Freezing Technique, Hypnosis, Necromancy, Teleportation, Ability to convert victims into zombie minions, Ability to convert people into vampires, Flesh Buds, Levitation, Precision, and his Stand, The World Over Heaven: Reflecting and rewriting attacks, Corrupting minds, Reality warping, and Time Freeze, and Dio Brando's Genius-level intelligence, Master manipulator, Immense charisma, Law knowledge, Vast wealth, Leadership, Boxing expertise, Knifesmanship, Intimidation, Superhuman strength, Flexibility, Superhuman durability, Speed, Regeneration, Blood absorption, Levitation, Spore parasite generation, Wall scaling skills, Zombie conversion, Vampire conversion, Hypnosis, Laser eyes, and his Stand, The World, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of those two damned vampires, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln.

Kagenari Nagumo: Let me out of here right now!

Lincoln: No. We know you're out for revenge for what happened to your daughter, Madoka Hoshi, and we know she's ill, and we're going to help her. But, that's no excuse to go on a path of destruction.

Kagenari Nagumo: I was doing this for my daughter!

Me: I know Kagenari! Let me help her!

I snapped my fingers and beamed her over to us.

Kagenari Nagumo: (GASP) GET AWAY FROM HER!

Me: Let me show you what I'm going to do! Witness the Wonders of an Ancient Glory.

I then slashed my chest open. A red fiery light came out of my chest and I held my hand and a ball of energy came out and into my hand and loud heartbeats were heard.

HEARTBEATS

I held my hand over her chest and the heart went into her and she glowed and she took a deep breath and was healed up!

Me: Half of my heart to make you whole. Its strength to purify your weakness.

Kagenari took off his helmet and Madoka Hoshi opened her eyes and she saw her dad again.

Madoka Hoshi: (Weakly) Daddy?

Kagenari: Oh sweetheart!

She hugged him!

Kagenari was cured and healed.

Madoka Hoshi: Oh daddy! (CRYING)

Kagenari: Thank you J.D.! (CRYING) Thank you!

Nico: Whoa, so that was...?

Lincoln: The Wonders of an Ancient Glory, the same rite used when Einon was dying, but for this, Madoka also has some of J.D.'s powers too. She's going to live.

My chest healed up.

Me: Now, Madoka's stronger than ever, but we still got to take you down.

Kagenari: I know. That would have killed you.

Me: I know. But immortality and invincibility has its perks.

Kagenari: Amazing.

Kagenari put his helmet on, and Madoka went with Varie.

Ymir was crying that I did something selfless.

Sandman: Kagenari, J.D. did the same thing for my daughter.

Sky: And he saved my sister too

Poliwag: It's true.

Me: Yeah.

Nico: Yep.

Manaphy: But let's continue fighting!

We went at him.

I punched him in his face.

Qin blasted him with fire.

Me: Also we have our own Gashats too.

I used my Dante's Inferno Gashat.

Me: Feel the sins of Hell!

I used the powers of Hell and blasted him!

Food Fight: Like old times?

Catherine: Like you even have to ask.

Food Fight and Catherine: EAT THIS! TOMATO PIZZA BLAST!

They fired massive blasts of tomatoes and pizza and blasted him down.

Poliwag licked the chocolate

Poliwag: Yummy!

Tom the Chocolate Fish: CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

He went and mauled Kagenari!

Poliwag: We knew he would show up!

Me: That was funny! But yeah. Also my powers won't have the heart bound to me like Draco did to Einon. Ugly story on that one.

Nico: It's true.

Poromon pecked him.

POINK POINK POINK POINK POINK POINK!

Poliwag slapped him with his tail!

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attacked him too with incredible fury.

Nico: So much for making it easy.

Luna: Nah, this is actually easy in Lincoln's eyes.

Caleb Maxwell: Easy? This is a man of average height getting thrashed around by a 12'9" tall massive musclebound werewolf who could easily rip him into pieces! I've seen too many werewolf movies to know that to be true!

But, if you want me to go all out, so be it.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln went at Kagenari Nagumo and he went wild on him as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Me: Holy shit! He's going wild on him!

Luna: That's for sure!

Lucky: Wow.

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Kagenari Nagumo, and then, they collided and they exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Then, he also fired rocks and massive boulders that hit Kagenari Nagumo and exploded.

Lynn: Whoa. If he lifts up a mountain and sends it crashing down on a hostile Footsoldier Another, I'll shove a bomb right down Flip's throat.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT KAGENARI NAGUMO, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT KAGENARI NAGUMO AND HE GOT BURNED!

Inside a rainbow sphere with intense flames and elemental forces, Somnambula then underwent an intense and amazing transformation! Somnambula had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her dress and she also gained intense rainbow flame patterns and rainbow jewels on her forearms, she also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow jewels, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW JEWEL OF HOPE!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Lincoln: Awesome!

Me: SHE DID IT! SOMNAMBULA UNLOCKED HER RAINBOW POWER!

Somnambula: (Egyptian Accent) Now then, it's time for this fight to end.

She fired rainbow jewels at Kagenari, and he got hit hard.

James Blunt: If Queen Opaline is as dangerous as Hunter said she is, we need even more help to deal with her. I'll try to get in contact with some of Caleb's contacts in the city.

Eli: You think they'll agree to it?

James Blunt: They were grateful I helped Caleb after his return from the dead in 1993 in our world before it merged with yours, and some of them owe me a favor.

Caleb Maxwell: Some of my old enemies from the past found out about my return, and Mr. Blunt had asked my contacts to throw them off, but not all of them were fooled. But, when those idiots who didn't get fooled came after me, let's just say it ended with me coming out covered in blood.

Cage Blunt: And this has been going on for two years before Travis and I came back? You better not have done something too extreme, Caleb.

James Blunt: I think you're two years too late to even ask that. Caleb's gone after murderers, yes, but he had to show restraint with those who got caught up in crime despite his memories of the past.

Me: And if his anger got too high?

James Blunt: Then, I had to restrain him the same way he restrained me, But, he always stopped himself before he went too crazy.

Suddenly, we heard a loud howl, and we saw an army of 30'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the

chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite and scratch, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Kagenari Nagumo, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, STAY DOWN!

Lincoln, Nico, and I did one final powerful energy slash that hit Kagenari Nagumo hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Kagenari Nagumo was on his last legs and he was really really mangled.

Then, Lincoln fired rainbow, white, golden yellow, and blue energy helix blasts that turned into a rope and tied up

Kagenari Nagumo and it beamed him to The M.O.E.

We cheered as we holstered our weapons and powered down.

Nico: Whoa! I didn't know you could do that, Lincoln!

Lincoln: My powers are evolving even more.

Asuka Amaterasu: (Japanese Accent) That's right, it will not be long now. Other than just the final showdown with Dark Chase Young, but I have a feeling my mother will meet with you. Remember when J.D. got his new powers?

Me: Wait, does that mean...?

Nico: We'll have to wait and see.

Lincoln: That we will.

Nico: I feel bad for the guy.

Me: I know. But the good news is he has his daughter back too.

Lola: He sure does.

Lana: Yeah.

Lily: It's like what Mr. Freeze and Gabriel went through.

Me: Yeah.

Kabuto: I agree there.

Nico: Nice job Kabuto.

Kabuto: Thanks Nico. Got any beer?

Poromon: Here ya go!

He gave Kabuto one.

Kabuto: Thanks!

He drank it.

Kabuto: Ahh. (BARNEY GUMBLE BELCH)

Barney: Welcome to the party! (BELCH)

He got drunk.

Poliwag: Sing the ABCs!

Kabuto: (BELCHING) ABSEEHFAFJTWQNPSNGLYIWNXVUEMOSKJ!

WE LAUGHED HYSTERICALLY!

Me: Funny!

I reverted him back.

Nico: I got an idea on what you can do later. But it's a surprise.

Me: Looking forward to it.

Camie: Awesome.

Ymir: Yep.

Iormu: This will be fun.

Nico: Oh Launch Octopus, what do you like to do in your free time?

Launch Octopus: I like helping out at the aquarium and feeding the fish and all that.

Me: Cool cool.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Tecna.

Tecna: (British Accent) Splendid.

Eli: And two of them are the Keyblade Knights of U.A. Academy and Himuro Mansion from Fatal Frame.

Me: WHOA!

Xenia: Amazing!

Me: So we got Another Memorase, Universe 666 Chaos, Octopunch (RID), Octopus Man (Mega Man), Aligned Bruticus and Octopus King (SpongeBob).

Nico: Yep and that means Launch Octopus, Wash Buckler, Claw Jaw, Hank (Finding Dory), Ruby Gillman and Volt Kraken are up.

Me: That's right

(Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: They didn't take losing to Lincoln well, and they dropped off the face of the earth. Now, we find out Swartz turned them into Footsoldier Anothers to get revenge on us? That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into the septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: You heard about the bodybuilding competition happening on June 5th and so, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic

30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four

large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible.

Me: (GROWLS) Same here.

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chest like two Alpha Male gorillas.

Nico: There they are!

We saw Another Universe 666 Chaos, Octopunch (RID), Octopus Man (Mega Man), Aligned Bruticus and Octopus King (SpongeBob).

Me: WHOA!

Nico: This will be good.

Another Universe 666 Chaos: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Yeti and Berserk Gorilla!

Nico: (GASP) Yvonne Yettia and Bianca Berserk!

Yvonne Yettia: Good to see you Nico.

Me: Whoa! Yeti and Berserk Gorilla's gene-slammers. Awesome!

Bianca Berserk: Yep that's right.

Me: Awesome!

Yvonne Yettia: We saw the fight with Kamen Rider Fuma. That was amazing.

Me: It was. By the way girls are the rest of the Anothers friendly or Hostile?

Yvonne Yettia: Friendly and awesome.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup! (Turns Dial) BUFFALO FORCE 6!

She summoned Crushing Buffalo Raider, Krakalaken (Metal Hero Series), Dash Bowman, Granmorg the Rock Monarch, Scatam and Universe 666 John Kramer!

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Memorase and Tecna!

Me: WHOA!

Nico: This will be fun!

Another Memorase: (In a girls voice) Yes it will..

They reverted back and were the Keyblade Knights of U.A. Academy and Fatal Frame!

Lincoln: Midory Midoriya and Mina Hinasaki!

Mina Hinasaki: Good to see you Lincoln.

Midory Midoriya: Same here.

Nico: Care to Introduce us?

Anna Anyanova: Sure. This is Midory Midoriya, Keyblade Knight of U.A. Academy, she's Lincoln's Guardian Angel from Japan and she's a very powerful epic force. She's the Keyblade Knight of U.A. Academy and master of all the Quirks! She was born with the All for One Quirk and One for All Quirk and also has all the Quirks of everyone in the world and can do anything with them all! She is also the most famous and most powerful Master Hero of all and she goes by LADY LIGHTJUSTICE! She is also the older sister of Izuku Midoriya and she is the driving force that lead Izuku to be the best there is. She is also the deadliest force of good there is and she has garnered an immensely powerful and amazing reputation in the world of U.A. Academy and beyond. She's widely known far and wide for single-handedly killing and capturing over 500,000,000 villains and bringing them down and stealing all their Quirks! She vowed to make sure that villains like them never use their powers ever again and she stripped them of their powers PERMANENTLY! She's also a star student and powerful Master Hero and a valedictorian student of U.A. Academy and graduated at the top of her class and everyone in the school and beyond looks up to her like a mentor figure and an idol. She got word of our amazing accomplishments in bringing down the Symbol of Evil and knew that Lincoln is with us. She taught Lincoln how to master the powers of all The Quirks in the world, and over time, Lincoln gained the All for One Quirk and One for All Quirk and all the Quirks of everyone in the world, and she also helped him bulk up big time in muscle. Lincoln made her an awesome Keyblade, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and she also hates all of not only U.A. Academy's enemies but also hates all of Lincoln's Enemies with a vengeance and she vowed to kill them all like she did to so many of her enemies.

Me: WHOA!

Izuku: Sis!

He went and hugged her.

Midory: Hey little bro! Awesome to see you.

Nanette: Pleasure to meet you Midory.

Midory: You too Nanette. I heard how you guys all killed All For One. He deserved it.

Me: Yep.

Midory: I heard all about how you destroyed him with a massively powerful energy blast.

Me: Yep. Final Flash obliterated him into nothing.

Anna Anyanova: Yep. And this is Mina Hinasaki, Keyblade Knight of Fatal Frame, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic

Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of ghosts, spirits, and The Camera Obscura. She's the Keyblade Knight of the first Fatal Frame, and she's a girl with a tragic past: she's the older sister of Mafuyu Hinasaki and Miku Hinasaki, the two protagonists from the first Fatal Frame, and she like her two siblings has a Sixth Sense, and with it, she can see ghosts of the past and she also gets visions from the past, and she's also no stranger to tragedy. Their mother, Miyuki Hinasaki, committed suicide by hanging herself in the backyard of their home because of overexposure to their family's Camera Obscura which her grandmother Mikoto had brought with her when she was a child when she escaped from Himuro Mansion. When Mina graduated from high school, she was accepted into a college in Michigan, but that meant leaving Mafuyu and Miku, so she entrusted Mafuyu to watch over Miku, but then, she got word of everything that happened at Himuro Mansion especially of Mafuyu being spirited away, she came back home to say her goodbyes to Mafuyu and comfort Miku as she was put into the care of Rei Kurosawa from Fatal Frame III: The Tormented before she returned to Michigan. Mina Hinasaki came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of ghosts, spirits, The Sixth Sense, and The Camera Obscura, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, darkness, dark magic, black magic, the powers of ghosts, spirits, and The Camera Obscura, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword and a Camera Obscura, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lori with a blazing passion, and she swore if she saw Lori being cruel to Lincoln again, she'd summon ghosts to torment her for eternity.

Me: WHOA! Scary!

Nico: Yeah!

Midory: We also have all of Memorase's powers and we found this guy.

We saw her with a criminal I busted ages ago.

Me: (GASP) Hank Verrera!

Nico: You know him?

Me: He was a notorious bank robber that I busted years ago and recovered all of his money he stole.

Hank: (Confused) Who is Hank Verrera?

All of us: Huh?

Me: His memories have all been wiped out.

I went over and did a mind scan.

Me: Yep his memories have all been erased.

Nico: That leaves no doubt

Memorase: Yep. Just like me.

Me: Yep.

Nico: And your friend?

Another Tecna: (British Accent) Someone who is proud of her sister.

Tecna gasped!

She reverted back and was a purple hair little version of her.

Tecna: Matricia!

She went and hugged her.

Tecna: Oh my little sister. I'm so glad you're safe.

Me: Your little sister?

Tecna: That's right. Matricia is my sister and she is a technogenius and technomancer like me.

Me: It runs in the family.

Nico: Yep.

Matricia: And I'm so proud of my sister too.

Me: You sure are.

Kaito: (Gets out the Ghost Gear) Did Swartz promise you anything?

Zocks: (Gets out the Drive Gear) Because we can grant it instead.

They got weapons from said riders.

Midory: No he didn't because I stole all his powers and we ran. Also it's how we met Hank here. We wiped his memories.

Me: So he was a prisoner as a test subject.

Nico: Whoa!

Lola: Geez!

Sakura Knudson: I remember Swartz having lots of test subjects for the Anothers with him.

Me: Geez!

Sougo: (Gets out Ghost Ridewatch) Too bad that was only temporary

Armor Time! (Upbeat music) Kaigan! Ghost!

Geiz: (Gets out Mach Ridewatch) Because he had his powers when we fought him

Armor Time! (Signal Mach standby music) Mach! Mach!

Sougo got GhostArmor while Geiz got MachArmor

Me: Yeah no kidding! But he put up one helluva fight.

Qin: He sure did.

Nico: Yep. Lets separate you.

We did so.

Me: Lets dance.

Nico: (Gets out Memorase's ridewatch) I will erase your mind!

May: (Gets out Octopunch (RID) Ridewatch) I am the puncher!

Universe 666 May: (Gets out Octopus Man's ridewatch) Time for 8 Arms of Pain!

Maria: (Gets out Aligned Bruticus's ridewatch) This is a brutal one!

Wash Buckler: (Gets out Universe 666 Chaos' ridewatch) EIGHT LEGS AND NO PEGS!

They used the powers of Memorase, Universe 666 Chaos, Octopunch (RID), Octopus Man (Mega Man), Aligned Bruticus and Octopus King (SpongeBob) and blasted the anothers down.

Me: YEAH!

Then Samukai, Seven Star Princess, Vampire Susan & Mary Test, Pterano Mozoo from Goggle V, Pterodactyl (Scooby Doo) and The Giant Claw came!

Me: WHOA!

Xenia: WOW!

Nico: Nice team Samukai!

Samukai: Thanks Nico.

Johnny Test: (SCREAMS IN FRIGHT) VAMPIRE SISTERS!

Vampire Susan and Mary: (HISSES)

Me: You two obviously do not know, WHO YOU ARE FUCKING WITH!

I sprayed them with garlic butter and it burned them!

Nico: You two are vampires right now?

Susan Test: No we're right here.

Vypra came.

Vypra: These are clones of Susan and Mary that they made themselves into vampires.

Me: Really? Wow!

Billy: What was that? Mace?

Me: Nope. Garlic Butter. Susan, Mary, in all honestly how did you become those?

Susan Test: We combined ourselves with Vampire Bats to get Gill.

Mary Test: It was not very smart as it turned us into bloodthirsty monsters.

Me: I will only say this. WHAT THE FUCK WERE YOU THINKING!?

Susan Test: We weren't thinking.

Me: Okay okay sorry. But at least Johnny and Dukey saved you.

Xenia: Yeah.

Mary Test: We were desperate.

Me: I see.

Sir Ivan: (British Accent) So that means my team is up next.

Me: It sure is Ivan.

Qin: Yep.

Brittney: In all honesty Susan and Mary you look really amazing as vampires.

Lucy Loud: You sure do. (HISSES)

Nico: You two don't look that bad

Me: Just don't try any funny stuff or I'm going to dissolve you with Silver Nitrate gas!

They hissed!

Me: Yeah you better be scared!

Nico: That's telling them.

Then swirls of light and dark appeared and it was Numbers 46 and 45!

Nico: COOL!

Number 46: (In a girls voice) It sure is!

Taiyou Karai: Good to see you Nico.

Luna Karai: We got this.

Taiyou Karai: 46 SUNS OF LIGHT!

Luna Karai: 45 DOOM DARKNESS BLAST!

They fired waves of light and darkness and blasted the Anothers and I caught the Ridewatches and purified them!

Nico: Nice job!

Taiyou Karai: Thanks Nico.

Me: Wait Nico you know the famous Karai Twins of the Sun and Moon? That is cool!

Nico: It sure is.

Wash Buckler: Yep. Do you girls have any good memories of Nico?

Luna Karai: We sure do. We share the same memories.

Taiyou Karai: Yep. Our favorite is when Nico helped us destroy the Yakuza that were after our parents.

Luna Karai: Our father double crossed the Yakuza and robbed them of all their money and we fled to America.

Nico: I helped them kill the Yakuza after them.

Me: WHOA! That is incredible!

Eli: Yeah! The Yakuza are nothing more than jerks!

Me: Big time.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Taiyou and Luna: Same here.

We went back home.

And after that, we're going after our main target: an old enemy of Nico, Qin, and their friends from New Jersey, his name is Joshua Matthews, he's a cold, ruthless, heartless, psychotic, sick, twisted, sadistic bastard who terrorized his high school for years by physically assaulting the students and teachers, raping the female students, blackmailing the students and teachers with details of their private lives, extorting money from students and teachers, you name it: THIS GUY'S A REAL NASTY GODFORSAKEN PIECE OF WORK!

And his family's no better, despite their role as successful lawyers and politicians, it turns out they've been involved in the underworld of organized crime and have been involved with the mafia many times and they've even paid off other politicians to get those appointed by the mafia into the court system causing a reign of corruption. But, Nico, Qin, and their friends having had enough decided to strike back by gathering the evidence of Joshua's crimes, and to also add in insult to injury, they also gathered evidence and dirt on his parents, and once compiled together, they released it to the media, and over night, Joshua and his family's dark secrets were exposed and their reputations fell straight down into Hell, and suddenly empowered by what they did, the students and teachers fought back too.

But before Joshua could escape, Nico, Qin, and their friends took him down and sent him to the principal who after having also gathered his own evidence decided he'd had enough of Joshua's reign of terror, decided to expel Joshua and he was arrested along with his parents, and after they were found guilty for all of the numerous charges against them, they suffered their individual fates: Joshua Matthews was sentenced to Life in Prison, but his parents got the worst sentence ever: Patricia Matthews and Nathan Matthews were sentenced to death by lethal injection, and after his parents were put to death, Joshua swore revenge on Nico, Qin, and their friends.

That was twelve years ago, and twelve years later, we got word that Joshua Matthews has escaped from prison and he's out for revenge on Nico, Qin, and their friends, we got the word he was hiding out in Briarwood, and it's going to be his final resting place when we kill him and send him to The Black Abyss.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Briarwood, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're going to face the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, the hypothetical Akumas of The Mystic Force Rangers, and I'm going to absorb them, along with taking down Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, the hypothetical Akumas of The Mystic Force Rangers.

Me: We already took down Mystic Phoenix, now we're going to take down the other hypothetical Akuma of the Mystic Force Rangers.

Nico: And after that, we're going after that shithead, Joshua Matthews. That idiot made a mistake in breaking out for revenge on us after we sent him to prison twelve years ago, now we'll make sure he too suffers the same fate as his parents.

Qin: That's for sure.

Launch Octopus: We better get going then.

We then got a move-on, and then, we saw the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, the hypothetical Akumas of The Mystic Force Rangers.

Lincoln knocked them down, and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic

Eagle, and Mystic Rabbit, and he began absorbing them and he assimilated Mystic Phoenix's intense fire powers that are as strong as Nick Russell's Legend Warrior form times 10,000 and incredible fire and inferno powers, Mystic Sprite's intense wind powers that are as strong as Vida Rocca's Legend Warrior form times 10,000 and incredible wind powers, Mystic Minotaur's intense Earth powers that are as strong as Xander Bly's Legend Warrior form times 10,000, the incredible superhuman strength of a million Minotaurs, and incredible Earth powers, Mystic Mermaid's intense water powers that are as strong as Maddison Rocca's Legend Warrior form times 10,000, hypnotic singing voice, and incredible water powers, Mystic Garuda's intense lightning powers that are as strong as Chip Thorn's Legend Warrior form times 10,000 and incredible lightning powers, Mystic Wolf's intense red wolf fire powers that are as strong as Leanbow's Legend Warrior form times 10,000, the incredible superhuman strength of a million wolves, and incredible red wolf fire powers, Mystic Snowwoman's intense snow and ice powers that are as strong as Udonna's Legend Warrior form times 10,000 and incredible snow and ice powers, Mystic Eagle's intense sun and fire powers that are as strong as Daggeron's Legend Warrior form times 10,000 and incredible sun and fire powers, and Mystic Rabbit's intense moon powers that are as strong as Claire's Legend Warrior form times 10,000 and incredible moon powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels so intense! RRGH!

Then, as soon as Lincoln was done and the stingers changed back, his rainbow, white, golden yellow, and blue energy aura exploded and it looked like a raging wildfire and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit appeared.

Lincoln: Vida, Xander, Maddison, Chip, Leanbow, Udonna, Daggeron, Claire, is that you?

Mystic Garuda: It's us, Lincoln, and you already absorbed the clones of us.

Me: We already faced Nick's hypothetical Akuma, Mystic Phoenix, and he was a fiery one.

Suddenly, Mystic Phoenix appeared.

Nico: Uh oh, looks like you're back for more.

Mystic Phoenix: It wouldn't be fair if you fight my team without me.

Me: Good point.

We went at Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit, and we dodged their attacks, and we fired blasts of magic and elements and knocked them down. Then, Lincoln pinned them down, and one by one, he sank his fangs into the necks of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit and he fed on each of their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flared up extremely and exploded with power as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them as well, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, they were knocked out as soon as Lincoln was done feeding on them, and he let out a loud wolf roar as he flexed his muscles and pounded his chest like a gorilla, and he beamed them to The M.O.E. HQ.

Lincoln: (GROWLS) Oh man, now I feel even more supercharged than ever. (CRACKS KNUCKLES) (Smirks) Alright, now let's get after that shithead, Joshua Matthews, so I can rip his head off and mount it on a stake.

Lincoln's harem and Guardian Angels blushed madly.

Girl Jordan: (Swooning) As if he couldn't get any more manlier than ever.

Lily the Mermaid: Let's see what he's gonna do to that rotten menace.

Melanie Martinez: I hope he puts him in a headlock with his left arm and pops his head off with a flex of his left bicep.

We then got a move-on, and we found our target: Joshua Matthews, and he was seriously a mess with wild unkempt hair, but it was him because of him seething with hatred towards Nico, Qin, and their friends.

Me: Is that Joshua Matthews?

Nico: It's him alright, but damn, he's a mess!

Qin: After twelve years in prison, it serves him right. HEY, SHITHEAD!

We fired energy blasts that hit the shithead, and it pissed him off as we landed.

Joshua Matthews: YOU!

Nico: That's right, us! You've got some damn nerve showing your face after we threw you in prison twelve years ago and got your parents sentenced to death, you shithead. But, you deserved it, you terrorized our high school for years by physically assaulting the students and teachers, raping the female students, blackmailing the students and teachers with details of their private lives, extorting money from students and teachers, and that's just for starters, Joshua.

Qin: Your parents were no better, despite their role as successful lawyers and politicians, it turns out they've been involved in the underworld of organized crime and have been involved with the mafia many times and they've even paid off other politicians to get those appointed by the mafia into the court system and starting a reign of corruption within the legal system until we fought back and you and your twisted parents paid a heavy price.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Joshua Matthews, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON JOSHUA MATTHEWS! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you!

Then, Andre Lupeau went after Joshua Matthews and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Abaddon Aeternus went after Joshua Matthews and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at them, and he even slashed at him with his massive greatsword which really hurt like Hell!

Lincoln, Ricky, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Joshua Matthews, and they fired extremely powerful blasts of rainbow, royal blue, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair and grey flower in her hair, blue eyes, massive black angel wings, she has the Mayakashi symbol on her forehead, beautiful black kimono, white gloves, sandals, long white long-sleeved trenchcoat with stars, earth, poison, spiders, phoenixes, and angels on the coattails, and on the back is Tsuchigumo, the Poisonous Mayakashi, and with her are the eleven girls.

Lincoln: (GASPS) Akemi Kobayashi, Avatar and Gene-Slammer of Tsuchigumo, the Poisonous Mayakashi.

Akemi Kobayashi: (Japanese Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Akemi Kobayashi had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Akemi Kobayashi was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Matilda Roo: (Australian Accent) Same here.

Akemi Kobayashi: (Japanese Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Akemi Kobayashi's waist and hugged her, and Akemi Kobayashi is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Akemi Kobayashi: (Japanese Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Akane Minazuki: (Japanese Accent) And so do we, this is Akemi Kobayashi, Avatar and Gene-Slammer of Tsuchigumo, the Poisonous Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a powerful master of

Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi. She's the Poison Spider Earth Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akemi Kobayashi came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, earth, poisons, the powers of the Tsuchigumo, and Tsuchigumo, The Poisonous Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion, and she swore to kill her with a deadly and lethal poison she'd created.

Me: Lincoln told us everything, and I hate to find out what Luan tried to do.

Lori: I think I know what you were talking about. This one time, Luan tried to trap Lincoln in his room with poisonous spiders. Akemi came in and tamed them, but as soon as she found out, she got so mad, she tried to summon a very poisonous spider to attack Luan, but Leni freaked out when she saw the spiders and sprayed hair spray and ran to her room.

Akemi Kobayashi: (Japanese Accent) And it was right at Luan's face.

Luan: My face was frozen and so was my hair.

Lincoln: We had to find some way to unfreeze her face, and then, we'd ground her for a month for that, and now that you're here, Akemi.

Lincoln with his massive muscular arms still wrapped around Akemi Kobayashi's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Akemi Kobayashi: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Akemi Kobayashi with black gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Akemi Kobayashi: (Japanese Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Akemi Kobayashi.

Akemi Kobayashi had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Akemi Kobayashi's waist, and he leaned down to her face and kissed her on the lips, and with Akemi Kobayashi's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Akemi Kobayashi had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Akemi Kobayashi: (Japanese Accent)(In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The eleven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

Lincoln: Oh whoa, it's Akari Taiyo, Luna Tsukuyomi, Ariel Valtiel Westcott, Etia Visconti, Fuyuna Shinzaki, Ginka Shirokane, Hanae Mishima, Lymro, Meltina Melvis, Priscilla Twilight, and Seira Hoshikawa from Day Break Illusion - Il Sole Penetra le Illusioni.

Nicole: So, those were the girls Akemi saved, and Travis and Red were right telling the others to run to their rooms:

they're cute, but are also awesome magic users.

Lincoln: Awesome. Are you girls okay?

Akari Taiyo: Yes, we're okay, thanks to you.

Then, when Akari Taiyo and the other ten girls saw who it was that saved them from Joshua Matthews, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of

Akari Taiyo: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Taiyo, Luna

Tsukuyomi, Ariel Valtiel Westcott, Etia Visconti, Fuyuna Shinzaki, Ginka Shirokane, Hanae Mishima, Lymro, Meltina Melvis, Priscilla Twilight, and Seira Hoshikawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Now, that's what I call payback!

May: That monster got what was coming to him. Plus, we also faced the clones of the Mystic Force Akumas, and the real ones.

Lincoln: Absorbing the clones really made me stronger, but when I fed on the real ones, I felt even more supercharged than ever.

Nico: With the evolution of your powers, it also meant your werewolf and vampire powers are also evolving even more as well, same with J.D.

Me: We'll need to test it out.

Eli: How?

Me: I'll think of something.

Caleb Maxwell: If it involves vampires or werewolves, I'll need to stay out of it.

Poromon: Why? Are you...!

Caleb Maxwell: Finish that sentence, and your beer collection goes down the toilet, all of it.

Poromon: (GASPS) You demon fiend from Hell!

Allie Maxwell and Tyler Maxwell: What did you just say?! How dare you call our older brother a demon fiend from Hell!

Poromon: Yeah, I said it! What are you gonna do about? Come on, you two trigger-happy dark users, anytime! I can take you both on and wipe the floor with your asses!

Poliwag: I think someone's been drinking Romulan Ale again!

Suddenly, Caleb Maxwell's crimson red eyes turned bright crimson red and demon hands from Hell appeared behind him, and that freaked Poromon out!

LOUD FART!

Poromon: (SHRIEKS) NICO, SAVE ME! THE DARKNESS, IT'S COMING FOR ME! IT WANTS TO DEVOUR MY SOUL!

The demon hands disappeared and Caleb's bright crimson red eyes changed back to regular crimson red.

Caleb Maxwell: Drama Queen.

After Lincoln absorbed the clones of Mystic Phoenix, Mystic Sprite, Mystic Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit and he fed on Mystic Phoenix, Mystic Sprite, Mystic

Minotaur, Mystic Mermaid, Mystic Garuda, Mystic Wolf, Mystic Snowwoman, Mystic Eagle, and Mystic Rabbit and he and all of us destroyed Joshua Matthews and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Akemi Kobayashi saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Akemi Kobayashi: (Japanese Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Akemi, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Akemi Kobayashi: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Akemi Kobayashi: (Japanese Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that's now causing trouble: it was a massive clan of 30'0" tall massive muscular werewolves numbering in the septillions, and they're attacking innocent people in Italy.

Lincoln: Whoa! We got werewolf trouble in Italy.

Me: Damn, and they number in the septillions! Looks like we got a chance for you to test out your newly evolved powers.

Lincoln put down the barbells.

Lincoln: Yep, but to make sure we got an even field.

Lincoln let out a growl as his deep sapphire eyes with yellow rings surrounding them remain the same, but his pupils turn to slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair remained the same, his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner remained the same, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and markings of his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln transformed into LINCOLN THE NOCTURNAL, THE WEREWOLF HERO OF THE FULL MOON!

Lincoln: (BEATS HIS CHEST LIKE A GORILLA)(HOWLS)

Lincoln: (Beastly Voice) And you're also joining in too, J.D.

Me: Well, in that case.

Suddenly, I let out a growl as my rainbow eyes with yellow rings surrounding them remain the same, but my pupils turn to slits, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large white angel wings underneath my massive rainbow angel wings spread out and my long wild rainbow hair going down to the upper part of my back with multi-colored highlights in it and multi-colored phoenix fire ombre streaks on the back of my hair and rainbow highlights in the bangs of my long rainbow hair remained the same, my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner remained the same, and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, the rainbow tips and markings of my large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

I transformed into J.D. THE NOCTURNAL, THE WEREWOLF HERO OF THE FULL MOON!

Me: (BEATS HIS CHEST LIKE A GORILLA) (HOWLS)

Me: (Beastly Voice) Alright, let's head down to Italy and tear those werewolves apart.

Lincoln and I left for Italy, and it was nighttime there and the full moon was out, and then, our rainbow, white, golden yellow, and blue energy auras exploded extremely.

Lincoln: (Beastly Voice) The natural Blutz Waves of the full moon are really making us stronger.

Me: (Beastly Voice) They are.

Suddenly, we heard a loud howl, and we saw the massive clan of 30'0" tall massive muscular werewolves numbering in the septillions heading right for us.

Me: (CRACKS KNUCKLES AND NECK) (Beastly Voice) Alright, let's get to work.

Lincoln: (CRACKS KNUCKLES AND NECK) (Beastly Voice) Let's get 'em and tear them in half!

Lincoln and I let out loud howls, and we charged at the werewolves, and we really tore them apart: we slashed at them with our claws and massive greatswords, and despite their great size, we were too fast for them. Everyone back home saw it on the big screen.

Nico: Holy cow! They're tearing the werewolves apart!

Eli: Brutal!

Maria: Dang!

Lincoln and I morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and we began absorbing them and we assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite and scratch, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no

Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

Lincoln: (Beastly Voice) (GROWLS) Oh man, this feels so good. RRGH!

Me: (Beastly Voice) Same here! RRGH!

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln and I drained their souls of energy and absorbed them and we let out a loud and massive roar of dominance and power as we pounded our chests like Alpha Male gorillas.

Me: (Beastly Voice) We did it, they're gone. But, man, that was the largest amount of werewolves we absorbed.

Lincoln: (Beastly Voice) Same here.

Our slit pupils changed back to normal. Then, the people came out and they cheered for us, and a few minutes later, we came back home and we continued working out.

Nico: We saw the whole thing, you guys really went wild and tore those werewolves apart and you also absorbed them.

Me: Yep, and Lincoln really tore into them, he was on a whole new level of ferocity with them.

Lincoln: If I was like that to a clan of werewolves, then I'll be just like that to a coven of vampires, and when we absorbed those werewolves, we not only assimilated their powers and abilities, but we also absorbed their souls into us, and it really made us even more powerful than ever before.

Me: And it gave us even more energy and power, let's just say the poor sap who tries to fight us is going to be in even deeper shit.

We got a shower, and then, Lincoln, Gangle, and Zooble are heading to Lake Lamode.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Gangle and Zooble were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Gangle and Zooble had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Gangle: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Gangle, and it's perfect for our first date. Shall we?

Lincoln, Gangle, and Zooble dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Gangle and Zooble also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Gangle, and Zooble a deep tissue massage, and when he was done with that, Gangle and Zooble were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Gangle and Zooble got an extremely massive and deep atomic red blush on their faces when she saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Gangle: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Gangle and Zooble and he hugged them in his abnormally massive and powerful muscular arms, and they placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Gangle and Zooble with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with two white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: Wow, now Gangle and Zooble are in your harem, Linky.

Gangle and Zooble showed the marks Lincoln made on the right sides of their trapezius.

Jenna: You had no trouble at all.

Zooble: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he certainly had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Number 2 of the Skylanders adventures.

Nico: Next up is Chompy Mountain.

Me: Oh boy. Chompy Mage.

Qin: Yeah.

Nico: Anyone want to help against Chompy Mage?

Qin: Laney Loud, Layla Williams, Crysta, Moss Man, Tuff Luck, Bushwhack, Camo, Stealth Elf, Wood Man and Plant Man.

Laney: All plant power.

Nico: Yep.

Layla Williams: Lets get him.

They went in and the simulator activated and they were in front of Chompy Mountain.

Laney: So that's Chompy Mountain.

Layla Williams: YUCK! It has Chompy Mage's face on it. No wonder it's called that.

Bushwhack: Yeah Chompy Mage has always been full of himself.

Tuff Luck: (Irish Accent) That lad has issues.

Nico eyes widened at what Nico saw. It was Crocker grinning evilly at us.

Nico: J.D., get over here now. It's Crocker!

Me: What?!

I teleported over to them as everyone flew over to where Crocker was. Crocker's evil grin disappeared as he got nervous.

Nico: This time, we know you're real!

Me: Crockerfucker! I knew it!

Crocker: Um, wait. You weren't supposed to have confirmed anything yet

Me: Huh?

Crocker: Um, yeah... Can you just, like, forget about these past few seconds and, um, go back to being paranoid...?

Me: Why would I...? (in realization) You - you and Burns were planning something, weren't you!

Crocker: Oh, shit!

Nico: That poison never affected J.D., did it? You two were just trying to make J.D. paranoid enough to make him think it did. That way, I would fire him from the team! And you two got lucky with those disappearing acts! That's - that's - diabolical!

Me: YEAH!

Crocker: So, um, yeah... Can you please just... Damn!

Nico: You're fucking sick, you know that?! Fucking sick!

Crocker: Well I didn't know you would fly over here!

Nico: And why wouldn't we?

Crocker: Oh, I don't know - m-maybe... Chompy Mage would've... appeared... or something...

Nico: ... You were depending upon forces beyond your control to drive JD to insanity so he would be killed...?

Crocker: Hey, you never know what Nickelodeon will come up with next.

Nico: Nickelodeon? You wanna know something? You're crazy! C-R-A-Z-Y - crazy! And we've met some pretty crazy people!

Crocker: C'mon! All I want are fairies to rule the world and J.D. bleeding to death. Is that so wrong?!

Me: Yes, it is! Like Nico said, crazy! And you're forgetting! I'm immortal and invincible! I can't die!

Nico: You know what? Now I'm not gonna do it! Now I'm not gonna fire J.D. and now, he won't end up dead! So ha! (to me) You can exit the Simulator now, J.D.. I'll send this dirtbag to the Warp.

Me: Gladly! Sorry about that guys.

Layla Williams: No worries. Just glad it's the real thing this time.

Me: It sure is. Carry on.

I teleported back.

Nico threw him into the Warp.

Nico: Man, I feel so much better!

Me: I am the one that should be saying that dude. But looks like we both feel the same.

Nico: Yeah.

Xenia: Just a darn shame we didn't face him on Timmy's day to shine.

Nico: Well, until we fight him on a big day, he'll be staying in the Warp with his buddy Burns.

Me: Yeah! I'm just glad I got that out of my system.

Qin: Me too.

Me: Yeah. So the disappearing tricks were real.

Nico: They sure were.

Me: That was both downright diabolical and crafty.

Nico: Yep.

Ymir: How come you guys didn't kill them on Homer's day and Timmy's day?

Me: Those 2 have been MAJOR LEAGUE Thorns in our sides for years ever since I formed the team and ever since the alliance was formed between Fairies and people.

Nico: For that, they're being saved for greater events

Me: Yep.

We continued watching.

Laney: Boy we need to remake that mountain into something else.

Layla Williams: I agree.

Tuff Luck: I think I have a good idea for it.

Laney: Really?

Tuff Luck: We'll name it Mount Life. After the Life Skylanders lads.

Laney: That's fitting.

But then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!

A bunch of tanks from the trolls were blasted!

Laney: What the!? Who did that!?

In a Chompy Balloon came, THE CHOMPY MAGE!

Believe it or not, the Chompy Mage actually hatched from inside a Chompy Pod. At least that is how his Chompy hand puppet tells the story. Having been raised by Chompies, it is no surprise that the old magician is a little strange. He simply grew up embracing the Chompy way – believing that Skylands would be a better place if everyone was a Chompy – an illegal enchantment which he has actually tried to perform on several occasions.

The Chompy Mage was on his way to the annual Chompy Convention (ChompyCon), but got lost. He didn't want to ask for directions, so he pretended like he moved to Wilikin Village on purpose. The Chompy Mage then figured he would stay there for a while, practicing his magic, and then set out for the ChompyCon next year. However, his antics proved to be a nuisance to the Wilikins, eluding the residents by switching between the real world and the Wilikin world. Eventually, the Skylander confronted the Chompy Mage and defeated him at the edge of Wilikin Village. He later appeared in the credits, conversing with Flynn.

Eventually, the Chompy Mage's forbidden magic to turn others into Chompies led him to be locked up inside Cloudcracker Prison, where he met the other Doom Raiders. Of course, they all thought he was completely crazy, but the Chompy Mage can see through the eyes of any Chompy in Skylands — and having a few billion little spies can come in handy when trying to enact revenge on the Skylanders. Plus, he could secure the Chompy vote for any sort of political elections that followed.

The Chompy Mage, along with the other remaining members of the Doom Raiders, were freed from Cloudcracker Prison by Kaos who attempted to assume leadership over the villainous group. However, the Doom Raiders were more willing to follow orders of their original leader, the Golden Queen. The Chompy Mage was sent by the Golden Queen to locate all the Traptanium needed to create their Ultimate Weapon. He confronted the Skylanders in his hot air balloon in an effort to stop them from reaching the Chompy Mountain entrance. Fortunately for them, there was a cannon nearby, so the Skylanders could make comeback shots from the Chompy Mage's own cannons.

After freeing Mabu Defense Force member Snuckles, the Skylanders faced the Chompy Mage atop the Chompy Head Spire, and, despite his many Chompies and his imposing Chompy forms, he was defeated once again. However, he manged to inform the Doom Raiders of the location of all the Traptanium in Skylands before his capture.

After the Skylanders saved the Phoenix Chicken from Chef Pepper Jack, they took him and Broccoli Guy on board the Chef Zeppelin for their Villain Quests. Chompy Mage's quest was called "Free the Chompies!", provided by a Mabu chef named Cookie. He explained to the heroes that he was responsible for wrangling all the ship's Chompies, and that he didn't attend the Royal Cooking Academy to get bit ever so often, and pleaded the mage's assistance so he could finally work in the kitchen. After freeing the critters, Chompy Mage was awarded with Cookie's thanks and a new outfit.

The Chompy Mage reappeared as a raceable villain riding his signature vehicle, the Chompy Buster. After defeating him in Boss Pursuit, the player will be able to race as the Chompy Mage in Race Mode.

After breaking out and joining the other Doom Raiders, Chompy Mage was once again captured by the Skylanders. Eon gave him and other villains a choice - either go back to jail or become Skylander Senseis, teaching a new generation of Imaginators their formidable battle skills as well as how to stay clear of a life of crime. They accepted the deal, but first had to prove themselves by re-arranging all the books in the Academy's library, a task which took almost two years, testing every ounce of will they had. This also gave Chompy Mage time to take up the bazooka, which he was naturally so good at that he now trains Imaginators of the Bazooker Class as a Sensei master.

Chompy Mage: It is I, The Chompy Mage! And you are not Chompy's so I don't like you!

Layla Williams: Well up yours Chompy Face!

Chompy Mage: Now don't move around too much while I blast you! (Thru Chompy Puppet) IT'S GO TIME!

Layla Williams: Did you have to bring your puppet?

Chompy Mage: I never leave home without it! (Through Puppet) You said it!

Laney: Well lets dance then!

Bushwhack: AXE TO THE MAX!

Tuff Luck: DEAL WITH IT!

Camo: (Spanish Accent) Fruit Punch!

Stealth Elf: Silent But Deadly!

They fired waves of leaves and grass and fruit!

Me: YEAH! Buzz what was it that lead to Chompy Mage being thrown in Cloudcracker Prison?

Buzz: He was using forbidden magic to turn people into Chompys and it was the reason why he was thrown into Cloudcracker Prison.

Me: Geez!

Buzz: Thankfully, the magic was temporary

Me: That's good.

Layla and Laney and group got to the Chompy Mountain temple and they destroyed the Balloon! Then they faced him!

Chompy Mage: Are you still here? How irritating! I suppose I should make this a little tougher. (Chompy puppet: Round Two!)

HE TURNED INTO HIS GIANT CHOMPY FORM!

Me: WHOA! I forgot he can do that!

Chompy Mage: Fee-fi-fo-fum. I'm gonna kick you all right in the bum!

Moss Man: Bring it on!

Wood Man: YEAH!

They fired numerous blasts of leaves and grass and flowers and fruit and blasted him intensely!

Crysta fired waves of magic.

Laney and Layla fired blasts of flowers.

Tuff Luck: Lets show him our combined power!

Laney Loud, Layla Williams, Crysta, Moss Man, Tuff Luck, Bushwhack, Camo, Stealth Elf, Wood Man and Plant Man: LIFE NATURE BLAST!

They fired a massive blast of leaves, grass, flowers, fruit, weeds and wood and blasted him and he was down!

CHOMPY MAGE DEFEATED!

Laney: Time to trap you in your tomb!

She held up a green traptanium Shard and a green vortex appeared!

Chompy Mage: What have I done to deserve this? Oh yes, all that stuff I did! Who will look after the Chompies?

He got sucked in the Shard and was trapped!

Chompy Mage: Eh? What's going on? Where am I? It's very dark in here! And it kind of smells like mustard.

CHOMPY MAGE TRAPPED!

Laney: Like it or not, you got to be good and follow MY Rules!

Chompy Mage: I guess we should just accept this. Eh, Chompy puppet? (Chompy puppet: Just go with the flow, man!)

Layla Williams: It's nice that you guys are graceful losers when defeated

Chompy Mage: Like we said. Go with the flow.

They came out and we cheered!

Me: That's 2 down and 8 to go.

Lola: Yep.

Nico: And let's not forget the other villains. Including Pain Yatta and Blaster Tron

Me: Well we're going after the main bad guys first so we'll worry about them later.

Nico: Who is next?

Me: Chef Pepperjack. All right! Me and my group will go next for that.

In the middle of the city me and Universe 666 May were blindfolded and we were being lead somewhere.

Universe 666 May: Where are you guys taking me?

Me: I have a feeling it's going to be fun.

Nico: Oh you guys are going to love it.

We got stopped.

Nico: We're here!

They took our blindfolds off and we were in front of a new restaurant called Capn' Cluck's Blazing Wing Chicken House!

Flynn: Capn' Cluck's Blazing Wing Chicken House!? AWESOME!

Me: Oh boy!

Nico: Yep this restaurant just opened up.

Me and Universe 666 May saw each other and gasped!

Me: May!?

Universe 666 May: J.D.?!

Me and Universe 666 May: YOU'RE MY BLIND DATE!?

Nico: Yep we have something fun here planned for you both.

Me: Ooh!

We went in and got tables.

We got to EATING REALLY HUGE CHICKEN DRUMSTICKS!

Nico: Man how does Capn' Cluck make his chicken so big and delicious?

Spyro: He uses the Kolossal Kernal to make his feed grow his chickens big.

Nico: Wow!

We got to eating. The drumsticks were as big as caveman clubs and we got to eating them.

Goku: (Eating) MMM! Boy this is just the kinds of chicken Giren would like.

Nico: I can see why Kakarot.

We were really eating and there was a massive pile of bones on the tables.

Me: Ahh! Man that was good!

Universe 666 May: It sure was!

I looked at Universe 666 May and we smiled and then we leaned in and then kissed.

Me and Universe 666 May then kissed and it was so beautiful.

Nico: (Tears up) Huh?

He saw a bowl of onions that was mysteriously put by him.

Nico: Hey who left this bowl of onions here?

Horsea: Not me.

We continued kissing.

Nico: (Sniffles) What?

He saw the same bowl of onions.

Nico: What the? Would you get out of here!?

Me: Mmm can I get more fries with that?

We kissed more.

Eiji of the OOO Riders was crying too. But he saw that it was because of Nico holding the bowl of onions with him as he had a nervous smile.

Eiji: HEY!

Horsea: Where did the onions come from?

Nico: No idea. But eating was just part 1.

We paid for the food and went to the movie theaters.

We got tickets for Avatar and Avatar 2

The movies started

SPOILER ALERT

In 2154, Earth suffers from resource exhaustion and ecological collapse. The Resources Development Administration (RDA) mines the valuable mineral unobtanium on Pandora, a lush habitable moon orbiting a gas giant in the Alpha Centauri star system. Pandora, whose atmosphere is inhospitable to humans, is inhabited by the

Na'vi, 10-foot-tall (3.0 m), blue-skinned, sapient humanoids that live in harmony with nature.

To explore Pandora, genetically matched human scientists control Na'vi-human hybrids called "avatars". Paraplegic former Marine Jake Sully is recruited by the RDA to replace his deceased identical twin, who had signed up to be an operator. Avatar Program head Dr. Grace Augustine considers Jake inadequate, but accepts him as an operator.

While escorting the avatars of Grace and Dr. Norm Spellman, Jake's avatar is attacked by Pandoran wildlife and flees into the forest, where he is rescued by the Na'vi princess Neytiri. Suspicious of Jake, she takes him to her clan. Neytiri's mother, Mo'at, the clan's spiritual leader, orders her daughter to initiate Jake into their society.

Colonel Miles Quaritch, head of RDA's security force, promises Jake that the company will restore the use of his legs if he provides information about the Na'vi and their gathering place, the giant Hometree, under which is a rich deposit of unobtanium. Learning of this, Grace transfers herself, Jake, and Norm to an outpost. Jake and Neytiri fall in love as Jake is initiated into the tribe, and they choose each other as mates. When Jake attempts to disable a bulldozer threatening a sacred Na'vi site, Administrator Parker Selfridge orders Hometree destroyed.

Despite Grace's argument that destroying Hometree would damage the biological neural network that encompasses all Pandoran life, Selfridge gives Jake and Grace one hour to convince the Na'vi to evacuate. Jake confesses that he was a spy and the Na'vi take him and Grace captive. Quaritch's soldiers destroy Hometree, killing many, including Neytiri's father, the clan chief. Mo'at frees Jake and Grace, but they are detached from their avatars and imprisoned by

Quaritch's forces. Pilot Trudy Chacón, disgusted by Quaritch's brutality, airlifts Jake, Grace, and Norm to Grace's outpost, but during the escape Grace is shot and fatally wounded.

Jake regains the Na'vi's trust by connecting his mind to that of the Toruk, a dragon-like creature feared and revered by the Na'vi. Supported by Neytiri and the new chief Tsu'tey, Jake unites the clan, telling them to gather all the clans to battle the RDA. Quaritch organizes a strike against the Tree of Souls to demoralize the Na'vi. Before the battle, Jake prays to the Na'vi deity Eywa via a neural connection with the Tree of Souls.

Tsu'tey and Trudy are among the battle's heavy casualties. The Na'vi are rescued when Pandoran wildlife unexpectedly join the attack and overwhelm the humans, which Neytiri interprets as Eywa answering Jake's prayer. Quaritch, in an AMP suit, escapes his crashed aircraft and breaks open the avatar link unit containing Jake's human body, exposing it to Pandora's poisonous atmosphere. As Quaritch prepares to kill Jake's avatar, he is killed by Neytiri, who saves Jake from suffocation, seeing his human form for the first time.

The RDA are expelled from Pandora; only some humans are chosen to stay. Jake is permanently transferred into his avatar with the aid of the Tree of Souls.

Then was Avatar 2

Sixteen years after the Na'vi repelled the Resources Development Administration (RDA) from Pandora,[a] Jake Sully lives as chief of the Omatikaya clan and raises his family with Neytiri, consisting of two sons Neteyam and

Lo'ak, his daughter Tuktirey "Tuk", and adopted daughter Kiri (born from Dr. Grace Augustine's inert avatar). Miles "Spider" Socorro, son of the late Colonel Miles Quaritch, frequently visits their children while being raised by human scientists who stayed on Pandora.

The RDA returns to colonize Pandora. Among their ranks are Recombinants, Na'vi avatars implanted with the memories of deceased human soldiers, with a recombinant Quaritch as their leader. Jake leads a guerilla campaign against the RDA occupation. During a counterinsurgency mission, Quaritch and his subordinates capture Jake's children. Jake and Neytiri arrive and free them, but Quaritch manages to capture Spider, subsequently recognizing him as his son. After the RDA unsuccessfully interrogates Spider for additional information, Quaritch decides to spend time with Spider to gain his favor. In return, Spider teaches Quaritch about Na'vi culture and language.

Aware of the danger posed by Spider's knowledge, Jake and his family relocate themselves from the Omatikaya to Pandora's eastern sea, inhabited by the Metkayina clan. There, the family assimilates with the Metkayina: Kiri develops a spiritual bond with the sea, Jake and Neytiri assist Chief Tonowari and his wife Ronal, while Lo'ak befriends Tsireya, their daughter. Following an altercation between Lo'ak and Tonowari's son Aonung after the latter mocked Kiri, Lo'ak apologizes at Jake's insistence due to initiating the fight. Aonung and his friends entice Lo'ak to a hunting trip, stranding him in a sea predator's territory. Lo'ak is saved from the predator by Payakan, a Tulkun—an intelligent and pacifist whale-like species whom the Metkayina consider their spiritual brethren—and befriends Payakan. Upon his return, Lo'ak wins Aonung's friendship by accepting blame for the trip but is told that Payakan is an outcast. Later, Kiri links to the Metkayina's underwater

Spirit Tree and meets Grace in a vision, but suffers a seizure during the link-induced trance and nearly drowns. Jake summons his friends Norm Spellman and Max Patel for help, who diagnose Kiri with epilepsy and warn that she cannot connect to the Spirit Tree again.

Quaritch tracks Norm and Max's aircraft to the Metkayina's archipelago. Bringing Spider with him, Quaritch joins forces with the RDA's marine operations and commandeers a whaling vessel hunting Tulkuns. Quaritch's squad begins raiding the archipelago but fails to find Jake after interrogating various tribes. Quaritch decides to massacre villages and kill Tulkuns in order to draw Jake out. Lo'ak mentally links with Payakan and learns he was cast out because he attacked human whalers who killed his mother, which magnified the bloodshed.

When the Metkayina learns of the Tulkun killings, Lo'ak goes to warn Payakan, followed by his siblings and friends. Finding Payakan being hunted, Lo'ak, Tsireya, and Tuk are captured by Quaritch. Jake, Neytiri, and the Metkayina confront the humans and rescue the kids. Quaritch forces Jake to surrender, but Payakan attacks the vessel, initiating a battle between the Metkayina and the humans. Spider cripples the vessel, while Neteyam rescues Lo'ak, Tsireya, and Spider, but is fatally shot by one of Quaritch's men. Traumatized by Neteyam's death, Jake and Neytiri resolve to save their daughters, who were recaptured. Jake faces Quaritch, who holds Kiri hostage, but desists when Neytiri does the same with Spider. Jake, Quaritch, Neytiri, and Tuk get trapped inside the sinking vessel. After a tense skirmish, Jake strangles Quaritch unconscious and is rescued by Lo'ak and Payakan, while Kiri recovers Neytiri and Tuk. Spider saves Quaritch from drowning, but rejects him and rejoins Jake's family.

After Neteyam's funeral, Jake informs Tonowari of his decision to leave the Metkayina. However, Tonowari identifies Jake's family as being part of the clan out of reverence and welcomes them to stay. Jake's family accept their new lives at sea but vow to continue their struggle against the RDA.

When the movies were done everyone cheered wildly!

Nico: WOW!

Blot: Nice movies!

Me: YEAH! That was fun.

Universe 666 May: We had a lot of fun!

Me: Now it's time for Nico's just reward!

We looked at Nico with mischievous grins on our faces!

Groove: RUN!

NICO RAN FAST AND TELEPORTED AWAY!

Me: Let the hunt...

HOING!

Me: YIKE!

I got a wedgie!

Nicole: What the!?

Eli: Look!

We saw a Chimchar giving me a wedgie!

Me: A Chimchar!?

Poromon: How'd that get here?

Me: It sure is a tricky one!

Eruptor: Let me see.

He used Telepathy and then gasped and then vomited Lava!

Eruptor: LAVA BARF!

Me: Geez! Eruptor you really need to see a doctor about that.

Eruptor: Sorry. But that Chimchar is my friend Kiara Klyuchevskoy.

Me: Really? Whoa!

Universe 666 May: Wow!

Horsea: We better help her out.

Me: I agree. (To Chimchar) Okay you can let go of my underwear now.

Eruptor: And Kiara did you put those onions by Nico?

She nodded and laughed.

Me: (Sarcastically) Oh hardy har har!

Poromon: Sneaky!

Horsea: No kidding!

Xenia: Yeah.

She used Ember on us

And we absorbed the fire.

Me: Nice try!

Eruptor: Okay then! LAVA BARF!

VOMIT BLAST!

She got drenched and knocked down.

I snapped my fingers and she reverted back and was a girl with orange hair and orange eyes and had fire angel wings and Chimchar on her forehead and had a volcano erupting with meteors on her arm as a cutie mark.

We wrapped her in a blanket and put her on a bench.

But then...

NASTY LAVA VOMIT BLAST!

The lava drenched Spike the Dragon!

Spike the Dragon: HEY!

He shook it off.

Me: Geez! That is nasty heartburn!

Kiara Klyuchevskoy: (Groans) Man I hate it when that happens.

Eruptor: Are you okay Kiara?

Kiara Klyuchevskoy: Eruptor!

They hugged.

SIZZLE!

Kiara Klyuchevskoy: I missed getting sizzled like that.

Eruptor: Me too.

Me: You are really tough to handle that.

Kiara Klyuchevskoy: I know. (VOMITS LAVA)

Me: WHOA! Geez you have nasty heartburn.

Kiara Klyuchevskoy: I know. I can't help it

Laney: You need a lot of antacid.

Manaphy: No kidding!

Kiara Klyuchevskoy: Yeah.

Me: Anyway you were turned into a Chimchar by Dark Gale and you left a bowl of onions on Nico's table during mine and Universe 666 May's date.

Universe 666 May: Yeah no kidding.

Kiara Klyuchevskoy: I did? Oh sorry. But was I funny?

Me: You were but you also gave me a wedgie.

Kiara Klyuchevskoy: Oh man! But I remember!

She was in an orange suit and injected and in a burst of fire she turned into Chimchar and she ran out.

FLASHBACK ENDS

Kiara Klyuchevskoy: It was awful.

Me: I know. But we destroyed Dark Gale forever.

Qin: It's true.

Kiara Klyuchevskoy: Good.

Horsea: Where did you get the onions?

Kiara Klyuchevskoy: From the kitchen. There was an unattended bowl of onions there.

Me: Oh.

Kiara Klyuchevskoy: Also I am the volcano mage of Sonya's team and I use the power of volcanoes to destroy our enemies. Outside the team, I work with Eruptor and the skylanders to bring down the Forces of Kaos.

Me: Cool.

Kiara Klyuchevskoy: (VOMITS LAVA)

Me: WHOA!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her orange clothes and a fire sword.

Kiara Klyuchevskoy: I look good.

Me: You sure do. Now we got to find a Saiyan and punish him.

Eli: He's at Finn's House in the land of Ooo.

Me: Ooh! Okay then.

We arrived at Finn's house.

Me: Hey guys.

Finn: Hey J.D. Hey guys.

May: We're looking for my husband.

Finn: Oh he's there.

We saw him.

Manaphy: There he is!

Me: GET HIM!

We went at him but he teleported!

Me: DRAT!

Jake: Blind Date chase?

Me: Yep.

Eli: He's in the Candy Kingdom.

Me: Okay then!

We arrived in the castle and saw Nico sitting under the table.

Horsea: There he is!

Me: Get back here meat!

He teleported away.

Eli: Drat! Fire Kingdom next.

Me: Ooh hot!

We went there and it was a volcanically hot place.

Qin: WHEW!

Lola: Hot!

Poliwag: There he is!

We saw him under a rock. Not a good spot.

Me: Okay time to accept your punishment!

Nico: YOU'LL NEVER TAKE ME ALIVE!

He teleported!

Eli: Ice Kingdom next and he's in Ice King's lair!

Me: Crazy guy!

We went there.

Ice King: YOU ARE NOT GOING TO STOP ME!

Nico was frozen in a block of ice! And to make matters crazier the Ice King captured LOTS of princesses from all over Ooo!

Me: Wanna bet cold face?

I fired waves of fire and blasted him.

Poromon: There he is!

Emerald Princess: Thank Glob! We're saved!

Me: We'll have you all out of there shortly!

Kiara Klyuchevskoy: Like old times?

Eruptor: You know it!

Kiara Klyuchevskoy And Eruptor: CONFLAGRATION VOLCANO BLAST!

They fired waves of fireballs and lava and blasted Ice King and freed Nico and the princesses.

Nico: Ahh! Needed That!

Me and Universe 666 May: DOGPILE!

We jumped him and tickled Nico.

Me: COOCHIE COOCHIE COO!

Nico laughed hysterically!

Me: SAY IT BEAN DIP!

Nico: NEVER!

Me: SAY IT!

He just continued laughing!

Me: SAY IT!

Nico: NO!

Me: SAY IT!

May: Nico in the name of all humanity say it!

Nico: NEVER!

Me: Okay you asked for it bub!

I twisted Nico's leg around like a spring!

BOING BOING BOING BOING!

Nico: UNCLE UNCLE UNCLE UNCLE!

Tyrone: SAY WHAT!?

Nico: UNCLE! UNCLE! UNCLE!

We stopped.

Me: There. Was that so hard?

We laughed.

Bombshell: At least we know that poison didn't affect you after all

Me: No kidding! I knew I wasn't going cuckoo!

Nico: We're all relieved.

Me: Yep.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Satoru starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Nico: Yeah.

Me: Yep.

Nico: We haven't done a race in a while

Me: I know.

Bobbie Fletcher came in.

Bobbie Fletcher: Hey guys.

Me: Oh hey Bobbie.

Bobbie Fletcher: I just came to tell you all that there is a race being held on Tecna's home planet of Zenith.

Me: WHOA! You know we're going to be there Bobbie!

Lana: Yeah!

Nico: What a coincidence

Me: I have a good feeling I know who is going to arrive there.

Lincoln: Whoa, he's right take a look, we got a race on Zenith.

Me: Awesome!

Nico: A race on Tecna's home planet, this is awesome! We should get our cars ready and get The U.S.S. Valorous Phoenix ready.

Lincoln: Already done.

We got our cars on The U.S.S. Valorous Phoenix and we were all set to go.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras,

rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Trip Murphy, the cheating loser has broken out of prison and he's on Zenith, and he wants revenge on us. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Trip Murphy, the cheating loser has broken out of prison and he's on Zenith, and he wants revenge on us.

EVERYONE GASPED!

Tecna: (British Accent) That disgraceful cheat. So, he's back for more.

Nico: I don't believe him.

Lincoln: He's still just like Lynn in the past who couldn't accept defeat with grace, I'm gonna enjoy breaking his teeth.

Me: Me too, I've got some unpleasant surprises in store for him, and he'll no doubt have some men with him, but you know the best part? This time, he won't have Venomark with him.

Nico: That's for sure. Alright, let's get to Zenith, we got a race to win and a cheater to take down.

Lincoln: Trip Murphy's heading right back to prison forever, and this time, he's never coming out yet again.

The previous group came.

Black Knight Ghost: Can me, Marluxia, Number 7, Gentleman Ghost, Evil Green Ranger, Unicorn, Kite Man, Red X, Katnappe, and Beautiful Gorgeous go with you guys?

Nico: Yes you can.

Qin: Cool.

Komba O Charlie: Nico, which Gene Slammer do you think you'll meet next?

Harpus: I hope it's a strong one

Nico: Number 44: Sky Pegasus and Number 43: Manipulator of Souls next.

Qin: Cool!

Xenia: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with

surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures was in the vision: it was Amatsu-Mikaboshi, one of the main antagonists from the Marvel Comics and the embodiment of the chaotic nothingness, and he was here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Amatsu-Mikaboshi, one of the main antagonists from the Marvel Comics and the embodiment of the chaotic nothingness, and he was here to destroy us.

Lucy Xi Cooper: So, now we got the embodiment of the chaotic nothingness from the Marvel Comics coming after us. This is going to get messy, but he needs to be stopped.

Nico: That's for sure, he needs to be stopped. Alright, team, let's deploy The U.S.S. Valorous Phoenix and head for Zenith. We're going to win another race.

Lincoln: And send Trip Murphy back to prison for good, and once we get done with him, Amatsu-Mikaboshi, you're finished.

Lucy Xi Cooper: You made a mistake coming after us, you embodiment of chaotic nothingness, now we'll make sure you never come back.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed into The U.S.S. Valorous Phoenix and we headed to Zenith to win another race and send Trip Murphy back to prison, and once we get done with him, Lucy Xi Cooper and Lincoln are going to destroy Amatsu-Mikaboshi and send him to The Black Abyss after Lincoln absorbs him.

We were off to Zenith with our cars ready.

We arrived on Zenith.

Me: Here we are.

Lola: Awesome!

Tecna: It's good to be home.

Varie: It sure is amazing.

Gentleman Ghost: Let's call Riddler.

Me: Good idea.

We did so.

Riddler appeared.

Riddler: I am ready!

Caitlyn: Do we have any muscle cars?

Me: Our cars can turn into those.

Qin: It's true.

Lola: Cool.

Ymir: This is gonna be fun. I've never been in one of these races before.

Me: Well you're going to have a fun time.

Universe 666 May: I will too.

Camie: We all have fun.

Unicorn: How long has it been since the last race?

Me: A year and a half I think.

Camie: Yeah.

Lync Volan: Let's see if we've still got it

Me: Oh we do. Just been so busy with more important matters.

Qin: Yeah.

We got ready.

Me: Trip is in for a nasty surprise courtesy of me when we're done here. Also he has no Venomark to help him.

Red X: I got my motorcycle ready

Me: Cool.

We went to the starting line.

Me: This is gonna be fun.

Qin: It sure is.

Billy Natson: AND Welcome to another amazing and exciting event in racing history. Hello I'm Billy Natson and we have an amazing treat for you all today. We're on the home planet of Tecna, Zenith, and we have a great race with our very own Team Loud Phoenix Storm after a year and a half of hiatus due to battling some of their major enemies and destroying Xehanort and many others that have returned. Thank goodness you all are here for this.

Me: Like we would ever miss this Billy! We're ready!

BIlly Natson: Love that spirit! Good luck to you all!

Me: YEAH!

Billy Natson: Lets get this party started!

Billy Natson: AND THEY'RE OFF!

We were driving fast!

Me: YEAH!

Computer: Alert. Trip Murphy Men ahead at 7 miles.

Me: Uh oh. Trip Murphy's men are coming to stop us!

Nico: Arm weapons!

We armed our weapons on our cars!

Me: Wouldn't be a fun race unless there was always a form of danger present.

Beautiful Gorgeous: Always helps to be prepared.

Me: Yep.

We saw them.

Me: (Presses 3 buttons) Blowtorch missiles! Fire!

I fired 3 blowtorch missiles and they ignited and hit the men and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMM!

They were blown apart!

Me: BINGO!

Dead End: They had no chance of surviving

Me: Nope.

Lisa Loud: Indeed.

Lisa's radar picked up 3 blips coming from the southwest.

Lisa Loud: 3 bogeys coming from the southwest!

Aylene Carter: I got this. Deploy Fighter Drone system!

Aylene fired a rocket and it turned into a drone!

She saw them.

Aylene Carter: (Presses 2 buttons) Megavolt missiles fire!

The drone fired 2 missiles and they formed into Megavolt Missiles and they hit the racers coming and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Aylene Carter: OH YEAH!

Nico: Nice shooting!

More of Trip's men was ahead!

Katnappe: This kitty has claws!

She formed claws on her car and they slashed the cars and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Katnappe: (MEOWS)

Me: YEAH!

Gluko: So far so good!

Tecna: Yep.

Lincoln: Yeah! WHOA MAN! I just saw the next Akuma!

Me: I don't think we need a premonition! LOOK!

We saw a huge robot dragon!

Lincoln: That's Zenidragora! The Hypothetical Akuma of Tecna and she is a dragon that is completely mechanical and she has intense laser blasts, fusion cannons, missiles, machine guns and more! She was made because of the Trix invading and destroying Zenith and vowed to get revenge on them by destroying The Trix!

WE GASPED!

Me: WHOA!

I looked at it with my Data Eyes and it was a VERY IMPRESSIVELY well made robot war machine! Fully equipped with EVERY FORM of weapon imaginable! And more!

Me: WHOA! Tecna's Akuma is one massively fully equipped war fortress!

Rayman: I'm getting Deja Vu

Nicole: It looks like a flying version of the Mechanical Dragon from the Sea of Serendipity.

Me: Yeah!

It roared and saw the Trix flying with us.

It fired lasers and missiles!

Me: EVASIVE ACTION!

We dodged the missiles and they hit the ground and exploded all over!

MASSIVE NUMBERS OF FIERY EXPLOSIONS!

We fired laser blasts at the creature and blasted it all over!

The creature was weakened because of us hitting the jewel in its mouth!

Qin: Aim for that jewel in its mouth!

Kite Man: Tecna? Is that you?

All it did was roar ferociously!

She fired numerous machine gun blasts and we dodged them.

Laney fired laser beams and blasted the jewel.

Me: She is one of those feral akumas.

Riddler: Riddle me this: Is it possible she will calm down?

Eli: No it's out of the question.

Me: The Trix in the Akumas world are nothing but ruthless parasites!

Riddler charged at her!

Me: Eddie get back here!

He fired lasers but they weren't affecting her. Zenidragora deployed ships.

Me: Eddie watch out! Bogey on your tail!

A ship chased him.

Riddler: WHOA! HELP ME!

I fired laser blasts and blasted the ships!

Riddler: Thanks J.D. I thought she had me!

Slippy Toad: Just like what happened when we went into battle with Andross!

Me: Deja-vu and fun!

I fired missiles and blasted the jewel and blasted her all over.

Fellbat: This is one of the more tougher ones.

Me: It sure is!

I fired a bomb and then...

KRABBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

The jewel shattered!

Slippy Toad: YIPPEE! YOU DID IT!

Then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

50 MASSIVELY HUGE FIERY EXPLOSIONS!

Me: BINGO!

Nico: WOW!

The Akuma was blown into a million flaming pieces of metal!

Kite Man: That was intense!

Me: It sure was!

Nico: Now for the main event!

Laney: Yep. Trip Murphy!

I looked on my radar.

Me: Trip Murphy is 20 miles ahead! Finish line is 1,000 miles ahead.

Nico: Cool!

We heard the screams and hateful rants of Trip Murphy in the distance.

Me: There's that sore loser.

Nico: And he's screaming and ranting like a wild animal.

Lincoln: He's worse than Lynn before we got rid of that thing inside her. Let's fix that, shall we?

Suddenly, the spirits of the racing legends appeared and they attacked Trip Murphy and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech, Wolf Howl, Dragon Roar, and Phoenix Cry was heard and we appeared, and that made Trip Murphy super pissed!

Me: Hello, Cheating Shithead. Miss us?

Nico: You got some fucking nerve showing your ugly face here again, Trip.

Trip Murphy: Shut up! Shut the fuck up, you pieces of trash! You ruined my career, you ruined my reput...!

POW!

LINCOLN PUNCHED TRIP MURPHY HARD IN THE MOUTH AND KNOCKED OUT ALL HIS TEETH!

But, we saw his eyes had turned from deep sapphire blue to crimson red with fury as the golden yellow ring surrounding them glowed even more and his pupils had turned into slits! HE WAS PISSED TO THE FUCKING EXTREME!

Lincoln: (Deathly calm voice) I have had it up to hear with garbage like you never learning to accept defeat with grace and dignity, and on top of that, not only did you not learn your lesson, but you broke out of prison to get revenge on us!

Catharina Baumgartner was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Catherine and Kiara.

Catherine Rossi: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Kilowattrel, Piloswine and Chimchar and they transformed and blasted him all over.

Me: NICE!

Manaphy juggled Dynamite and she threw them and blasted him.

Then Mumbo Jumbo, Grizzly, Patty and Selma, Golden Glider, Professor XXXL, Zzzax, Skulker, BlackWarGreymon, Toad, and Machinedramon came.

Nico: Mumbo Jumbo, Grizzly, Patty and Selma, Golden Glider, Professor XXXL, Zzzax, Skulker, BlackWarGreymon, Toad, and Machinedramon.

Trip: Don't just stand there! KILL THEM!

Their response?

Mumbo Jumbo: NO!

He summoned an anvil and it bashed him on his head!

Trip had a nasty lump on his head!

Mumbo: So, you were never suffering from poison

Me: Nope.

Grizzly: Burns and Crocker just made you think you were.

Me: Yeah it was all part of a diabolical plan to get me fired.

Selma: At least your immunity still works

Me: Yep.

Golden Glider: (to NIco) We heard you fought Kamen Rider Fuma

Nico: We sure did.

Professor XXXL :(to Levi) You should take care of that Kabuto.

Levi: Oh I will.

Speedwing came.

Me: Another Round Speedwing?

Speedwing: That's right.

Me: Cool!

Speedwing: Races actually suit me.

Me: It sure does.

Qin: Yep.

Camie: This will be fun!

Mumbo Jumbo was first.

Mumbo (to Arkayna): Nico's rescue on Appoplexia where he battled Kagenari Nagumo. J.D. healed his daughter.

Arkayna: He sure did and that was powerful.

Tuddrussel: I agree there.

X-Squad Lila: It was amazing to see. J.D. used a powerful technique he learned from Kara Bowen Einon.

Chill: (Russian Accent) It was amazing to see.

Twilight Sparkle: Ymir broke down crying seeing the amount of selflessness J.D. did to save her.

Stellar Sparkle: Yeah no kidding.

Harmony Sparkle: Yeah. We sent Kagenari to the M.O.E.

Starshine Sparkle: Yep.

Spyro: It was cool.

Mumbo Jumbo: That is awesome! Lets do it!

Arkayna used the Vistamp for Mumbo Jumbo and the Rabbit World Gear and they fired waves of bunnies and magic and smashed them down.

Grizzly was next.

Grizzly (to Iron Man): The Anothers were the gene-slammers of Yeti and Berserk Gorilla.

Iron Man: Yeah they were really cool. Also Nico and everyone did a great job.

Falcon: They sure did and it was fun.

Korra: It was and also we met the gene-slammers of Kilowattrel and Piloswine. This will shock you. The Kilowattrel is Catherine Rossi and she is also Lila Rossi's older sister!

THEY GASPED!

Korra: But she is not like her sister! She is the polar opposite and she HATES Lila with a vengeance! She wants nothing more than to kill her evil sister and make sure she suffers in the Fires of Hell! She HATES her because of her crimes! But she found out LOTS OF TERRIBLE secrets that the people of Paris and the world don't know yet.

Grizzly: Like what?

Korra: We found out that Lila is a serial rapist! She is as bad as Quagmire and she raped thousands of boys!

THEY WERE ENRAGED!

Grizzly: THAT DISGUSTING BITCH!

Sunset Shimmer: Yeah no kidding! How they let a sex offender enter Marinette's school is beyond me! Also we met Catharina Baumgartner and she is a close friend of Slam Bam and loves hot chocolate a lot.

Firestorm Shimmer: Yeah no kidding there and she drinks a lot of it.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Amatsu-Mikaboshi, and he began absorbing him and he assimilated Amatsu-Mikaboshi's Nigh-omnipotence added to his True Omnipotence, Reality Manipulation, Cosmic awareness, Umbrakinesis, Duplication, Flight, Growth, Magic, Matter absorption, Immortality, Possession, Super strength, Invulnerability, Reality warping, Cosmic Energy projection and absorption, Telekinesis, Telepathy, Teleportation, Time manipulation, Power copying and power absorption, Soul manipulation, Summoning, and Dimensional travel, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Amatsu-Mikaboshi, and Lincoln drained his soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Ling Xi Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Ling Xi Cooper: It's over for you, Amatsu-Mikaboshi, and to this we say good riddance. Thanks for helping me get rid of that evil God of Chaos, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Ling Xi.

Me and Nico: Our pleasure, Ling Xi.

Suddenly, Ling Xi Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ling Xi Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Ling Xi Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Ling Xi, you transformed and you guys really let that God of Chaos have it.

Me: That's for sure, he didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Mayakashi Duel Monsters appear in the sky with a Oboroguruma.

Lincoln: Oh man, the symbol of The Mayakashi Duel Monsters appear in the sky with a Oboroguruma.

Akane Minazuki: (Japanese Accent) The Oboroguruma. There's only one person who matches that all too well: Miyako Sato, Avatar and Gene-Slammer of Oboro-Guruma, the Wheeled Mayakashi, and you guys are going to love meeting her, Miyako Sato, Avatar and Gene-Slammer of Oboro-Guruma, the Wheeled Mayakashi, is Lincoln's

Guardian Angel from Japan and she's a powerful master of Cosmic Geokinesis, earth, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Oboroguruma, and Oboro-Guruma, the Wheeled Mayakashi. She's the Ox Earth Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Miyako Sato came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Oboroguruma, and Oboro-Guruma, the Wheeled Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, earth, the powers of the Oboroguruma, and Oboro-Guruma, the Wheeled Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion, and she swore to kill him with the strength of a thousand oxen.

Me: Figures Chandler would do something bad to piss her off.

Nico: It's best not to ask what Chandler did.

Lincoln: That's right. That part of the past is long gone along with Dark Chandler.

Me: Now we got a race to win!

We got back in our cars!

Billy: And here comes the winners of the race! It's J.D. Knudson, Tecna, Universe 666 May and Ymir!

EVERYONE CHEERED!

Zzzax: Not bad for the first race in a while.

Skulker: And on Tecna's planet.

Me: So awesome.

BlackWarGreymon: We even got a trophy.

Me: Yep.

It was a Swarovsky Crystal Trophy that looked like the planet Zenith and the Zenith castle was below it.

Toad: When do you think the next race will be?

Machinedramon: Closer then we think

Me: Yep.

Nico: Yeah. But great job today everyone.

Tecna: (To the viewers) Now this was a fun race folks.

Me: It sure was.

We went to Lynn's Table to celebrate

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Lily the Mermaid: That was so amazing that we had a race on Zenith.

Anna Anyanova: It's been a long while since we had a race, and we took down Trip Murphy and sent him back to prison. And Lincoln really tore into him badly and he even kicked him hard in the balls.

Girl Jordan: That was brutal, but well deserved.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and they were on top of Lincoln as they kissed passionately.

Aphrodite Carrington: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Aphrodite Carrington's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Trip Murphy was found guilty of numerous crimes including attempted murder, unsportsmanlike conducts and conspiracies. He was sentenced to 750 life terms in he Uranus prison with no hope for parole and was permanently banned from all racing events for eternity. He was also ordered to pay $820,000,000,000,000,000,000,000,000,000,000,000 in compensation and restitution to Maggie Peyton. Let this be a lesson, CHEATERS NEVER PROSPER!

Next is Lok Lambert's day to shine and we're going into battle against The Organization and their leader my old archnemesis Simon Judeau A.K.A. The Professor and it's going to be EXPLOSIVE!

See you all next time.

Huntik VS Organization - Endgame

Lok Lambert's Day to shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to Bikini Bottom, but as he was flying around, he saw Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. and they're back for revenge on us in Jellyfish Fields, but if that's not enough, The Tattletale Strangler is back and he still wants to strangle SpongeBob SquarePants. Lincoln woke up along with his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: We got trouble in Bikini Bottom.

Lincoln explained everything to them, and when he was done, they were peeved.

Lily the Mermaid: I don't believe this. That's it, those fun-hating bitter shriveled-up old banshees are going to get it, I'm calling them, and as for that strangling maniac, we'll deal with him.

Lily the Mermaid made a call.

Lincoln: Who did you call?

Lily the Mermaid: We'll wait until the morning, Linky. J.D.'s going to be in for a surprise.

Lincoln, his harem, and kids went back to sleep. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something you should know. Last night, I had a dream that took me to Bikini Bottom.

Then, as Lincoln got done explaining, we were pissed.

Lily: Why, those stuck-up fun-hating shriveled-up bitter old banshees! And that strangling maniac! I am so mad, I am going to summon the forces of the sea on them all!

Lok woke up to see Starly staring at him

Starly: Morning Lok!

Lok: Oh morning Starly.

Starly: Time for breakfast.

He went and got dressed and went ot the table.

Me: Morning Lok. You excited for your day?

Lok: I sure am.

We had breakfast.

Maria: I'll also help too, Lily. Those old banshees, they're finished! I'm going to tear them and The Tattletale Strangler apart!

Lily the Mermaid: Lily, Maria, calm down. I've already gotten that taken care of, last night, I made a call to the one organization that's been after that old banshee and her group for a long time. And they should be arriving...right...now!

Suddenly, four tornadoes of water appeared inside The World Tree Estate, and as they faded, four girls with aqua blue hair, aqua blue angel wings, the Seashell Dopant symbol on their foreheads, right arms, skirts, and dressed in aqua blue clothes were in the place of the tornadoes.

Me: Luna, Sora, Skye, and Stormy Seashell.

Nico: The Embodiments of The Seashell Dopant, awesome.

Luna Seashell: Good to see you, J.D., and Lily the Mermaid was indeed the one who called us. So, that bitter old sardine and her group are back?!

Sora Seashell: I knew it was only a matter of time.

Lily the Mermaid: I should also explain. Luna, Sora, Skye, and Stormy Seashell are as you already found out The Embodiments of the Seashell Dopant and they're masters of water and the seas. They also formed an organization called C.O.B.B.U.A.T.U.O.O.F.A.T.T.A.F.A.D.T.E.T.R.O.T.A.S.T.F.D.A.F.A.D.R.A.E.E.A.R.A.T. which stands for **C**itizens **O**f **B**ikini **B**ottom **U**nited **A**gainst **T**he **U**nited **O**rganization **O**f **F**ish **A**gainst **T**hings **T**hat **A**re **F**un **A**nd **D**elicious **T**o **E**nd **T**heir **R**eign **O**f **T**error **A**nd **S**top **T**hem **F**rom **D**estroying **A**ll **F**un **A**nd **D**elicious **R**estaurants **A**nd **E**ating **E**stablishments **A**nd **R**estaurants **A**ll **T**ogether.

Me: WOW! That is a mouthful.

Nico: Yeah

Me: Wow. I didn't know about that.

Nico: Same here.

Lily the Mermaid: Yep, their mission is to bring down Ms. Gristlepuss and her evil organization once and for all, and they are determined to bring down all Social Justice Warrior Groups like them. Plus, when I told them of how they called Team Loud Phoenix Storm terrorists, they got pissed off and they immediately swore to rip those old banshees apart.

Skye Seashell: And you said they're in Jellyfish Fields, right?

Lily the Mermaid: Yes, and we also got another problem, The Tattletale Strangler's broken out of prison as well. It's unfortunate timing, we need to hunt down Ms. Gristlepuss and her organization and send them back to The Mariana Trench Prison, and The Tattletale Strangler's appearance is also going to be a huge problem.

Lincoln: No problem.

Me: Cool.

Ymir: What are T.U.O.O.F.A.T.T.A.F.A.D.?

Me: Oh they are a group of Social Justice Warrior fish. They are an organization. It stands for **T**he **U**nited **O**rganization **O**f **F**ish **A**gainst **T**hings **T**hat **A**re **F**un **A**nd **D**elicious and they HATE ALL THINGS fun and delicious like the Krusty Krab and Krabby Patties.

Lily: They are lead by Ms. Gristlepuss and hate all things like that and want to make sure NO ONE has any fun at all! And wants to make sure all food that is tasty are gone.

Plankton: That is sick!

Laney: Social Justice? More like Social Injustice!

Suddenly, Lincoln's deep sapphire eyes glowed, and through a one-way viewing mirror, we saw that he'd put The Tattletale Strangler in suspended animation until we get to his rescue and the window closed.

Nico: Whoa! You put him in suspended animation.

Me: That really is awesome. I also didn't know you could do that, Lincoln.

Lincoln: With my newly evolving powers and with what Regina did pumping me with her Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, I not only gained the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, but I also gained new powers as well, and this was one of them. Alright, now let's finish breakfast and head for Jellyfish Fields.

Lily: (GROWLS) I'm gonna turn those old hags into Tartar Sauce!

We finished breakfast, and we headed out to Jellyfish Fields to help Mage Meadowbrook unlock her Rainbow Power and take down Ms. Gristlepuss and her organization and send them back to The Mariana Trench Prison.

Me: Those old banshees are going to rue the day they messed with us.

Lola: YEAH!

Xenia: And they even have the gall to call us terrorists!

Me: It's the other way around. THEY Are the terrorists.

Nico: YEAH!

Lily: I've hated those old witches the moment they set foot into the Krusty Krab.

Varie: What a bunch of disgusting freaks!

Sir Ivan: (British Accent) Yeah they are not a bunch of well liked fish.

SpongeBob: You're not kidding on that.

Nico: Ivan thank you and Samukai and your teams for coming with me.

Sir Ivan: It's our pleasure Nico. This will be fun.

Mira Sleepus: (Snoring) (Wakes up) Huh? Oh yeah it will be fun. (Falls back to sleep)

Me: Mira is the gene-slammer of Snorlax.

Horsea: I see.

Lynn: Yeah my friend Maya is the same way. She can't help it.

Horsea gave her a wet willie

Mira was still sleeping.

Me: Horsea don't do that. Mira will you do your part against the Anothers?

Mira Sleepus: (Snores) Oh yeah I will.

Me: See?

Horsea: Oh good.

Poromon hopped on her

Poromon: Wakey wakey sleepyhead!

Me: Poromon stop that.

Xenia: Yeah.

Poromon: Okay okay.

Ymir: Good.

Me: Man yesterday was awesome.

Tecna: (British Accent) It sure was. Wow we never had a race around one of the home planets of the Winx Club.

Me: I know. Also we threw that cheater Trip Murphy in jail where he belongs.

Nico: We sure did.

Eli: And it was fun being in a race too.

Universe 666 May: It sure was. Also I had the best day ever. Universe 666 Nico never gave me that much fun.

Me: Glad I could do what your so-called jerk of a husband could not. No offense Nico.

Nico: None taken.

Me: Good.

Qin: May your Universe 666 self deserves so much better than him.

May: I agree there.

Universe 666 May: I'm glad to be with J.D.

Me: Yeah. Now me and Nico both have versions of May.

Lola: Yeah.

Nico: We sure do.

Me: Yep. Also Tecna your Akuma was one MASSIVELY heavily well armed machine.

Tecna: It sure was! Wow that was intense.

Nico: It was.

Maria: And now, we know you weren't going crazy

Me: WHEW! Thank goodness. I'm just glad that I wasn't going fucking crazy.

Nico: No kidding. Crocker and Burns REALLY set you off there.

Me: Yeah. But Lincoln's antidote really helped a lot.

Lincoln: I'm glad.

William: But there was no need for it. Because that poison never affected you to begin with

Me: Well you're right. But there was still residual Dark Orb poison inside me.

Nico: True.

We continued on.

Ymir: Jellyfish Fields is beautiful.

Lily: It sure is. Me, SpongeBob and Patrick come here all the time to have fun and go jellyfishing and we always have lots of fun.

SpongeBob: We sure do.

Ymir: Lily when did you first hear about this organization?

Horsea: We're not terrorists!

Me: No we're heroes.

Nico: Yeah! THE NERVE!

Maria: Yeah!

Lincoln: Okay, guys, we're in for one wild battle, we're here in Jellyfish Fields to help Mage Meadowbrook unlock her Rainbow Power and take down Ms. Gristlepuss and her organization and send them back to The Mariana Trench Prison.

The rest of the team's with us.

Me: I don't know how that old hag and her minions broke out of The Mariana Trench Prison.

Nico: Same here.

Poromon: Maybe it was the ghosts of Dark Sebastian and his minions come back from the dead to get revenge on us.

Caleb Maxwell: That's not possible, they were all sent to The Black Abyss and wiped out for good. Did Crocker or Burns have a hand in this before we sent them to The Warp?

Nico: Knowing those two thorns in our sides, you could be right, Caleb. We'll need to find out from the footage at The Mariana Trench Prison.

Lincoln: After we take care of those fun-hating banshees.

Lily: (GROWLS) I'm gonna trash them! I'm gonna rip their dentures out of their mouths!

Caleb Maxwell: Will somebody hose her down?!

Lincoln: We can't, once Lily gets fired up, nothing's stopping her.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Ms. Gristlepuss and her organization) AHA! There you are! I just spotted Ms. Gristlepuss and her organization, they're 200 yards away.

Emerald Goldenbraid heard a Pokémon cry

Emerald: Look guys!

We saw a Dondozo.

Me: A Dondozo. Cool!

Nico: Nice.

Dondozo: Yeah it sure is.

Emerald: You hungry?

She gave it apples.

Dondozo: Thanks.

It ate them.

Dondozo: Ahh.

Emerald: Want to come with us?

Dondozo: Sure!

Me: Cool!

Poromon: Hop aboard!

Me: Yep.

Then we saw a Plusle and Minun and they had a Magic Lamp with them.

Me: Hey a Plusle and Minun.

Camie: Aww they are adorable.

Me: Hey little guys. And what do you got there?

They handed it to me.

Me: It looks like a genie lamp.

Nico: Please tell me that's not Jafar's lamp

Me: No Jafar's lamp is all black. This one is golden with jewels on it. Lets see.

I rubbed it and then out came colorful light and smoke and out came a girl with pink hair and pink eyes and had pink clothes and angel wings and had Fezandipiti on her forehead, skirt and shirt and had the Skylanders Magic symbol with a Lamp on her arm as a cutie mark and she had a magical golden scimitar.

Shahara: I am Shahara of the Magic Light!

Ninjini: (GASP) Shahara!

Shahara: Ninjini!

They hugged.

Shahara: I'm glad to see you.

Ninjini: Me too.

Me: You know her?

Ninjini: Shahara is a genie like me and she has incredibly powerful cosmic powers and is also a powerful force of good for the Skylanders. She helped me defeat many of Kaos's forces and all that.

Me: Wow that is amazing!

Camie: It sure is!

Me: Also I can see that you have Fezandipiti on you. You were turned into that by Dark Gale.

Shahara: I know all about that. I was turned into that. But thanks to my powers as a genie I can change at will. I used my powers to turn them into chickens and flew out with my lamp with these two.

Nico: I see. But what's with the Plusle and Minun?

Me: They must've been made by Dark Gale too.

Lightning Rod: Let me see!

He used telepathy and gasped!

Lightning Rod: It's Aria and Skye Zeus!

WE GASPED!

Me: The Twins of Zeus!? Oh man!

Lightning Rod: That's right and they helped me defend the Cloud Kingdom from Lord Stratosfear.

Me: Amazing!

Lightning Rod: Lets help them. ONE STRIKE AND YOU'RE OUT!

Me and Lightning Rod went over to them.

Me: You two are adorable as Plusle and Minun. Our friend Tori has those too.

All they did was use Thunderbolt.

Me and Lightning Rod fired blasts of lightning and the blasts collided and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: WHOA! Tough little ones.

We fired waves of lightning and blasted them down.

I snapped my fingers and they reverted back and were both girls with red and blue hair and red and blue eyes and had Plusle and Minun on their foreheads and had red and blue wings. Aria had a cutie mark shaped like the Xi Greek Symbol with a lightning bolt and Skye had an Omega Greek Symbol with a Lightning Bolt as a cutie mark.

We wrapped them in blankets and sat them down.

They woke up.

Aria Zeus: (Groans) What happened?

Skye Zeus: (Groans) Wait are we underwater?

Me: Well yes you are.

Lightning Rod: Are you both okay?

Skye and Aria: Lightning Rod!

They hugged him.

Skye Zeus: We're glad to see you.

Aria Zeus: Same here.

Lightning Rod: Me too.

Me: You both were turned into Plusle and Minun by Dark Gale.

Skye Zeus: (GASP) We remember!

Aria Zeus: Same here.

They were in red and blue suits and injected and in bursts of lightning they turned into Plusle and Minun and Shahara who was turned into Fezandipiti reverted back and grabbed her lamp and flew out with them after firing a blast of magic that turned all the members of Dark Gale into chickens.

FLASHBACK ENDS

Skye Zeus: That was awful.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Eddy: Ed Shut up!

Me: Well we destroyed Dark Gale.

Aria Zeus: Good. Also Ed sure loves chickens doesn't he?

Me: He sure does.

Double D: It's true. Loveable oaf.

Me: Yeah. He even goes as far as to steal Rolf's chickens too. But the guy loves chickens.

Qin: Yep.

Aria Zeus: Wow. Oh me and my sister are both the lightning storm force of Sonya's team. We use our powers of our father to destroy our enemies. Outside the team we help Lightning Rod defend the Cloud Kingdom and beyond.

Me: Wow. Lord Stratosfear is in the M.O.E.

Andrea Davenport: He's my archenemy.

Skye Zeus: Wow that is amazing!

Me: It sure is.

Rarity: Lets get you some new clothes darlings.

The Fashion brigade gave them both red and blue clothes and Thunderbolts of Zeus.

Aria Zeus: Wow we look awesome.

Me: You sure do.

Nico: Nice look.

Skye Zeus: Thanks.

Me: Now we got an evil stupid organization of fun haters to bring down and send to jail.

Lily: THEY'RE NOT GETTING AWAY! TIME TO DIE, YOU OLD HAGS!

Lily went after them!

Caleb Maxwell: Crap...!

Lincoln: Not good. Come on, guys.

We then took off into the air to help Mage Meadowbrook unlock her Rainbow Power and take down Ms. Gristlepuss and her organization and send them back to The Mariana Trench Prison and hose down Lily for getting fired up that badly.

We were flying in the air, and then, we saw our targets: Ms. Gristlepuss and her organization.

Lincoln: There they are.

?: DIE, YOU OLD HAGS!

And we then saw Lily heading after them, and when she got to them, man did she really go all out in trashing them: she was punching and kicking and blasting them all over the place with energy blasts and glowing water waves!

Me: Unreal!

Lincoln: Oh man. I didn't expect Lily to go wild and berserk, but after what that hag said about us being terrorists, I'd be pissed too, but for her to go that berserk.

Lincoln fired glowing water blasts at Ms. Gristlepuss and her organization and restrained Lily, and he made Lily drink the potion he made for me, and then, we saw the last of the Dark Orb poison from Xehanort forced out of her through her armpits and was burned.

Lincoln: Looks like J.D. wasn't the only one who still had Dark Orb poison in their system.

But, then, we saw a bug was forced out of her: it was a blacker version of Vicky's Evil Bug, but this one was made by Dark Sebastian and his minions to turn her into that as a contingency plan to say "Fuck you" to us one last time, and it bit her and made her like this.

Nico: That goddamn parasitic two-faced fucking snake!

Lincoln: And Dark Sebastian was also behind it as well. That snake!

Lincoln burned it and sent to The Black Abyss, and we landed, and Lily had a headache.

Lily: (Groans) What happened?

Lincoln explained, and Lily was horrified.

Lily: So, I still had Dark Orb poison in me, and Dark Sebastian put that evil version of Vicky's Evil Bug in me that made me into that. Oh man!

Lincoln: Yep. Speaking of.

Lincoln gave everyone else his potion, and they drank it and the last of the Dark Orb poison from Xehanort was forced out of them through their armpits and was burned. Finally, Lincoln drank a huge gallon of his potion and the last of the Dark Orb poison from Xehanort was forced out of them through his armpits and was burned, and it was even forced out through the tips of his 105 massive and long brown wolf tails and were burned.

Lori: That literally feels so much better. Now, where were we?

Luna Seashell: Taking out the trash.

Then, a massive tornado of water erupted and appeared behind the Seashell Sisters.

Luna, Sora, Skye, and Stormy Seashell: Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D., you're under arrest for your crimes against The Krusty Krab, All Fun And Delicious Restaurants And Eating Establishments And Restaurants, and slander against Team Loud Phoenix Storm!

Ms. Gristlepuss: You little heathens, how dare you speak to me like that! I will...!

BANG!

CALEB MAXWELL SHOT MS. GRISTLEPUSS AND HER ORGANIZATION IN THE ARM!

Caleb Maxwell: I despise Social Justice Warrior Groups like you lot with a blazing passion, you think you're above the law and what you're doing is right. That is a load of fucking bullshit!

Me: Okay you old hags! Time for you to be thrown out with the trash!

Gristlepuss: Well, if it isn't the terrorists. Ruin any good lives lately?

Me: Actually the only terrorists here are you! And for your information Earth is now a much safer place. Xehanort and all of our dangerous enemies are destroyed. And don't you think that slandering us is getting old? Like you?

Gristlepuss: It doesn't matter. The Krusty Krab will still be closed down!

Me: Not on our watch!

Luna Seashell: You destroyed so many restaurants and ruined so many jobs! You hate fun and only care about seeing people suffer!

Me: Yeah! And you put THOUSANDS of people onto the streets all for your own selfish purposes!

SpongeBob: The Krusty Krab will live on!

Gristlepuss: Then we will kill you all to make sure it doesn't! People like you don't deserve any happiness!

Me: You make me fucking sick!

Lola: You are nothing but a bunch of losers!

Luna Seashell: Now we're going to make sure you are sent to prison!

Deadpool: You're not closing down the Krusty Krab. Especially since SpongeBob's day is close!

Me: That's right!

Gristlepuss: Well we'll make sure he DOESN'T HAVE his day and then the Krusty Krab is next!

Me: IN YOUR FUCKING DREAMS!

Gristlepuss: What did you say to me!?

Me: You heard me! We won't let you get to the Krusty Krab. Also without the Krusty Krab, the people of Bikini Bottom would destroy EVERYTHING.

Nico: Really?

Lily: Its happened lots of times before.

Nico: Oh man.

Camie: Geez.

Gristlepuss: I DON'T CARE! The ocean will be much safer without that rotten dump of a restaurant and this (Points to Mr. Krabs) selfish money-hogging fatassed hooligan is behind bars facing the death penalty!

Mr. Krab: WHAT DID YOU SAY ABOUT ME AND ME RESTAURANT!?

Gristlepuss: YOU HEARD ME!

Nico: If he hadn't changed his ways, that would be welcome!

Me: That's right! You are the ones that need to be executed you old crones!

Gristlepuss: HOW DARE YOU?! KILL THEM ALL!

We went at them and blasted and smashed them.

Suddenly, the skies turned black and red!

Caleb Maxwell: You've tried to shut down The Krusty Krab and all fun and delicious restaurants and eating establishments because you're bland and boring, but what I cannot forgive you the most is slandering Team Loud Phoenix Storm by calling them terrorists! (SCREAMING AT THE TOP OF HIS LUNGS) YOU'RE THE REAL TERRORIST HERE, YOU OLD HAGS! ALL OF YOU ARE FREAKING FINISHED!

Ms. Gristlepuss: Who do you think you are?! Do you know who you are...?!

BUT THEN, CALEB MAXWELL GRABBED HER BY THE NECK WITH HIS LEFT HAND!

Caleb Maxwell: After everything you did, none of you are going back to Inferno Island ever again, instead I'm going to do this! (Demonic Voice) I will pull your stupid hair through each of your eyes and use them as reigns to ride your bony barnacle-encrusted butts back to the darkest pits of The Underworld from whence you came!

WE SCREAMED AND FREAKED OUT AS WE DID WILD TAKES GALORE!

Neptune Crusaders: SWEET NEPTUNE! THAT THREAT HE MADE WAS JUST GRUESOME!

But, then...!

SLASH! SQUELCH! SHRIEKS!

WE SAW SOMETHING THAT WE WOULD NEVER UNSEE: CALEB MAXWELL MADE GOOD ON HIS THREAT, HE PULLED THEIR HAIR THROUGH THEIR EYES, AND IT WAS SO ABSOLUTELY HORRIFIC AND HIDEOUS!

Me, Eli, and Nico: OH MY...! (BARFS)

NICO, ELI, AND I THREW UP AT MS. GRISTLEPUSS AND HER ORGANIZATION!

Nico: OH, GOOD GOD! THAT WAS JUST SICK!

Eli: THAT WAS THE MOST GRUESOME THING I'VE EVER SEEN!

Allie Maxwell: Holy shit, Caleb really did make good on his threat! My God, now I got a bad feeling he's gonna make good on his other threat and use their hair as reigns to ride their barnacle-encrusted butts back to the darkest pits of The Underworld from whence they came!

WE SHRIEKED IN TERROR!

Me: GEEZ!

Dondozo charged at them and blasted and smashed them.

Arkayna, Iron Man, Mandee, Flash, Levi, Mollie, Aqua, Nikiya, Supergirl and Sasuke the Android and Nerissa, Lego Gamora, Avatar Kyoshi, Jinora, Megadramon, Gigadramon, Scorpiomon, Stingmon, Seraphimon, Cherubimon: ELEMENTAL MAGICAL BLAST!

They fired waves of magic and energy and elements.

Arkayna and Nerissa: DRAGON MAGIC BLAST!

Iron Man and Lego Gamora: IRON NEBULA BLAST!

Mandee and Avatar Kyoshi: FLAMING WIND STORM!

Flash and Jinora: SPEED TORNADO BLAST!

Nico punched her!

Nico: People like you make me sick!

Lightning Rod: Lets bring her down!

Skye Zeus: Lets!

Zeus Twins and Lightning Rod: ONE STRIKE AND YOU'RE OUT! LIGHTNING THUNDER BLAST!

They fired waves of intense lightning and blasted Gristlepuss and cronies and electrocuted them intensely with powerful lightning!

Horsea squirted ink and blinded them.

Ninjini: Lets make sure they pay for their crimes.

Shahara: Lets do it!

Ninjini and Shahara: ANY LAST WISHES? GENIE SLASHBLADE BLAST!

They fired waves of magic blades and blasted Gristlepuss and her cronies all over!

Horsea: For the Krusty Krab!

She fired a blast of energy and blasted them.

Me: Let me make one thing clear to you old bat barnacle brains! The Krusty Krab is here to stay and always will be around! If you have a problem with that why don't you go eat chum! Bikini Bottom always NEEDS the Krusty Krab!

Patrick: Because you told me to!

Patrick jumped and landed on a fryer and the pan flung the oil at them and I jumped away and it landed on Gristlepuss's cronies and turned them into fishsticks!

SIZZLE!

Vendor: FISHSTICKS! GET YOUR FISHSTICKS HERE!

We bought and ate them.

A Sea Bear appeared and growled ferociously and roared and smashed and pulverized Gristlepuss and mauled her all over.

Me: YEAH!

Then a stampede of Sea Rhinoceroses came and trampled her!

The Sea Bear continued its assault and really mangled her all over.

Me: Sea Bears hate limping!

It mauled her more!

Me: They hate Crawling too!

It mauled her again!

Gristlepuss: What did I do that time!?

Me: He just hates your guts!

Nico: Pretend to be someone else!

Patrick: Yeah!

Nico: Not that it'll help!

Me: Yeah! Still funny though.

Poromon pecked her.

Poromon: (PECKING HER LIKE A JACKHAMMER)

Gristlepuss was in pain!

Mevya hopped towards her and belched in her face.

LOUD NASTY BELCH!

Mevya: You like that!?

We can't have your psycho brother kill them already.

Lincoln went after Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super

Lincoln also attacked them with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attacked them too with incredible fury.

Nico: So much for making it easy.

Luna: Nah, this is actually easy in Lincoln's eyes.

Caleb Maxwell: Easy? Those are old hags getting thrashed around by a 12'9" tall massive musclebound werewolf who could easily rip them into pieces! I've seen too many werewolf movies to know that to be true!

Lincoln went at Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. and he went wild on them as he punched, kicked, and slashed at them like a wild beast, and he left bleeding scars on them.

Me: Holy shit! He's going wild on them!

Luna: That's for sure!

Nico: GET EM, LINCOLN! TEAR THOSE OLD HAGS TO PIECES!

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D., and then, they collided and they exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Then, he also fired water blasts that hit Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. and exploded and he lifted up a massive mountain and flattened those old hags. Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Mage Meadowbrook: Now, it's time to administer your punishment. I am the Pillar of Equestria for Healing and I will be there to make people better and feel good and in good health, When my cutie mark comes to life, My Healing is a better reward than wealth!

Leaves and flowers swirled around her.

Mage Meadowbrook held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Inside a rainbow sphere with intense flames and elemental forces, Mage Meadowbrook then underwent an intense and amazing transformation! Somnambula had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her dress and she also gained intense rainbow flame patterns and rainbow flowers on her forearms, she also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow flowers, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW FLOWER OF HEALING!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Lincoln: Awesome!

Fluttershy: Amazing.

Me: SHE DID IT! MAGE MEADOWBROOK UNLOCKED HER RAINBOW POWER!

Mage Meadowbrook: Now, to make sure you can never hurt anyone else again.

She fired rainbow flowers and leaves at Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D., and they got hit hard.

Then, James Blunt got the message from one of Caleb's informants.

James Blunt: Perfect. Caleb's network of informants just sent a message, they're joining us for the final fight against Queen Opaline.

Nico: That was quick.

James Blunt: I did say some of them owe me a favor to keep Caleb's return a secret back in 1993 even though it didn't fool Drake.

Allie Maxwell: Plus, some of them knew Caleb's return would mean Hell on Earth if he regained his memories, and all of them failed to kill Caleb, he became immortal and invincible and it wasn't just the blood exchange. That rainbow wave that passed through New York in 1993 did this to him. I got a video to show you guys about a fight some of my friends and I had with Caleb's vengeful ghost the night that rainbow wave hit the city and caused his resurrection.

Me: Wait, they faced his vengeful ghost?

Nico: This we got to see.

Nico: OH NO!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Then, he punched him hard in the face and kicked them in the stomach and he sent them flying into a tree, they got back up, but before they could attack, Lincoln fired streams of water at them and they exploded as they got hit.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Suddenly, we heard a loud howl, and we saw an army of 30'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D., and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. were on their last legs and they were really really mangled.

Ms. Gristlepuss and T.U.O.O.F.A.T.T.A.F.A.D. tried to get up, but then, they were hit by a barrage of elemental blasts that sent them to Inferno Island. We powered down.

Me: Whoa!

Suddenly, we saw a new person appear: he was a 23-year-old male with average build, dark dragon wings, dark dragon tail, dark hair, a black jacket with 10 Elements of Magic, Tech, Water, Fire, Air, Earth, Life, Undead, Light, and Dark on the back, and a dark undershirt, black pants, faded gold knee pads, a large faded gold belt, and white shoes with gray outlines, and he has a large broadsword with all 10 Elements of Magic, Tech, Water, Fire, Air, Earth, Life, Undead, Light, and Dark.

Male: Looks like I made it.

Lincoln: Looks like it, but who are you?

Male: Oh, forgive me. My name is Braeden Carnes, I am the Creator of the Elemental Realms, ten realms of the Elements of Magic, Tech, Water, Fire, Air, Earth, Life, Undead, Light, and Dark much like The Skylands.

Me: Wow, that's incredible. So, you have the powers of Magic, Tech, Water, Fire, Air, Earth, Life, Undead, Light, and Dark.

Braeden Carnes: Correct along with Mind Magic and Dragon Flight with the dark dragon wings I was born with along with dark dragon tail, I have Elemental Attacks and abilities for each element: Magic: Healing Factor, Teleport, Tech:

Transformation, Water: Water Bending, Long Range/Close Combat, Fire: Fire Bending, Fiery Rage, Fire Breath, Air: Air Bending, Thunderbolts, Storm Clouds, Earth: Earth Bending, Earthquake, Life: Vine Booms, Undead: Skeletal Subjects, Soul Stealer, Light: Light Speed, Flashbang, and Dark: Shadowy Shell, Dark Mist, Black Holes, and the broadsword I have here is The Elemental Sword, a powerful broadsword that controls all 10 Elements.

Spyro: Impressive.

Lincoln: When J.D. gained new powers and Earth transformed into Earth Omega, The Skylands merged with Earth Omega, this means The Elemental Realms merged with Earth Omega as well.

Me: I noticed it myself, so now, we got a new recruit, and we'll see what you can do during our Skylands adventures in The Simulator.

Braeden Carnes: I'm honored.

Lincoln: This should be good.

We had her tied up.

Gristlepuss: I suppose this is the part where you send us to the Warp.

Nico: Why should we? You couldn't kill a cockroach on its' worst day. Sending you to the Warp would be a waste of energy. No, we're sending you back to prison. But we'll continue where we left off on Leon's big day.

Me: But what do you expect from Terrorists? Right?

Nico then threw her far.

WHOOSH!

She was thrown all the way to Inferno Island!

Lynn: GOAL!

Nico: Thank you thank you!

Me: Yeah!

Nico: Nice job Dondozo?

Dondozo: Thanks Nico. It was fun.

Poromon got out some beer

Poromon: Want some beer?

Dondozo: Sure.

Poromon: YAY! Here you go.

He drank the beer.

Dondozo: Ahh. (BARNEY GUMBLE BELCH)

Barney: Welcome to the party pal! (BELCH)

Dondozo: (Drunk) NOBODY KNOWS! (HIC) HOW DRY I AM! (HIC) NOBODY KNOWS! (HIC) HOW DRY (HIC) I AM!

I snapped my fingers and reverted him back.

Poromon: Can we go out walking later?

Me: Sure. Me and Kameo will go with you.

Lola: Good idea.

Kameo: Uh why me?

Me: Well I just thought it would be fun.

Nico: Ivan, this is going to sound silly but what do you like to do in your free time?

Sir Ivan: Well I teach all about what the Knights of Old were like back in those days.

Me: Awesome.

Lola: That is amazing.

Qin: Yep.

Varie: Yeah.

Me: Cool.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lok Lambert.

Lok: Another Me? I wonder who it is.

Nico: So we got Another Samukai, Seven Star Princess, Vampire Susan & Mary Test, Pterano Mozoo from Goggle V, Pterodactyl (Scooby Doo) and The Giant Claw!

Me: Yep. And Sir Ivan, Mira Sleepus, Qin Quetzalcoatlus, Professor Ivy, Camilla Florence Nightingale and Dinah Soar

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: You heard about the bodybuilding competition happening on June 5th, and so, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chest like two Alpha Male gorillas.

Nico: There they are!

We saw Another Seven Star Princess, Vampire Susan & Mary Test, Pterano Mozoo from Goggle V, Pterodactyl (Scooby Doo) and The Giant Claw!

Me: WHOA!

Qin: This will be good.

Another Seven Star Princess: Yep.

She reverted back and was the gene-slammer of Diabolos, King of The Abyss!

Nico: Diana Diablos!

Me: Whoa! The gene-slammer of Diabolos, King of The Abyss!

Diana Diablos: That's right. Good to see you Nico.

Nico: Same here.

Me: By the way are the rest of the Anothers friendly or hostile?

Diana Diablos: Friendly and cool.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD

HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: Yep. But we don't have to wait long!

We saw Another Samukai and Lok!

Nico: Whoa!

Another Samukai: (In a girls voice) The Phoenix is coming.

She reverted back and was the gene-slammer of Number 194: Meteor-End-Phoenix!

Nico: Colleen Phoebe!

Colleen Phoebe: That's right. Gene-slammer of Number 194: Meteor-End-Phoenix.

Me: We never saw that one before.

Colleen Phoebe: Yeah it's a cool one and it has intense fire powers.

Me: Wow!

Colleen Phoebe: Yep. Also I have Samukai's powers too.

Me: Cool.

Nico: And your friend?

Another Lok: Someone that is always proud of his son.

Lok: (GASP) Dad?

He reverted back and was Eathon Lombert!

Eathon: Hello my son.

Me: Eathon Lambert! You're alive!

Lok: DAD!

He went and hugged his father for the first time in a long time.

Me: Eathon it's so awesome to see you again after all this time.

Eathon: You too J.D. my friend. How have you been?

Me: Busy than ever. But we all thought you were dead.

Eathon: No I was kidnapped by Swartz.

Dante Vale: We're so glad you're okay Eathon.

Eathon: Same here Dante.

Me: Its been 7 years Eathon.

Kaito (gets out Drive gear): Did Swartz promise you anything?

Zocks (gets out Ghost gear): Because we can grant it instead

They got weapons from said teams.

Colleen Phoebe: No he didn't. I blasted him with intense fire and we ran.

Lola: Cool.

Me: But Eathon you should be really proud of your son. He and his friends all have come a long way ever since they joined us after the battle we had with Voldemort.

Sougo: (Gets out Drive Ridewatch) You won't believe what the Betrayer did to your son

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz: (Gets out Specter gear) He had Demigorgan disguised himself as your Holotome!

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor

Me: Yeah it was sick! But we're in the process of destroying all of Huntik's enemies. We killed NUMEROUS members of the Blood Spiral already.

Sophie Casterwill: (British Accent) That is for sure.

Eathon: I'm glad you are. Also J.D. thank you for killing Simon.

Me: I know he is going to return today. But we're ready for him and the Organization.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance.

Nico: (Gets out Samukai's ridewatch) Time for some pain!

May: (Gets out Vampire Susan & Mary Test's ridewatch) You obviously do not know WHO YOU ARE FUCKING WITH!

Universe 666 May: (Gets out Pterano Mozoo's ridewatch) Time for some Pterodactyl Hotwings!

Maria: (Gets out Pterodactyl's Ridewatch) (Screeches like Pterodactyl Ghost)

Mira Sleepus: (Gets out Seven Star Princess's ridewatch) (Sleepy) Time for seven stars to shine.

They used the powers of Samukai, Seven Star Princess, Vampire Susan & Mary Test, Pterano Mozoo from Goggle V, Pterodactyl (Scooby Doo) and The Giant Claw and blasted the Anothers all over!

Poromon: YEAH!

Then King Tortoise, Blue Fire Finn, J-Reaper, Psycho Wind, Heron Lord Casmelodius Parus and Yzma (X-Squad) came.

Me: WHOA!

Nico: Nice team King Tortoise!

King Tortoise: Thanks Nico.

Me: Wait that ball of wind and air.

Psycho Wind: Yeah I am the Pink Psycho Ranger.

Lincoln: Oh my gosh! That's one of the Akumas of the Psycho Rangers! They are the Hypothetical Akumas of the Psycho Rangers. They are balls of Elements.

Me: Whoa!

Cassie Chan: Didn't see that coming

Me: Me neither.

I put my hand through her.

Me: Wow you are made of pure wind! How cool!

Psycho Wind: I know.

Me: That means Terraspin's team is up.

Nico: Yep.

Terraspin: It sure is.

Me: Cool.

Then out of a vortex of light and a vortex of darkness came Number 44: Sky Pegasus and Number 43: Manipulator of Souls!

Me: WHOA! Number 44: Sky Pegasus and Number 43: Manipulator of Souls!

Nico: COOL!

Number 44: (In a girls voice) It sure is.

Number 43: (In a girls voice) I think it's fun.

Nico: Skye Sorora and Penelope Soulfire! Wow!

They reverted back.

Skye was a girl with blue hair and blue eyes and white clothes and had blue angel wings and had Number 44: Sky Pegasus on her forehead, skirt and shirt and had a cloud and Pegasus on her arm as a cutie mark and had a sky sword.

Penelope was a girl with black hair and purple eyes and black clothes and wings and had Number 43: Manipulator of Souls on her forehead, shirt and skirt and had a ghost in blue fire on her arm as a cutie mark and had a demonic scythe.

Skye Sorora: Good to see you again Nico.

Penelope Soulfire: We got this.

Skye Sorora: 44 STRIKES OF PEGASUS!

Penelope Soulfire: 43 SOULS OF THE DAMNED BLAST!

They fired waves of energy and blue fire and lightning and smashed the Anothers and I caught the Ridewatches and purified them.

Me: Yeah!

Nico: Nice job!

Skye Sorora: Thanks Nico.

Penelope Soulfire: That was fun.

Me: Yeah!

Mira Sleepus: (Mumbling)

Me: Mira asked if you have any good memories of Nico.

Skye Sorora: We sure do. Mine is where me and Nico went to my family's weather simulator and we got to see what it was like in the storms of Saturn and it was intense.

Me: WHOA! Saturn is the most electrically charged planet in the solar system.

Nico: Yep.

Penelope Soulfire: It sure is. Mine is where me and Nico went and killed the entire Bolivian Mafia and made sure they paid for their crimes.

Nico: Yep.

Me: WHOA! That is intense.

Nico: It was.

Nico hugged them.

Nico: I missed you girls.

Skye Sorara: Same here.

Me: We're not done in Bikini Bottom yet. Now we have Lincoln's rescue to do.

Lincoln: Yep. Lets go.

We're taking him down and we're throwing him right back in prison, this time, he'll be thrown into The Mariana Trench Prison in Supermax Security Solitary Confinement and he'll stay there til the day he dies.

We had all of TLPS and The MOE with us.

Lincoln: Looks like we're back in Bikini Bottom, and I know what we're going to do here, not only am going to rescue the two girls here, but we got bad news: The Tattletale Strangler is back and he still wants to strangle SpongeBob SquarePants, but we're not going to let that happen.

Me: Same here. But, are you sure he'll stay in The Mariana Trench Prison this time?

Lincoln: I actually thought about it, and I realized he's not going to stop. It's time I gave that stupid overgrown repulsive sardine what for by giving him a taste of his own medicine. I'm going to strangle him and turn him into chum.

Nico: Are you sure you're up for strangling him, Lincoln?

Lincoln: Of course, it's better than just ripping him to pieces.

Luna: In that case, make sure he lies dead.

Sir Ivan: We must hurry, if that scoundrel breaks out...

Lincoln: No need. After what I did in putting him in suspended animation, he can't escape. Let's get him.

We got a move-on, and we saw The Tattletale Strangler still frozen in suspended animation.

Nico: He's still frozen.

Lincoln: Not for long.

We fired energy blasts that hit The Tattletale Strangler freeing him from suspended animation, and it pissed him off as we landed.

Tattletale Strangler: I WILL STRANGLE ALL OF YOU!

Lincoln: Oh, enough already. We're done with you, Tattletale Strangler, this time, we're getting rid of you.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at The Tattletale Strangler and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S

ASSAULT ON THE TATTLETALE STRANGLER! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT THE TATTLETALE STRANGLER WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you!

Then, Andre Lupeau went after The Tattletale Strangler and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Abaddon Aeternus went after The Tattletale Strangler and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at them, and he even slashed at him with his massive greatsword which really hurt like Hell!

Finally, Lincoln ran at The Tattletale Strangler, and he began strangling him with his left hand, and he was unable to even fight back: Lincoln's massive godly superhuman strength was that great, and then, Lincoln turned The Tattletale Strangler around using telekinesis, and then, he plunged his hand into his back and went to his spinal column.

Once he found it, he pulled with great force and strength and ripped The Tattletale Strangler's spinal column with his head clean off, and he let out a Yautja roar. The Tattletale Strangler was dead, and instead of prison, we sent The Tattletale Strangler to The Black Abyss. We cheered as we holstered our weapons and powered down.

Nico: Oh man, now this time, you used the powers of the The Yautjas on that rotten sardine, and you even used the Yautja roar as well.

Me: Awesome.

Yulia Dutch Schaeffer: I taught you too well, amazing.

Lily: Guess that's it for The Strangler.

Lincoln: Now he's gone forever.

?: (Japanese Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long purple hair and purple flower in her hair, purple eyes, massive black angel wings, she has the Mayakashi symbol on her forehead, beautiful black kimono, white gloves, sandals, long white long-sleeved trenchcoat with stars, earth, oxen, phoenixes, and angels on the coattails, and on the back is Oboro-Guruma, the Wheeled Mayakashi, and with her are the two girls.

Lincoln: (GASPS) Miyako Sato, Avatar and Gene-Slammer of Oboro-Guruma, the Wheeled Mayakashi.

Miyako Sato: (Japanese Accent) That's right, and I got the girls away from that monster before you put him in suspended animation.

Me: He didn't...!

Nico: I'm gonna guess he tried to.

Lincoln: I can guess it, but he got caught by my trap. (To Miyako Sato) And it's so good to see you again, Miyako.

Miyako Sato: (Japanese Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Miyako Sato had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Miyako Sato was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Miyako Sato: (Japanese Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Miyako Sato's waist and hugged her, and Miyako Sato is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Miyako Sato: (Japanese Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Akane Minazuki: (Japanese Accent) And so do we, this is Miyako Sato, Avatar and Gene-Slammer of Oboro-Guruma, the Wheeled Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Geokinesis, earth, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Oboroguruma, and Oboro-Guruma, the Wheeled Mayakashi. She's the Ox Earth Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Miyako Sato came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, earth, poisons, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Oboroguruma, and Oboro-Guruma, the Wheeled Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, earth, the powers of the Oboroguruma, and Oboro-Guruma, the Wheeled Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion, and she swore to kill him with the strength of a thousand oxen.

Me: Lincoln told us everything, and knowing Dark Chandler, I know he did something bad to piss you off, and I'm not asking.

Lori: It's best you don't.

Lincoln: That's for sure, with all the things we'd known about him, if we heard one more revelation about him, we'd make an effigy of him and burn it to the ground. And now that you're here, Miyako.

Lincoln with his massive muscular arms still wrapped around Miyako Sato's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Miyako Sato: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Miyako Sato with purple gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Miyako Sato: (Japanese Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Miyako Sato.

Miyako Sato had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Miyako Sato's waist, and he leaned down to her face and kissed her on the lips, and with Miyako Sato's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Miyako Sato had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Miyako Sato: (Japanese Accent)(In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The two girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the two girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the two girls are Shizuku Kusano from Futari Solo Camp and Fiori from Evil Prince and the Puppet.

Lincoln: Oh whoa, it's Shizuku Kusano from Futari Solo Camp and Fiori from Evil Prince and the Puppet.

Nicole: So, those were the girls Miyako saved, and Travis and Red were right telling the others to run to their rooms: they're cute.

Lincoln: Thank goodness I put The Tattletale Strangler in suspended animation and Miyako got them to safety. Are you girls okay?

Shizuku Kusano: Yes, we're okay thanks to you.

Then, when Shizuku Kusano and Fiori saw who it was that saved them from The Tattletale Strangler, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The

Shizuku Kusano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Shizuku Kusano: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shizuku Kusano and Fiori with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's good riddance to The Tattletale Strangler.

May: All of Bikini Bottom's glad to be rid of him for good.

Lincoln: I knew there was no redeeming qualities for a bottom feeder like him.

Nico: Same here. Strangling anyone who turns him in, even the bullies from my high school back in New Jersey were just as bad as him.

Me: And just as disgusting.

Qin: Well, you're also right about that. The bottom feeders we've had to deal with in high school were absolute assholes.

Allie Maxwell: Even the bastards and bitches in my high school in New York were just as bad, but the ones from

LaGuardia High School, they were manipulative assholes and shitfaced fuckers who tried to destroy Caleb's reputation and damn him forever because of Drake's hideous actions. But, after they regretted their actions, Tucker freed them from Caleb's vengeful fury.

Caleb Maxwell: I should've accepted their apology, but my angry heart still remembered everything they put me through in the 1980s and I'd never forgive them.

Travis Tackett: They showed their regret, but Caleb still held onto the painful memories of the past so much so, that he wanted revenge on them from beyond the grave.

Tucker Williams: That's why I had to free them, they'd gone through the years of regret and torment after that night in 1984.

After Lincoln and all of us destroyed The Tattletale Strangler and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Miyako Sato saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Miyako Sato: (Japanese Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Miyako, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Miyako Sato: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Miyako Sato: (Japanese Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Allie Maxwell got out a gold videotape.

Allie Maxwell: Okay, guys, now this tape I have here is from 1993, this is where three of my friends, Sarah Devins, Michael Peterson, and Nadine Walters along with myself were at The East Bronx, and I was in my high school senior year, and it was there we did some investigating about the rumors of a young man in a bloodstained dark red shirt, black pants, and black boots, but we soon found out the young man was a ghost: the vengeful powerful hostile ghost of my older brother, Caleb. But, it was on the night we decided to fight him that the rainbow wave passed through New York and it would lead to Caleb's return.

Allie Maxwell put the tape in, and it showed New York in the late afternoon to early evening hours of 1993, and Allie Maxwell, along with Sarah Devins, a yellow-furred cat with blue eyes, long blonde hair, and blonde tail, Michael Peterson, a brown-furred cat with brown eyes, blue hair, and blue tail, and Nadine Walters, a white-furred cat with green eyes, long black hair, and black tail were heading to The East Bronx.

Past Sarah Devins: I don't like going to the East Bronx especially at this time, you know what'll happen when the sun goes down.

Past Michael Peterson: I know, but we need to do some investigating. Apparently, there's been rumors of a young man in a bloodstained dark red shirt, black pants, and black boots, and he's been killing criminals who are found later riddled with bullets.

Past Nadine Walters: (Shudders) That alone gives me chills. What kind of person could do that?

Past Allie Maxwell: I don't know, but whoever it is, we need to stop him.

They continued onwards, and they began asking some of the locals there, and they told them about this young man about how he appears every night and when one of the local thugs shows up and winds up in his direction, he's grabbed by the person and dragged away and winds up found the next morning with his body riddled with bullets.

Past Sarah Devins: It's the same story. But, what is this guy's reason?

Past Michael Peterson: No idea.

Suddenly, they came across The Hallowshade Bar.

Past Nadine Walters: (Gasps) That's...!

Past Allie Maxwell: The Hallowshade Bar. This place once an awesome bar now has become a place that was the scene of a brutal murder scene, eight years ago on Halloween Night in 1985, there was a massacre, all of the patrons and the two bar workers, Mabel Jensen and Junie, were killed.

Past Sarah Devins: They didn't catch the guy. But, I remembered there was another person who was killed here, but this was after the massacre.

Past Allie Maxwell: The police are still investigating hoping to find someone who can give them info on what happened here.

But, then, as soon as Allie Maxwell touched the front window of the bar, she suddenly felt a memory rush through her head, it was the memory of The Hallowshade Massacre in 1985, and she also saw a person who was heading to the bar in a panic, and she saw a young man with dark brown hair, dark red shirt, black pants, and black jeans: he matched the one the locals in the East Bronx had seen, but he had no bullet holes in the shirt nor blood, and the scene of his death also played out, but she also heard a name: Caleb Maxwell.

When the memory ended, Allie Maxwell took her hand off the front window, and she had tears in her eyes.

Past Allie Maxwell: Oh God...!

Past Michael Peterson: Allie, what is it?

Past Allie Maxwell: I saw the scene of The Hallowshade Bloodbath, and that man I saw, he matched the one the locals had seen. And I know that young man.

Past Nadine Walters: You do? Who was he?

Past Allie Maxwell: He..., he was my older brother..., Caleb Maxwell.

They gasped.

Past Sarah Devins: Caleb Maxwell? He was the guy who got killed in 1985 during The Hallowshade Bloodbath. Why was he heading to this place?

Past Michael Peterson: He must've felt something bad happened there and headed to the bar, but he came across the bloody scene of the massacre, and that was when Allie's ex-older brother, Drake Maxwell, showed up, and he and those four senior Syndicate members shot Caleb dead. So, that means...,

Past Allie Maxwell: The young man in the East Bronx is none other than my older brother, Caleb Maxwell. His body may be buried, but his ghost has been here killing any thug who comes here, he's been driven by revenge and hate, and he wants them to feel the same pain he had: the pain of being torn to pieces by bullets and left to die all alone.

Past Nadine Walters: This is bad, this is a powerful hostile ghost we're dealing with, Allie. We need to cross him over to the other side and fast or who knows what your brother's gonna do.

Past Allie Maxwell: We need to wait for nightfall, that's when Caleb will awaken. But, if we're dealing with a ghost, we need additional help. Let's call your brother, Sarah.

They waited patiently and Sarah's older brother, Ryan, arrived, and suddenly, they saw the sun go down.

Past Ryan Devins: The sun's gone down. Now, we can go after Caleb.

They headed inside, but they saw a male cat with tan fur, black hair, blue eyes, and black tail and dressed in punk clothes there.

Past Michael Peterson: Oh great, it's Tony Daniels, notorious bad boy.

Past Nadine Walters: Not that punk.

Tony Daniels: I kept waiting...

That shocked them, his voice was cocky and bold, but the tone of voice coming from him was filled with darkness.

Tony Daniels: In a dark...dark place.

They kept their distance as Tony Daniels lifted his head up facing them.

Tony Daniels: Shall we begin?

They slowly walked to him.

Tony Daniels: I'm falling...deeper into darkness...! I'm fading.

Another Voice: There is no escape...!

Suddenly, Tony Daniels began walking to them, and Ryan Devins got out his crucifix that fired a beam of light at Tony Daniels who let out a painful shriek, and a mist of black darkness and blood came out of him, as they grabbed the notorious bad boy. Suddenly, the ghost of Caleb Maxwell appeared from the mist, and the group ran out of the bar.

90s ROCK MUSIC PLAYS

Caleb Maxwell: No one will survive...no one.

The battle began as Caleb's ghost appeared surrounded by a mist of darkness and blood and they hear his insane laughter, and they used the special crucifixes Ryan had brought for them, and they heard the thoughts and pain he had in his heart.

Caleb Maxwell's disembodied voice: I kept waiting...in eternal darkness. I was all alone with no one to help me, I shut everyone out when they wanted to help me, but the memories of betrayal and pain tore at me over and over again and again. I tried so hard to find a way out of the darkness, but even if it succeeded for you and Mom, Allie, it ended with me falling into darkness eternal and I was unable to get out. My future was already in jeopardy when Drake's constant attacks and physical abuse led to my life being shortened to the point where I would die at age 21, but on that night of the massacre, I was killed at age 20. My body was laid to rest, but I would never rest, I will kill all those responsible for my death, and all those unlucky to cross my path, they too shall suffer, I will make all of them feel my pain.

They fought well, but Caleb Maxwell was too powerful, the hatred and darkness in his heart was too powerful. He fired blasts of darkness and blood at them, but they dodged them.

Caleb Maxwell: I'll make you feel my pain.

Caleb Maxwell proceeded towards them planning to inflict his curse on them, but then, a rainbow wave passed through New York, and the energy wave hit Caleb's vengeful spirit as he screamed as most of the murderous darkness he had was purified, but then, they saw his spirit being carried off by the wave.

Past Sarah Devins: What was that?

Past Allie Maxwell: No idea. But, Caleb's ghost, it's gone. Did we...?

Past Ryan Devins: I don't know, but I feel it, the air is no longer heavy, the darkness is gone.

They headed home, but what they didn't know was the rainbow energy wave carrying Caleb's spirit was heading to his resting place, and once there, his spirit fell back into his grave and beams of light exploded out of the ground. Suddenly, a hand restored to flesh and blood dug out of the grave, and an arm rose out of the ground as well along with the other arm, and there we saw it: Caleb Maxwell had returned from the dead restored to life as he let out a loud scream that shook all of New York.

The video ends.

Me: Oh man!

Nicole: That was even more intense than the ghost fights against the ghosts in the Fatal Frame franchise. But, you had those special crucifixes that helped you against Caleb.

Allie Maxwell: It was something Ryan had, his dad's a pastor and he knew Caleb's angry spirit had been here and killing thugs who cross his path since his death in 1985, but when Lincoln's Dark Side Eternal Purification wave hit our world's New York, it freed Caleb from most of the darkness that clouded his heart and brought him back from the dead.

Caleb Maxwell: And everything you saw was true. Despite I was laid to rest in the cemetery, I still wandered through the East Bronx and any thug who crossed my path was killed by my curse as they were found the next day with bullets riddled in their bodies like me. This had gone on in 1985 and had continued on for eight years until 1993 when I was brought back. Yet, most of the darkness that caused me to kill had faded, when I opened my heart again, I let all of the remaining darkness in me out, and that led to me gaining the powers of darkness.

We got a shower, and then, Lincoln and Simulator Pomni are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Pomni was dressed in a purple two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her, purple sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Simulator Pomni had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Simulator Pomni: Wow, so this is Jolly Roger Bay, it sure is beautiful.

Lincoln: It sure is, Pomni, and it's perfect for our first date. Shall we?

Lincoln and Simulator Pomni dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Simulator Pomni also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Simulator Pomni a deep tissue massage, and when he was done with that, Simulator

Pomni was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Simulator Pomni got an extremely massive and deep atomic red blush on their faces when she saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Simulator Pomni: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Simulator Pomni and he hugged her in his abnormally massive and powerful muscular arms, and she placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Simulator Pomni with purple gems on the gold lightning bolt links and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklaces of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Simulator Pomni is in your harem, Linky.

Simulator Pomni showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Simulator Pomni: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots went to the door.

Poromon: Well we're off.

Me: And me and Kameo are heading out with them.

Lok: Have fun, you guys.

Me: We will.

We went down to the planet.

We were walking.

Me: Boy such a gorgeous day.

Kameo: It sure is.

Poromon: I'll say.

Kameo: Hope you guys don't mind that I'm with you

Poromon: Not at all. This will be fun.

Me: I'm excited.

But then...

SMASH!

We saw a BUNCH OF TROLLS! They came through a portal and were wreaking havoc!

Me: WHOA! We got a bunch of trolls attacking!

Kameo: They are trolls from my world!

Me: Lets get them!

I unsheathed my sword and we went at them!

They grabbed Poromon and we're about to cook him over a fire

But what they grabbed was a dummy!

It exploded!

KRABBBBBBOOOOOOOOOOOOOMMMM!

I slashed the trolls!

SLASH SLASH SLASH SLASH SLASH!

Kameo turned into Furnace and blasted them with fire!

I fired blasts of lightning and blasted the trolls!

Kameo turned into 40 Below and blasted the Trolls and froze them in ice!

Manaphy, Poliwag and Horsea blasted the trolls all over!

We were splattering blood and guts, limbs, organs and entrails all over the place!

Me: (YELLS WITH FEROCIOUS FURY!)

* * *

Reflector: Think we should check on the mascots?

Nico: Good idea.

Then the alarm sounded!

Nico: Uh oh.

Nico went and checked it on the computer.

Nico: There's a disturbance downtown! Lets go!

They went down to the planet!

First Aid: What have you guys done now?

But they got to our position and saw us STANDING VICTORIOUSLY OVER A MASSIVE PILE OF TROLL BODIES AND BLOOD, GUTS AND MORE WERE SPLATTERED ALL OVER!

Nico: HOLY SHIT! LOOK AT ALL THE TROLLS!

Kameo: Hey guys!

Nico: (Shocked) Where did all the trolls come from?

Kameo: These are all trolls from my world and they were attacking!

Poromon: We killed them all!

Nico: You guys killed all these trolls!?

Qin: WHOA MAN! WHAT A BLOODBATH!

Ashi: Holy crud! More than that army I slaughtered all by myself!

Me: Yep. We counted 10,232 of them.

Poromon: They tried to eat me!

Nico: Oh man!

Poromon: But I used a dummy substitution and blew them apart.

Me: Yep.

Nico: Very clever.

Kameo: Coming with the mascots was a good idea.

Nico: Boy it sure was! Wow!

Me: WHEW! Nothing like a good warmup before the main mission.

Nico: I'll say. But with trolls.

Me: Yep. But I think these trolls were sent as a distraction so the Organization can get ready.

Nico: You might be right on that.

But then...

THUNDEROUS FOOTFALL!

Me: WHAT THE!?

Poromon: Is it a giant troll?!

Qin: No it's THEM!

We saw a Gigantamax Wailord and Mega Wailord!

KRASMASH! KRASMASH!

Me: WHOA! Gigantamax Wailord and Mega Wailord!

Lola: They are huge!

Nico: HOW BIG ARE THEY?!

Me: HUGE!

Thumpback: Let me see here.

He used telepathy and gasped!

Thumpback: Oh wow! It's Belinda and Cierra Balenopterra!

Me: You know them Thumpback?

Thumpback: Aye I sure do. They are the greatest pancake eaters in the Great Pancake Slalom.

Nora Valkyrie: WOW! That sounds like my kind of event!

Cali: Oh it's a fun event. This is a grand racing tradition celebrating the epic journey of peinguin explorer, Onk Beakman. During the trek, he avoided dangerous crevices and survived by eating only pancakes. Thus, you too must avoid balloons that represent crevices and eat pancakes that represent pancakes to properly recreate his expedition. Oh and Giants get more time for eating pancakes.

Nora Valkyrie: WHOA! Now I REALLY want to participate in that one!

Me: (LAUGHS!) For you Nora that would be awesome.

Nico: Seriously, how big are they?

Me: Gigantamax Wailord is 197 feet long and weighs over 3,000 pounds.

Nico: GEEZ!

Me: Mega Wailord is over 120 feet long and weighs over 2,000 pounds!

Ash: HOLY CRUD!

Poromon: That's big!

Me: I know!

Thumpback: Lets go help them out.

Me: Right!

Thumpback: HAIL TO THE WHALE!

We went to face them.

Thumpback: Belinda, Cierra it's me Thumpback!

The Gigantamax Wailord tried to eat Horsea but she tossed her clone in her mouth instead

But the Gigantamax Wailord spit it out and then...

SQUISH!

SQUISHED IT UNDER HER HUGE GIRTH!

Nico: OUCH!

Me: WHOA! The bigger they are the harder they fall!

Me and Thumpback blasted them with water and then I snapped my fingers and they shrunk and reverted back and were girls with blue hair and blue eyes and had blue angel wings and had Gigantamax Wailord and Mega Wailord on their foreheads and both had blue whales with waffles, pancakes and french toast on their arms as cutie marks.

We wrapped them in blankets and brought them over to a bench.

Me: Boy that was big.

They both woke up to see Horsea's smiling face.

Belinda Balenopterra: (Groans) Huh a Horsea?

Cierra Balenopterra: What are you doing here?

Horsea: You squished my clone!

Thumpback: You are okay now lassies.

Belinda and Cierra: Thumpback!

They hugged him.

Belinda Balenopterra: We're glad to see you.

Thumpback: Same here.

Their stomachs growled.

Cierra Balenopterra: Whoa you got any pancakes?

Me: I think I can help with that.

I spun my magisword bracelet.

PANCAKE MAGISWORD!

I gave them huge stacks of pancakes with syrup and butter.

Horsea: And I tossed my clone into your mouth!

Belinda Balenopterra: I thought I tasted something fishy.

Me: You girls were turned into a Gigantamax and Mega Wailord.

Belinda Balenopterra: WHOA!

Cierra Balenopterra: We remember!

They were both in aqua blue suits and injected and then they transformed and their huge sizes destroyed the lair and they plopped to the ocean!

FLASHBACK ENDS

Cierra Balenopterra: It was awful.

Me: I know. But we destroyed Dark Gale forever.

Belinda Balenopterra: Good.

Nora Valkyrie: Boy you girls REALLY Love pancakes like me.

Cierra Balenopterra: We love them! We can't get enough of them.

Nora Valkyrie: You girls and me are going to get along great.

Me: Yep.

Belinda Balenopterra: Yeah. Oh me and Cierra are the cafeteria chefs for Sonya's team. We make breakfast. But we also use the powers of the whale to destroy our enemies. We use water and whales to destroy them. Also outside the team we help Thumpback and the Skylanders destroy the forces of Kaos.

Nico: Wow!

Me: That is amazing.

Nico: Wailord are known to be huge

Me: That's nothing compared to Gigantmax Snorlax. They can grow up to 114 feet tall and weigh over 135,000 pounds!

CLANG!

Nico, May, Ash and Brock had their jaws drop!

Eli put them back!

Nico: GEEZ!

Me: I know. That's like trying to lift up a third of the moon!

Nico: Yep.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them blue clothes, Pancake and Waffle Magiswords and blue swords.

Cierra Balenopterra: Wow we look great.

Me: You sure do.

Poromon: Yep.

Kameo: I was not expecting trolls from my world to appear like that.

Dirge: I think those trolls were sent for a reason

Me: Yeah and I think I know what it is. To distract us long enough to prepare for battle.

Nico: I have a feeling you're right.

We went back home.

We were watching TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than my archnemesis, Simon Judeau, he's back from the dead and he and The Organization want revenge on us for destroying them. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Simon Judeau, he's back from the dead along with The Organization, and he wants revenge.

EVERYONE GASPED!

Lok: I knew it.

Me: I knew it was coming!

Eathon: So, Simon's come back along with The Organization.

Nico: That explains the attacks from his men. So, this is it, now we can get rid of him. But, is The Betrayer and The Blood Spiral also among them along with DeFoe?

Lincoln: No, they're not. They'll be on the days of Sophia Casterwill and Dante Vale, and before we go, I've also got something to show you guys.

Suddenly...!

Lincoln: SHINE LIGHT UPON US!

Then, a tornado of light and solar fire appeared behind Lincoln, and when it faded, we saw a pure white dragon.

Me: Whoa! Is that a...!

Lincoln: Yep. Everyone, meet Alexander, The Legendary Titan of Valor and goes by its other name: The Legendary Titan of The Sun. It's a dragon of the day and is very powerful in the powers of light, The Sun, energy, life nourishment, purification, fire, and flames. It's one of the strongest and most powerful titans of the Huntik Spirits and beyond.

Me: WOW! That is so cool!

Nico: That is so awesome!

Me: Where have I seen this dragon before? (GASPS) Wait a second, I remembered seeing the news of a white dragon killing Organization members. Then, that was...?!

Lincoln: You remember. Yes, just like you, J.D., I am a Legendary Seeker of the Huntik Spirits. I've been a member of The Huntik team ever since I met Alexander when I was eleven, and Alexander is my signature Legendary Titan, but I have other Titans as well.

We also saw that Lincoln has Wolf Knight, Jirwolf, Pellinore, Undine, Sunhawk, Raijin the Thunderbolt, and Fenris.

Me: WHOA! Lincoln that is so cool! I didn't know about that!

Dante Vale: Now, I remember as well. Lincoln's also a Legendary Seeker of the Spirits, and he's taken down a lot of Judeau's men after J.D. killed him.

Nico: Our minds...they're broken!

FWOMP!

Most of them fainted, but got back up.

Lok: He really helped in cleaning up Judeau's mess, and he got rid of the last of Trudeau's men long ago.

Sophia Casterwill: (British Accent) Indeed, and there is something else you should know.

Lincoln: Allow me to tell them. You see, guys, in addition to being The Reincarnation of Amaterasu, The Sun Goddess of Japan, I am also the blood descendant of King Arthur, the ruler of Camelot in Arthurian myth.

OUR JAWS DROPPED!

CLANG!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Eli closed our jaws.

Me: I recognized that when you turned into your Orange Legend Warrior and Orange Angel Mystic Force Ranger form, you had the mighty sword, Excalibur.

Lincoln: Correct, I have the powers of Amaterasu and the mighty powers of King Arthur of Camelot.

Nico put his skeleton back.

Nico: That is amazing!

Me: WOW! So all the times we helped King Arthur himself, we had no idea we were actually helping your ancestor Lincoln.

Lincoln: Yep.

Me: WOW! I am blown away!

Even Catherine Arthur, Shareya Arthur, Lady Theia the Just, Dame Minerva Arthur, and The Knights of Michigan's Table were amazed.

Catherine Arthur: (British Accent) The blood of our father indeed also runs through your veins.

Nico: This really is an incredible revelation, now Dark Chase Young is in even deeper shit. Alright, team, let's go, this is the last time we ever have to deal with Simon Judeau.

Lincoln: Judeau, this time, you and your Organization shall disappear into the shadows for good, and this time, you are never coming back.

Me: We have some UNFINISHED BUSINESS to settle my old friend.

Nico: My mind's blown right now

Me: I know.

Ymir: Who is Simon Judeau?

Me: Oh right you haven't been told about him yet. He's an old enemy of mine. 7 years ago before I started the team, I helped the Huntik Foundation and Dante Vale and his friends battle Simon and the Organization and destroyed them.

I went over his history.

Simon Judeau, otherwise known as the Professor, was the cruel and devious founder of the Organization. The Professor was motivated by the desire to heal himself of a curse in conjunction to his past with Metz, Dante Vale, and father of Lok Lambert, the famous and legendary Seeker, Eathon Lambert. The Professor's signature Titan was Araknos, the Legendary Titan of the Mind. He was also one of the most powerful enemies that the Huntik team had faced.

He serves as the main antagonist of the first season of the 2009 animated TV series Huntik: Secrets & Seekers.

He was voiced by Mike Pollock who was famous for voicing Dr. Eggman from Sonic X and Sonic Boom and Garbageman from TMNT 2003.

In the 1950's, when Simon Judeau was a teenager, he was a member of the Huntik Foundation and the mentor of a young Eathon Lambert. The young Judeau worked along with Metz and Eathon to fulfill many missions and to discover several Titans; within the group, Judeau served as the brains, Metz as the muscle, and Eathon as the intuition.

Upon discovering the location of the Legendary Titan of Mind, Araknos after a year's search, Simon entered the temple and put on the Ring against his team's advice and against the warning inscription. Instantly, Simon was cursed and had to be hospitalized for several years because the effects of the curse were beyond the abilities of Huntik Foundation magic and medicine. During this time in 1958, Eathon remained a loyal friend and was by his side everyday. When Simon was well enough to walk again, he escaped and left his Titan, Dendras, behind so that Eathon could bond with it. Eventually Simon made a deal with Araknos that would allow him to live on for sometime until he found a cure for his ailment, without informing anyone Simon vanished.

Simon eventually started the Organization in 1959 using the mind control abilities of Araknos. Judeau also falsified the history of the Organization, so as to make it seem as if the Organization had existed for years when in reality it was a relatively new company. While beginning the Organization, Simon attempted to gain the help of Eathon but he rejected his offer. With the creation of the Organization, Judeau donned the alias of the Professor.

After discovering that Eathon had found the resting place of the Amulet of Will, Simon hunted him down with five of his best operatives. Eathon managed to escape by faking his death, jumping off of a waterfall in Peruand using the power of the Nexus beneath the waterfall to escape to Huntik, the Spirit World.

After Eathon's disappearance, the Professor sought after Eathon's journal, which held clues which would lead to the Amulet of Will and the other two Legendary two Huntik Foundation members,Dante Vale and Lok Lambert, managed to uncover and bond to Behemoth and Tao, respectively, the Professor used his wiles to claim them as his own.

The Professor was then confronted by the Huntik team in his castle. Though the Professor managed to invoke the Legendary Titan of Immortality, Overlos, Dante used the power of Archwarder to disrupt the Professor's control of Overlos so that Lok could use Dendras' power to control Overlos and to command him to open a portal and take the Legendary Titans back to the Spirit World of Huntik. Defeated, the Professor found himself caught by the webbing of Araknos and was also taken into Huntik by Araknos' web after a failed attempt to save him by Lok Lambert and Dante Vale. Like Eathon, the Professor currently resides in Huntik.

When it was done everyone that hadn't heard about it was shocked!

Camie: Oh man! That is rough.

Me: It was. Simon's goal is to become immortal and use an army of titans to rule the world.

Ymir: Did you kill him?

Me: Yes. All it took was him getting hit with a Kamehameha Blast head on and it obilterated him and blew the entire building he was in completely into oblivion.

Nico: I remember you saying that. That was intense.

Lok: It sure was.

Eathon: Wow! Also Simon was once my mentor and my best friend. He taught me everything he knew about being a Seeker and taught me all he knew about what it was for and all that.

Me: I remember that Eathon. It's a shame your friend became this way.

The Previous Group came.

Patty: Can me, Mumbo Jumbo, Grizzly, Selma, Golden Glider, Professor XXXL, Zzzax, Skulker, BlackWarGreymon, Toad, and Machinedramon go with you guys?

Nico: Yes you all can go.

Me: Cool. Also Vypra and Dark should come too. From what I remember 7 years ago, Dark and Vypra were there when we fought DeFoe and the Organization the first time.

Nico: I remember that.

Me: Also I have a feeling it's Vypra's turn too.

Shego: Nico, which Gene Slammer do you think you'll meet next?

Selma: I hope it's someone powerful.

Nico: Number 42: Galaxy Tomahawk and Number 41: Bagooska the Terribly Tired Tapir.

Me: I have a feeling Number 41 is going to be a REALLY Sleepy and tired girl.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Emperor of Mankind, The God-Emperor of Mankind, and the overarching protagonist of the Warhammer 40,000 franchise, he's been restored to flesh and blood and is coming after us. When we saw it, we knew it meant trouble.

Lincoln: What the?

Me: You got to be kidding me! That was...!

Lincoln: The Emperor of Mankind, The God-Emperor of Mankind, and the overarching protagonist of the Warhammer 40,000 franchise, he's been restored to flesh and blood and is coming after us.

Hunter: (German Accent) Mein Gott, I knew that he'd be coming after us, be careful with him: The Emperor of Mankind fought against The Chaos Gods for thousands of years and he's the most powerful human psyker, or psychic, to ever exist.

Anna Kolesnichenko Cooper: We'll be careful with him.

Nico: That's good, but we've fought more powerful villains than him, we'll make sure he gets absorbed by Lincoln. Alright, team, let's go, this is the Endgame of The Organization.

Lincoln: Trudeau's death and the Organization's will also send a message to DeFoe and The Blood Spiral and The Betrayer telling them they're next, and once we get done with Trudeau, you're finished, Emperor of Mankind.

Anna Kolesnichenko Cooper: You made a mistake coming after us, Emperor of Mankind, now we will make sure you never return.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed out to destroy Simon Trudeau and The Organization, and once we got done with them, Anna Kolesnichenko Cooper and Lincoln are going to destroy The Emperor of Mankind and send him to The Black Abyss after Lincoln absorbs him.

We were off to Warsaw, Poland.

We arrived in Warsaw, Poland.

Me: Here we are.

Xenia: This is gonna get ugly really fast.

Mumbo: Let's call the Wrecking Crew.

Me: Good idea.

We did so and called Vypra and Dark too.

Bulldozer: We're ready.

Wrecker: This will be fun.

Vypra: Boy this brings back memories.

Dark Spicer: First time in 4 years since we destroyed the Organization.

Me: I know. Boy those were good times. And now here we are in 2024 and ready to kill them.

Nico: Yeah.

Bai Tza: We should call Pendragon.

Me: Good idea. We'll have an army of titans to help us.

Camie: Good idea.

Lok: DeFoe should be here too.

Me: I'm afraid not. He is coming later on. But we're going to be ready for him. DeFoe also hates my guts.

Ymir: Why?

Me: Because I killed all of his friends in the Organization when we raided them 7 years ago and left him to die. Ever since then, he has hated my guts and vowed to get revenge.

Professor XXXL: He'll have to take a rain check

Me: Yeah. We'll wait for him later.

Camie: Yep.

Tso Lan: And by later, you mean on another day?

Me: Yes I do.

Tso Lan: Good.

Qin: But what Simon and the Organization don't know is that we've gotten so much stronger and larger in numbers since then.

Me: Yep. They are in for a nasty surprise.

Top Man: But he's in for a surprise

Me: Yep.

Then we heard a roar.

Me: What the?

Lola: LOOK!

We saw a dark dragon flying in the sky!

Xenia: What is that!?

It looked like a dark version of Quetzalcoatl!

Me: It looks like Quetzalcoatl but it's black!

Lincoln: WHOA! That's Lord Coyolxauhqui! The Hypothetical Akuma of Lok Lambert and a master of the nght and darkness and the stars of the night. He was made because of the Organization killing Lok's dad father and vowed to destroy them.

WE GASPED!

Me: WHOA! He's named after the Aztec Goddess of the Moon!

Xenia: Amazing!

Vypra: Wow! Rex would love to meet that one!

Nico: Let's send him a picture

Me: Good idea.

He landed.

We snapped photos with our phones.

Lord Coyolxauhqui: I appreciate the photos.

Me: Wow! Lok you look awesome! You are amazing as a dragon of the moon.

Lord Coyolxauhqui: I know.

Eathon: My son? Is that you?

Lord Coyolxauhqui: Dad? Oh dad!

He nuzzled him.

Lord Coyolxauhqui: I was so upset when you died.

Eathon: I'm not dead son.

Me: We are here to destroy the Organization forever.

Lord Coyolxauhqui: Good. And before you guys ask yes it is still me.

Toad: Your dad was actually turned into Another You

Lord Coyolxauhqui: He was?

Me: Long story on that. Swartz kidnapped him and turned him into another you.

Lord Coyolxauhqui: Wow.

Me: Swartz is gone forever.

Lord Coyolxauhqui: Good. And when you guys defeat me I have a parting gift for Starlight Glimmer.

Me: Cool.

Wrecker: I guess getting you to calm down is out of the question?

Lord Coyolxauhqui: Yep.

Me: Okay then.

I fired waves of energy and blasted him all over.

The Wrecking Crew went and bashed him down.

Lord Coyolxauhqui: My turn! MOONLIGHT SEVER BLAST!

He fired a blast of moonlight and I fired waves of energy and the blasts collided and my blast overtook his and blasted him down.

Then he disappeared. I caught a purple jewel ring and it was for a new dragon spirit.

Me: Whoa what's this?

Babs Seed: What's that?

Me: It's a new Titan Ring.

I looked it up.

Me: It was for Coyolxauhqul - Legendary Titan of Majesty. It's the Dragon of the Moonlight and it's the strongest of the Titans and beyond. It has more power than the Betrayer and Araknos times 100,000,000.

Nico: Holy cow!

Starlight Glimmer: Wow!

Machinedramon: Who gets it?

Me: Well we were already told.

I gave it to Starlight Glimmer.

Starlight Glimmer: Oh wow.

She put the ring on and its power was surging through her!

Nico: WHOA!

Starlight Glimmer: This is gonna be intense.

Me: It sure is.

Eli: Uh oh! Guys we got company!

We saw NUMEROUS Organization agents coming!

Me: Looks like they know we're here!

We went at them!

Agent: KILL THEM!

Agents: AURAFORCE!

They fired blasts of energy.

Me: RAPID FIRE!

I FIRED NUMEROUS BLASTS OF ENERGY AND BLASTED THEM!

Lincoln fired waves of energy and lightning and blasted them into nothing!

Me: That was easy. But that was just for starters.

Blitzwing: Let's get ready for another wave.

Me: That's exactly what they want us to think.

We heard the angry screams of Simon Judeau echoing.

Me: There's Judeau.

Lincoln: He and the rest of The Organization have caused enough trouble, it's time to end this. SHINE LIGHT UPON US!

Lincoln summoned Alexander, Legendary Titan of Valor, along with Wolf Knight, Jirwolf, Pellinore, Undine, Sunhawk, Raijin the Thunderbolt, and Fenris, and they attacked many of the Organization's men killing them and their souls were then absorbed by Lincoln who drained them of energy and their powers were also absorbed along with imprisoning their Titan Spirits, and Alexander attacked Simon Judeau with fire, light, and solar fire.

Suddenly, the spirits of the Legendary Titans and Titans appeared and they attacked Simon Judeau and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, Dragon Roar, and Phoenix Cry was heard and we appeared, and that made Simon Judeau super pissed!

Me: Remember me, Judeau?

Simon Judeau: YOU!

Me: Yes J.D. Knudson! Long time no punch Simon! You got some nerve coming back from the dead, Judeau. In truth, I thought I was finally done with you.

Lincoln: Along with DeFoe, The Betrayer, and The Blood Spiral but then again, you were nothing but stubborn cockroaches who never know when to quit.

When Simon Judeau saw the Amulet of Alexander, Amulet of Jirwolf, Amulet of Wolf Knight, Amulet of Fenris, Amulet of Pellinore, Amulet of Sunhawk, and Amulet of Raijin the Thunderbolt in Lincoln's massive greatsword and Ring of Alexander that'd merged with his Ring of The Phoenix, that pissed him off!

Simon Judeau: YOU GODDAMN LITTLE INSECT! HOW DO YOU ALSO HAVE...!

Lincoln: (Smirks) J.D.'s not the only Legendary Seeker, I am as well, and your men caused a lot of trouble for a long time, but no more.

Me: Yep, this is where The Organization dies along with you. RISE!

In a massive vortex of fire I summoned Phoenix, Legendary Titan of Rebirth, and I also summoned Quetzalcoatl, Jirwolf, and Enfluxion.

Lincoln: SHINE DOWN UPON US!

Lincoln summoned Alexander, Legendary Titan of Valor, and he also summoned Wolf Knight, Jirwolf, Pellinore, Undine, Sunhawk, Raijin the Thunderbolt, and Fenris.

Lincoln: Simon Judeau! You don't have any idea what you are up against.

Simon Judeau: Oh, I don't, do I?

Lincoln: No, you don't. Because not only am I The Reincarnation of Amaterasu, the Goddess of the Sun, I am also the Descendant of the mighty King Arthur of Camelot!

Simon Judeau: WHAT'S THAT!? WAIT, THEN..., THAT MUST MEAN YOU'RE...!

Lincoln: That's right! (ENERGY AURA FLARES UP INTENSELY) I AM LINCOLN LOUD! YOUR ULTIMATE WORST NIGHTMARE!

THE SUN SHINED EVEN BRIGHTER THAN EVER AS A CHORUS OF ANGELS SANG AND LIGHTS SHINED DOWN FROM HEAVEN! SIMON JUDEAU, YOUR TIME IS UP, AND YOU ARE IN AN EVEN DEEPER BOATLOAD OF EVEN DEEPER SHIT, DARK CHASE YOUNG!

HE WAS SHAKING IN FRIGHT! HE LOOKED LIKE HE SAW A GHOST!

Me: That's not the only thing!

Eathon came to him.

Simon Judeau: (GASP) Eathon! You're alive!

BlackWarGreymon: And feeling much better.

Simon: So, you were one of Swartz's experiments!

Eathon: That's right. You have terrorized the world for too long.

Me: And now we're going to make sure you die right now Simon!

I fired waves of energy and blasted the agents of the Organization all over!

KRABBBBBBOOOOOOOOMM! KRABBBBBBOOOOOOOOOOMMM! KRABBBBBBOOOOOMMM! KRABBBBOOOOOOOOMMMM!

Massive fiery explosions blasted off all over!

Vypra jumped and slashed and cut the agents all over.

Agents: BOLTFLARE!

They fired waves of lightning.

Dark turned into his Amperi form and deflected the lightning back and it hit them.

Ty Lee: Have some of this!

She did somersaults and bashed them and used Chi Blocks and paralyzed them.

Me: You lost last time Simon because you completely underestimated our power!

Simon: Well we'll see how long you last!

Me: Bring it! Your overconfidence will be your undoing!

Zzzax: You're in for a shock!

He fired waves of lightning and blasted the agents.

I fired waves of energy and lightning and blasted Simon all over.

Simon: That your best shot?

Me: I'm just getting warmed up. Also your little troll minions weren't much of a threat!

Simon: WHAT!? They were supposed to keep you distracted long enough while we got ready!

Me: Well you thought wrong!

Simon: AURAFORCE!

He fired a blue energy blast

I fired an energy and the blasts collided and exploded with incredible force!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOM MMMM!

Slobber Trap: They almost ate Poromon!

Simon: I don't care!

KROW!

I punched him and fired fire blasts!

Simon: BOLTFLARE!

He fired waves of lightning and the blasts collided and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: Had enough?

He roared.

Golden Glider: Probably not!

I fired waves of light and blasted him.

Me: You relentlessly pursued Dante and friends all over the world to kill them. Well let me tell you something! As long as we are present, you will NEVER touch them!

Strut: That's right!

Simon: Then I will kill you all first!

Me: Jeez for someone called The Professor, you sure are stupid!

I fired waves of energy and blasted him.

He fired lightning blasts and I fired waves of lightning and the blasts exploded and massive fireballs rained down and blasted the agents all over.

Grizzly: My turn!

Grizzly slashed the agents all over and clawed them all over.

Camie: Take this!

She fired waves of aurora blasts and blasted them.

I punched Simon in his stomach and kneed him in his crotch and punched him numerous times in the chest and kicked him in his fce and knocked his teeth out!

Starly charged at him and bashed Simon all over.

Me: Your mother was a pathetic waste of space! She found someone better and that's me! (LAUGHS)

I was just pushing his buttons!

Simon: YOU SON OF A FUCKING BITCH!

He went at me and I dodged his strikes and blows. I kicked him.

Me: We had a good time!

Nico: (In his head) He is pushing his buttons. Clever.

HE GOT EXPLOSIVELY MAD!

Starlight Glimmer: SHINE DOWN! LEGENDARY TITAN OF MAJESTY - COYOLXAUHQUL!

Shining down from the sky in a beam of blue moonlight was Coyolxauhqul!

Qin: COOL!

She had it fire beams of darkness and blasted him.

Lincoln, Lok, Nico, and I and the rest of us went after Simon Judeau and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Simon Judeau, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Lok, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Simon Judeau even more.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Simon Judeau and we all found ourselves not only in Heaven, but also, in space.

When all is said and done, what little did you achieve through your actions. You walk the path of a fallen hero always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Emperor of Mankind, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Emperor of Mankind, and he began absorbing him and he assimilated The Emperor of Mankind's Nigh-Omnipotence, Nigh-Omniscience, and Nigh-Omnipresence added to his True Omnipotence, True Omniscience, and True Omnipresence, Absolute Mind, Absolute Psionics, Absolute Will, Astral Projection, Causality Perception, Clairvoyance, Evil Immunity, Alpha Human Physiology, Exotic Human Physiology, Transcendent Human Physiology, Transcendent Spirit Physiology, Mankind Deity Physiology, Collective Entity Physiology, Hyper-Competence, Immortality, Indomitable Will, Infinite Resourcefulness, Perception Manipulation, Superhuman Strength, Superhuman Endurance, Superhuman Durability, Supernatural Condition, Supernatural Charisma, Telekinesis, Telepathy, Master Combatant, Weapons Mastery, Access to Magic and Advanced Technology, Unparalleled Leadership Skills, and Humanity Lordship, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Emperor of Mankind except for his armor that merged with Lincoln's Belt of Elemental Bravery and his sword that merged with Lincoln's massive greatsword, and Lincoln drained his soul of energy and he also assimilated his soul and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Anna Kolesnichenko Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Anna Kolesnichenko Cooper: It's over for you, Emperor of Mankind, and to this we say good riddance. Thanks for helping me get rid of that fallen hero, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Anna.

Me and Nico: Our pleasure, Anna.

Suddenly, Anna Kolesnichenko Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Anna Kolesnichenko Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Anna Kolesnichenko Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Anna, you transformed and you guys really let that Emperor of Mankind have it.

Me: That's for sure, he didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Lust and The Pot of Lust appear.

Lincoln: (GASPS) The symbol of Lust and The Pot of Lust.

Mara Lucifer: Oh man, I knew it, it's them! The Seven Deadly Princesses of Sin!

Me: WHOA! THE SEVEN DEADLY PRINCESSES OF SIN!? Who are they?

Mara Lucifer: The Seven Deadly Princesses of Sins are a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives.

WE GASPED!

Me: HOLY HELLFIRE!

Mara Lucifer: Yep, and if anyone crosses them by hurting Lincoln and everyone around him, you risk getting hit with one of their deadly curses that'll spell your eternal damnation in Hell.

Me: (GULPS)

Luna: And even some of Lincoln's worst enemies stayed far away from them, not wanting to suffer. But, some like Lynn, Flip, Scoots, Hawk, Hank, Killjoy Huggins, or Chandler are so stubborn, they basically try to provoke them by attacking Lincoln, and the end results are really horrific.

Me: WHOA MAN! They better watch out! HELL AWAITS THEM!

Nico: If they aren't careful. So, who's the first we're meeting tomorrow?

Lincoln: The appearance of The Symbol of Lust and The Pot of Lust, there's only one person I know who matches that: Adriana Nightshade, Avatar and Gene-Slammer of The Pot of Lust and Deadly Princess of Lust.

Me: Uh oh.

Mara Lucifer: I knew it was her, and you guys are gonna enjoy meeting her, Adriana Nightshade, Avatar and Gene-Slammer of The Pot of Lust and Deadly Princess of Lust, is Lincoln's Guardian Angel from Las Vegas and she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Lust. She's known as The Deadly Princess of Lust and Avatar and Gene-Slammer of The Pot of Lust, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adriana Nightshade has the power to turn male thugs into hulking massive musclebound brutes full of lust only to be absorbed by Lincoln and he assimilates their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of libido, and extreme levels of testosterone. Adriana Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Lust, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Lust, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lori with a blazing passion, and she swore if she saw Lori being cruel to Lincoln again, she'd send Lori to Hell forever to be raped by male demons for eternity to satisfy their eternal lust.

WE GASPED!

Nico: HOLY HELLFIRE! I heard the stories that a dark Princess of Lust turned hundreds of prisons full of male prisoners in New Jersey into hulking massive musclebound brutes full of lust only to disappear.

Lincoln: That was Adriana Nightshade, and their disappearances, that was me absorbing them and assimilating their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of libido, and extreme levels of testosterone.

Nebula Lanaia: Which explained why you looked even insanely ripped than ever, and you made out with Lily the Mermaid, Paige, Girl Jordan, Ronnie Anne, and all your Guardian Angels and made love to them all day and all night.

Lily the Mermaid, Paige, Girl Jordan, Ronnie Anne, and all of his Guardian Angels blushed madly.

Me: Lincoln, you wild, love-crazed wolf.

We laughed.

Evil Seed: That's one Huntik villain down.

Grumblemon: And 2 more to go.

Aqueduct: Rassimov will be taken care of in a rescue.

Hsi Wu: Just like you guys said.

Me: That's right and we have all the time in the world.

Mirror Master: So, what now?

Me: We head home and celebrate.

Nico: Good idea! Great job today everyone!

Lok: (To the viewers) Now I have my dad back and the Organization and Simon Judeau are a forgotten memory.

Me: Yep.

We went back home and went to Lynn's Table.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Lily the Mermaid: We finally got rid of Simon Judeau and The Organization, and I'm sure it ticked off DeFoe, The Betrayer, and The Blood Spiral.

Anna Anyanova: It did, and Lincoln showed everyone his Legendary Titan of Valor, Alexander, along with the Titan spirits he has, and he also revealed that in addition to being The Reincarnation of Amaterasu, he's also The Blood Descendant of the mighty King Arthur of Camelot. This is gonna mean Dark Chase Young is gonna be in absolute deep shit!

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and they were on top of Lincoln as they kissed passionately.

Aphrodite Carrington: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Aphrodite Carrington's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it

also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Lightning's Day to Shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, but then, a crash was heard and Lincoln and his harem woke up.

Lily the Mermaid: What was that?

Lincoln: It's coming from the kitchen.

Lincoln and his harem got dressed and came out, and they met up with me and my harem and Nico and his harem along with the rest of the team who were also awakened by the sound.

Nico: You also heard it too?

Lincoln: Yep.

Me: The alarm didn't go off because it wasn't an intruder.

Then, we went in, and we saw the fridge was opened and empty. Suddenly, we heard the sound and as we opened the drawer, someone came out: it was Qin, but she was eating as Scalebreath.

Nico: Qin? You almost scared us, do you know what time it is?

Me: Yeah it's after midnight.

But, she kept on eating and she was snoring.

Me: Qin, can't you hear us?!

Qin reaches into a jar of pickles and plucks one out. She then proceeds to drink the whole jar, abandoning her selected pickle.

Edd: Uh, Qin?

Edd holds his cactus, Jim, out to protect himself.

Edd: D-Don't make me use this!

Qin opens her mouth and takes a bite out of the cactus.

Edd: (Horrified) You ate Jim. Qin, cacti have feelings just like you–

She stops and stares at Qin, as she comes back carrying many various foods.

Edd: Hold it right there, Qin! Stop! Where are you going with all our food? Qin, they'll spoil!

Qin comes back and takes Jim. She then proceeds to climb out the kitchen window with her supplies.

Edd: Qin, come back here and close this refrigerator door!

Qin, oblivious, walks on.

Edd: Qin!

Lincoln: Oh no, we got another Sleepeater situation!

Me: Oh...crud.

Nico: Damn. We need to get after her at once.

Lincoln and his harem, me and my harem, and Nico and his harem went outside, but then, we were met by Caleb Maxwell and The NYPD Nightshift.

Jack Howard: Can someone explain to us what's going on here?

We explained.

Caleb Maxwell: Sleepeating? What a bunch of...!

Suddenly, we saw a sliding door open, and Qin was carrying out more food.

Caleb Maxwell: What is she doing with all that food?

Edd: Qin is like a swarm of locusts ready to purge the city and all its good people of their food!

They were horrified.

Caleb Maxwell: You know, you scare me when you do that. Let's go see what she's up to.

They followed us, and we were near another house. But, then, the door came crashing down with Qin carrying a whole refrigerator, and as it opened, she scarfed down all the food inside it.

Caleb Maxwell: Oh my God! I can't believe her, she scarfed down all the food in the fridge!

Eddy: WOO-HOO-HOO-HOO! Man, tell me I wasn't dreaming. She scarfed the whole fridge! (LAUGHS)

Edd: Shh!

Cage Blunt: (LAUGHS) Oh man, that's just crazy!

Travis Tackett: This is not funny, Cage, we need to get her back to the World Tree Estate before she goes after another house and eats all the food there too.

Qin is in somebody's kitchen. As we watch, she opens the fridge and takes out a pie and eats it, and washes it down with a carton of milk.

Edd: I hope she doesn't wake Jimmy. This is not good.

Eddy: This is rich, Double D! Have a seat, front row center to the greatest show on earth!

He is shown lying on a beach chair and pulls out a bag of popcorn.

Edd: Are you gonna share those?

Qin ingests a whole melon, but this is nothing compared to what she does next, however; she eats a whole armful of food. She then uses a piece of bread to wipe her face, and Qin tosses the bread in the air and catches it with her mouth.

Edd: (impressed) That was very good!

Eddy: I can't figure out where she's putting it all! [He looks back at the kitchen and doesn't see Qin.] Huh? Where'd she go?

Jimmy is in his bed, sleeping soundly. He has a sleeper over his eyes. He hears a board creak and wakes.

Jimmy: Egads! What was that perfume? [He lifts the sleeper off one eye.] Santa?

Edd: [in the kitchen with all of us] Do you think Qin swallowed herself?

Me: I don't think so.

Jimmy: Help! Help!

We rush over to his bedroom and open the door. Inside, we can see that Qin is ingesting Jimmy.

Jimmy: Saliva! Yuck! Germs!

We close the door on the scene.

Caleb Maxwell: Oh, that's just plain wrong!

Eddy: Good thing I'm a man of the world.

Edd: I'm terrified beyond rational thought. I can't look!

Eddy turns the doorknob again. Inside is Jimmy, shivering in a puddle of saliva. Qin is nowhere to be seen.

Eddy: She spit Jimmy back out!

Edd: Phew!

Eddy: Let's go! I don't want to miss Qin getting heartburn!

We followed the sleepeating Qin, but we also saw the mess that she left behind as we saw a trail of food containers and food leads us to the lane.

May: Look at this. Qin must have bilked the whole neighborhood of its food!

Edd: Messy, messy. (He picks up a milk bottle) Sleepwalking and eating everyone's food is one thing. But, LITTERING?

Eddy: Check it out, Double D! Whoo! Qin ate 20 whole boxes of bran muffins!

Me: She's going to feel that.

Edd: This could be dangerous, Eddy.

Eddy: Oh, yeah! [He zooms off, following the trail]

We follows the trail around the side of the World Tree Estate.

Eddy: This mess should lead us right to her!

We see a trail of sausages. As we watch, it is pulled into a bedroom door: we knew Qin has returned home.

Eddy: Bingo! [He grabs the sausages and pulls.] Gotcha. Whoa!

Qin yanks back on the sausages, sending Eddy inside. He boomerangs off a table beneath a window onto the ceiling and falls into a chair.

Edd: Careful, Eddy.

Eddy: [Pulling a cooked turkey out from beneath the cushion] Finders keepers!

Edd: Um, Eddy? [He points.]

Eddy: What? [He looks in the direction Edd indicates and snickers. Qin is back to normal and is lying bloated on her bed, food strewn about her.]

Eddy: (LAUGHS)

Edd: Qin seems quite content among all that food.

Eddy: Yeah, like a beached whale. [He climbs on Qin.] She looks so natural. Oh, Qin? Qin?

Suddenly, Caleb Maxwell grabs Qin's pajamas and shakes her!

Caleb Maxwell: WAKE UP, GOLDILOCKS!

Eddy: Whoo! And I thought I had a loud mouth.

Qin awakens.

Qin: Hi, guys!

Edd: Qin, do you know that you walk in your sleep? And that you have consumed all the food within a five-block radius of your bed?

Qin: [Trying to move] Not only that, but I feel as though I have consumed all the food within a five-block radius of my bed. [She looks at Jim.] Jim got a haircut.

Edd: Don't you remember anything, Qin!?

Eddy: [eating a loaf of bread with soda] You were great! You ate everything, including Jimmy!

Me: Yeah you're as bloated as a thanksgiving turkey.

Qin: (Freaked out) WHAT?!

Me: Don't worry, you spat Jimmy back out.

Qin: Oh, thank goodness. I don't know how this happened.

Me: Usually you don't remember anything after waking up.

Nico: I think I know. Qin, was all that sleepeating the work of repressed stress from when your parents were attacked and killed by The Russian Mafia?

Qin: Hmm.

Suddenly, Qin remembered.

Qin: Oh crap, it is.

Chris Taylor: Oh man.

Then, Mr. and Mrs. Chen came in along with Qin's sisters.

Mrs. Chen: So, that's why you were sleepeating? Oh, Qin, we're so sorry.

Qin: Mom, this wasn't your fault. I should've gone to therapy about this after what happened to you and Dad all those years ago.

Me: Why don't we do that in the morning. But, first, we'll need to get you back to normal.

Lincoln got out a serum and Qin drank it. Suddenly, her bloated stomach shrank right back to normal.

Qin: Now, that's much better. But, I think I'm gonna be stuffed in the morning.

Chris Taylor: Do you always have potions and serums for any kind of situation?

Lincoln: Yep.

Me: It's good to always keep prepared for anything.

Nico: Especially for sleepeaters.

Lincoln snapped his fingers and the mess was cleaned up and the fridges in Gotham Royal York and ours were restocked with food, and we returned to our rooms and we went back to sleep. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. And thank goodness we took care of Qin's sleepeating problem last night.

Luan: And we cleaned up the mess and restored everything to normal. But, Qin's got a lot of stress from what happened to her parents at the hands of The Russian Mafia.

Qin: Which is why I'm getting help by going to Ino for that.

Me: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln,

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was The Takar Vikings, they've returned and are causing havoc yet again!

Me: Oh shit!

Juniper Lee: Oh great, The Takar Vikings! At least, my friends aren't possessed by them.

Rayman: No, they're not, but they still need to be stopped and sent to Vypra once we seal them inside an amulet. (Suddenly feels something) Uh oh. I feel something about to happen!

Suddenly, Rayman's purple eyes turned neon purple and he was surrounded by a purple, red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, light, darkness, moonlight, magic, Lums, dragons, fairies, phoenixes, and angels. But, then, something in his mind suddenly snapped as the memories of what The Takar Vikings did centuries ago and possessing June's friends to get the second half of The Amulet of Takar rushed through his head, and then we felt it.

Rayman: You bloodthirsty Takar Vikings, you know, it's bad enough you crossed many lines centuries ago with the pillaging and plundering, and don't get me started with the murders, it was no wonder you were imprisoned in the first half of The Amulet of Takar. (SUDDENLY STARTING TO GET REALLY PISSED OFF AS HIS PURPLE, RED, WHITE, GOLDEN

YELLOW, AND BLUE ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE EVEN MORE) But, when you possessed June's friends and turned them into Vikings to get the second half of The Amulet and take permanent control over them and bring about a new reign of terror to the world...! (SUPER MEGA NTH-DEGREE PISSED OFF SCREAM OF PURE FURY AND RAGE) THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU, YOU DESTRUCTIVE VIKINGS! I'M PUTTING A PERMANENT END TO YOUR RAMPAGE OF HAVOC AND DESTRUCTION HERE AND NOW TOGETHER WITH YOUR WORTHLESS MISERABLE AFTERLIVES! (DRAGON ROAR)

Juniper Lee: Oh no, Rayman's lost it big time and exploded with rage. Ah Mah will be down here in a split second!

Just then, June's grandmother, Jasmine Lee, arrived, and she also invited some of Orchid Bay's magical creatures.

Jasmine Lee: You thought I was coming by myself? No way, besides, I invited a few of these guys to see the fight. This is gonna be messy, oh, and you all might want to hit the deck. (GETS OUT A MEGAPHONE) STAND BACK, HE'S GONNA BLOW!

We immediately ran for cover, and then...!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF RAYMAN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE FAIRY, RAINBOW FIRE ANGEL, RAINBOW FIRE LUM, AND RAINBOW FIRE DRAGON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE FAIRY, RAINBOW FIRE ANGEL, RAINBOW FIRE LUM, AND RAINBOW FIRE DRAGON WENT BACK TO EARTH AND RAYMAN GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Rayman clenched his hands and screamed like an infinite-times fucked-up madman as his screams reached the Heavens, and he was surrounded by a massive vortex of purple, red, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, light, darkness, and magic surrounding the vortex, there are Lums, dragons, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with blood red eyes glaring at The Takar Vikings: the blood red eyes of eternal death, eternal damnation, and eternal judgement and we saw heavenly lights shine down on the vortex!

Juniper Lee: You're right about that, I feel it, and we'll make sure they get sealed into an amulet, and we'll need to use an incantation to make sure of that.

Lightning woke up to see Hitmonchan staring at him

Hitmonchan: Good morning Lightning!

Lightning: SHABLAM! I'M READY! Lightning is ready to strike!

Hitmonchan: YEAH! Lets get you breakfast!

He got dressed!

Lightning got exercised up!

Hitmonchan: HUP TWO HUP TWO HUP TWO HUP TWO HUP TWO!

He ran to the table!

He came and piled on the protein like Lincoln did.

Me: Morning Lightning! You ready for your day?

Lightning: You bet I am!

Lynn: (HOWLS) YEAH!

Me: Yeah!

Qin: (YAWNS)

Lightning: Whoa Qin are you alright?

Qin: (YAWNS) I had a really rough night.

Me: We had a little incident in the middle of the night with her.

Qin: Yeah.

Lightning: Oh man.

Me: We'll have to tell you about it later.

Nico: Yeah.

We finished breakfast, and we headed down to Orchid Bay to help Star Swirl unlock his Rainbow Power and take down The Takar Vikings, seal them up in an amulet, and send them to The M.O.E.

Nico: It sure is.

Claudia Choleric: I'm going to fuck up a bunch of bad guys.

Me: Nice.

Terraspin: This will be really good.

Nico: Terraspin, I want to thank you, King Tortoise, and your teams for coming

Terraspin: It is my pleasure.

Claudia Choleric: I am going to kill ANYONE that gets in my fucking way!

Lincoln: Easy Claudia.

Nico: Claudia, what do you like to do in your free time?

Claudia Choleric: Well besides killing people I hate, I like to vent my rage at the gym. YOU GOT A FUCKING PROBLEM WITH THAT!?

Nico: No. I'm just asking

Lincoln: Nico you'll have to forgive Claudia. She is always angry and is not afraid of expressing it.

Me: Yeah.

Nico: Oh.

Claudia Choleric: Yeah it's part of who I am. I hate everything and I'm always angry with everything and the world.

Lincoln: She gets angry at the drop of a hat.

Me: Like this?

I dropped a small hat.

TING

CLAUDIA ROARED IN EXPLOSIVE FURY AND THREW A CAR AND SMASHED IT DOWN ONTO EDDY AND IT EXPLODED!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

He was burned bad and had some of his teeth missing!

Eddy: (Dazed and stupid) Hey if you find any teeth laying around, they're mine.

FWOMP!

He fainted.

Lincoln: Exactly.

Claudia calmed down.

Nico: GEEZ! She's a ticking time bomb!

Lincoln: I know.

Chris: Well, Author, you made my wife sleepwalk and she got bloated. Are you proud of yourself?

Jamesdean5842: Well look on the bright side at least no one got hurt. Also Lincoln's powers fixed everything.

Poromon: Is she with us right now?

Chris: Here on my back.

She was sleeping.

Me: Poor girl. Really had a rough night.

Qin: Yeah.

Jamesdean5842: Sorry guys. Everyone has some form of stress from anything. You all know that right?

Chris: (Sighs) Yes we do.

Nico: (to the other Underground Girls) I hope you girls don't have that problem

Sydney: No we didn't thankfully.

Me: Qin went through a hard life before joining us. Remember?

Nico: Yeah I know.

Me: But Qin is gonna get help from Ino.

I snapped my fingers and Eddy was healed up.

Eddy: Thanks. I'll give her jawbreakers too.

Poromon: Now we have to get new food

Me: No need for that Poromon.

Lincoln: I used my powers to restock our stuff.

Poromon: Oh then nevermind.

Qin: (YAWNS) Maybe I should sit this one out. Let my contingency plan do its thing.

Me: Okay.

She teleported back and a clone of her appeared.

Qin: There. That's better.

Chris: Oh I forgot about that.

Horsea: Next time, we should put a lock on the fridge

Me: That's what I suggested a long time ago because of how you got into our beer.

Horsea: Oh. Right.

Me: Anyway.

Qin: Wow yesterday was intense!

Nico: No kidding! WOW!

Me: My unfinished business with the Organization is over.

Lok: And I have my dad back.

Nico: How many did we kill?

Me: I counted 912,234 members of the Organization.

Camie: WHOA!

Ymir: That is a lot!

Iormu: I know!

Universe 666 May: That was intense!

Manaphy: It sure was!

Me: Wow! That's one of the Huntik's big bad 4 dealt with.

Camie: It sure is.

Lola: I'm glad they are dead.

Me: Yeah.

Nico: And 3 to go.

Me: Yep.

Starlight Glimmer: Man Lok's Akuma was really amazing.

Camie: It sure was!

Lola: Yeah! I'll say!

Me: I wonder what the Akumas for Dante and Sophie are going to be like soon.

Sophie: (British Accent) We'll find out soon.

Me: Yep.

Poromon: I hope so

Me: Yeah.

Lincoln: Okay, guys, we're in for one wild battle, we're here in Orchid Bay to help Star Swirl unlock his Rainbow Power and take down The Takar Vikings, seal them up in an amulet, and send them to The M.O.E.

The rest of the team's with us, and we saw Orchid Bay was a mess!

Me: WHOA MAN!

Qin: What a mess!

Xenia: Yeah!

Me: I knew they'd escape from The River of Fire, now we got to take care of them once and for all.

Nico: By sealing them in an amulet and giving it to Vypra, she'll keep an eye on those savages.

Rayman: That's for sure.

Juniper Lee: This'll be the last time those guys run loose. Now, we better hurry before those jerks try anything else.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but

they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Becky heard a Pokémon cry

Becky: Look guys.

We saw a Mega Butterfree.

Me: Whoa a Mega Butterfree!

Nico: Cool.

Mega Butterfree: Man I am hungry.

Becky: Here.

She gave her food and apples.

Mega Butterfree: Thanks.

She ate them.

Becky: You're welcome. Want to come with us?

Mega Butterfree: Sure!

Me: Cool.

Poromon: Welcome aboard

Mega Butterfree: Thanks.

Laney: Wait look there.

We saw a Mega Swanna.

Me: Ooh a Mega Swanna.

Xenia: She's pretty.

Nico: What's that doing here?

Me: I think it's one of Dark Gale's works.

Wild Storm: Lets see.

He used his telepathy and gasped!

Wild Storm: It's Grace Stormthunder! She's my student and best friend and helped me and my senseis battle all kinds of threats in Skylands.

Me: Whoa!

Camie: Wow!

Me: Lets go help her!

Wild Storm: THE ROAR OF THUNDER!

We went over to her.

Wild Storm: Grace it's okay. It's me Wild Storm.

She tried pecking Horsea but she put her clone in front of her

POINK POINK POINK POINK!

Horsea Clone: HEY! I'm the Original!

I fired blasts of fire and blasted her down.

Me: Okay then.

Me an Wild Storm fired blasts of lightning and electrocuted her.

I snapped my fingers and she reverted back. She was a girl with aqua blue hair, blue eyes, sky blue angel wings and had Mega Swanna on her forehead and had thunderbird in front of a cumulonimbus cloud on her arm as a cutie mark.

We wrapped her in a blanket and brought her to a bench.

Me: There.

She woke up to see Horsea's smiling face

Grace Stormthunder: (Groans) Huh? A Horsea?

Horsea: You pecked my clone!

Wild Storm: Grace are you okay?

Grace Stormthunder: Wild Storm? Master Wild Storm!

They hugged.

Grace Stormthunder: I'm glad to see you master.

Wild Storm: Same here.

Me: You were turned into a Mega Swanna by Dark Gale.

Grace Stormthunder: (GASP) I remember!

She was in a blue suit and injected and then turned into a Mega Swanna and flew out.

FLASHBACK ENDS

Grace Stormthunder: It was awful.

Me: I know but we destroyed Dark Gale for good.

Grace Stormthunder: Thank goodness. I am the Storm Mage of the team and use my powers over the weather to bring down our enemies. Outside the team I use my powers and skills I learned from Wild Storm to help the Skylanders bring down the forces of Kaos.

Me: Wow!

Nico: Good job to have

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new aqua blue clothes and a sword like Wild Storm's.

Grace Stormthunder: I look awesome.

Me: You sure do.

Lincoln: (Sensed for The Takar Vikings) AHA! THERE YOU ARE, YOU LOUSY VARMINTS! I just spotted The Takar Vikings, they're 200 yards away, but they cornered June's friends and are going to kill them!

Juniper Lee: What?!

We then took off into the air to help Star Swirl unlock his Rainbow Power and take down The Takar Vikings, seal them up in an amulet, and send them to The M.O.E.

We were flying in the air, and we saw our targets: The Takar Vikings, and they're gonna kill Jody Irwin, Ophelia Ramirez, Rodger Radcliffe, Lila, Cletus, and Gus, and Marcus Connor.

Juniper Lee: There they are!

Rayman fired a barrage of purple energy fists that attacked The Takar Vikings with swift fury and brutality.

Juniper Lee: They'll be like this for a while.

We landed, and The Takar Vikings tried to get out, but then, Juniper Lee fired a magenta energy fist at the Viking ghosts and it hit them hard, and they got hurt bad.

Me: I should've known you Viking ghosts would return from The River of Fire to again pillage the town.

Nico: And let me guess, Anti-Monitor freed you all, didn't he?

Viking Ghost: No, it was a violent athletic girl with a bad temper and hates you all as much as us!

Everyone: JO?!

Monroe: (Scottish Accent) That witch, she must've found a way to open the portal to The River of Fire and let them out.

Lincoln: I don't believe her!

Lightning: Okay, now that nasty jock's really crossed it!

Lynn: Big time. That bullheaded bitch just crossed the line, and we're gonna burn her butt with a red hot branding iron with a burn that says "This ass is Property of Lynn Loud Jr. and Lightning!"

Lincoln: Damn straight. Now, to take care of you bloodthirsty savages.

Me: YEAH! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Takar Viking: You will not stand in our way you little runt!

Me: Me a Runt? I'm 7 feet taller than you now!

Takar Viking: Not for long!

He lifted his axe and I swung my scythe and slashed the handle and cut the blade off!

Mega Butterfree charged at them and blasted them with wind!

Mega Butterfree: Take that!

Nico: And we haven't gained just height!

Me: Yeah! Also for the record, don't you remember me? I was that black haired kid that humiliated you back in 2019?

Takar Viking: WHAT!? (GASP) YOU'RE THAT RUNT!?

Me: That's right! J.D. Knudson, Descendant of Leif Erikkson!

Takar Viking: Well you will soon be dead for humiliating us!

Me: You brought all that on yourselves after over 1,000 years!

I kicked the vikings.

I slashed them all over.

Poromon fired blasts of lightning and blasted the Takar Vikings.

Horsea squirted ink and blinded them.

Poromon shook a beer bottle and blasted them with beer.

It drenched them.

I fired blasts of blue fire and burned them.

Ophelia: You possessed us and made us kill lots of people! We did not like that!

Nico: I don't think you were possessed, Ophelia. You were with us at the time.

Ophelia: When I meant us I meant Jody and my friends excluding me.

Nico: Oh sorry.

Jody: I spent 4 months in therapy for that!

Me: I'll never forget that!

Ymir: Geez! They did all that to them against their will?

Me: Yep. Jody couldn't stop crying and throwing up because of it!

I fired blasts of blue fire and blasted the Takar Vikings all over!

Me: But what did you expect? Vikings are ruthless bloodthirsty savages that killed people and didn't care who it was.

Manaphy hopped over to them and blasted them all over.

Xenia fired arrows and blasted them.

Takar Viking: Well we'll drink your blood!

Me: You don't want our blood! It's poisonous!

Nico: Well, they ARE ghosts

Me: Yes and we killed Ghosts before.

Qin: Yep.

Claudia Choleric: And they haven't met me! I DON'T FUCK AROUND!

Lincoln went after The Takar Vikings and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids,

Lincoln also attacked them with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attacked them too with incredible fury.

Nico: So much for making it easy.

Luna: Nah, this is actually easy in Lincoln's eyes.

Caleb Maxwell: Easy? Those are long dead Viking ghosts getting thrashed around by a 12'9" tall massive musclebound werewolf who could easily rip them into pieces! I've seen too many werewolf movies to know that to be true!

Nico: GET EM, LINCOLN! TEAR THOSE SAVAGES TO PIECES!

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around The Takar Vikings, and then, they collided and they exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Then, he also fired water blasts that hit The Takar Vikings and exploded and he lifted up a massive mountain and flattened those old hags. Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Star Swirl: And now, it is time to administer your punishment for the crimes you've committed centuries ago. I am the Pillar of Equestria for Magic and the master of magic and mentor for Celestia and Luna 1,000 years of figuring out why. When my cutie mark comes to life, I will light up the love with magic of the Sky!

Magic swirled around him.

Star Swirl held up his staff into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Inside a rainbow sphere with intense flames and elemental forces, Star Swirl then underwent an intense and amazing transformation! Star Swirl had Rainbow Flame patterns and rings appear on his legs and obliques and rainbow sun and moon on his cloak and he also gained intense rainbow flame patterns and rainbow flames on his forearms, he also got blue lines on his hair and tail. He then had his Cutie Mark change into many rainbow lightning bolts, and his massive angel wings had intense rainbow fire on them.

HE UNLOCKED HIS RAINBOW POWER FORM! THE RAINBOW STAR OF LOVE!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Twilight Sparkle: Amazing.

Me: HE DID IT! STAR SWIRL UNLOCKED HIS RAINBOW POWER!

Star Swirl: Time to pay for what you've done, Takar Vikings.

He fired rainbow stars and magic at The Takar Vikings, and they got hit hard.

Nico: Without The Medallion of Takar, there was no way they'd be able to remain here in the world.

Juniper Lee: That was only without possessing Jody and the others. Now, without it, they can't possess anyone. But, they can still cause trouble wherever they go.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the

chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit The Takar Vikings hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Takar Vikings were on their last legs and they were really really mangled.

Then, Lincoln bound The Takar Vikings and Juniper Lee got out the medallion, and it levitated in front of The Takar Vikings, and Juniper Lee and Rayman chanted an incantation, and the medallion fired a beam of light that hit The Takar Vikings and sucked them in and June grabbed it.

We cheered as we holstered our weapons and powered down and Juniper Lee's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded pink gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded pink gems behind the gold rings behind her head, one-hundred large magenta and pink planets orbiting around her legs, one-hundred smaller magenta and pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized magenta and pink planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Juniper Lee: And that's that.

Rayman: Now, we just hand it to Vypra, she'll keep an eye on those dorkfaces.

Rayman beamed the medallion to The M.O.E.

Nico: I didn't think we'd deal with them again.

Eli: That was fun!

Nico: And that's how it's done.

Me: Yep.

Xenia: That was cool.

Me: Jo went too far freeing them from The River of Fire.

Lincoln: I also have a feeling the curse Brittney put on Heather also spread to the other sore losers, so we'll see what's happened to Jo when we do go after her today.

Me: I have a feeling it's not going to be pretty.

Camie: But it will be satisfying.

Nico: Yep.

Qin: Yeah.

Nico: Nice job, Mga Butterfree!

Mega Butterfree: Thanks.

Poromon: Want some beer?

Mega Butterfree: Oh no thanks. Gives me explosive diarrhea.

Me: Okay we did not need to know that.

Mega Butterfree: Sorry.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Mega Butterfree: Nice try though pipsqueak. The Puppy eyes don't work on me.

Poliwag: HEY! I'm not a pipsqueak!

Nico: (to the mascots) Have fun at school later

Poromon: We will.

Manaphy: We always do.

Terraspin: You sure do.

Nico: Oh, Terraspin, what do you like to do in your free time?

Terraspin: I like helping out in protecting turtles like me.

Me: Ah protect them from threats of nature and all that.

Terraspin: Exactly.

Me: Cool.

Ymir: What is it like on the planet Aldabra?

Terraspin: It's a beautiful and peaceful planet where Geochelone Aerios live in peace and the meadows are so beautiful.

Shanan: The Geochelone Aerio's, Terraspin's kind, are a peaceful and loving race and love all of nature.

Terraspin: That's right.

Me: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lightning.

Lightning: Another Me? Wonder who it is.

Eli: We'll see soon. And one of the Anothers is also The Keyblade Knight of Nirn.

Me: From Skyrim. Whoa.

Lincoln: (Thinking) I've got a feeling it's her alright.

Me: So we have Another King Tortoise, Blue Fire Finn, J-Reaper, Psycho Wind, Heron Lord Casmelodius Parus and Yzma (X-Squad).

Nico: Yep.

Me: And that means Terraspin, Claudia Choleric, Allie Avian, Pegasusmon, Layla Mediterranean and Helen Hippogriff are up.

Nico: Yep.

Claudia Choleric: IT'S ABOUT FUCKING TIME! I WANT TO SMASH SOME SKULLS IN!

KRABLAM!

SHE PUNCHED NICO IN THE FACE WITH POWERFUL FORCE!

Nico: OW!

Poromon: Geez!

Claudia Choleric: Sorry.

Qin: Yikes.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: You heard about the bodybuilding competition happening today along with the physical strength competition, and so, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillion bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chest like two Alpha Male gorillas.

Nico: There they are!

We saw Another Blue Fire Finn, J-Reaper, Psycho Wind, Heron Lord Casmelodius Parus and Yzma (X-Squad).

Me: WHOA!

Qin: This will be awesome.

Another Blue Fire Finn: (In a girls voice) Yeah it will!

Me: (GASP) That voice!

They reverted back and were the Embodiment of Meat and the gene-slammer of Exarion Universe!

Me: (GASP) Melanie Meat!

Nico: And Stella Andromeda.

Melanie Meat: Good to see you J.D.

Stella Andromeda: And you as well Nico.

Me: Same here. Melanie is the Embodiment of the Meat Dopant.

Luffy: (DROOLS LIKE A WATERFALL) OH BOY!

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Stella Andromeda: Friendly and cool.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Now for Backup. (TURNS DIAL) MEMORY BUTTBASHING SQUAD)

She summoned Memorase, Universe 666 Chaos, Octopunch (RID), Octopus Man (Mega Man), Aligned Bruticus and Octopus King (SpongeBob)!

Me: Yeah!

Melanie Meat: Here guys.

She made us a MASSIVELY HUGE PILE OF MEAT!

We got to eating and man Luffy was loving it! He ate lots of meat!

Me: (EATING) MMM! Delicious!

Nico: Yep!

We ate it all.

Poromon burped.

LOUD BELCH!

Poromon: Excuse me!

Nico: No problem.

Me: Oh there!

We saw Another King Tortoise and Lightning!

Me: WHOA!

Qin: This will be fun.

Lola: Yep.

Another King Tortoise: (In a girls voice) Yeah it will!

She reverted back and was the Keyblade Knight of Nirm!

Lincoln: Naomi Nirn! I knew it!

Naomi Nirn: Good to see you again Lincoln.

Lincoln: You too.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Naomi Nirn, Keyblade Knight of Nirn, she's Lincoln's Guardian Angel from Japan and she's a very powerful epic force. She's the Keyblade Knight of the world of Skyrim, Nirn, and a master of the magic and powers of all the creatures and elemental forces of Nirn and she hates all of the evils of Nirn. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she taught Lincoln how to master all her powers and more along with the magic and powers of all the creatures and elemental forces of Nirn, and over time, Lincoln gained all her powers and more along with the magic and powers of all the creatures and elemental forces of Nirn, she also helped him bulk up big time in muscle. Lincoln made her an awesome Keyblade, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and she also hates Scoots with a vengeance.

Me: WHOA! Scoots is gone though.

Qin: Yeah that old maniac got what's coming to her.

Naomi Nirn: Good riddance. Also I have all of King Tortoise's powers too.

King Tortoise: Nice!

Me: Cool.

Nico: Who's your friend?

Another Lightning: (In a girls voice) Someone who is proud of their brother.

Lightning gasped.

She reverted back and was a blond hair girl with blue eyes and a cheerleader outfit and had wings of lightning.

Lightning: Layla!

He went over and hugged her.

Me: Your sister no doubt.

Lightning: Yep this is my sister Layla. She is a cheerleader for me.

Me: Cool!

Layla: Yeah my brother is one of the best there is.

Me: He is a good sport and more. Unlike Jo.

Zocks: (gets out Donbrothers' gear) Did Swartz promise you anything?

Kaito: (Gets out Zenkaiju gear) Because we can grant it instead. Zenkaiju Gear!

Naomi Nirn: No he didn't because I shot 2 arrows into his kneecaps.

Layla: And I pulverized him into pulp and tied him up in knots and we ran.

Sakura Knudson: That explains why I found him a brutally mangled up mess back then.

Me: Nice! Too bad that didn't kill him.

Sougo: (gets out Zenkaiger ridewatch) Your brother really has grown as a person

Geiz: (gets out Donbrothers Ridewatch) You should've seen his first Total Drama competition with him and JD.

Sougo got ZenkaizerArmor while Geiz got DonMomotaroArmor.

Me: Yeah those were fun times.

Layla: I heard and Lynn I'm so glad my brother found an awesome girlfriend in you.

Lynn: Yeah he is awesome and the best.

Me: He sure is.

Lincoln: Lets separate you girls.

We did so.

Me: Lets dance.

Nico: (Gets out King Tortoise's ridewatch) I am going to have turtle soup tonight!

May: (Gets out J-Reaper's ridewatch) YOU DO NOT DESERVE TO EXIST!

Universe 666 May: (Gets out Psycho Wind's ridewatch) I will blow you away!

Maria: (Gets out Heron Lord Casmelodius Parus) I am the Heron!

Claudia Choleric: (Gets out Blue Fire Finn's ridewatch) I WILL FUCK YOU UP!

They used the powers of King Tortoise and his team and blasted the Anothers all over!

Then Snakeweed, Boss Biggis, Space Kook, Stingray, Despair Angie Yonaga, Siren and Dark Mercury came.

Me: WHOA!

Nico: Nice team Snakeweed!

Snakeweed: Thanks Nico.

Me: That means Tyzonn's team is up.

Tyzonn: It sure is.

Me: Yep.

Then Out of a bunch of stars and a bunch of z's came Number 42: Galaxy Tomahawk and Number 41: Bagooska the Terribly Tired Tapir.

Nico: WHOA!

Me: Number 42: Galaxy Tomahawk and Number 41: Bagooska the Terribly Tired Tapir!

Number 42: (In a girls voice) Ms. Tiredpants here is really sleepy.

Number 41: (In a girls voice) (Tired and sleepy) I just love sleeping.

Nico: Tina Tomahawk and Brenda Baku!

They reverted back.

Tina was a girl with black hair and blue eyes and purple angel wings and clothes and had Number 42: Galaxy Tomahawk on her forehead, skirt and shirt and arm and had a star sword and blaster.

Brenda was a girl with brown hair and purple eyes and had purple angel wings and had blue pajamas on and had Number 41: Bagooska the Terribly Tired Tapir on her forehead and shirt and shorts and nightcap and on her arm and had a sleeping dragon magisword in her hand.

Tina Tomahawk: Good to see you Nico.

Brenda Baku: We got this.

Tina Tomahawk: 42 NIGHTHAWKS BLAST!

Brenda Baku: 41 NIGHTMARES BLAST!

They fired waves of darkness and blasted the Anothers and I caught the Ridewatches and purified them!

Me: Take that!

Nico: Nice job!

Tina Tomahawk: Thanks!

Brenda Baku: It was fun. (YAWNS)

Claudia Choleric: Do you! (Clears throat) Do you have any good memories of Nico?

Tina Tomahawk: We sure do. Mine is where me and Nico were in flight camp and we battled a bunch of star destroyers in the Death Star and aced the test.

Me: Cool!

Nico: We did the real thing on Star Wars Day.

Me: That was fun.

Brenda Baku: Cool. Mine is where... (Falls asleep)

Me: Hey wake up! Sleep time can wait.

Brenda Baku: Huh? What!? Sorry. Oh. It's where me and Nico went and destroyed lots of bad guys with their bad dreams when we went to face a mafia gang.

Me: Whoa that is cool!

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Tina Tomahawk: Same here.

We went back home.

And finally, we'll be going after an old enemy of Cage Blunt's, his name is Nathan Caldwell, he was a local troublemaker from New York, but here's the bad news: his parents, two of New York's most notorious crime lords, Leanne Caldwell and James Caldwell, got killed and drained of blood by Cage Blunt and Travis Tackett in 1985 when those two were drunk on Demon Blood, and Caleb who saw the whole thing while hiding from them ran away, but he hadn't forgotten of what happened that night. We're going to take down Nathan Caldwell, and we're going to throw him in The Charon Reform School.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in the sports stadium in the west of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but I'm going to win the bodybuilding competition and add another trophy to my awards case, and then, we'll be heading to Lake Michigan for the second part: the physical strength competition that I'm also going to win as well.

Me: This is going to be another year you win in bodybuilding, Lincoln.

Nico: And we also got a physical strength competition happening in Lake Michigan, you're bound to win in that as well.

Lynn: This is gonna be awesome.

Terraspin: Though I suspect the villain we'll be facing is from one of the Nightshift's past who's also intertwined with Caleb Maxwell's.

Caleb Maxwell knew something, same with Cage Blunt and Travis Tackett.

Eli: We'll worry about that much later.

We got to our seats, and then, the competition began, and we saw Lincoln in an orange speedo, and he did the bodybuilding poses mandatory in the competitions: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that not only impressed the male judges, but also, the female judges wound up getting nose bleeds.

And as a result, Lincoln won the bodybuilding competition for the ninth year in a row as he got a gold bodybuilder trophy and gold medal for first place. Then, we headed down to Lake Michigan for the physical strength competition, and Lincoln really impressed the judges by lifting a machine weighing 999 Quintillion tons at 1000 times normal gravity with just his right hand, and he also flexes his left arm as his massive left bicep rises and bulges even more as veins form.

Lincoln: (GROWLS) GRRRR!

The female girls in high school and college wound up getting nose bleeds from that.

Then, Lincoln tied a rope to his chest, and he literally hauled a ten-ton truck from its starting point to the ending point, and it was a record breaking 1,000 feet, and he grabbed a ten-ton anchor and he tossed it and it landed with a record breaking 1,500 feet, and he did other sorts of physical challenges that really impressed everyone and us as well. Lincoln won the physical strength competition and he got a gold trophy.

Lightning: Wow, winning the bodybuilding competition for the ninth year in a row and the physical strength competition? That was awesome!

Lynn: Lincoln's had help from Kiara Kessler and Melanie Martinez in getting into bodybuilding, and even I was impressed.

Anna Anyanova: Yep, he's really grown a lot from the cute eleven-year-old little boy into the 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and he doesn't take crap from assholes who hurt his family and friends.

Lincoln: That's right. Now, for the next part of my rescue, and Terraspin was right about what he said. Cage, are you familiar with someone by the name of Nathan Caldwell?

Cage Blunt: That's a name I hoped never to hear again. Nathan Caldwell is a local troublemaker from New York, but here's the bad news: his parents, Leanne Caldwell and James Caldwell, two of New York's most notorious crime lords, got killed and drained of blood by me and Travis on October 14th, 1985 when we were drunk on Demon Blood, and Caleb who saw the whole thing while hiding from us after getting into a nasty fight with all three of them ran away, but he hadn't forgotten of what happened that night.

Caleb Maxwell: He hated Cage for what he and Travis did to his parents. The vampires' law allowed them to kill rapists and murderers, and Leanne and James Caldwell were murderers along with being crime lords, and Nathan was a rapist and a murderer. I shot Nathan in the left leg that night and left him paralyzed. The doctors got the bullet out, but he would walk with a limp forever, and he swore to get revenge on me for that, and on Cage and Travis for murdering his parents. So, what do we do?

Lincoln: We're going to take down Nathan Caldwell, and we're going to throw him in The Charon Reform School. So, we're not killing him.

Suddenly, we saw Nathan Caldwell coming at us: he was a brown-furred male cat with black hair, brown tail, and blue eyes full of hate, and he had tattered clothes.

Caleb Maxwell and Cage Blunt: Nathan Caldwell.

Nathan Caldwell: YOU UNDEAD IMMORTAL PIECE OF SHIT! YOU'RE GONNA PAY FOR KILLING MY PARENTS IN 1985!

Travis Tackett: Seriously? No, Nathan, your parents brought that on themselves, they were lowlives, and so were you. It's no wonder Caleb shot you in the leg and ripped your parents' eyes out in a fit of rage back then.

Nathan Caldwell: SHUT UP! DIE!

Nathan Caldwell charged at us, only to get hit by Caleb Maxwell whacking him in the face with his guns.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Nathan Caldwell and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON NATHAN CALDWELL! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we send you to prison!

Then, Andre Lupeau went after Nathan Caldwell and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his

Then, Cage Blunt rushed in and cuffed Nathan Caldwell and threw him into a portal that led to The Charon Reform School. We cheered as we holstered our weapons and powered down.

Nico: Now, that was an awesome rescue. You won the bodybuilding competition and physical strength competition for the ninth year in a row, Lincoln.

Lincoln put the trophies and medals in his case.

Lincoln: Yep, and we took down Nathan Caldwell and sent him to The Charon Reform School, and it's much better than letting him get killed.

Cage Blunt: Like what Travis and I did to his parents in 1985. Still, I was surprised to know he was still alive and well.

Jack Howard: After his parents were killed, he was forced to live on the streets, but he hated Caleb for what he did.

Caleb Maxwell: Along with Cage and Travis for murdering his parents. He should be lucky he's not going to join his parents in Hell.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long pink hair and black hairband in her hair, red eyes, massive black angel wings, she has the Lust symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Lust on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Lust, and with her are the six girls.

Lincoln: (GASPS) Adriana Nightshade, Avatar and Gene-Slammer of The Pot of Lust and Deadly Princess of Lust.

Adriana Nightshade: That's right, and I got the girls away from that rapist, and I saw you winning the bodybuilding competition and physical strength competition, Lincoln. You've won yet again for nine years in a row.

Nico: It was the first time we went to one on a rescue.

Me: Yep. Lincoln's won every bodybuilding competition nine years in a row, and even getting more female admirers.

Anna Anyanova: And Stella Esteban and I know them, some of the high school girls among the group are my friends there who also helped when Tanya was under Dark Chase Young's corruption and the college girls in the group are some of Stella Esteban's friends from community college.

Lincoln: I knew they were familiar, and many of them helped out with dealing with my enemies and even laid a beatdown on Lori, Lynn, Lola, Lisa, and Luan. (To Adriana Nightshade) And it's so good to see you again, Adriana.

Adriana Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Adriana Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Adriana Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach,

and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adriana Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adriana Nightshade's waist and hugged her, and Adriana Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Adriana Nightshade, Avatar and Gene-Slammer of The Pot of Lust and Deadly Princess of Lust, she's Lincoln's Guardian Angel from Las Vegas and she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Lust. She's known as The Deadly Princess of Lust and Avatar and Gene-Slammer of The Pot of Lust, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The

Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Adriana Nightshade has the power to turn male thugs into hulking massive musclebound brutes full of lust only to be absorbed by Lincoln and he assimilates their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of libido, and extreme levels of testosterone. Adriana Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Lust, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Lust, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lori with a blazing passion, and she swore if she saw Lori being cruel to Lincoln again, she'd send Lori to Hell forever to be raped by male demons for eternity to satisfy their eternal lust.

Me: Lincoln told us everything, and Nico heard about what you did, was it true?

Adriana Nightshade: I got the video to prove it which I'll show you later.

Lincoln: It was thanks to her, we reduced the male prisoner population in the prisons in New Jersey and many of them were death row inmates, and now that you're here, Adriana.

Lincoln with his massive muscular arms still wrapped around Adriana Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive

and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adriana Nightshade: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adriana Nightshade with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Adriana Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Adriana Nightshade.

Adriana Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adriana Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Adriana Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adriana Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adriana Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The six girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Hikari Kohinata, Kinuko Asamiya, Rurika Kirishima, and Saki Mizuhara from Maruhi Jinji-bu Ryoujyoku-ka and Valkyrie Sigurd and Valkyrie Svia from Ikusa Suvia.

Lincoln: Oh whoa, it's Hikari Kohinata, Kinuko Asamiya, Rurika Kirishima, and Saki Mizuhara from Maruhi Jinji-bu Ryoujyoku-ka and Valkyrie Sigurd and Valkyrie Svia from Ikusa Suvia.

Nicole: So, those were the girls Adriana saved, and Travis and Red were right telling the others to run to their rooms: they're voluptuous and sexy.

Lincoln: And easy targets for perverts and rapists, thank goodness we didn't kill Nathan Caldwell, he didn't deserve to die. Are you girls okay?

Hikari Kohinata: Yes, we're okay, thanks to you.

Then, when Hikari Kohinata and the other five girls saw who it was that saved them from Nathan Caldwell, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-

Hikari Kohinata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hikari Kohinata: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hikari Kohinata, Kinuko Asamiya, Rurika Kirishima, Saki Mizuhara, Valkyrie Sigurd, and Valkyrie Svia with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That's what I call another win for Gotham Royal York's youngest bodybuilder.

May: For the ninth year in a row.

Lincoln: It took years of dedication and practice to get to that position as the top superheavyweight bodybuilder that I became.

Nico: Along with help from your Guardian Angels, and I was stunned you lifted a machine weighing 999 Quintillion tons at 1000 times normal gravity with just your right hand.

Me: And you also flexed your left arm as your massive left bicep rose and bulged even more as veins formed.

Lynn: That proved Lincoln's also a True Alpha in the bodybuilding world. No one was able to beat him in the competitions in the past.

Nebula Lanaia: And even I saw the competitions from the videos Lincoln's Guardian Angels recorded, I was so proud of Lincoln continuing to grow into a strong and handsome young man, and Hawk, Hank, The Stankcos, Flip, Killjoy Huggins, and Scoots tried to ruin it in the past.

Lynn: Lanaia was right about that part, and she called them all kinds of names that no one would ever want to repeat. Plus, I made sure Flip and Scoots got beaten up hard, and as for Hawk, Hank, Killjoy Huggins, and The Stankcos, that was left to Kiara Kessler and Melanie Martinez beating them up and sending them to the hospital. Especially when Lanaia got so mad, she stabbed Killjoy Huggins in the feet.

Rita: That was due to Dark Chase Young's evil, and the rest of those losers got what they deserved.

Lynn Sr.: I was hoping Lincoln would put their heads in an armlock and pop their heads off with his biceps.

Lincoln: Nah, too easy, Dad.

Me: He's right. Besides, at least, The Stankcos, Flip, Scoots, and Killjoy Huggins got The Black Abyss.

Nico: But, those two gorillas from Hazeltucky, they're still out there, but not for long.

After Lincoln won the bodybuilding competition and physical strength competition and he and all of us took down Nathan Caldwell and threw his ass in The Xaikora Prison, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Adriana Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel

wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adriana Nightshade: My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adriana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adriana Nightshade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Adriana Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel

wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Adriana Nightshade got out the videotape.

Adriana Nightshade: Alright, now here's the tape proving the stories Nico, Qin, and their friends heard about a dark Princess of Lust turning hundreds of prisons full of male prisoners in New Jersey into 30'0" tall hulking massive musclebound brutes full of lust only to disappear are true.

Adriana Nightshade put the tape in, and it showed New Jersey during the daytime hours, and it then shows the inside of one of the supermax security prisons full of male prisoners, and many of them were in there for crimes of murder. Suddenly, a pink mist came in and sprayed all of the prisoners there.

Nico: (GASPS) There, that's the pink mist that was seen in the prison videos when we went down to the prisons.

The male prisoners were coughing like crazy, but then, the prisoners all growled in pain as hot fire coursed through their veins that started glowing pink, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their jumpsuit tops exploded off and their pants were left as tattered shorts as they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, the mist transformed into Adriana Nightshade, and the male prisoners tried to get out, but then, something began appearing in their prison cells, it was a male figure and he had tails with stingers, and he stabbed them into the backs of the prisoners and he began absorbing them and he began assimilating their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of libido, and extreme levels of testosterone.

At the same time, the prisoners began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into the male.

This went on for a long while, and when the male was done, nothing was left of the prisoners except for their tattered pants, and this went on throughout the other prisons full of male prisoners and all of them met the same fate as the ones at the prison Adriana targeted first: turned into 30'0" hulking massive musclebound brutes full of lust only to be absorbed.

Then, Adriana Nightshade came back to a spot in the north of Lake Michigan, and the male showed up at her side.

Past Adriana Nightshade: That was a job well done, now the prisons in New Jersey won't have to deal with those shitheads again. Excellent job.

Then, we saw who the male was that was in the prison cells absorbing the prisoners: it was Lincoln.

Qin: What the?! So, the story we heard was true?!

Nico: Wow!

Past Lincoln: Thanks, Adriana. Besides, those guys got what they deserved.

Suddenly, Lincoln let out a growl as he felt the effects of the absorption of the male prisoners and him assimilating their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone.

Past Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

Then, Lincoln's abnormally massive and powerful upper and lower body and nether regions bulged even more and he grabbed his shirt and ripped it off exposing his even more muscular upper body as more veins formed and his black pants shredded off leaving them as shorts. Then, Lincoln let out a loud roar as his massive white angel wings spread out even more, and he let out a loud and massive roar of dominance and power as he pounded his chest like an Alpha Male gorilla.

Past Lincoln: Oh man. That was an absolute rush, but your plan worked, we got rid of the death row prisoners in New Jersey, and I'm now even more insanely ripped than ever.

Suddenly, Lincoln was on top of Adriana Nightshade who was lying on the sand, and he leaned down and kissed her intensely as she returned it as well.

Past Adriana Nightshade: (In Heaven) Now, that was really hot.

But, then, Lincoln carried her bridal style and beamed themselves back to his room, but just as it was about to heat up even more, Lincoln cut the video out.

Poromon: Hey, what the?

Lincoln: I can't show you the next part: that's where it got really intense and...intimate.

Nicole: My barrier failed because Lincoln's Incubi magic and his Mark of The Incubi combined with his infinite levels of libido and extremely infinite sex drive was infinitely too powerful and Adriana Nightshade's power over Lust is far more powerful than any Succubi from Hell.

Lori: Mom and many of us literally had nasty nosebleeds, and Dad tried to stay focused, but even he also failed as well.

Me: I had to run out of there when the blood pool almost swept me away.

Nico: Yikes! So, this wasn't the first time the barrier failed.

Nicole: No, it wasn't, and it went on all day and all night long, and when Lincoln and Adriana Nightshade and his Guardian Angels even Ronnie Anne, Paige, and Girl Jordan were done, Lincoln had a lot of blood to clean up.

Rita: It was a mess, but the good thing of Lincoln becoming a True Alpha Werewolf-Vampire Hybrid, he cleans up any blood spilled and leaves nothing behind.

We got a shower, and then, Lincoln, Lucy Mann, and Ice Queen are heading to Emerald Coast.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lucy Mann and Ice Queen dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Lucy Mann and Ice Queen had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Lucy Mann: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Lucy, and it's perfect for our first date. Shall we?

Lincoln, Lucy Mann, and Ice Queen dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Lucy Mann and Ice Queen also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Lucy Mann and Ice Queen a deep tissue massage, and when he was done with that, Lucy Mann and Ice Queen were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lucy Mann and Ice Queen got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Lucy Mann: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Lucy Mann and Ice Queen and he hugged them in his abnormally massive and powerful muscular arms, and Lucy Mann and Ice Queen placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had their lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame

patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucy Mann and Ice Queen with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with two white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Lucy Man, and Ice Queen are in your harem, Linky.

Lucy Mann and Ice Queen showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Lucy Mann: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO

MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for number 3 of the Skylanders adventures.

Me: Next up is Chef Pepperjack like I said.

Nico: Yep.

Eli: This will be awesome.

Nico: Who wants to go next?

Me: Well me, you, Universe 666 May, Ymir, Wildfire, Ka-Boom, Sunburn, Torch, Fire Man and Heat Man

Nico: Awesome!

Me: Lets bring the heat!

Xenia: Go get him!

Me: With pleasure!

We high five!

We went into the Simulator and it activated and we were flying and saw the Chef Zeppelin!

Me: WHOA! Chef Pepperjack's base is a giant flying fortress!

Nico: WOW! This is gonna be awesome!

Tessa: All right guys! The Chef is not going to get away from us this time!

Me: That you can count on!

Tessa: Uh looks like his base is well defended though.

Flynn: Also pretty cool if I'm being totally honest here.

Me: It sure is!

Nico: No kidding.

We saw troll ships coming!

Me: Troll ships coming at 3:00!

Nico: I see them!

We fired blasts of fire and blasted them! Then flying trolls came in!

Flynn: FLYING TROLLS!? No wait wait wait they're just wearing helicopter backpacks.

Ymir: That is cool!

We blasted them.

Nico punched one!

SMASH!

Me: Those helicopter backpacks are genius!

Universe 666 May: They sure are.

Flynn: The Zeppelin is defended by several main cannons.

Me: And I see a couple of them!

Universe 666 May: I got this.

She fired a blast of energy and blasted them.

Flynn: I can't remember how many of them it said to go but nice shootin!

Universe 666 May: Thanks!

We blasted the cannons!

We blasted more trolls on Helicopter Backpacks too!

Nico punched more trolls left and right!

Nico: This is too easy!

Me: It's like shooting monkeys in a barrel. No offense Nico.

Nico: None taken

We blasted their air defenses all over.

Flynn: Those air defenses are all officially exploded. Although it appears I may have taken a hit or two myself. Either that or it might have been those enchiladas I had for lunch before we came here were a little past their due date.

Ymir: Okay Flynn we did not need to know about that.

Sunburn: Yeah a little too much info.

Nico: TMI!

Me: We know what it means.

Tessa came to Flynn.

Tessa: Flynn you're really hurt. You've got to get back to the estate right away.

Me: I agree with Tessa.

Flynn: Okay guys but only because you say so.

Me: Varie 1 for transport to the infirmary.

Varie: Medical corps on its way.

Varie, Maria and Robot Lori came and had Flynn come with them.

Me: You'll be fine Flynn.

Tessa: Make your way to the front of the ship and see if you can find an entrance into the chef's kitchen.

Me: Okay Tessa.

We got to around the ship and more trolls came!

Sunburn fired blasts of fire and burned them.

Nico: Please tell me we've found him!

Me: Not yet.

Sunburn: Look here.

We saw cannons and we tested them and they were chili pepper cannons!

Me: WHOA! Chili Pepper Cannons! Awesome!

Nico: Nice!

We fired them and blasted barricades and more.

Me: We could use these at the estate.

We got them to the estate.

We then went down to the front and into the Command Kitchen. Out came CHEF PEPPERJACK!

Chef Pepper Jack was once the most renowned celebrity chef in all of Skylands – until he discovered ancient recipes for evil delicacies. That's when he turned his thriving restaurant business into a formidable criminal empire. The scam was simple. He would fly his zeppelin fortress over a village and order the townsfolk to surrender all of their money. If they didn't, he would promptly serve up the main course of spicy pepper bombs that would blow everything to smithereens! The Golden Queen valued both his explosive and non- explosive culinary skills and recruited him into the Doom Raiders at once. Now, when he's not serving time in Cloudcracker Prison, he's serving up atomic omelets of doom!

Chef Pepperjack: Well well well. So we finally meet Team Loud Phoenix Storm!

Me: Chef Pepperjack I presume?

Chef Pepperjack: Mmm mmm mmm! Hope you brought an appetite because tonight on the menu we're serving YOU!

Me: Well we're not very appetizing!

Chef Pepperjack: I just wanna make an extra spicy omelet and blow everyone up. Is that really such a bad thing? Look like 'dis Skylander don't want us making our Extra Spicy Omelet o' Doom! I know, I know. It all sounds crazy to me.

Me: I'm already hungry enough as it is and you know what I'm hungry for? NUCLEAR HOT SPICY PEPPER SOUFFLE!

Nico: You're not serving the food to us, are you?

Chef Pepperjack: Oh I'm going to serve you more than food. I'm going to cook you! That's right! I'm going to serve you as a dinner! Not serve you as in present the food to you, I can see how that would be confusing! Anyway! Lets spice things up!

Me: TIME TO UNLEASH THE FIRE!

I DRANK A BOTTLE OF MY SUPER NUCLEAR HOT HOTSAUCE AND IN A MASSIVE FIERY EXPLOSION I HAD MY FIRE AURA ACTIVE!

Me: YEAH!

Wildfire: BRINGING THE HEAT!

Ka-Boom: BOOM TIME!

Sunburn: ROAST AND TOAST!

Torch: FIRE IT UP!

Me: YEAH!

I fired blasts of fire and blasted Chef Pepperjack!

Me: Taste the pain of Jalapeños! JALAPEÑO FIRE STYLE NINJA ART: JALAPEÑO FLARE BALLS!

I fired green fireballs and blasted him all over the place!

Chef Pepperjack: You know what? I SHOULD serve the food to you. In your mouths!

Me: BRING THE HEAT!

He fired massive numbers of dangerously hot nuclear hot atomic peppers and they flew into my mouth and I ate them... And then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO OOOOOOOOOMMMMM!

THERE WAS AN INTENSELY MASSIVE AND INCREDIBLY POWERFUL ATOMIC NUCLEAR EXPLOSION AND I HAD MY FIRE AURA INTENSIFIED 100,000,000,000,000,000,000,000-FOLD!

Nico: WHOA!

Me: AW YEAH THAT WAS GOOD STUFF!

Chef Pepperjack: Say what?!

Me: I've always loved nuclear hot chilis and dangerous hot hotsauces. I even make my own hot sauces.

Nico: He's not kidding on that! Some of them are hot enough to even kill you.

Ymir: That's our future husband!

Universe 666 May: Yeah he is fire incarnate!

Chef Pepperjack: (to Nico) Fine. Then you try some!

He fired more chili blasts at Nico and they went into his mouth and then...

Nico SCREAMED IN AGONY!

FIRE ALARMS WENT OFF!

(IT BURNS BURNS BURNS BY LOCO LOCO PLAYS)

NICO RAN AROUND IN AGONY LIKE A CHICKEN WITH ITS HEAD CUT OFF!

Chef Pepperjack was laughing hysterically!

Nico: I thought I could handle it!

But then!

LOUD NASTY FIERY BELCH!

Nico belched out an intensely powerful flamethrower blast of fire and blasted Pepperjack.

Me: WHOA!

Nico: (ITALIAN ACCENT) THAT'S A SPICY MEAT-A-BALL!

Nico got it out of his system

Nico: Ahh.

Me: Jalapeño was just an appetizer. Now here comes the main course! Lets kick it up a notch! HABANERO STYLE NINJA ART: HABANERO INFERNO PEPPER CHAINS!

I fired waves of fire and they formed into pepper chains and tied him up.

Kaboom fired fireballs and Wildfire fired inferno chains!

Nico punched him and then...

LOUD NASTY HORRIBLE FIERY FART OF INSANELY SPICY POWER!

He farted a blast of fire in Chef Pepperjack's face!

Nico: FARTS OF FIRE!

Me: HOOWEE! Now watch this! GHOST PEPPER STYLE NINJA ART: NAGA JOLOKIA CURRY FIRESTORM!

I fired a massive blast of fire and curry and blasted Pepperjack all over the place with it!

Nico: Take that!

Chef Pepperjack: Okay now! Lets say we make this barbecue official and drop some burgers on the grill!

He put some huge steaks on the grill floor!

Me: Listen to that beef sizzle!

Nico: YEAH!

Me, Nico, Universe 666 May, Ymir, Wildfire, Ka-Boom, Sunburn, Torch, Fire Man and Heat Man: INFERNO FIRE SKYLANDERS DEATH RAY!

We fired a massive blast of fire and blasted him down.

Me: Now for dessert! I got a special donut just for you Chef Pepperjack.

SATANIC DEMON CHANT MUSIC PLAYS!

I pulled out a glowing neon red donut!

Nico: A donut?

Me: Oh not just any donut. Watch.

I threw it and it went into Chef Pepperjack's mouth and then...

A MASSIVE FIERY EXPLOSION BLASTED OUT AS CHEF PEPPERJACK SCREAMED IN INTENSELY EXPLOSIVE AGONY WITH FIRE EXPLODING OUT OF HIS BUTT, MOUTH, EARS, EYES, NOSE AND MORE! HE SCREAMED IN SO MUCH PAIN AS FIRE BLASTED OUT!

HE RAN AROUND LIKE A MAN THAT WAS ON FIRE AND WAILING IN AGONY AS HE WAS BURNING!

Me: My special Atomic Armageddon Death Donut! It's a chocolate donut with hotsauce and atomic ghost pepper and Carolina Reaper Pepper paste inside it and the chocolate on it has dragons breath pepper sauce and capsaicin extract on it and it's sprinkled in Steven Universe's fire salt!

EVERYONE GASPED IN SHOCK AND HORROR!

Nico: HOLY SHIT!

Eli: THAT IS LETHAL!

Ymir: GEEZ!

Amethyst: He learned all that from me and Steven!

Me: Yep.

CHEF PEPPERJACK DEFEATED!

Me: Now for the finale.

I held up a Red Fire Traptanium Shard And a red vortex appeared.

Chef Pepperjack was being sucked in to it.

Chef Pepperjack: Don't know where I'm going, but I hope they got good barbe-CUE!

He got trapped!

Chef Pepperjack: Well, well. Wonder what we got cooking in here? Something with mustard? Mm!

CHEF PEPPERJACK TRAPPED!

Chef Pepperjack: I guess you're the spicy chef now!

Me: That's right and you have to obey me now.

Chef Pepperjack: I bow to thee KING OF NUCLEAR SPICY FOOD!

Nico: Really?

Me: Well I do love the heat.

WE LAUGHED!

We came back and everyone cheered.

Me: OH YEAH! I'M ON FIRE!

SMOKING!

In the classroom, the mascots heard an announcement.

Intercom: Poromon, Poliwag, Manaphy, and Horsea, please come to the Principal's office.

Lynn: Dear God, what did you guys do now?

Poromon: We didn't do anything.

Me: Well lets go see.

We went to the principal.

We went into the officer.

Poromon: You wanted to see us Principal Diane?

Principal Diane: Yes come on in. You're not in trouble I just wanted to show you something.

Poromon: What is it?

Principal Diane: You remember when you showed the trailer for Blood and Honey to the kids right?

Manaphy: LOOK AT IT! (Clears throat) Sorry. Yes we do.

Principal Diane: Good well here.

She showed her secret Anti-Blood and Honey Memorabilia.

Poromon: WHOA!

Manaphy: Wait you hate Blood and Honey too?

Principal Diane: I loathe it more than anything. When I heard you guys show the trailer for Blood and Honey, I showed J.D. and Nico my secret hobby and I showed how much I hate it too. I heard about how you guys defeated the real things on Chikyu and I am so proud of you all.

Lightning: Oh yeah. Forgot about that

Me: Yeah we learned about what she does on the big day for the Spider Riders and we were amazed about it.

Horsea: Wow!

Poliwag: We're impressed Principal Diane. Welcome to the Anti-Blood and Honey Club.

Principal Diane: Thanks.

G1 Tantrum: That's all you called them for?

Principal Diane: Yeah I just wanted to show them.

Me: It was bound to come out soon.

Chef Pepperjack: (From in the trap) You guys hate that movie don't you?

Me: More than anything.

Chef Pepperjack: I'll say! How did you make a donut like that J.D.?

Me: Oh Homer let me make my own donut at the donut shop and I was saving it for that very occasion.

Nico: You slippery little weasel.

WE LAUGHED!

Me: (LAUGHS) Yeah.

G1 Hot Spot: Did he really?

Homer: (LAUGHS) Yep I sure did and it was fun.

Me: Yep

Nico: Cool.

A knock on the door was heard.

Principal Diane: Come in?

A kid a came in.

Kid: Principal Diane you got to see what's going on at the playground!

We went outside and saw the kids playing in a park on the belly of a HUGE POKEMON! It was a Gigantamax Snorlax!

Me: WHOA! A Gigantamax Snorlax!

Nico: And the kids are playing on its belly!? That is crazy!

Me: Holy cow! We were talking about that one yesterday!

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Nico: It must be.

Swarm: Lets see here.

He used his telepathy and gasped!

Swarm: Wow! That's my friend Vera Grapefruit! She is the Grapefruit Master of Skylands.

Me: Whoa! I don't like Grapefruit. Too sour. But lets go see her. First lets get the kids off her. This will get ugly.

Swarm: BRING THE STING!

We went over.

We got the kids off.

Me: Now kids we got business here to do so head back inside okay.

They did so.

Swarm: Vera you had fun there. It's me Swarm.

She got up and tried to sit on us.

I lifted her up with incredible strength!

Me: (STRAINING)

I lifted her up no problem!

Nico: HOLY COW! That pokemon weighs almost 135,000 pounds and he is lifting her up no problem!

Camie: WOW!

Camie, Ymir and my harem had hearts swirling above them and were swooning for me!

Nico: Oh you are NOT Sitting on us!

Me: It's like benchpressing the heaviest dinosaur!

Lynn: Awesome!

I snapped my fingers and she reverted back! She shrunk down and was a girl with green hair and green eyes and green angel wings and had Gigantamax Snorlax on her forehead and had a cutie mark with a grapefruit and one that was cut in half and covered with strawberries and cream on it.

I wrapped her in a blanket and we sat her down on a bench.

Her huge girth left a huge ground indentation on the ground.

She woke up and groaned.

Vera Grapefruit: (Groans) What happened? (LOUD NASTY SUPER LONG BELCH!)

She releasd a HUGE BELCH that was powerful and it blew down 20 trees!

Me: GEEZ!

Vera Grapefruit: Excuse me!

Swarm: That was a big one.

Vera Grapefruit: Swarm!

She hugged him.

Swarm: Thank goodness you are okay.

Me: Yeah you were turned into a Gigantamax Snorlax by Dark Gale.

Vera Grapefruit: (GASP) I remember!

She was injected and she transformed and busted out of the lair and left with massively loud thunderous footfalls!

FLASHBACK ENDS

Vera Grapefruit: But that was awful. And that explains why I had all that gas in me.

Me: Gigantamax Snorlax is one of the heaviest known Pokemon of all. And weighs over 134,000 pounds.

Vera Grapefruit: Geez! No wonder I was gassy.

Me: I know. But we destroyed Dark Gale.

Vera Grapefruit: Good. Do you guys have any grapefruit?

Laney: Here.

She grew some grapefruit with her plant powers and gave them to her and she ate it.

Me: Wow you sure like grapefruit don't you.

Vera Grapefruit: Yep. Want some?

Me: No thanks. I don't like grapefruit. Too sour for me.

Nico: I'll try some.

She gave it to him.

Nico ate it and his lips puckered up.

Nico: Really sour.

Chowder: At least it's not puckerberries. Those are REALLY sour.

Me: I know.

Vera Grapefruit: I work as the plant mage of the team and I use my powers to trap our enemies. Outside the team I'm a gardener for Skylander Academy and also help the Skylanders battle the Forces of Kaos.

Me: Cool!

Qin: Awesome!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green and dark green clothes and a nature sword.

Vera Grapefruit: Wow I look awesome!

Me: You sure do.

Ash: Boy you eating grapefruit reminds me of my Snorlax when we went to the Seven Grapefruit Islands.

Pikachu: Boy I remember that! It was eating all that grapefruit!

Me: Geez!

Nico: Yikes.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially

Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Jo starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Qin came down and yawned.

Me: Hey Qin. Have a nice nap?

Qin: I sure did.
